

NOTICE OF MEETING

Special Licensing Sub Committee

MONDAY, 22ND JUNE, 2009 at 19:00 HRS - CIVIC CENTRE, HIGH ROAD, WOOD GREEN, N22 8LE.

MEMBERS: Councillors Edge, Patel and Thompson

AGENDA

1. APOLOGIES FOR ABSENCE

2. URGENT BUSINESS

It being a special meeting of the Sub Committee, under Part Four, Section B, Paragraph 17, of the Council's Constitution, no other business shall be considered at the meeting.

3. DECLARATIONS OF INTEREST

A member with a personal interest in a matter who attends a meeting of the authority at which the matter is considered must disclose to that meeting the existence and nature of that interest at the commencement of that consideration, or when the interest becomes apparent.

A member with a personal interest in a matter also has a prejudicial interest in that matter if the interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice the member's judgement of the public interest **and** if this interest affects their financial position or the financial position of a person or body as described in paragraph 8 of the Code of Conduct **and/or** if it relates to the determining of any approval, consent, licence, permission or registration in relation to them or any person or body described in paragraph 8 of the Code of Conduct.

4. SUMMARY OF PROCEDURE (PAGES 1 - 2)

The Chair will explain the procedure that the Committee will follow for the hearing considered under the Licensing Act 2003. A copy of the procedure is attached.

5. THE OLD ALOYSIANS, ST ALOYSIUS COLLEGE, SPORTS FIELD, HURST AVENUE, HORNSEY, LONDON, N6 5TX (PAGES 3 - 58)

To consider the application for a new Club Premises Certificate.

6. PLACE TROCADERO, 12 ST LOYS ROAD, TOTTENHAM, LONDON, N17 (PAGES 59 - 150)

To consider the application for a new Premises Licence.

Friday, 12 June 2009

LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY	
INTRODUCTION	
1.	The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2.	The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them
3.	The Chair explains the procedure to be followed by reference to this summary which will be distributed.
NON-ATTENDANCE BY PARTY OR PARTIES	
4.	If one or both of the parties fails to attend, the Chair decides whether to:
	(i) grant an adjournment to another date, or
	(ii) proceed in the absence of the non-attending party.
	Normally, an absent party will be given one further chance to attend.
TOPIC HEADINGS	
5.	The Chair suggests the "topic headings" for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is:
	Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.
	(i) the prevention of crime and disorder,
	(ii) public safety,
	(iii) the prevention of public nuisance, and
	(iv) the protection of children from harm.
6.	The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.
WITNESSES	
7.	The Chair asks whether there are any requests by a party to call a witness and decides any such request.
8.	Only if a witness is to be called, the Chair then asks if there is a request by an opposing party to "cross-examine" the witness. The Chair then decides any such request.
DOCUMENTARY EVIDENCE	
9.	The Chair asks whether there are any requests by any party to introduce late documentary evidence.
10.	If so, the Chair will ask the other party if they object to the admission of the late documents.
11.	If the other party do object to the admission of documents which have only been produced by the first party at the hearing, then the documents shall not be admitted.

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?	
THE LICENSING OFFICER'S INTRODUCTION		
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.	
14.	The Licensing Officer can be questioned by Members and then by the parties.	
THE HEARING		
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i)	an introduction by the Objectors' main representative	
(ii)	an introduction by the Applicant or representative	
(iii)	questions put by Members to the Objectors	
(iv)	questions put by Members to the Applicant	
(v)	questions put by the Objectors to the Applicant	
(vi)	questions put by the Applicant to the Objectors	
CLOSING ADRESSES		
16.	The Chair asks each party how much time is needed for their closing address, if they need to make one.	
17.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
THE DECISION		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	
19.	The decision is put in writing and read out in public by the Committee Clerk once Members have returned to the meeting.	

Licensing Act 2003 Sub-Committee on 22nd June 2009

Report title: Application for a new Club Premises Certificate at THE OLD ALOYSIANS, ST ALOYSIUS COLLEGE SPORTS FIELD, HURST AVENUE, HORNSEY, LONDON N6 5TX

Report of: The Lead Officer Licensing

Ward(s) affected Crouch End

1. Purpose

To consider an application by THE OLD ALOYSIANS to allow The Provision of Regulated Entertainment and The Supply of Alcohol by or on behalf of a club to, or to the order of, a member of the club and the Sale by retail of alcohol by or on behalf of a club to a guest of a member of the club for consumption on the premises where the sale takes place at the premises.

2. Recommendations

- 2.1 (a) Grant the application as asked
 (b) Modify the conditions of the licence, by altering or omitting or adding to them
 (c) Reject the whole or part of the application

The Committee is asked to note that it may not modify the conditions or reject the whole or part of the application unless it is necessary to promote the licensing objectives.

Notes for Guidance

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. Please state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day i.e Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If the club wishes members and their guests to be able to consume alcohol on the premises please tick 'on the premises', if the club wishes people to be able to purchase alcohol to consume away from the premises please tick 'off the premises'. If the club wishes people to be able to do both please tick 'both'.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. This is the address which we shall use to correspond with you about this application.

21 April 2009

Dear Sir or Madam

OLD ALOYSIANS

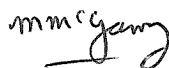

Further to my telephone conversation this afternoon with one of your team, I attach copies of the application for a club premises licence and the declaration for a club premises certificate, the originals of which were filed on-line on 20 January 2009.

I also attach my personal cheque in the amount of £190 for the first licence fee, our club's constitution showing our rules and a plan of the premises.

The fee is based on the non-domestic rateable value of the whole site on which the premises is located. Your team member confirmed today that a separate assessment will not now be made to determine a proportion of the rateable that relates to the premises occupied by the club.

If you have any queries on the enclosures or require any further information or documentation, please telephone me on 07919 407832.

Yours faithfully

Mark McGarry

Old Aloysians Application for a Club Premises Certificate

Having been advised of the above application to permit 'the sale of alcohol' for seven days of week combined with recorded music and dancing up to midnight on Saturdays we are formally writing to express our sincere concerns over this and set out our representations below. It should also be noted that this playing field is used by numerous other clubs on both Saturday and Sundays which any alcohol dispensed will be outside the control of the school.

We have been living in Hurst Avenue for six years now and noticed a frightening increase in crime and personally been burgled twice had two cars stolen and one car being broken into. The lighting is exceptionally poor in the road at night and we have witnessed youths drinking, smashing cars, vandalising the telephone box and one particularly horrific incident with a young girl being threatened.

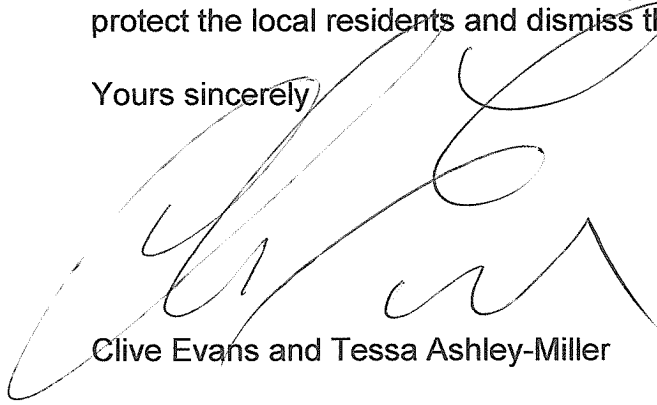

It is a known fact that alcohol increases an irresponsible attitude especially in the young and this is of great concern to us and all the local residents. Furthermore with smoking now only permitted outside combined with the intake of alcohol there will be excessive increase in noise creating great disturbance which will particularly affect the houses close by and our neighbourhood where young children and the elderly are trying to sleep as one example.

The licence will introduce and influx of youths who would not normally be in the area and after midnight on Saturday they will be walking the streets under the influence of alcohol which is without a shadow of a doubt going to affect public safety and create a 'nuisance factor' both in terms of noise and damage to cars and property etc which as stated above we are already witnessing in our street.

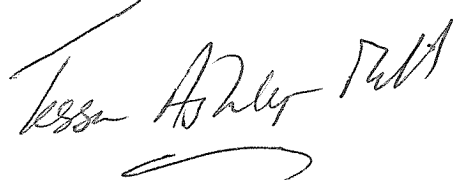

We note that the intended hours coincide with the hours that the school children will still be present on the fields having played their sport and this cross-over of pupils and 'alcohol drinking' youths in a 'drinking club' environment could be extremely harmful and unnecessarily misleading to the Aloysius pupils.

We trust the Council will make the responsible and correct decision here to protect the local residents and dismiss this application without further ado.

Yours sincerely

Clive Evans and Tessa Ashley-Miller

30th May 2009

Dear Sirs,

Application for a Club Premises Certificate to permit the sale of alcohol at St Aloysius College Sports Ground.

We are a residents' association with members in the streets that will mainly be affected by the granting of the above licence; Hurst Avenue, Stanhope Road, Avenue Road and Coolhurst Road. We wish to object to the proposed licence on the grounds that it will risk of bringing into this quiet and pleasant residential area noisy and unruly behaviour late into the evenings and therefore create a public nuisance. The clubhouse is situated in large open space which will allow the sound of music to travel a long distance affecting many residents. The application requests hours of operation almost identical to many public houses. It does appear to us to be an attempt to establish what will become, we fear, in fact a public house in everything but name. An application to build a public house in this area would I am sure be met with tremendous opposition from residents and the Council as being out of keeping with the area. We see this application, therefore, as a serious threat to the character of the environment which our members enjoy in this area. Our fear is that, once granted, it will lead to activities of a more commercial nature taking place such as parties, stag & hen nights, whose guests will have little concern for the impact on neighbouring residents.

We are aware that the council may overrule these objections. In this case we ask that the following conditions be applied with a note applied to the licence that if the conditions are breached then the licence may be revoked.

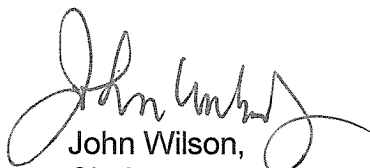

- We note with concern that the licence includes permission to play music until 11.59 on certain evenings. We request that if the licence is granted that a condition be applied that music should cease at 11.00 p.m. with the last hour of music playing to be designated for quiet music.
- We request that the club be required to ensure that guests and visitors leave the premises quietly at all times and as far as possible they should park in the grounds and not use the adjoining streets.

John Wilson
Chair

36 Avenue Road
London N6 5DW
Tel: 020 8340 5670
Fax: 020 8348 7741

- We are aware that once a license has been granted the law allows for a number of temporary extensions to the hours be allowed in a year. We request that this number is restricted to the absolute minimum and certainly for no more than six occasions.
- That use of the premises is restricted to members and their immediate bona fide guests and not be hired out for functions where the majority of those attending do not fall into this category (for example where a single member books for a function on behalf of non members).
- That the number of days during the week that the sale of alcohol and playing music be restricted.

Yours faithfully

John Wilson,
Chair

Dear Sirs,

Re : Notice of Application for Club Premises Certificate -
The Pavilion, St. Aloysius College Playing Fields, Hurst Avenue, N6 5TX

I have been given notice of an application for a Club Premises Certificate in relation to the above premises.

Whilst in principle I have no objection to the sale of alcohol as proposed, I am very concerned about the proposed provision of alcohol and recorded music and dancing between 20.00 and 23.59 hours on a Saturday. In the past, whilst these events have been few in number, the music has been very loud and has lasted much later than 23.59 hours.

If this were to become a regular occurrence, there would be considerable nuisance caused to residents in Hurst Avenue, and a serious possibility of disorder. Until recently there was frequent rowdy behaviour by young people trespassing onto the fields late at night and in the early hours to drink alcohol. With increased security on the premises this has been dramatically reduced. However, it is an indication of how easy such disturbances can arise, even if the proposed consumption of alcohol is completely legitimate.

In the circumstances I would request that a restriction be placed on the number of events, and I would suggest a limit of 8 per year.

I would also ask that a noise limiter be installed to reduce noise during the events.

Finally, I would request that the Club makes proposals for ensuring that all guests leave the premises quietly at the end of the evening.

Yours faithfully,

K. Wijesuriya

Dear Sirs

Re Notice of Application to Licensing Authority for a Club Premises Certificate at the Pavilion/changing room building in the St Aloysius College Playing Fields in Hurst Avenue, London N5 (behind Stanhope Road)

I wish to register my strongest possible objection to any certificate being granted for the sale of alcohol (and provision of music) to the current (and any other) applicant on the following grounds:

A. Prevention of Public Nuisance

Some few years ago before the Pavilion was built, social activities were carried on in a Hut in Aloysius field at the end of the garden in this part of Stanhope Road (East side.)

Loud music, etc., continued until the early hours of the morning, after 3am on many Fridays and Saturdays. The noise abatement officer was frequently called, in early hours of the morning; no doubt you will have a record of these calls. Children in relevant houses studying for exams, elderly people, babies: we are all entitled to a good night's sleep. The bedrooms are predominantly located at the rear of the houses.

We presume similar rowdy people, as was the case some years ago, are being catered for under this new application for a licence.

I understand that 23.59 (midnight) is past the legal time limit for noises above a specified intensity. With current smoking regulations one can reasonably assume that more participants would be outside the building, increasing noise intensity and public nuisance.

People become loud and noisy when they leave an alcoholic environment. Similarly, at the same time noisy cars cause yet greater public nuisance in the small hours.

PTO
1 of 2

B. Protection of Children from Harm

Some of the periods in the application for the sale of alcoholic drinks coincide with pupils' activities on the field. This could be seen as encouraging a drinking culture among the pupils, when schools should be discouraging it. One assumes pupils would still have access to the pavilion for changing, etc. during these licensing hours. Should a school of such high prestige and standards be exposing pupils to alcohol??

Out of time

Sheena Brown

5 Hill Court Stanhope Road London N6 5AP
email: sheena.brown@ukonline.co.uk tel: 020 8340 7615

26th May 2009

Dear Sirs,

Old Aloysians – Application for a Club premises certificate

I am writing to object to the above application on all four of the grounds listed in the Notice.

The St Aloysius College Playing Fields lie at the heart of a quiet residential area. That the sports ground is used by a wide group - pupils at St Aloysius College and from other schools, local children, and Old Boys is something which I feel sure all residents will applaud. However the move from providing changing facilities and a club room to a club licence enabling the provision of alcohol 365 day a year is worrying.

The footballers will be thirsty after a match, will enjoy a drink, and then another drink, or two, and all too easily they will become rowdy and unruly. The scene is then set for causing public nuisance by loud noise/music and an increased risk of disorder and criminal behaviour. Smoking not being permitted inside the Pavilion, people will drift outside with their drinks to have a smoke so that the sound of music, invariably loud, will not be contained within the building. As the club house is on open ground, the noise of slamming car doors, revving motors and loud farewells will carry and disturb the quiet enjoyment of their homes and gardens by local residents, especially those on the east side of Stanhope Road (nos 1-15). I live in a block of flats on Stanhope Road, north-west of the club house and can always hear when a match is taking place on the playing fields. Transport links from Hurst Avenue are limited: the W5 bus runs along Stanhope Road, otherwise club members will have to walk to Crouch End, Archway Road, or Highgate tube station. What they are most likely to do is drive home, possibly under the influence of alcohol, representing a danger to the public and themselves. This is also the time when in a small group and in high spirits, criminal acts and public disorder is most likely to occur.

At a time when the problems associated with binge drinking amongst the young make regular headlines, I believe it is unwise to link sport and alcohol in this way. We should be protecting our young boys and men from the dangers of drinking to excess not encouraging them by permitting the consumption of cheap alcohol 5 hours a day and more at weekends, 365 days a year. Were they willing to limit the use of the club licence to more modest hours on fewer days, then local residents might feel differently. As the application stands, I for one am disappointed and dismayed that the Principal and governors of St Aloysius College should lend their names to such an application. Would they have supported this application had the Pavilion been in the College grounds? Who can honestly say that we need what will be to all intents and purposes yet another pub?

Yours faithfully,

Re: Objection to Application of Licence to play music and sell Alcohol at Old Aloysians, St Aloysius College Sports, Hurst Avenue N6

I am writing to object to the Application of a licence to play music and sell alcohol at Old Aloysians, St Aloysius College Sports, Hurst Avenue N6.

I live in number 29 Hurst Avenue, which is opposite the entrance to the playing fields. As a mother of two small children, I am deeply concerned at the level of disturbance this licence could bring in Hurst Avenue and all adjacent roads are quiet residential roads.

Prevention of Crime and Disorder

The local police is working very hard at reducing the level of local crime in the area. On their website the home office clearly states that research has found that the frequency of alcohol consumption and especially drinking to get drunk is associated with crime and disorderly behaviour. The sale of alcohol, is bound to have a detrimental effect on local crime, which in concrete terms means more cars being broken into, youth related violence and possibly residential burglaries and personal robberies

Public Safety

Hurst Avenue has recently been adopted as a CPZ Parking Zone, which has had a positive effect on the number of previously semi-abandoned cars and the overall traffic situation in the street, one of the few wide streets in the area. More recently, we have noticed a number of youths doing stunt rides and duelling races on their motor scooters on Hurst Avenue, mainly in the evenings. We have become concerned for the safety of our children, elderly neighbours and the passing public in general. I fear that the above application, if granted, will increase the dangerous side of this unfortunate new habit and have a detrimental effect on public safety in Hurst Avenue and all surrounding areas.

The Prevention of public nuisance

I can only imagine how bad the level of noise will be every single evening of the week, if parties with loud music and alcohol sale are permitted on these premises. Especially since now that it is not allowed to smoke in public places, people will end up gathering at the gate, which is opposite the residential houses near number 29 Hurst Avenue. Moreover, the houses opposite the field in Hurst Avenue are slightly elevated, which means that the sound travels very effectively. The noise is not only heard in front of the house, but very clearly in the house too and even so in the garden at the back (noticed at school parties or football matches which happen on a regular basis on the field).

The protection of Children from Harm

The sports fields are used on a regular basis by children for sport activities, holiday sport camps (organised either by the school or sports clubs), during the week as well as at the weekend. The sale of alcohol will only encourage a drinking culture among children. Schools should really discourage the exposure of children to alcohol, not encourage it.

12th May 2009

Dear Sir/Madam,

Re: Licencing application from the Pavillion at St Aloysius College Playing Fields, Hurst Avenue, London N6 5TX

This is an objection to the application under the objective of the prevention of public nuisance and the prevention of crime and disorder.

There is a history of disturbance at these fields as a result of it being a gathering place 'out of hours' for informal parties, barbeques and illegal under age drinking. This has led to disturbance in the past. The fields are alongside a quiet residential road and this is not the place to introduce a drinking establishment within a large outdoor site that will inevitably encourage and attract noise and unreasonable behaviour.

Yours faithfully,

S.D. Biber

RE: Notice of Application to Licensing Authority for a club Premises Certificate at the Pavilion/ changing room building in the sports field in Hurst Avenue (behind Stanhope Road)

Dear Sirs,

I am writing to strongly object to this License Application.

I have lived in Stanhope Road since 1977, and have seen many changes to buildings and the local environment in that time; some good, some bad. The only thing that has remained beneficial to the area and the local residents is the fact that no construction has been allowed on this site, and the Channing girls school site in this time.

Having lived in the area for such a long time i can remember when St Aloysius College did in fact have a sports and social club which sold alcohol and held social events on this site. As I remember the social club was closed down in the mid 80's, for exactly the same reasons we do not want it back now; late night drinking, vandalism and noise problems, which culminated in a fire at the site due to vandals. We do not want the same problems re-occurring, which, they inevitably will.

With the recent changing in smoking laws, more and more people would be forced to stand outside, thus increasing the disturbance and nuisance effects. Local residents have the right to live in peace and quiet and not be disturbed. We do not want our streets filled with parked cars, that do not belong, and people starting them up at all hours of the night. Many families live in the area and many house are directly connected to, or are facing the site. Many children use the evenings and weekends to study; you would be disturbing them, not to mention elderly people, or the very young.

The license calls for alcohol to be on sale during weekend lunchtimes and early evening weekdays. How can this be good for the children that will be playing sports during those times? They would be exposed to alcohol and people consuming alcohol. As a restaurant and bar owner myself, I can categorically state that this is not the environment for children.

Can you guarantee that children will not be exposed to, or consume alcohol or cigarettes?

There are many pubs, clubs and bars in the area which would be more than happy for the extra business a regular sports and social club would give them, and I'm sure that it would prove financially beneficial to the college to outsource these events, rather than pay for them.

The parents of the pupils, I'm sure, would prefer money to be spent on education, rather than a bar.

Yours sincerely

Romano Sidoli

Subject: St Aloysius Licensing Application

Dear Sir/Madam

I would like to express my deeply felt objections to St Aloysius Licensing Application. This is a residential area, all our bedrooms along Stanhope Road back onto the playing field and the memory of the noise and loud music before the Pavilion was built is still fresh in my mind.

It is odd that the sale of alcohol and all the harm associated to too much drinking should be associated to healthy sports activities. The ground is used by both adults and children and I don't think that young people should be exposed to the sale of alcohol in the pavilion. I am amazed that St Aloysius is seeking permission to sell alcohol on Saturday and Sunday from lunchtime onwards. What is their motivation? Make money from selling drinks?

Why can't sport simply be vigorous, fun, enjoyable and above all healthy.

Mrs Olga McBarnet

London N17 9LN

Dear Sirs,

Application for a Club Premises Certificate to permit the sale of alcohol at St Aloysius College Sports Ground

We are very pleased with the way in which the St Aloysius College Sports Ground has come to life during the past year and is now being used so much more intensively than at any other time during the past thirty five years that we have lived opposite its gate. However, we do believe that introducing the sale of alcohol in the Pavilion is a step too far.

The proposal for the introduction of recorded music and dancing is particularly objectionable. When the previous wooden pavilion was in use there were occasional parties, with very noisy music, raucous farewells at the end of the evening, and a considerable amount of litter left on the pavement and in our front garden afterwards; all of which was entirely inappropriate in a quiet residential district.

The present application refers to the provision of music and dancing 'occasionally'. The problem is that, at most similar events, very high sound levels have become the norm; and once an amplifier is installed in the pavilion, the flick of a switch would make it all too easy, once more, to create serious sound pollution of the neighbourhood. If the past is any guide, we believe that it would be likely to amount to a statutory nuisance.

Our first objection is, therefore, that the introduction of alcohol and recorded music would cause a serious public nuisance and affect the wellbeing of a large number of local residents.

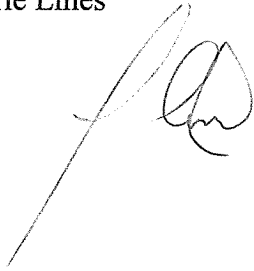

Our second objection is concerned with the protection of children. This is a *school* sports field, part of the school premises. Although the licence application is for times of the day outside school hours, children use the field at weekends and will certainly be aware that a bar has found its way into their pavilion. It seems to us that underage drinking is serious enough as a problem, without establishing a positive connection between sport and alcohol, while children are still at school. It would be unthinkable to install a bar in the main school building on Hornsey Lane. It should be equally so to install one in its sports pavilion.

We believe, therefore, that the introduction of the sale of alcohol into this school pavilion is highly undesirable, and that the application should be rejected.

Yours faithfully

Subject: Licensing: Application for a Club Premises Certificate - Old Aloysians, St Aloysius College Playing Fields, Hurst Avenue, N5

Attn Kendra Olson

Further to our telephone conversation this morning, please note that the Notice advising the public of the Old Aloysians intention to apply for a Club Premises Certificate does not comply with your guidelines in any way. The guidelines state:

When applicants want to apply for a new licence, or vary their existing one (for example to put on additional activities or extend their hours), they must advertise the application by:

Placing a notice at or on the premises

- On A4 (or larger), pale blue paper.
- Printed legibly in black ink or typed in a font size of at least 16.
- Placed prominently at or on the premises where it can be conveniently read from the exterior of the premises.
- Placed every 50 metres on the external perimeter of the premises

Please note that an A4 white sheet is stuck with black tape in the top left-hand corner of one of several doors at The Pavilion which is not accessible to the public. There is no notice on the external perimeter of the premises as at 12 noon today, 6 May 2009.

In these circumstances I believe the deadline for representations should be extended until such time as notification has been correctly displayed and the public given a reasonable time in which to make representations. I should be grateful if you would acknowledge receipt of this message.

Sheena Brown
5 Hill Court Stanhope Road N6 5AP

I await hearing from you.

Yours sincerely,

Sheena Brown

11-05-2009

Ms. DALIA BARRAT
LICENSING TEAM

Dear Sirs,

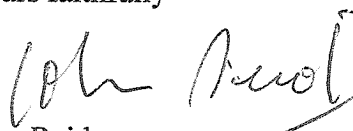

I want to object most strongly to the granting of drinking license to Pavilion situated at St Aloysius Collage Playing Fields, Hurst Avenue London N6 5TX. on the following grounds:

- 1 Some years ago social activities including drinking took place in the old pavilion, before the new changing rooms were built. Loud noise associated with drinking went on late into the night extending sometimes into the early morning hours. No doubt you will have records of the noise abatement officer's report. There is no reason to think that the situation would be different today. In fact it would be worse as there is no smoking allowed indoors, and smoking and drinking would take place outside on the playing fields. This is a quiet residential district with young children and many elderly people living here. I myself am well over 86 years old. Granting this application would change the character of the district.

- 2 There would be increased traffic late at night contributing not only to noise but there could be danger to public safety. Some drinkers might drive cars with alcohol content in their blood above the permitted limits, and groups of people walking merrily and noisily along the street in an otherwise quiet district could cause accidents. Undoubtedly the police would have increased workload.

I hope you will turn down the application on the above grounds

Yours faithfully

John Reid

Subject: St Aloysius Licensing Application

Dear Sir/Madam,

It has come to my attention that St Aloysius School has made an application to sell alcohol from it's pavilion. The pavilion is sited close to a number of family residences, both in Stanhope Road and Avenue Road where the increase in late night noise will become completely unacceptable to those immediate residents. In addition the school field is surrounded on three sides by family homes who already endure the noise at weekends of various sporting activities and the associated language.

The residents of Avenue and Stanhope Road along with those of Hurst Avenue have already given concession to the above school with it's wish to sell part of it's land for tennis courts. Although these have not come online fully they too will in due course create additional noise and light pollution.

We are now being asked to give consent to the sale of alcohol on what is fundamentally a school building and at a times when school children themselves will be using the pavilion. This would appear to fly in the face of all that the government is trying to do to curb binge and in particular underage drinking.

The bottom line is that this is a residential area where the views and wishes of those who have invested in their homes and families and the local area do not wish to see it blighted by additional and wholly unnecessary no, vocal, music and traffic noise. This should not be about filling the coffers of this school or any of it's affiliated associations.

Mr M Schlote

Subject: Old Aloysians

Premises: Old Aloysians, St Aloysius College Sports, Hurst Avenue, N6

Recorded Music, Provision of facilities for dancing

Saturday

8pm – 11.59pm

Supply of Alcohol for consumption on the Premises

Monday to Friday

6.30pm to 11pm

Saturday-

1pm – 11pm

Sunday

12 midday – 11pm

I make this representation on the grounds that a successful application would create a public nuisance.

The premises are located in a quiet residential area and I believe the noise that will be created will disturb local residents to an unacceptable level. This will be a constant problem throughout the week but completely unacceptable in the later hours of the application.

Our flat backs onto the playing fields near the pavilion and as the playing fields are slightly higher than us the noise travels 'well' which we know from the sound of the players shouting during a football match.

I fear the noise of people leaving the premises (after 11pm when drinking up time is taken into account) will disturb our sleep. It will be worse on Saturdays when the music would play until nearly 12pm and people would leave after this time.

In addition, the noise will be created by smokers all year round and many drinkers standing outside in the summer. As the space around the pavilion is large there could be large numbers of people outside at any given time. This will be significantly worse on evenings when a function is being held and there will be loud music (especially in the summer when the doors are likely to be open).

As the pavilion will be used by visiting sports teams I believe those who use it will not be respectful of local residents. Many of the users will be groups of young men and this will contribute to the issue of noise.

I hope you will taken these issues into account when considering the application.

If you need any further information my contact details are below.

Kind regards

Suzanne Cleal

Sent: 28 May 2009 23:11
To: Licensing
Subject: Objection to Old Aloysians New Club Premises Application

Dear Sir/Madam,

I am writing to object to the following license application for a Club Premises Certificate at the pavilion/changing room building in the sports field in Hurst Avenue(behind Stanhope Road):

Name of Licensee: New Club Premises Application

Name of Premises and Premises address: Old Aloysians, St Aloysius College Sports, Hurst Avenue, N6

- 1) The Prevention of Crime and Disorder: This is a quiet residential area and it is a great concern that if people are drinking late at night nearby there is a much greater likelihood of an increase in crime and disorder in the area.
- 2) Public Safety: I am concerned about the safety of local residents walking home at night with people visiting the club who have been drinking and causing problems for them.
- 3) The Prevention of Public nuisance: When we first moved here before the Pavilion was built social activities were carried out in a hut in the same area as the new Pavilion and there was quite a bit of disturbance to us from the noise into the early hours of the morning. I am aware of other residents having to call in the noise abatement officer frequently in the early hours of the morning. We have a five year old daughter who needs a good night's sleep as do we.
- 4) The Protection of Children from harm: Some periods in the application for the sale of alcoholic drinks coincide with children's activities on the sports field. I don't believe children should be potentially faced with meeting any drunken disorderly adults. I would also worry about the safety of my child and others walking home with regular activities going on late at night at the club house .

Yours Faithfully
William Lobb

Subject: Hurst avenue bar

Dear Haringey Council,

Ref Application for bar in Hurst Avenue field by St Aloysius school (Hornsey and Crouch End journal, 30 April, 2009).

I wish to object to this application. It will mean we have to put up with noisy drunks late at night (open till midnight) in what is a family residential area - our children's bedrooms overlook the fields in question.

I find it quite extraordinary that this application is even being contemplated. Please can you take every step to block it and confirm with me.

Yours sincerely,

Dr Robin Nuttall

11 May 2009

Dear Sirs,

Re: Notice of Application to Licensing Authority for a Club Premises
Certificate at the Pavilion/changing room building in the St Aloysius College
Playing Fields in Hurst Avenue, London N5 (behind Stanhope Road)

I am strongly opposed to the above application.

1. The Pavilion was built for the use of students of St. Aloysius College to provide changing rooms and other such amenities. It was *not* built for commercial purposes.
2. The St. Aloysius College Playing Fields are situated in the middle of a residential area which is home to people of all ages, including mothers with infants still nursing; students studying for exams; handicapped persons unable to get around without help, and the elderly. Licensing the Pavilion to sell alcohol will mean increased traffic, loud music and smoke pollution from cigarettes.

Increased noise pollution is a health risk.

Overindulgent drinkers are a safety hazard.

Increased traffic, especially on this area, means added danger to residents of all ages.

There is very real risk that the local residents - and their property - will suffer both *verbal and physical* abuse from a club members who have had too much to drink.

I urge you to reject this application!

Ann Rodriguez

5. REPORT

Background

5.1 An application for a new Premises Licence, by Mr Eva Zack in respect of Place Trocadero, 12 St Loys Road, Tottenham, London N17 under the Licensing Act 2003.

5.2 Details of the application being sought under a new Premises Licence APP1

The Provision of Regulated entertainment:

Recorded Music

Monday to Sunday 1200 to 0500

The provision of late night refreshment:

Monday to Sunday 2300 to 0500

Supply of alcohol for ON the premises only:

Monday to Sunday 1200 to 0500

Opening Hours

Monday to Sunday 1200 to 0500

General-all four licensing objectives

The premises will be managed and controlled by a responsible person at all times. Any incidents of a criminal nature will be reported to the police. The premises will be smoke free and the required signs will be displayed at all times. The designated premises supervisor will be on the premises or contactable during the opening hours.

5.3 Crime and Disorder

An announcement will be made prior to closing requesting clients to leave the premises. Customers will not be allowed to stand outside the premises talking. Any incidents of a criminal nature will be reported to the police.

5.4 Public Safety

The manager will check the premises prior to opening hours to ensure that there are no risks to clients and that all safety (etc broken table or chair, wet floor...) precautions are in place. Fire safety equipment will be installed and will be maintained on the premises.

5.5 Public Nuisance

Doors and windows will be kept shut during the opening hours and the sound level of the music will be controlled by the management. Customers will be asked not to stand around talking in the street outside the premises and asked to leave the vicinity quickly and quietly. The premises and entrance will be kept clean and free from any hazards.

5.6 Child Protection

Any young persons under 16 must be accompanied by an adult. Anyone who appears to be under the age of 21 years old will be required to produce photographic evidence to prove that they are 18 years old or over before any sale is made. All alcohol will be located behind the counter area. The restaurant will be smoke free.

P Describe the steps you intend to take to promote the four licensing objectives:

a) General - all four licensing objectives (b, c, d, e) (please read guidance note 9)

The premises will be managed and controlled by a responsible person at all time. ~~Staff~~ Any incidents of a criminal nature will be reported to the police. The premises is smoke free and the required signs will displayed at all time. The Designated premises Supervisor will be on the premises or contactable during the operating hours.

b) The prevention of crime and disorder

An announcement will be made prior to closing requesting clients in leaving the premises. Customers will not allow to stand outside the premises talking. Any incidents of a criminal nature will be reported to the Police.

c) Public safety

The manager will check the premises prior to opening to ensure there are no risks to clients and that all safety (etc broken table or chair, wet floor...) precautions are in place. Fire safety equipments are installed and will be maintained on the premises.

d) The prevention of public nuisance

Door and windows will be kept shut during the opening hour. and the sound level of the music will be control by the Management. Customers will be asked not to stand around talking in the street outside the premises and asked to leave the vicinity quickly and quietly. The premises and entrance will be kept clean and free from any hazards.

e) The protection of children from harm

A young persone under 16 must be accompanied with an adult. Anyone who appears to be the age of 21 years will be required to produce a photographic evidence to prove they are 18 years or over before any sale is made. All Alcohol will be located behind the counter area. This restaurant is smoking free

Notes for Guidance

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick 'on the premises', if you wish people to be able to purchase alcohol to consume away from the premises please tick 'off the premises'. If you wish people to be able to do both please tick 'both'.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, both applicants or their respective agents must sign the application form.
13. This is the address which we shall use to correspond with you about this application.
14. The information you have provided will be held by the Council on computerised and manual files. The data may also be disclosed to other departments within the Council or other organisations, but only in order to ensure compliance with relevant legislation or to detect and prevent fraud or a crime.

This statement is regarding the proposed alcohol licence submitted by TROCAEDERO restaurant at 12 St LOYS Road N17 6JA.

Officers from Bruce grove safer neighbourhood team have recently seen that the TROCAEDRO restaurant on St Loys Road N17 has currently applied for a licence to sell Alcohol and have an entertainments licence between the hours 2300 hrs and 0500 hrs. Bgsnt would like to object the application for the following reasons.

The area of St Loys Road and Moorefield road has been having ongoing issues for numerous years with males congregating in the street, illegal trading, urinating in the street, talking out aloud and drinking in the street until the early hours of the morning. In the last eighteen months officers from Bgsnt and local council enforcement officers have target this area to try and combat the problems. This has resulted in eight multi agency operations on the local business, one of these businesses was TROCAEDERO restaurant. On the 7th May 2008 the proprietor of the business Mr Eve ZACK had formal action taken against him by Haringey Council enforcement team regarding offences contrary to Sections 136, 137 and 138 of the Licensing Act 2003 which relate to selling alcohol within his business without a valid premises licence. (A picture of some of the alcohol seized is attached to this statement). I have also been informed by the enforcement team that on the 12th May 2008 at 00:15 hrs the business was visited by Haringey Noise abatement team in relation to a noise disturbance. Upon investigation officers discovered groups of males drinking alcohol with in the premises. The business was warned regarding its future conduct. Shortly after this visit the restaurant closed.

Although this address is situated near Tottenham High road it also surrounded by a residential area, with houses either side and across the road from the premises. Local residents have continued to complain to the police about

Signature: [Signature] Pc 276yr Signature witnessed by:

Continuation of Statement of **Darren Green Pc 276yr**.....

the large groups of males that congregate in the street until the early hours of the morning drinking alcohol this has prompted officers to apply for and receive a no street drinking zone for the area this was implemented during the summer of 2008 and has had some impact , But there is a still a large amount of males that drink in the street in and deposit there empty containers on the floor when police officers are not present . (Please see attached pictures of Moorefield Road and the rail bank at the side of TROCAEDERO restaurant.) Officers from BGSNT have recently applied for and got a dispersal order for the area this is due to start on the 6th May 2009 for six months. This is the second dispersal order for this area in the last Six Year.

Officers fear that if the above licence is approved it will make the dispersal order and the no drinking zone difficult to police, as the restaurant itself is very small and the occupants at the property will spill out onto the street with there drinks. Officers also believe that this restaurant will be used mores as a social club as it did when previously open and that further offences may be committed in the area with the occupants leaving the premises in the early hours of the morning . *D/G PC 276YR*

NOISE TEAM REPRESENTATION

Licensing Consultation - Internal Memo

To: Daliah Barrett-Williams

From: George Roberts (Noise)

Cc: Derek Pearce

Our Reference: WK119600

Date: 12/5/09

Premises: Place Trocedero, 12 St Loys Road, Tottenham, London, N17 6UA.

Type of application: New

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to:

Make representations to the Application.

On the following grounds:

That the proposed operating hours are inappropriate due to the close proximity of residential dwellings. Noise from music played at the premises is likely to affect local residents if played into the early hours of the morning without suitable conditions.

The operating schedule does not address the prevention of public nuisance from:

- Noise generated by patrons in external areas of the premises
- Noise from patrons exiting the premises
- Noise generated from deliveries
- Noise generated from refuse collections
- Noise from plant and machinery
- Cooking odour

Supporting Information

WK78699 – proactive visits carried out on 12th and 13th July 2008 regarding sale of alcohol without a licence – licensing warning letter issued.

Informative

I would recommend the following alterations/conditions to the operating schedule:

London Fire and Emergency Planning
Authority runs the London Fire Brigade

Date 27 April 2009
Our Ref FS/31/15133

Dear Sir

LICENSING ACT 2003

Premises: Palace Trocadero, 12 St Loy's Road. Tottenham. N17 6UA

With reference to the application dated 14th April '09, in respect of the above mentioned premises, I have received insufficient information on which to determine the adequacy or otherwise of the fire safety arrangements in the premises.

Please submit to this office, within the next 5 working days:

- A set of plans showing the following additional information:-
 - The location and type of fire extinguishers and fire blankets.
 - The location and type of fire detectors and emergency lighting.
 - The size or dimensions of the premises layout.
- A copy of your fire risk assessment

I enclose a copy of our guidance note for applicants for premises licences to assist you.

If the information requested is not supplied within the specified time, the Fire Authority will make a representation to the licensing committee that the Public Safety objective of the Licensing Act may not have been properly addressed.

Any queries regarding this letter should be addressed to the person named below. If you are dissatisfied in any way with the response given, please ask to speak to the Team Leader quoting our reference.

Yours faithfully,

for Assistant Commissioner (Fire Safety Regulation)

Fire and Community Safety Directorate

INTERESTED PARTIES REPRESENTATION

Re Trocadero Cafe

Dear Davida,

I am writing to oppose the application for the late licence to serve alcohol at the Trocadero Cafe.

The reasons for this are It will cause a nuisance to myself + neighbours. For at least the last five - eight years we have been fighting to avoid this type of premises in a back street. All of our neighbours

17. Horsfield Rd

Tottenham

N17 6PX

6.5.09

and ourselves have suffered + still are suffering the effects of people drinking in the street. Hence the disposal order which is now in force in Horsfield, St Johns + Spelling Rd. We know for a fact that it will be the same who drink in the street, they are going to the Cafe.

We would like some peace + quiet plus safety for people who walk past late at night. Yours Hopfully Dc. Mrs. A. Hobson

Mr A Mentesh
24 Moorefield Road
London
N17 6PY

Daliah Barrett
Licensing
Technopark, Unit 271-272
Ashley Road
London
N17 9LN

06.05.09

Application opposed to is –

'Trocadero Café Late Licence Application'

I am opposed to this application for the following reasons –

- The premises are too small to cope with the amount of people that are likely to attend, thus meaning that they will be drinking on the street as we have witnessed for over 6 years.
- They have no suitable toilet facilities so their patrons' will urinate and defecate on the street as we have witnessed this.
- This is a residential area and not a main high street area. This would be very inappropriate to have clients coming and going all night long.
- The noise pollution will be too much for the street.
- The corner of St. Loys/Moorefield Road has been a subject of an ASBO concerning people drinking on the street in the past, as a direct result of being allowed to purchase alcohol after licensing establishments have closed.
- There will be an increase in the amount of litter that is already overflowing in the bins.
- Patrons of this establishment, in the past, especially in the summer, have spent a lot of time outside the premises and severely harassing the public walking past.

Kind Regards,

A handwritten signature in black ink, appearing to be 'A Mentesh', written over the 'Kind Regards,' text.

Re:- Place Tropicana's licence application.

Enclosed are only some residents objections to this application going ahead.

I was very concerned when others said they were frightened of possible reprisals.

Please note some residents had read the Safer Neighbourhood letter and were led to believe that their names and addresses would be passed on to the owner of the above premises. These people could not be reassured.

I have collected these over Sat + Sun 9-10th of May.

I await a reply.

A O'Rourke.

Re: Place Tropicana's St Loys Road, Tottenham N17 Premises Licence Application

As a resident of 16 St. Loys Road, I object in the strongest possible terms to the granting of a Premises Licence to the above named premises on the following grounds,

- There are already 2 legal and one illegal premises that serve alcohol situated within 30 Metres of one another between Moorefield Road and St Loys Road, why do we need another one of them turned into what will effectively be a nightclub which will be open until 5am?
- The late opening of Place Tropicana from 12pm to 5am would result in more men urinating in the street, more litter, more traffic and more noise pollution
- The noise which will come with them playing music will result in people who live and work in the surrounding area being unable to sleep while at the same time having to get up for work in the early hours of the morning
- It will result in a further degradation of the Moorefield Road, Sperling Road and St Loys Road area

As residents of these streets, we have endured 10 years of the abuse, the intimidation, the threatening and sometimes violent behaviour, the general anti social behaviour, the arguments, the drug taking, the mess every morning on the street with the bins overflowing, the broken glass and beer cans littering the pavement and the whole area reeking of urine all day every day.

Granting a licence to sell beer until that hour of the morning would only heighten the level of abuse the residents get and make things worse all around, if this application were granted then the residents would have to suffer more abuse, more sleepless nights and more of all of the things mentioned above

I have no objection to them having a licence but it is unacceptable in such a built up residential area, why not use one of the many local community centres or a similar kind of venue, which would have the infrastructure to facilitate such a number of people with car parking, toilets and a big enough premises and return the aforementioned streets back to the residents, which the vast majority of these people are not. I welcome all attempts to bring new people and money to the area and it is great for Haringey Borough but not at the expense of the residents who are still and have been suffering with the situation for a long time and that is a situation that would not improve if they were granted a licence

Where are our HUMAN RIGHTS? , our right's to live in a diverse and peaceful environment which this area used to be until 10 years ago.

Granting a licence to sell beer until that hour of the morning would only heighten the level of abuse the residents get and make things worse all around, if this application were granted then the residents would have to suffer more abuse, more sleepless nights and more of all of the things mentioned above

I have no objection to them having a licence but it is unacceptable in such a built up residential area, why not use one of the many local community centres or a similar kind of venue, which would have the infrastructure to facilitate such a number of people with car parking, toilets and a big enough premises and return the aforementioned streets back to the residents, which the vast majority of these people are not. I welcome all attempts to bring new people and money to the area and it is great for Haringey Borough but not at the expense of the residents who are still and have been suffering with the situation for a long time and that is a situation that would not improve if they were granted a licence

Where are our HUMAN RIGHTS? , our right's to live in a diverse and peaceful environment which this area used to be until 10 years ago.

Re: Place Tropicana's St Loys Road, Tottenham N17. Premises License Application

As a resident of 54 St Loys Road, I object in the strongest possible terms to the granting of a Premises Licence to the above named premises on the following grounds,

- There are already 2 legal and one illegal premises that serve alcohol situated within 30 Metres of one another between Moorefield Road and St Loys Road, why do we need another one of them turned into what will effectively be a nightclub which will be open until 5am?
- The late opening of Place Tropicana from 12pm to 5am would result in more men urinating in the street, more litter, more traffic and more noise pollution
- The noise which will come with them playing music will result in people who live and work in the surrounding area being unable to sleep while at the same time having to get up for work in the early hours of the morning
- It will result in a further degradation of the Moorefield Road, Sperling Road and St Loys Road area

As residents of these streets, we have endured 10 years of the abuse, the intimidation, the threatening and sometimes violent behaviour, the general anti social behaviour, the arguments, the drug taking, the mess every morning on the street with the bins overflowing, the broken glass and beer cans littering the pavement and the whole area reeking of urine all day every day.

Granting a licence to sell beer until that hour of the morning would only heighten the level of abuse the residents get and make things worse all around, if this application were granted then the residents would have to suffer more abuse, more sleepless nights and more of all of the things mentioned above

I have no objection to them having a licence but it is unacceptable in such a built up residential area, why not use one of the many local community centres or a similar kind of venue, which would have the infrastructure to facilitate such a number of people with car parking, toilets and a big enough premises and return the aforementioned streets back to the residents, which the vast majority of these people are not. Place Trocadero Café Late Licence Application.

As residents of St Loy's Road we would like to voice strong objections to the application by the Place Trocadero Café to serve alcohol between the hours of 11 pm and 5 am, seven days a week. Our objections are:

- Late night into the early hours drinking would inevitably in our view lead to crime and disorder (including drug dealing, violence and prostitution) on St Loy's Road and its environs.
- Place Trocadero is situated on a residential road with families with young children and for that reason alone it would be inappropriate to grant the owners a Late Licence. However, it would be even less appropriate considering the behaviour of the intimidating groups of drinkers who congregated, and still congregate, in St Loy's Road, Moorecroft Road and the bottom of Sperling Road. These people have demonstrated a complete lack of consideration for local residents. For instance, in the past loud arguments would frequently occur, the men would lean on garden fences (in one case breaking it) urinate in the street and gardens, spit on the road, block pavements, jostle past customers in shops, drop empty cans and bottles all over the area, play loud music from cars, call out to passing women and so on. Mr Maguire has even seem acts of intimation take place. The owners not just of Place Trocadero but some other stores in the area did nothing to stop this and, in fact, must have encouraged it. For instance, on more than one occasion cooked meals were seen being distributed and eaten in the street. It is clear that the applicants, in our view, do not see themselves as part of the local community and care little for it. So the anti-social behaviour described above will continue unabated and probably get worse because if anything the application for a Late Licence by Place Trocadero seems suspiciously like an attempt to get around the recent efforts of the police and residents.
- 'Haringey often states that it is concerned about 'community cohesion'. We believe that the existence and behaviour of these groups of

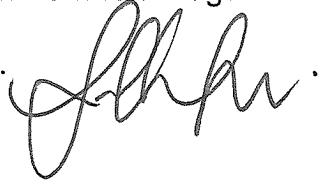

drinkers run counter to that and, indeed, contribute to a sense of dysfunction in Tottenham. For instance, Bruce Grove Primary School is nearby. Prior to the no drinking zone being enforced the students children would in the mornings regularly have walk to school past the detritus and debris of the previous night's partying and then, after school, walk around, knots of men already arriving to hang out, drinks in hand, in Moorecroft road and St Loy's road. One of the knock-on effects is that the area is regarded as a fit place, say, for flytipping. For instance, one morning some East European builders dumped a porcelain sink basin opposite the school. They dropped it at the corner of Clacton Road and it smashed into smithereens thereby putting the children at risk of injury. They didn't care and why should they, because the area already seemed like a litter-strewn dumping ground. So, our neighbourhood is allowed to turn into an open-air drinking den again (which for all the reasons outlined above and below is very likely) families such as ours with young children would be forced out and young families would not be encouraged to move here.

- Despite some work being carried out recently Place Trocadero is far too small and inappropriate a premises to be run as licensed bar. Essentially it is an unconverted residential building with a few tables and chairs set up. Again, this will inevitably lead to the 'clientele' spilling out on to the street along with the sort of drink fuelled anti-social behaviour detailed above. Therefore we believe the inappropriate nature of the site of this proposed late licence would cause a public safety issue.
- We believe that health and hygiene will be adversely affected. As mentioned, the area was daily covered in litter, but on Sunday mornings especially rubbish was strewn everywhere. On one occasion Mr Maguire had to report to Haringey Accord (now Enterprise) that raw meat had been discarded at the corner of St Loy's and Moorecroft Rd – just a metre or two from Place Trocadero. Also there is always discarded rubbish next to the said premises and there seems no indication that the owners or their associates have any concern whatsoever for hygiene. To reiterate, the owners of Place Trocadero run a disorganised and disorderly business which contributes to the surrounding area being dirty with rubbish frequently left in the road, creating an unsightly and public nuisance. Should we expect these owners to behave responsibly if this licence is granted?
- The police and local residents have successfully made the St Loy's Road area a 'no street drinking zone' This application would make a nonsense of this ruling and men would again be drinking, and worse, on St Loy's road. With a Late Licence the police would be unable to intervene. We would end up with a no-go area on what should be a quiet residential road – how comfortable, for instance, would any woman coming home from a night out feel if she had to pass groups of drunken men leering and calling out.

- Finally, the proposed sight for this late-night drinking den, is a stroll from Tottenham High Road and Bruce Grove with their large number of bars pubs and cafés. Is there a need for a late licence on a residential road?

Yours Sincerely

Mr & Mrs J Maguire

Re: Place Tropicana's St Loys Road, Tottenham N17.Premises License Application

As a resident of No. 1, St Loys Road, I object in the strongest possible terms to the granting of a Premises Licence to the above named premises on the following grounds,

- There are already 2 legal and one illegal premises that serve alcohol situated within 30 Metres of one another between Moorefield Road and St Loys Road, why do we need another one of them turned into what will effectively be a nightclub which will be open until 5am?
- The late opening of Place Tropicana from 12pm to 5am would result in more men urinating in the street, more litter, more traffic and more noise pollution
- The noise which will come with them playing music will result in people who live and work in the surrounding area being unable to sleep while at the same time having to get up for work in the early hours of the morning
- It will result in a further degradation of the Moorefield Road, Sperling Road and St Loys Road area

As residents of these streets, we have endured 10 years of the abuse, the intimidation, the threatening and sometimes violent behaviour, the general anti social behaviour, the arguments, the drug taking, the mess every morning on the street with the bins overflowing, the broken glass and beer cans littering the pavement and the whole area reeking of urine all day every day.

Granting a licence to sell beer until that hour of the morning would only heighten the level of abuse the residents get and make things worse all around, if this application were granted then the residents would have to suffer more abuse, more sleepless nights and more of all of the things mentioned above

I have no objection to them having a licence but it is unacceptable in such a built up residential area, why not use one of the many local community centres or a similar kind of venue, which would have the infrastructure to facilitate such a number of people with car parking, toilets and a big enough premises and return the aforementioned streets back to the residents, which the vast majority of these people are not. I welcome all attempts to bring new people and money to the area and it is great for Haringey Borough but not at the expense of the residents who are still and have been suffering with the situation for a long time and that is a situation that would not improve if they were granted a licence

Where are our HUMAN RIGHTS? , our right's to live in a diverse and peaceful environment which this area used to be until 10 years ago.

REF: Trocadero Café Late Licence Application

Dear Ms Barrett,

I am writing with regards to the above licence application to which my partner and I would like to raise serious objections.

I have been a resident of St Loy's Road since April 2007 so am well aware of the issues surrounding the café and its patrons. Throughout the year (although it is particularly problematic in the summer months), the café attracts far more people than it can reasonably accommodate. This leads to a large number of, predominantly male drinkers collecting around the junction of St Loy's Road and Moorefield Road. The imposing of the Alcohol Control Zone recently doesn't seem to have alleviated this problem.

My objections to the late licence would be on the following grounds:

- The likely increase in noise both around the immediate area but also further up the street late at night when drinkers disperse. Noise levels are already extremely bad between 11pm-midnight.
- The increase in anti-social behaviour including large amounts of litter strewn on pavements and frequent urination along all parts of St Loy's Road (I have found people urinating in my front garden on several occasions)
- An increase in the numbers of largely male street drinkers which can be very intimidating for lone females walking home late at night

I hope these concerns are taken into account with this planning application as the Café has caused numerous problems for residents in the area for quite some time.

Yours Sincerely,

Eva Rode-Hilbert

Re: Trocadero late licence application:

Place Trocadero
12 St. Lloys Road
London N17 6UA

11/05/2009

Dear Ms Barrett,

I would like to object in the strongest terms to the granting of the above application.

The Trocadero cafe has for several years contributed to the nuisance and disorder which has become a feature of this neighbourhood.

I strongly suspect that an extension of the premises' license would only serve to increase the disturbance and danger which all residents of St Lloys Road and Moorefield Road are only too familiar with.

Clientele of the Trocadero have added to the numbers of men who tend to loiter through the evenings and well into the night, drinking, shouting, urinating, littering, and generally creating an atmosphere of intimidation and disorder.

Vehicles often stand in the street with deafening sound systems filling the road with unwelcome music late at night.

The littering involves huge quantities of broken bottles which create a considerable risk of injury to children.

When cycling, my children must avoid that end of the street or else risk flat tyres.

My children (aged five and eight) frequently are deprived of sleep by the noise from these people, and my family will usually make a long diversion if our route should take us past the corner of St Lloys Road and Moorefield Road.

I hope that the licensing team will listen to the concerns of local residents, or else the decline in the quality of life in the area will be severely accelerated for all of us.

Yours faithfully,

Phil Yeats

Objection: Place Trocadero Cafe Late Licence Application

As residents of St Loys Road we object to the Place Trocadero café from obtaining a late licence to serve alcohol between the hours of 11 pm and 5 am.

Our objection is based on the following grounds:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance

Having owned a property and lived in the area for the past 9 years, we are objecting because until a recent police order under the antisocial behaviour act 2003 part 4 (see enclosed) we had quite a problem with people drinking, urinating, dropping litter and loitering in the streets around St Loys Road, Moorefield Road and Sperling Road, and specifically at the junction where the Place Trocadero is located.

The problem has not evaporated, but since the order (which we have been informed has recently been renewed until 6th November 2009) has lessened and we feel that allowing the Place Trocadero Café a late licence will only exacerbate matters and crime in the area.

We have friends that refuse to visit or leave via public transport after dark for fear of being intimidated by men standing on the pathways down to the High Road. While this is in no way an accusation of the Place Trocadero café itself, its owners or its patrons, we feel that allowing such an establishment to serve alcohol after usual hours will not help matters.

Thank you for your consideration of our objection.

Yours sincerely

Trocadero Café Late Licence Application.

Dear Sir or Madam

I would like to voice my objection to the application by the Trocadero Café to serve alcohol between the hours of 11 pm and 5 am. My objections are:

- As a resident of St Loy's road, I believe that this application should not be granted. Late night into the early hours drinking would inevitably lead to crime and disorder on St Loy's road.
- The proposed site of this late night licence is on a quite residential road with families with young children.
- The Trocadero Café is in effect run out of a small-unconverted residential property. The property is too small to be run as licenced bar and will inevitably lead to drinking and unsocial behavior on St Loy's road
- The police and local residents have successfully made the St Loy's road area a 'no street drinking zone' This application would make a nonsense of this ruling and men would again be drinking and worse on St Loy's road. With a late license the police would be unable to intervene. We would end up with a no go area on this quite residential road.
- Families with young children would be forced out of the area. This café is a short walk away from a primary school. Prior to the no drinking zone being enforced. These young children regularly walked to school through a crowd of drunken men that hung out day and night on the corner of Moorfield road and St Loy's road. We would expect this to resume if this license is granted.
- Young women and children would be unable to move about freely if this Café were granted a late license. As with the previous experience of men drinking out of a shop at the end of St Loy's road. These men frequently spilled out on to the road making a public nuisance of themselves. This would be repeated if this licence is granted.

- The owners of the Trocadero Café run a disorganised and disorderly business the surrounding area is dirty and rubbish frequently left in the road creating an unsightly and public nuisance. Should we expect these owners to behave responsibly if this licence is granted.
- The proposed site for this late night drinking den, is a five minute stroll from Tottenham High street and Bruce Grove with a large number of bars pubs and café with late license. Is there a need for a late licence on a residential road?
- The inappropriate nature of the site of this proposed late licence would cause a public safety issue.

Yours Sincerely

Mrs. J Maguire (MRS JOY MAGUIRE)

Information

Trocadero Café Late Licence Application

PLEASE NOTE REVISED DEADLINE FOR OBJECTIONS TO BE RECEIVED: 12TH MAY 2009

You may be aware that the Trocadero café on St Loy's Road has applied for a licence to serve alcohol between the hours of 11pm and 5am. Haringey Council will be considering this application shortly. If you have any objections to this licence being granted, you should consider making a representation to the Council. Representations must be received by 12th May 2009.

On what grounds can I make a representation?

Objections must be based on or one or more of the following licensing objectives:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

Does it matter how far I live from the premises?

You should include your name and address when making a representation. This will help the licensing authority decide whether or not you are living in the vicinity of the premises where the application has been made. Please note that your name and address will be made known to the applicant. If you do not wish to give the Council your name or address they will not be able to accept your objection.

How do I make a representation?

If you wish to object to an application for a licence, you must put your objection in writing and send it to the Licensing Team **by 12th May 2009**. You must include the following information:

- Your name and signature
- The date you wrote the letter
- The application that you are opposed to
- The reasons why you are opposed to the application

If an objection is being made on behalf of a group (e.g. a parish council or residents' association), then proof of the group's decision to make the objection must be sent to the Licensing Team along with the objection letter. This could be a document such as minutes of a meeting.

If a petition is submitted the organiser must:

- Provide their own contact details
- State clearly the application that is being opposed and the reason for opposition on each page of the petition
- Ensure all names and addresses are clearly legible and preferably written in black ink
- Show the date the signatures are collected on each page

Any objection needs to be addressed to:

Daliah Barrett
Licensing
Technopark, Unit 271-272
Ashley Road
London
N17 9LN

What happens after I have made a representation?

The licensing authority will first carry out some checks to make sure your representation meets all the requirements of the legislation. Assuming we can accept it we will then arrange a licensing committee hearing.

You will be invited to attend the hearing to repeat your representation although you do not have to attend. You will be sent a 'notice of hearing' document before the hearing which explains in detail what will happen at the hearing. A report giving details of the application and all valid objections will also be sent to you and the applicant prior to the hearing.

ANTI SOCIAL BEHAVIOUR ACT 2003 PART 4

Notice for the Dispersal of Groups and Removal of Persons Under the Age of 16 to their Home Address

The Police and the Local Authority have both agreed that there are grounds to believe that members of the public have been intimidated, harassed, alarmed or distressed as a result of the presence or behaviour of two or more persons and that anti-social behaviour is a significant and persistent problem in the below affected area.

Relevant Area highlighted in map

This Dispersal Zone covers ALL parts of St Loys Road, Moorefield Rd, Sperling Road and Forster Road.

I, Chief Superintendent Dave Grant, Metropolitan Police with the consent of Haringey Council being the relevant Local Authority, hereby authorise uniformed Constables and Police Community Support Officers (PCSOs) to disperse groups as defined under Part 4 of the Anti-social Behaviour Act 2003 from the above area during the relevant period detailed below:

Relevant Period:

From	12:00 hrs	on	6 th May 2009
To	12:00 hrs	on	6 th November 2009

Directions

During the times and dates specified above a Constable / PCSO may give one or more of the following directions to persons who have or are likely to commit anti social behaviour:

- **Tell people in the group to disperse** (either immediately or at a stated time and in a stated way).
- **Tell people who don't live in the affected area to leave** (either immediately or at a stated time and in a stated way)
- **Tell people who don't live in the affected area not to return to the affected area** or any part of it for such period (not exceeding 24 hours) from when the direction was given, as he / she may specify.

If you are under 16 you may not be allowed to be here between the hours of 9pm and 6am unless you are under the effective control of a parent or responsible person over the age of 18.

You may be removed to your home or place of safety if more appropriate.

TAKE NOTE

To contravene a direction is an offence under Section 30 of the Anti-social Behaviour Act 2003, punishable by 3 months imprisonment and / or a fine not exceeding £2500.
A notice will be displayed in the affected area announcing the end of the authority when it no longer applies.

11th May 2009

Dear Ms Barrett,

RE: Trocadero Café Late Licence Application

We should like to submit an objection to the application for a licence to serve alcohol between the hours of 11pm and 5am at the Trocadero Café on St Loy's Road.

We have passed the café many times in recent months when collecting items from the sorting office or visiting family nearby, and have noticed a large increase in the amount of litter on the streets near the café. This raises concerns over safety, as well as being unattractive. We are also concerned that groups seem to gather in this area, often drinking alcohol, which makes it a difficult area in which to walk, particularly for the elderly and for children.

We ask that the application be refused, as we believe it will increase the current problems of causing a public nuisance and making the area unsafe.

Yours sincerely,

James Carey

Dear Madam

Re: Trocadero Café Late Licence Application
St Loys Road

OBJECTION TO ABOVE APPLICATION

Background:

I have lived on St Loys Road since March 2003. The distinguishing feature of the area are the groups of people hanging around during the day, evening and night. The group/s chat and socialise on the street. Some drink and will urinate at any convenient spot. The chief irritation of the group is the sheer volume, duration and guttural vibration of their discourse. Apart from the noise and drinking they are quite courteous and well behaved.

The Group Numbers can vary from two bodies to thirty. There is a dynamic interplay with members changing groups and moving from Street to café to off licence to car etc etc

Like any group behaviour there are troughs and peaks. However living close to the problem it seems constant and unremitting. The only breaks are for rain and snow.

Due to the behaviour of the group/s the area has been an ASBO dispersal zone for many years.

Specific Objection: Prevention of public nuisance

- I. A large proportion of the people who presently cause a nuisance on the street are customers to some degree of the Café. The street has become appropriated over many years as their social space. That behaviour is difficult to unlearn as the Police have discovered. Granting the Group a space in the café to buy alcohol from 2300 to 0500 will just give them fuel to stay longer on the street. Net result; more noise and piss.
- II. The café has a small capacity for bodies. Therefore when full people will congregate outside with attendant noise and nuisance.
- III. The late licence will attract more people to the area at night. Hence more noise (from cars and people) and antisocial behaviour.

- IV. People frequenting the café from 2300 to 0500 will not remain stuck in the café. They will come out for fresh air and cigarette smoking. Particularly in summer this will be a problem.

Specific Objection: Public Safety

More people will loiter in the street after 2300hrs due to the license. Hence women passing through the area may feel threatened when seeing guys hanging around.

I will be quite happy to attend the Hearing and give a residents view if required.

Regards

Patrick L Prevatt

11th May 2009

Dear Ms Barrett,

RE: Trocadero Café Late Licence Application

We are writing to object to the application for a licence to serve alcohol between the hours of 11pm and 5am at the Trocadero Café on St Loy's Road.

We have only resided on Sperling Road for a little over three months, but have already witnessed on numerous occasions the problems caused by those frequenting the Trocadero Café. These seem to be particularly prevalent in the evenings, when large groups of men congregate outside the Trocadero Café drinking alcohol which is not only very intimidating for those walking past, especially as the groups leave little space for pedestrians to pass, but also creates a large amount of noise which causes a public nuisance to local residents. Furthermore, we have often witnessed litter being either left on the street, or thrown over the wall next to the railway bridge. As the litter generally includes cans and bottles, this not only makes the surrounding area dirty and unsightly, but also presents a severe safety concern, especially for those with children.

As the Trocadero Café has already caused problems to those who live and work in the area, resulting in the current six month police operation in the neighbourhood, it seems ludicrous to consider allowing the serving of alcohol from this establishment until the early hours of the morning. This would surely compound the existing problems of litter and domination of the pavement area affecting public safety and generally causing a public nuisance.

We therefore ask that the licence application be refused, and that any business permits currently held by the Trocadero Café be reviewed given its already negative impact on the neighbourhood and wider community.

Yours sincerely,

Ann Carey

Dear Ms Barrett

RE: Trocadero Café Late License Application

I am aware that the Trocadero café on St Loy's Road has applied for a license to serve alcohol between the hours of 11pm and 5am. I am objecting to this application on the following objectives:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance

To serve alcohol during these hours will lead to a buildup of people in the neighbourhood and under intoxication there is a trend that this will lead to drunk and disorderly behavior and also attract drug related problems. These two combined will mean an increase in gang related crime and fighting within the area. I feel that the public safety within the vicinity will be strongly compromised. The buildup of large groups of people will also lead to noise and abusive language/behavior being used so will be a burden on public nuisance.

All of the mentioned have been cases which I have been a witness to and experienced in the past. I do not wish to go through the same ordeals all over again this is why I am strongly opposed to this application. I live within 100yards of the Trocadero Café Late License applicant.

Kind regards

Jitendra Bhatti

Neighbourhood Resident
