LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY	
INTRODUCTION	
1.	The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2.	The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them
3.	The Chair explains the procedure to be followed by reference to this summary which will be distributed.
NON-ATTENDANCE BY PARTY OR PARTIES	
4.	If one or both of the parties fails to attend, the Chair decides whether to:
	(i) grant an adjournment to another date, or
	(ii) proceed in the absence of the non-attending party.
	Normally, an absent party will be given one further chance to attend.
TOPIC HEADINGS	
5.	The Chair suggests the “topic headings” for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is:
	Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.
	(i) the prevention of crime and disorder,
	(ii) public safety,
	(iii) the prevention of public nuisance, and
	(iv) the protection of children from harm.
6.	The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.
WITNESSES	
7.	The Chair asks whether there are any requests by a party to call a witness and decides any such request.
8.	Only if a witness is to be called, the Chair then asks if there is a request by an opposing party to “cross-examine” the witness. The Chair then decides any such request.
DOCUMENTARY EVIDENCE	
9.	The Chair asks whether there are any requests by any party to introduce late documentary evidence.
10.	If so, the Chair will ask the other party if they object to the admission of the late documents.
11.	If the other party do object to the admission of documents which have only been produced by the first party at the hearing, then the documents shall not be admitted.

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?	
THE LICENSING OFFICER'S INTRODUCTION		
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.	
14.	The Licensing Officer can be questioned by Members and then by the parties.	
THE HEARING		
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i)	an introduction by the Objectors' main representative	
(ii)	an introduction by the Applicant or representative	
(iii)	questions put by Members to the Objectors	
(iv)	questions put by Members to the Applicant	
(v)	questions put by the Objectors to the Applicant	
(vi)	questions put by the Applicant to the Objectors	
CLOSING ADRESSES		
16.	The Chair asks each party how much time is needed for their closing address, if they need to make one.	
17.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
THE DECISION		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	
19.	The decision is put in writing and read out in public by the Committee Clerk once Members have returned to the meeting.

Licensing Consultation - Internal Memo

To: Licensing Officer

From: Enforcement Response Officer (Noise)

Name of Officer preparing representation: Mark Eastwood
cc: Service Manager Enforcement Response, Mr Eubert Malcolm

Our Reference: WK/000163349

Date: 2nd August 2010

Premises: Savannah's Pleasure Cafe, Bar & Rest, 614 High Road, Tottenham, London, N17 9TB

Type of application: New

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Structure borne noise or vibrations from entertainment
- Noise generated by patrons in external areas of the premises e.g. terrace or conservatory
- Noise generated from patrons queuing to enter
- Noise from patrons exiting the premises
- Noise generated from deliveries
- Noise generated from refuse collections
- Noise from plant and machinery
- Light nuisance
- Cooking odour
- Litter nuisance

The proposed operating hours are inappropriate due to the close proximity of residential dwellings. There is a block of flats attached to the rear and sharing a party wall with the premises, and a large block of flats facing the premises on the opposite side of the main road.

The impact of music and noise of people coming and going to the premises through the night would be considerable, and would likely prevent nearby residents from sleeping. Prolonged, continuous or repetitive lack of sleep can have a very serious effect on

people, impacting on work, personal relationships and social behaviour and is a very serious concern in relation to this application. The noise caused by patrons exiting the premises and locating suitable transport home is also likely to be detrimental to the residential amenity.

Supporting Information

Front of property viewed from opposite side of the road. Note, at the rear, a new build block of flats rising above the premises.

Side view of premises, see block of flats attached to premises on left hand side of picture.

View of front of block of flats that share party wall with the premises subject to the application. It appears to have four domestic residential units in the block.

View of block of flats and premises showing party wall.

View of premises showing large block of flats on opposite side of the road.

Millicent Fawcett Court, a large block of flats opposite the premises concerned. There are in excess of 20 flats that would be directly affected by noise from the concerned premises.

Other properties to the right of the premises concerned.

If the sub-committee were to grant this application then we would recommend the following alterations/conditions to the operating schedule:

Operating hours

That the premises close no later than *23:30hrs Sunday to Thursday* and *00:30hrs Friday and Saturday*.

That regulated entertainment ceases thirty minutes prior to closing time i.e. *23:00hrs Sunday to Thursday* and *00:00hrs (midnight) Friday and Saturday*.

That provision of late night refreshment and the supply of alcohol cease 30 minutes before closing time (as above)

Reason: to protect the nearby residents from unwanted noise nuisance caused by music, and noise from patrons of the premises. The supply of alcohol stopping 30 minutes before closing time will allow customers a 30 minute "drinking up time"

Prevention of nuisance from noise / vibration

All doors and windows will remain closed during the licensed regulated entertainment activities or in any event after 11pm. The entrance door will be fitted with a self-closing device and staff required to ensure that it is not propped open. A member of staff shall be made responsible to ensure the door is opened for as brief a period as possible. Where necessary adequate and suitable mechanical ventilation should be provided to public areas

Entry to the premises will be restricted to *one main entrance door to the front of the premises* -whilst the premises is being used for regulated entertainment licensed activity

Entrance/exit from the premises whilst regulated entertainment licensable activities are ongoing shall be via a lobbied door to minimise noise breakout.

The regulated entertainment licensable activity shall conclude 30 minutes before the premises is due to close to prevent excessive noise breakout as the premises empties

Structure borne noise

All speakers are mounted on anti-vibration mountings to prevent vibration transmission of sound energy to adjoining properties

Sound limits

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property

All regulated entertainment amplified activity will utilise the in-house amplification system, the maximum output of which is controlled by the duty manager

The level of amplified regulated entertainment shall be controlled by means of limiting device set at a level which upon request may be agreed with the licensing authority

Outside Areas

No music will be played in, or for the benefit of patrons in external areas of the premises

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises

Signs shall be displayed in the external areas/on the frontage requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly. The management must reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours

The number of persons permitted to utilise the terraced areas will be restricted to *5 persons at any one time*

The terraced area and conservatory will be closed and patrons requested to come inside the main structure of the premises at *22:30hrs* to prevent any noise escaping the premises and affecting nearby residents, because it is unlikely that a conservatory or open terrace can be effectively sound proofed to prevent noise escaping.

Deliveries and collections.

Deliveries and collections associated with the premises will be arranged between the hours *8 am and 8 pm* so as to minimise the disturbance caused to the neighbours

Glasses will be collected from the terraced areas immediately the area is closed i.e. *22:30hrs* and no later, thereby preventing passers by access to any glasses left outside, and to prevent any neighbours in close proximity being unduly disturbed by noise of staff clearing up late at night.

Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include, where disclosed, the complainant's name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

Regular *six monthly* liaison meetings will be held where specifically requested by residents to enable neighbours to raise concerns about any aspect of the licensed activities

Patrons entering/exiting premises.

Where people queue to enter the premises a licensed door supervisor shall supervise and ensure the potential patrons behave in an acceptable manner

Signs should be displayed requesting patrons to respect the neighbours and behave in a courteous manner

Door supervisors

Door supervisors (minimum of one inside and one outside the premises) are required to be on duty from 20:00hrs until closing to ensure noise from patrons is kept to a minimum and that any anti social behaviour is prevented, thereby ensuring the nearby residents are not unduly disturbed and that patrons inside the premises behave in a safe and satisfactory manner, ensuring proper health and safety controls for all persons inside the premises.

When the premises turn out a licensed door supervisor shall supervise patrons and ensure the leave in a prompt and courteous manner, respecting the neighbours

A licensed door supervisor will be positioned on the exit door to ensure, as far as reasonably practical, that patrons do not leave with drinks

A licensed door supervisor will patrol the curtilage of the premises to prevent patrons urinating in public areas in the vicinity of the premises

Prevention of Nuisance from Odour

All ventilation and extraction systems shall be correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from odour

Prevention of nuisance from light

Illuminated external signage shall be switched off when the premises is closed

Security lights will be positioned to minimise light intrusion to nearby residential premises

I strongly support his views and endorse the reasons he gives. This is close to people's homes - not just Millicent Fawcett Court but Rheola Close, the new flats which are part of the former Blue School and flats and homes in Scotland Green.

Can I request this comes to a Licensing panel.

Dear Daliah,

I would like to formally lodge an objection to the following licensing application, on the grounds listed below:

Savannah's Pleasures Café, Bar and Restaurant	614 High Road, Tottenham, London N17 9TB
-----------------------------------------------	------------------------------------------

The application is for a licence that I consider to be inappropriate in terms of the hours of operation, as well as the potential for anti social behaviour

1. The premises are opposite a large housing development, Millicent Fawcett Court, as well as surrounding residential streets and would cause numerous problems for families, what with the close proximity to their homes
2. Complaints having been recieved by Cllr Stanton and myself from residents in Pembury Road and Millicent Fawcett Court about late night noise, intimidation and anti social behaviour, including shouting, swearing, verbal threats being made, urination in public and other assorted concerns associated with a bar/club premises very close to the proposed location of 614 High Road whose license the Licensing Committee recently curbed

 Stuart

I would also point out that tackling anti social behaviour is one of the key priorities for local residents in Tottenham Hale which have been agreed with the Safer Neighbourhoods team and that there are local concerns about this with regard to Tottenham High Road.

Dear Licensing Authority

I am writing in relation to the application submitted for Savannahs Pleasure Café Bar 614 High Road N17 to allow regulated entertainment and the sale of alcohol until 5am every day of the week.

I am against such late hours in what is a residential area. We have a number of flats surrounding the premises and indeed the very building where this venue is proposed will also have residential dwellings.

I am not wishing to stop any businesses from being able to bring trade and prosperity to the area but I do think that we are to be mindful of ensuring that we take great care in the effect that the late night economy can have on residents and the immediate area.

We have already experienced problems from late night venues in the vicinity that has resulted in those existing premises not upholding the licensing objectives and action being taken against them. I feel that the application should be curtailed so as to all regulated entertainment and the sale of alcohol until 23.00 in the week and 2am on Friday and Saturday night, with alcohol sales ending 30 minutes before the closing time.

The applicant should also ensure that patrons are not allowed to loiter on the street or consume drink on the public highway as the premises is in a street drinking zone. Any outside areas should cease to be used at 10pm except to allow for smoking, patrons can then be allowed out to smoke in small groups so as to not have large groups left either to the front or the back of the premises creating a noise nuisance for the residents nearby.

I would like to be advised of any hearing into this matter, as I would wish to address the Panel with my concerns.

We have been woken in the early hours had aggressive loud and drunk persons outside our homes on week nights due to the late night early morning attendance of Ekubans and The Blue Bar clubs. Yet more gun shots and stabbings only this past weekend due to the patron of The Blue Bar. I was verbally attacked by a group of men for looking out of my daughters window at 4.30 am because they were sitting on our window arguing and smashing glasses into the road.

The late license also causes parking issues for local residents. Thanks

26/07/2010

RE: GOKYUZU Restaurant (26-27 Grand Parade, London, N4 1LG)

To whom it may concern, I am writing to you as resident landlord of 25 A & B Grand Parade, N4 1LG

I am writing regarding the applications placed by Mr Vaysel Yavuz in order that he be licensed to serve alcohol and late night refreshments from the newly extended Gokyuzu restaurant on Grand Parade.

Please accept this letter as formal objection to the applications placed, in relation to the prevention of public nuisance and public safety.

The rear of the restaurant property adjoins our property, even before the restaurants extension the noise levels from staff at the back of the restaurant and patrons exiting the front of the restaurant have been intolerable to my tenants and myself.

My tenants and I have suffered greatly due to shouting, arguments and general commercial noise at unacceptable times of the early hours of the morning. We feel that the extension of the restaurant and the outdoor portion of the restaurant will only multiply the noise levels we have had to deal with for a number of years not to mention rendering parts of our property uninhabitable if people are allowed to smoke in appointed outdoor area. Please note this area is less than 5 meters away from our closest inhabited tenement.

We understand Mr Yavuz has operated a family restaurant from the adjoining location for a number of years, we have no objection to Mr Yavuz continuing his business inside the proposed buildings, our objections are based upon the proposed outdoor portion of the restaurant which Mr Yavuz has already advertised as a 140 Seat outdoor smoking area.

We would ask that a condition of the granting of this license would be that the outdoor portion of the restaurant be restricted to the hours set forth within the UK noise abatement act 1960 and not the proposed time of 02:00 AM as applied for by Mr Yavuz.

The tenants at the rear of my property work in the food industry and begin work at 5:00 AM, to have disruption and noise continuing till 02:00 would be completely unacceptable and cause considerable hardship and suffering, not to mention the financial losses that myself and my partner would incur eventually as a result of our tenants having to leave the property once rendered uninhabitable by the restaurant.

Having searched the local planning applications extensively I have been unable to find an application by Mr Yavuz for permission to demolish the existing structures to construct the outdoor portion of the restaurant. Had a planning application been authorised and advertised in the proper manner, I would have also placed formal objections with the local planning authorities.

Based upon the evidence we have presented we would ask that our objections be acknowledged and considered during the review process of the issuing of the licenses applied for. Should the license be granted to allow Mr Yavuz to conduct business in the outdoor portion of the restaurant outside of the hours set forth in the UK noise abatement act 1960, my partner and I shall be seeking legal counsel to recover any costs losses incurred as a result of this decision.

Yours Sincerely

Dr. Chris Upton
