MEMBERS: Councillors Brabazon, Browne and Jenks

AGENDA

1. **ELECTION OF CHAIR**
2. **APOLOGIES FOR ABSENCE**
3. **URGENT BUSINESS**

It being a special meeting of the Sub Committee, under Part Four, Section B, Paragraph 17, of the Council's Constitution, no other business shall be considered at the meeting.

4. **DECLARATIONS OF INTEREST**

A member with a personal interest in a matter who attends a meeting of the authority at which the matter is considered must disclose to that meeting the existence and nature of that interest at the commencement of that consideration, or when the interest becomes apparent.

A member with a personal interest in a matter also has a prejudicial interest in that matter if the interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice the member's judgement of the public interest **and** if this interest affects their financial position or the financial position of a person or body as described in paragraph 8 of the Code of Conduct **and/or** if it relates to the determining of any approval, consent, licence, permission or registration in relation to them or any person or body described in paragraph 8 of the Code of Conduct.

5. SUMMARY OF PROCEDURE (PAGES 1 - 2)

The Chair will explain the procedure that the Committee will follow for the hearing considered under the Licensing Act 2003. A copy of the procedure is attached.

LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY	
INTRODUCTION	
1.	The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2.	The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them
3.	The Chair explains the procedure to be followed by reference to this summary which will be distributed.
NON-ATTENDANCE BY PARTY OR PARTIES	
4.	If one or both of the parties fails to attend, the Chair decides whether to:
	(i) grant an adjournment to another date, or
	(ii) proceed in the absence of the non-attending party.
	Normally, an absent party will be given one further chance to attend.
TOPIC HEADINGS	
5.	The Chair suggests the “topic headings” for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is:
	Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.
	(i) the prevention of crime and disorder,
	(ii) public safety,
	(iii) the prevention of public nuisance, and
	(iv) the protection of children from harm.
6.	The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.
WITNESSES	
7.	The Chair asks whether there are any requests by a party to call a witness and decides any such request.
8.	Only if a witness is to be called, the Chair then asks if there is a request by an opposing party to “cross-examine” the witness. The Chair then decides any such request.
DOCUMENTARY EVIDENCE	
9.	The Chair asks whether there are any requests by any party to introduce late documentary evidence.
10.	If so, the Chair will ask the other party if they object to the admission of the late documents.
11.	If the other party do object to the admission of documents which have only been produced by the first party at the hearing, then the documents shall not be admitted.

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?	
THE LICENSING OFFICER'S INTRODUCTION		
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.	
14.	The Licensing Officer can be questioned by Members and then by the parties.	
THE HEARING		
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i)	an introduction by the Objectors' main representative	
(ii)	an introduction by the Applicant or representative	
(iii)	questions put by Members to the Objectors	
(iv)	questions put by Members to the Applicant	
(v)	questions put by the Objectors to the Applicant	
(vi)	questions put by the Applicant to the Objectors	
CLOSING ADRESSES		
16.	The Chair asks each party how much time is needed for their closing address, if they need to make one.	
17.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
THE DECISION		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	
19.	The decision is put in writing and read out in public by the Committee Clerk once Members have returned to the meeting.

REPRESENTATION OF ENFORCEMENT RESPONSE (NOISE)
TEAM

Haringey Council

Licensing Consultation - Internal Memo

To: Licensing Officer

From: Enforcement Response Officer (Noise)

Name of Officer preparing representation: Mark Eastwood

cc: Team Leader Enforcement Response, Derek Pearce,
Service Manager, Enforcement response, Eubert Malcolm

Our Reference: WK/000182008

Date: 1st February 2011

Premises: Shop, 441 Green Lanes, Hornsey, London, N4 1HA

Type of application: **New**

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to **make** representations to the Application

The operating schedule does not address the prevention of public nuisance from:

- Noise from patrons exiting the premises
- Noise from plant and machinery
- Light nuisance
- Cooking odour
- Litter nuisance

The proposed operating hours are inappropriate due to the close proximity of residential dwellings. There are a number of nearby residential dwellings, including flats on the first floor above and to the side of the premises. Residents could easily be disturbed by noise from customers gathering outside or going into and out of the premises late at night.

Supporting Information

Front of premises on green lanes N4

Domestic residential property above and also to each side of the shop premises on first floor

Current state of inside of premises. The premises are clearly not in use at the time of the application, and have not been in use for some time.

Premises were previously in use as a kebab shop.

Previous History

Date reported & time	Subject	Observations & time	Outcome	Our Ref
29/06/10	Noise from building works.	Drilling noises from shop premises and flats above at 441 Green lanes. Visit made at 06:40hrs.	Control of Pollution Act warning letter served	161989

There has been no other complaints since the Premises closed for business in mid 2008.

If the sub-committee were to grant this application then we would recommend the following alterations/conditions to the operating schedule:

1) Operating hours

1.1 That the premises closes no later than 02:00hrs seven days a week

Reason: To minimise noise nuisance from customers using the premises late at night. There are domestic residential properties nearby who may suffer noise nuisance.

2) Outside Areas

2:1 Signs shall be displayed in the external areas/on the frontage requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly. The management must reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours

2:2 CCTV shall operate at all times while the premises remains open to the public and all images captured will be recorded and stored on site for a minimum period of 31 days.

2:3 Copies of CCTV recordings will be made available to the Police and/or the Licensing Authority on request within 48 hours of the request being made together with facilities for viewing where requested. If the CCTV equipment is inoperative, or is otherwise not installed and working to the satisfaction of the Police and Licensing Authority, then within 48 hours the Police and Licensing Authority shall be notified and an estimate given of the repair timescale. The premises will comply with all reasonable requests from the Police, which may include the suspension of licensable activities if necessary.

3) Plant and machinery

3:1 All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise (e.g. extractor systems)

4) Prevention of nuisance from litter

4:1 Patrols of the area outside the premises shall be undertaken every four hours during the use of the licence and any litter accumulations cleared.

5) Prevention of Nuisance from Odour

5:1 All ventilation and extraction systems shall be correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from odour

6) Prevention of nuisance from light

6:1 Illuminated external signage shall be switched off when the premises is closed

6:2 Security lights will be positioned to minimise light intrusion to nearby residential premises

Licence Application for 3am 9 (Sun-Wed) and 5am (Th-Sat)

Dear Ms Barrett,

I am writing to you to object to the proposed opening hours at the premises noted above.

As you can see from the address, I live in the flat next door and I am dreading what will happen if the proposed take-away stays open until 3am or 5 am, seven days a week.

There has been a big improvement in Green Lanes over the last few years and this will really turn the clock back.

I will suffer from noise nuisance throughout the night, with car doors slamming, and playing radios or stereos, with noisy or drunk customers on the pavement outside my property. There are also likely to be problems with more litter, waste collecting arrangements and delivery times. In the past, very late night opening also attracted increased levels of crime , especially prostitution. I do not want to see that happen again.

If approved, the hours will amount to virtual 24 hours opening from Thursday to Saturday, and no prospect of a good night's sleep on week-day nights until about 3:30am, after the take-away has locked up.

I hope you will agree that this is totally unacceptable in a residential area, especially with all the flats on three storeys about the shops on both sides of Green Lanes. Many of us have to get up for work or school first thing in the morning and it is not fair to allow a take-away to stay open so late directly underneath our flats.

Thank you for taking these points into account when reaching your decision.

Yours sincerely

I am writing to oppose the application for opening hours of the above property to be extended to 0300 between Sunday and Wednesday and 0500 Thursday to Saturday.

The reasons for my opposition are as follows:

- There is a distinct likelihood that there will be a significant rise in crime. The experience of the neighbourhood with 24-hour social culture was very bad with problems of crime and prostitution. It is only recently, since the opening of premises has been limited to 0200 that this problem has abated.
- As stated above there are no other take-aways/restaurants in the area which have these hours (the latest is 0200) so the change will make a big impact on the community. There are residential flats and houses close by.
- Customers are likely to be coming to the area from outside the area and will, inevitably be noisy on arrival and departure or just hanging around outside.
- The establishment will attract a great deal of litter. The average age of a container used by these premises is less than one minute and their disposal is almost always ineffective.

I trust the panel will take notice of these concerns; the proposal will cause distress and anxiety to the residents of the area.

Subject: 441 Green Lanes, London N4 - Application for licence to open until 3am Sunday-Wednesday and 5am Thursday-Sunday – Sam's Chicken

Dear Ms Barrett,

441 Green Lanes, London N4 - Application for licence to open until 3am Sunday-Wednesday and 5am Thursday-Sunday – Sam's Chicken

As local councillor for Harringay Ward I would like to make representations regarding this application.

I would like to object to this application as I believe that in the context of a residential area, granting a licence for the activities and hours requested would be against the general principles of Haringey's Licencing Policy and specifically under the following headings:

- The Prevention of Crime and Disorder
- Prevention of Public Nuisance

In addition granting the application would result in:-

- Increased and unacceptable levels of noise from customers and cars in the very early hours of the morning which would disturb neighbouring residents especially those living above the shops
- More litter
- Increased levels of anti-social behaviour

In short generally reducing the quality of life of those living close by.

Members of the licensing committee will remember the late-night culture in Green Lanes in the early 2000s when the area became a very unpleasant, threatening and dangerous place to be particularly at night. This culminated with a fatal incident in 2002.

Local councillors, local residents, local traders, the police and others working with the Green Lanes Strategy Group have worked incredibly hard to rebuild the area and make it a much more pleasant, safer and vibrant place to be.

Granting this application would open the floodgate of other businesses wanting a 24 hour licence and we would very quickly see a deterioration to the times outlined above.

No other premises have a licence beyond 2am and I would like to see this benchmark strictly adhered to. I would therefore urge that this application is denied.

I would be grateful if could acknowledge receipt of this objection letter please

Yours sincerely

Dear Ms Barrett,

I am writing to you on behalf of the Harringay Traders Association, to object to the proposed opening hours, as noted above.

The Traders Assoc has spent many years working with Residents, Police and Haringey Council to improve Green Lanes. As key members of the Green Lanes Strategy Group we have seen real and substantial improvements in the area.

We are keen to ensure that nothing is done to jeopardise the progress which has been achieved, in particular the consequences of very late hours as proposed in this application based on past experience:

- Unacceptable noise from customers and cars in the early hours.
- Disturbance for residents especially those in the flats above the shops along Green Lanes.
- More litter and other anti social behaviours.

The varied take-aways, restaurants and pubs in Green Lanes all have staggered closing times between 11pm and 2am, but none are currently open later than this. Therefore the proposed opening hours if agreed would lead to:-

- All of the other businesses applying for the same hours.
- A return to the 24 hour culture which was the main root cause of the problems encountered in the past.

We have agreed with our members in the past that as long as no other premises are allowed to open after 2am, they will all comply because it was fair for all. I fear the minute this application goes through, everyone will apply for it maybe even later.

As Traders, we benefit from a safe and attractive high street, and a good working relationship with our local residents. We do not believe that a return to the noise, litter and crime associated with a 24 hour culture will be of benefit to the community, and this applicant is no exception.

For all the these reasons we urge the Licensing Committee not to grant the hours proposed, but instead limit them to the current 2am in line with all existing premises in Green Lanes.

Yours Sincerely,

Shefik Mehmet

Dear Ms D Barrett,

I am writing with regards to the above licensing application which I understand is currently being considered. As a local resident in Cavendish Road I would like to register my opposition for the Provision of Late Night Refreshment and the basis for this is as follows:

1. I live nearby the establishment and therefore expect there to be a direct impact if the late night licensing is granted by the council
2. Given the hours for the late night refreshment being proposed, I am concerned about the possibility of increased crime / anti-social behaviour / noise

4. If one such establishment is able to secure a license for the proposed opening times, what is there to stop other cafes, restaurant, take aways etc from applying for the same and in effect the area becoming open 24hrs? This would inevitably lead to increased noise, traffic, litter and possibly anti-social behaviour which would directly impact me and the residents living here.
5. Given the current economic climate and budget scrutiny for our local Policing, I do not wish to have valuable resources potentially being used to manage any additional anti-social behaviour caused by having the late night license for this premises granted (and the possibility of others) when there are

Dear Sir / Madam,

RE: Premises Licence for Provision of Late Night Refreshment at 441 Green Lanes, N4 1HA

I am writing in respect of an application for a Premises Licence made by 'Luton Hall Food Limited' for a restaurant/takeaway premises (named 'Sam's Chicken') at 441 Green Lanes, N4 1HA.

My name is Anthony Love and my partner, Elizabeth Hull, and I are the tenants at 441a Green Lanes, which is the first-floor flat located directly above the restaurant premises. I wish to make a representation regarding the Premises Licence application for 441 Green Lanes on the basis that the application would contradict Licensing Objectives, namely Public Safety and the Prevention of Public Nuisance.

The Premises Licence application includes 'The Provision of Late Night Refreshment' between the hours 11pm-3am (Sunday-Wednesday) and 11pm-5am (Thursday-Saturday). The premises' overall opening hours will be 9am-3am (Sun.-Weds.) and 9am-5am (Thurs.-Sat.). I believe that these hours will constitute a significant public nuisance and may pose a risk to public safety. I would therefore like to suggest a reduction of the late-night opening hours to 11pm-1am (Sun.-Thurs.) and 11pm-2am (Fri.-Sat.).

My reasons for believing that these opening hours will constitute a public nuisance are as follows:

- These hours (until 3am Sun.-Weds., until 5am Thurs.-Sat.) are significantly later than those of similar premises in the area. This means that the premises is likely to become a locus for a disproportionately large number of people late at night. This will create significant noise disturbance.
- The entrance door for the 1st and 2nd floor residential flats in this building is located directly adjacent to the door of the restaurant premises. This, coupled with the late night opening times will likely lead to crowding around both doors. This may lead to difficulty gaining access to the building late at night, or intimidation and fears for personal security. This is particularly worrying for a young woman such as Elizabeth.
- The bedroom of our flat is located at the front of the building, and therefore is directly above the restaurant premises. As such, noise from the street below can be clearly heard in this room. Previously, we have often been disturbed by noise associated with the adjacent restaurant at 443 Green Lanes – this includes loud conversations conducted by customers outside the premises, and loud music from customers' cars pulling up at the restaurant. The proposed opening hours of the restaurant at 441 Green Lanes will have an even greater impact, both in terms of the volume of this noise, and how late in the night it continues.
- The fact that the restaurant will be a takeaway may lead to customers congregating outside, either eating or waiting for food. This will lead to the blocking of our doorway and an increase in noise disturbance.
- The late night hours will see an excessive number of inebriated customers, particularly on

Thursday, Friday and Saturday nights. The possibility of customers urinating in the vicinity of the doorway to residential flats is therefore increased by the late night opening hours. Inebriated customers may also cause increased disturbance either through excessive volume, damage to property or violence. When coupled with the location of the doorway to the above flats, this will make late-night entering or exiting of the residential flats possibly dangerous and extremely intimidating.

- Finally, in the event of fire, there is an increased risk to public safety posed by these late opening hours. With opening hours as late as 5am, there arises the risk of a fire breaking out in the early hours of the morning. At such a time, both we and the residents of flats on both sides, will be more susceptible to harm in the event of a fire since we will be less aware of danger than at other times.

It is clear, therefore, that the proposed late night opening hours at 441 Green Lanes will be detrimental to the area and will contradict at least two Licensing Objectives. I hope that this will be taken into consideration.

If you have any questions please feel free to contact me at the above address.

Yours Sincerely,

Anthony Love

Elizabeth Hull

Dear Daliah,

Please accept this email as my formal objection to the licensing application to the proposed opening opening times of a new Sam's Chicken outlet at 441 Green Lanes.

I understand the proposed hours are 3am (Sun-Wed) and 5am (Thurs-Sat). As I'm sure you're aware, at present no café/restaurant/takeaway/pub/club in the core area of Green Lanes has permission to open beyond 2am. If this application is granted I, and many in the local community, fear it will lead to a precedent being set leading to many more similar applications being made which would lead to a virtual 24 hour culture in this area. This could take us back to the bad old days of 2002 and undo all the hard work of the Green Lanes Strategy Group over the past 8 years, which I chair, which has made GL such a better place.

I endorse the concerns and objections of the Ladder Safety Community Partnership which I have quoted below.

We are therefore writing to you as members of the LCSP to oppose this application.

We believe that in the context of a residential area, granting a licence for the activities and hours requested would be against the general principles of Haringey's Licensing Policy and specifically under the following headings:

The Prevention of Crime and Disorder

Prevention of Public Nuisance

We are concerned, in particular, at the issues surrounding the prevention of public nuisance, in the light of the applicant's request for

very late hours of 3am (Sunday to Wednesday)

even later hours of 5am (Thursday to Saturday)

More information on why we believe the Committee should reject this application is provided under appropriate headings below.

2. REASONS FOR OBJECTING

(a) Relevant sections of the Borough's Licensing Policy/Objectives

We believe the following statements in the Borough's Licensing Policy 2011 support our objections:

'the Council considers that licensing law plays a key role in both preventing and controlling ... alcohol related crime and anti-social behaviour ... by regulating and applying conditions to affect the number,... location and hours of premises' [2.4]

'the council will have special regard to the local impact of licensing on related crime and disorder ... particularly when considering the location, impact, operation and management of all proposed licenses, applications, renewals and variations of conditions' [8.6]

'licensed premises, especially those operating late at night and in the early hours of the morning, can cause a wide range of nuisances that can impact on the people living, working or sleeping in the vicinity of the licensed premises. The Council is committed to protecting the residents ... in the vicinity of these licensed premises.' [14.1]

'in particular, late night activities cause much of this nuisance. Late night ... restaurants ... can have a number of adverse effects on the residents in the vicinity of these premises. Nuisance such as noise, litter, anti-social behaviour, lights odour all contribute to the loss of amenity to the general public' [14.2]

'noise nuisance is of particular concern ... especially at night when the ambient noise level is low' [14.3]

'the conduct of customers leaving premises or spilling out into public and open spaces is often a source of disturbance and anti-social behaviour' [14.4]

'the potential for additional crime and disorder and/or public nuisance is increased with longer hours.' [19.1]

'when issuing a licence, stricter conditions with regard to noise control and/or limitations to opening hours may be imposed in the case of premises where relevant representations are made and that are situated in largely residential areas. Operating hours between 23.00 and 07.00 are considered to give greater potential potential for noise nuisance' [19.3]

(b) Licensing Hours

In the light of the above statements and of the licensing objectives in general, we believe that daily closing times of 3am or 5am are very late, especially for ordinary weekday evenings, after which most residents will have to get up early to go to work or school.

We believe that these are unreasonable propositions, given the location of the premises in the heart of one of the most densely populated residential areas in the borough, and we shall say more about this in the following paragraphs.

(c) The Prevention of Crime and Disorder and Prevention of Public Nuisance

The proposed outlet is basically a fast-food take-away, with some internal seating. It will provide cheaply produced food with the consequent need for rapid turnover. Large numbers of take-away customers are therefore required if the outlet is to succeed. As there are no other venues in the core area of Green Lanes with permission to be open at 3am or 5am in the morning, customers will be returning from a late night pub or club, or passing through the area by car or taxi. In both cases, such customers are very likely to be in a lively or noisy frame of mind, having had (more than) a few drinks, etc.

It is therefore very easy to see the impact of the proposed opening hours in terms of noise, anti-social behaviour, crime, litter and other associated nuisance. In the early hours of the morning, ambient and background noise is very low and slamming or even closing, car doors, raucous voices and laughter, or arguments, will all carry a long way and disturb sleep. Worse still, with the take-away trade, this sort of noise will be repeated endlessly until 3 or 5 in the morning, seven days a week.

This is not speculation, but based on knowledge of past experience. Members of the Licensing Committee will no doubt recall, as we do, what happened to Green Lanes when a late-night culture took over in the early 2000s. Green Lanes became, frankly, a dirty, dangerous and unpleasant place to be, culminating in the violent and fatal incident of 2002. Since then, residents, traders, police and council officers, and local Councillors have all worked together in the Green Lanes Strategy Group to make Green Lanes the safer, quieter, cleaner - in short, better - place which it is today.

We are therefore very anxious not to repeat the same mistake by moving back towards a very late/24 hour culture, which is where granting this application will take us.

3. CONCLUSION

Our comments and objections, clearly based on the key objectives and appropriate paragraphs of the borough's Licensing Policy (noted above), make clear that residents are extremely worried at the likely implications of the proposed very late hours.

We do not believe that any conditions could be imposed which would mitigate this. For example, the

the applicant has suggested notices, asking customers to leave quietly, but this would obviously have no impact on noisy arrivals, and it's hard to see how it could make any difference to noisy departures. In the real world, are merry late-night customers carefully going to study, and then abide by, a printed notice displayed somewhere in the premises?

We therefore recommend, as a way forward, that the permitted hours should be limited to no later than 2am daily (preferably somewhat earlier, Sunday-Thursday if the Committee is so minded). We believe that this would be a fair and reasonable compromise between the rights of residents to a good night's sleep in a safe environment, and the need for a trader to make a success of their business.

Subject: Objection to late night licence for 441 Green Lanes N4 1HA

Dear Daliah Barrett

I am writing on behalf of the Gardens Residents Association (which represents the residents of Stanhope, Portland, Doncaster, Rutland, Roseberry, Chesterfield, Kimberley, Warwick and Cleveland Gardens, all in N4, leading off or close to Green Lanes) to object to the licensing application for the provision of late night refreshment at 441 Green Lanes N4 1HA.

We object most strongly to this proposal and believe that if permission for this late night opening were granted, it would have a seriously detrimental effect on the local neighbourhood.

We believe that to grant a licence for the activities and hours requested, in a densely populated residential area, would be against the principles of Haringey's Licensing Policy, specifically under the following headings:

- the prevention of crime and disorder
- the prevention of public nuisance.

The opening hours requested are extremely late – up till 3am on Sundays to Wednesdays, and up to 5am on Thursdays to Saturdays. This is completely unreasonable in a densely-populated area, and will inevitably cause noise disturbance to the residents who live in the flats above the shops and restaurants on Green Lanes. There will also be an increase in litter such as take-away cartons, which already cause a huge nuisance along Green Lanes and on the headers of the adjoining roads.

At present, none of the other numerous cafes, restaurants, take-aways, pubs and clubs along Green Lanes are permitted to stay open after 2am. If permission is granted for this application, this will set a precedent, making it harder for the council to refuse future applications from similar establishments on Green Lanes – leading to a virtual 24-hour culture, at the expense of the comfort and safety of local residents.

You will be aware that some years ago there was a major problem of crime and disorder on Green Lanes, culminating in a fatal shooting in 2002, and that ever since the formation of the Green Lanes Strategy Group eight years ago, local residents and businesses have worked closely together with councillors, council officers and the local police to improve the neighbourhood and have successfully reduced crime and nuisance in this area. We are deeply concerned that if permission is granted for this application, we will lose the gains that have been made, and late night crime and disorder will once again return to Green Lanes.

We believe the following statements in the Borough's Licensing Policy 2011 support our objections:

*'the Council considers that licensing law plays a key role in both preventing and controlling ... alcohol related crime and anti-social behaviour ... by regulating and applying conditions to affect the number,... location **and hours of premises**' [2.4]*

'the council will have special regard to the local impact of licensing on related crime and disorder ... particularly when considering the location, impact, operation and management of all proposed licenses, applications, renewals and variations of conditions' [8.6]

*'**licensed premises, especially those operating late at night and in the early hours of the morning**, can cause a wide range of nuisances that can impact on the people living, working or sleeping in the vicinity of the licensed premises. **The Council is committed to protecting the residents ... in the vicinity of these licensed premises.**' [14.1]*

*'in particular, late night activities cause much of this nuisance. **Late night ... restaurants ...** can have a number of adverse effects on the residents in the vicinity of these premises. Nuisance such as **noise, litter, anti-social behaviour, lights and odour** all contribute to the loss of amenity to the general public' [14.2]*

*'noise nuisance is of particular concern ... **especially at night when the ambient noise level is low**' [14.3]*

*'**the conduct of customers leaving premises** or spilling out into public and open spaces is often a source of disturbance and anti-social behaviour' [14.4]*

*'the potential for **additional crime and disorder** and/or **public nuisance is increased with longer hours.**' [19.1]*

*'when issuing a licence, **stricter conditions** with regard to noise control and/or limitations to opening hours may be imposed in the case of premises where relevant representations are made and that are situated **in largely residential areas. Operating hours between 23.00 and 07.00** are considered to give greater potential for **noise nuisance**' [19.3]*

We think it is most important for the council to stick to a latest opening time of 2am for restaurants, take-aways etc on Green Lanes, and we therefore urge you to refuse permission for this establishment to stay open any later than 2am on any night of the week.

Yours sincerely

Dear Ms Barrett

**Late-night premises licence variation: Sam's Chicken, 441 Green Lanes, N4 1HA
Applying for 3am (Sun-Wed) and 5am (Thur-Sat)**

1 INTRODUCTION

The Ladder Community Safety Partnership (LCSP) contains representatives of Neighbourhood Watches and Residents' Associations both from the 'Ladder' roads, and in Green Lanes itself. We are an independent group, although working in partnership with Haringey Council and the Metropolitan Police where appropriate.

Residents attending the monthly LCSP Meeting, held on Thursday 10 February, discussed this application and were unanimous in their objection to the very late hours, as proposed above. In addition, the Chair had been contacted by other residents, unable to attend the meeting, who also would like to register their opposition.

We are therefore writing to you as members of the LCSP to oppose this application.

PETITION

We, the undersigned residents, who live in close proximity to the Sam's Chicken outlet, to open at 441 Green Lanes, wish to object to the proposed opening hours of 3am (Sun-Wed) and 5am (Thur-Sat).

Our objections are based on the key Licensing Objectives (Prevention of Crime and Disorder, and of Public Nuisance).

We believe that the very late hours are • inappropriate to a largely residential area • likely to lead to noise and other nuisance from both pedestrians and cars in the early hours of the morning, when ambient noise level is very low • likely to attract undesirable elements into our community (as happened in the past with late-night opening)

We urge the Licensing Committee to reject these very late hours in favour of a closure of no later than 2am.

Subject: The Provision of Late Night Refreshment, Sam's Chicken, 441 Green Lanes, London, N4 1HA

I write to object to the above late night license application.

My objections are:

There are already far too many restaurants and take aways in Green Lanes which cause environmental degradation in Green Lanes i.e. piles of rubbish during the night and noise nuisance. This application will make it worse.

Green Lanes is rapidly losing diversity of shops and services as the street is dominated by betting shops, restaurants and take aways which cause much nuisance to local residents. This will make it worse and normal shops will be driven away.

This application for extended license is for much later opening than elsewhere in the locality and would result in other bars restaurants and take aways applying for late license resulting in substantial change.

Please refuse this application.

Dear Ms Barrett,

Re: Sam's Chicken, 441 Green Lanes – license for extended opening hours

I am writing to object to the above license application. I am deeply concerned about the impact that an additional 3-5am licence would have on the area and hope you will take this, and the other representations from local people, into consideration when making your decision.

I am concerned about the levels of noise, antisocial behaviour and littering that will result from the extended opening hours. It is very likely that the people using these premises at this time will be people who have been drinking alcohol and will consequently not be particularly concerned about the maintenance of peacefulness or cleanliness of the local area. At 5am this is likely to be extremely disturbing for local residents and would certainly constitute a public nuisance.

Further, over the past ten years many people have worked extremely hard to turn Green Lanes at night from being a very difficult, dirty and often dangerous road to one which is clean, friendly and safe. A large part of this has been the limits placed on opening times restricting them to 2am. I am deeply concerned that granting this license would therefore be a deeply regressive step and I oppose it in the strongest terms.

Dear Sirs,

I live at 60 Grand Parade and strongly object to the proposed opening times of this new take-away. We have had many problems in the past this late opening premises, loud music, noise, litter, fights etc. which makes lives a real misery for the residents,

It may be a 24 hour culture that we live in BUT most of us would like to sleep at night.
