LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY	
INTRODUCTION	
1.	The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2.	The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them
3.	The Chair explains the procedure to be followed by reference to this summary which will be distributed.
NON-ATTENDANCE BY PARTY OR PARTIES	
4.	If one or both of the parties fails to attend, the Chair decides whether to:
	(i) grant an adjournment to another date, or
	(ii) proceed in the absence of the non-attending party.
	Normally, an absent party will be given one further chance to attend.
TOPIC HEADINGS	
5.	The Chair suggests the “topic headings” for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is:
	Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.
	(i) the prevention of crime and disorder,
	(ii) public safety,
	(iii) the prevention of public nuisance, and
	(iv) the protection of children from harm.
6.	The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.
WITNESSES	
7.	The Chair asks whether there are any requests by a party to call a witness and decides any such request.
8.	Only if a witness is to be called, the Chair then asks if there is a request by an opposing party to “cross-examine” the witness. The Chair then decides any such request.
DOCUMENTARY EVIDENCE	
9.	The Chair asks whether there are any requests by any party to introduce late documentary evidence.
10.	If so, the Chair will ask the other party if they object to the admission of the late documents.
11.	If the other party do object to the admission of documents which have only been produced by the first party at the hearing, then the documents shall not be admitted.

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?	
THE LICENSING OFFICER'S INTRODUCTION		
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.	
14.	The Licensing Officer can be questioned by Members and then by the parties.	
THE HEARING		
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i)	an introduction by the Objectors' main representative	
(ii)	an introduction by the Applicant or representative	
(iii)	questions put by Members to the Objectors	
(iv)	questions put by Members to the Applicant	
(v)	questions put by the Objectors to the Applicant	
(vi)	questions put by the Applicant to the Objectors	
CLOSING ADRESSES		
16.	The Chair asks each party how much time is needed for their closing address, if they need to make one.	
17.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
THE DECISION		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	
19.	The decision is put in writing and read out in public by the Committee Clerk once Members have returned to the meeting.

9.0 Licensing Officers Comments

The Blue Bar was originally granted a licence in 2005 under Mr Neza and traded as Bar Harmonia under him.

Mr Neza is the leaseholder of the property, in 2007 Mr Neza sub let the property to Omar Wadar, (the licence was transferred to Mr Wadar in September 2007), who became the premises licence holder. Mr Neza remained on the licence for a short period of time as the DPS to permit the sale of alcohol at the premises. Mr Wadar had a number of problems at the premises which stemmed from cultural differences within the Somalian Community which the business catered for. Mr Wadar also applied to vary the licence to remove the ability for the sale of alcohol.

It is fair to say that Mr Wadar had problems at the premises and there were incidents of disorder from the premises at the time.

In 2009 Mr Wadar varied the licence to add sale of alcohol back onto the licence, he then further leased the premises on to Mr and Mrs Kabeya, (they transferred the premises licence into their name in Jan 2010) who operated the premises in a manner that led to the police reviewing the premises licence in September 2010.

The licensing sub committee saw CCTV footage of fights taking place outside the premises and also evidence of the premises being operated beyond its permitted licensable times. The Sub Committee revoked the licence from Mr & Mrs Kabeya in October 2010. Mrs and Mrs Kabeya tried to get a family member to re-apply for the licence but this was blocked by Mr Neza, who took steps to secure the building and stop any further use by that party.

Mr Neza still has an interest in the property as he is still the leaseholder, but due to the Premises licence being revoked while under the management of Mr and Mrs Kabeya, it has now become necessary for him to re-apply for a premises licence.

Members may wish to consider if the conditions offered by Mr Neza are adequate for the licensable activities and the hours being requested. I have attached a copy of the previous revoked licence. Appendix 7.

Hi Kera

Regarding the representation from the Noise Team I totally agree with them and looking forwards to change the reputation of the bar in the area. However me and my team will work hard to regulate the noise standards and fix it in the proper way that the locals would like it and even use the facility for their own time.

For any other information please contact me.

REPRESENTATIONS OF INTERESTED
PARTIES

Sent: 21 March 2011 15:22
To: Barrett Daliah
Subject: Representation against the licence application for the BLUE BAR, 675 Tottenham High Road. N17 8AD

I am writing to make a representation against the licence application and reopening of the;

BLUE BAR, 675 Tottenham High Road. N17 8AD

Please read the reasons why the above mentioned application must be rejected.

TRACK RECORD

- The former/current owner and applicant of the Bar Mr Neza is ultimately to blame for the serious problems we have had to endure in the past couple of years for which he took no responsibility.
- To permit him to begin this cycle of disruption as the venue carries with it a lengthy track record of association that proves it should be closed down for the benefit of the wider community.
- As the ownership of the venue has not changed hands and I strongly believe this is another reason the club should never reopen after clearly seeing the carnage and utter disregard their customers have had for the last two years.

PUBLIC SAFETY

- The level and frequency of violence was unprecedented, was witnessed regularly and captured on CCTV with emergency vehicles attending to the aftermath of large scale fighting on the streets.
- The Blue Bar drains valuable public resources as the emergency services are constantly attending disturbances week in week out.
- The fighting would resume in adjacent streets as venue security could not intervene off site.
- Customers will be driving visibly drunk causing a threat to **public safety**.
- I believe that the permission for this club to operate on the same basis and by the same occupants regardless of new restrictions will not change the conduct of the customers once they have left the venue.
- The level of violent provocation and subsequent fighting by customers who drink alcohol irresponsibly will resume.
- The elderly people in our street are fearful and our local businesses feel threatened if they complain for fear of being targeted.
- I was directly was intimidated by an occupant of the premises when I stood and copied the address to submit an objection to the licensing panel.
- The dispersal zone order soon expires leaving the monitoring of a notorious drug and gambling hot spot open for the return of criminal activity.

NOISE DISTURBANCE

- Customers will park in adjacent streets and return to their cars shouting and slamming doors.
- Customers will urinate and throw glass beer bottles to smash on the road before driving off.
- We all have the right to an undisturbed sleep, to be free of fear, not to have the witness repeated violence in our residential roads.
- For some years now every Saturday and Sunday morning we would suffer from **noise disturbance** from Blue Bar customers shouting and urinating in the streets. As a professional who has to work through weekends, my sleep was disrupted every night.
- The noise at the rear of the venue via the service road will also cause direct noise pollution.

DISORDER

- Regular customers who have previous frequented the club will return and behave in a disorderly manner with total disregard for the local residents.
- I believe the staff of the venue will have no control over the level of noise disturbance and frequent outbreaks of violence once the customers leave the club.
- Our street will be left with the broken glass, litter, noise, displays of violence that violate our right to a decent quality of life.
- My family do not want this bar to have the opportunity to operate so close to a residential area with a track record such as theirs.

CHILD PROTECTION

- My son would be woken up and witness violence outside his bedroom window. He has suffered nightmares and the repeated experience has caused him great suffering and heightened anxiety.
- Children in our street will witness antisocial behaviour and become traumatised and extremely unsettled for a length of time to come this is a **violation of a child's right to feel safe** and that of **child protection**.

OPENING TIMES

- **We strongly object to the proposed opening hours** as they will cause significant noise disturbance in adjacent streets when customers leave the premises and return to their vehicles, throughout weekdays at 1am and after 5am on weekends causing major distress to residents.
- We believe an application that warrants any activity past 11pm to be **detrimental to the quality of the lives** of local residents and we object to these times.

PERSONAL STATEMENT

If this licence goes ahead to grant permission until 2017 it would mean the entire formative years of

my sons education and that of every child in the immediate vicinity will be marred by the disruption and lack of sleep. **Your decision will be sealing their fate and their future.**

My family have suffered because of this venue since we have lived here through lack of sleep. It is clear that it has caused stress, illness time off work and at times inability to manage my own affairs due to sheer exhaustion. .

Through consultation Residents of Ruskin Road and the surrounding area no longer want to witness or suffer the levels of disturbance and trauma to our children and elders caused by **excessive violence** and **antisocial behaviour**.

This **decision will impact ours and our children's lives as well as our entire community** who are already working tirelessly to improve our lives in an impoverished part of the borough.

To vote in favour of one businessman would have a devastating impact on our ability to create a healthy environment that enriches our children's lives and will demonstrate to the entire community that no one cares about the local people.

Since the previous license was revoked the entire area has been at peace and our children have managed to return to normal.

We ask that you close this venue for good. We request the usage of the premises be changed so that it cannot operate as a bar or club.

I would like to attend the hearing to put forward my objections in person.

I strongly object to this application.

I wish to make a representation against the license application submitted by Mr Aben Neza for the Blue Bar 675 Tottenham High Road. N17.

As local residents in the Northumberland Park Area;

I object to the proposed opening hours as they will cause a noise disturbance in adjacent streets when customers leave the premises and return to their vehicles throughout weekdays at 1am and after 5am on weekends causing major distress to residents.

I object to the opening times and believe them to be detrimental to the quality of the lives of local residents and we object to these times and object the license application being granted to the Blue Bar.

I believe the regular customers who previous frequented the club will return and will behave in a disorderly manner with total disregard for the local residents.

I believe serious driving offences will be committed as customers consume alcohol and drive causing a threat to public safety.

I believe the staff of the venue will have no control over the level of noise disturbance and frequent outbreaks of violence once the customers leave the club and the enforced restrictions will not curtail this disturbance caused by customers in residential areas around the club.

I believe that the permission for this club to operate by the same owner regardless of new restrictions or previous licensees that he has nominated will not change the conduct of the customers once they have left the venue or the level of violent provocation and subsequent fighting caused by customers who drink alcohol irresponsibly.

I believe the broken glass, litter, noise and displays of violence to violate our right to a decent quality of life and a threat to public safety of local people.

Signed 

Name NINA JATTA

I wish to make a representation against the license application submitted by Mr Aben Neza for the Blue Bar 675 Tottenham High Road. N17.

I object to the proposed opening hours as they will cause a noise disturbance in adjacent streets when customers leave the premises and return to their vehicles throughout weekdays at 1am and after 5am on weekends causing major distress to residents.

I object to the opening times and believe them to be detrimental to the quality of the lives of local residents and we object to these times and object the license application being granted to the Blue Bar.

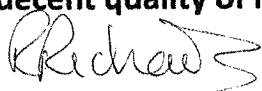

I believe the regular customers who previous frequented the club will return and will behave in a disorderly manner with total disregard for the local residents.

I believe serious driving offences will be committed as customers consume alcohol and drive causing a threat to public safety.

I believe the staff of the venue will have no control over the level of noise disturbance and frequent outbreaks of violence once the customers leave the club and the enforced restrictions will not curtail this disturbance caused by customers in residential areas around the club.

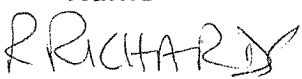

I believe that the permission for this club to operate by the same owner regardless of new restrictions or previous licensees that he has nominated will not change the conduct of the customers once they have left the venue or the level of violent provocation and subsequent fighting caused by customers who drink alcohol irresponsibly.

I believe the broken glass, litter, noise and displays of violence to violate our right to a decent quality of life and a threat to public safety of local people.

I am writing to make a representation against the licence application and reopening of the;

BLUE BAR, 675 Tottenham High Road. N17 8AD

Please read the reasons why the above mentioned application must be rejected.

TRACK RECORD

- The former/current owner and applicant of the Bar Mr Neza is ultimately to blame for the serious problems we have had to endure in the past couple of years for which he took no responsibility.
- To permit him to begin this cycle of disruption as the venue carries with it a lengthy track record of association that proves it should be closed down for the benefit of the wider community.
- As the ownership of the venue has not changed hands and I strongly believe this is another reason the club should never reopen after clearly seeing the carnage and utter disregard their customers have had for the last two years.

PUBLIC SAFETY

- The level and frequency of violence was unprecedented, was witnessed regularly and captured on CCTV with emergency vehicles attending to the aftermath of large scale fighting on the streets.
- The Blue Bar drains valuable public resources as the emergency services are constantly attending disturbances week in week out.
- The fighting would resume in adjacent streets as venue security could not intervene off site.
- Customers will be driving visibly drunk causing a threat to **public safety**.
- I believe that the permission for this club to operate on the same basis and by the same occupants regardless of new restrictions will not change the conduct of the customers once they have left the venue.
- The level of violent provocation and subsequent fighting by customers who drink alcohol irresponsibly will resume.
- The elderly people in our street are fearful and our local businesses feel threatened if they complain for fear of being targeted.
- I was directly was intimidated by an occupant of the premises when I stood and copied the address to submit an objection to the licensing panel.
- The dispersal zone order soon expires leaving the monitoring of a notorious drug and gambling hot spot open for the return of criminal activity.

NOISE DISTURBANCE

- Customers will park in adjacent streets and return to their cars shouting and slamming doors.
- Customers will urinate and throw glass beer bottles to smash on the road before driving off.
- We all have the right to an undisturbed sleep, to be free of fear, not to have the witness repeated violence in our residential roads.
- For some years now every Saturday and Sunday morning we would suffer from **noise disturbance** from Blue Bar customers shouting and urinating in the streets. As a professional who has to work through weekends, my sleep was disrupted every night.
- The noise at the rear of the venue via the service road will also cause direct noise pollution.

DISORDER

- Regular customers who have previous frequented the club will return and behave in a disorderly manner with total disregard for the local residents.
- I believe the staff of the venue will have no control over the level of noise disturbance and frequent outbreaks of violence once the customers leave the club.
- Our street will be left with the broken glass, litter, noise, displays of violence that violate our right to a decent quality of life.
- My family do not want this bar to have the opportunity to operate so close to a residential area with a track record such as theirs.

CHILD PROTECTION

- My son would be woken up and witness violence outside his bedroom window. He has suffered nightmares and the repeated experience has caused him great suffering and heightened anxiety.
- Children in our street will witness antisocial behaviour and become traumatised and extremely unsettled for a length of time to come this is **a violation of a child's right to feel safe and that of child protection.**

OPENING TIMES

- **We strongly object to the proposed opening hours** as they will cause significant noise disturbance in adjacent streets when customers leave the premises and return to their vehicles, throughout weekdays at 1am and after 5am on weekends causing major distress to residents.
- We believe an application that warrants any activity past 11pm to **be detrimental to the quality of the lives** of local residents and we object to these times.

PERSONAL STATEMENT

If this licence goes ahead to grant permission until 2017 it would mean the entire formative years of my sons education and that of every child in the immediate vicinity will be marred by the disruption and lack of sleep. **Your decision will be sealing their fate and their future.**

My family have suffered because of this venue since we have lived here through lack of sleep. It is clear that it has caused stress, illness time off work and at times inability to manage my own affairs due to sheer exhaustion. .

Through consultation Residents of Ruskin Road and the surrounding area no longer want to witness or suffer the levels of disturbance and trauma to our children and elders caused by **excessive violence and antisocial behaviour.**

This decision will impact ours and our children's lives as well as our entire community who are already working tirelessly to improve our lives in an impoverished part of the borough.

To vote in favour of one businessman would have a devastating impact on our ability to create a healthy environment that enriches our children's lives and will demonstrate to the entire community that no one cares about the local people.

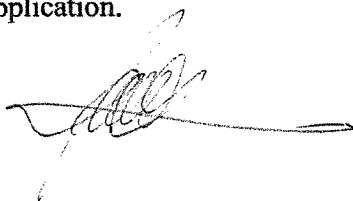

Since the previous license was revoked the entire area has been at peace and our children have managed to return to normal.

We ask that you close this venue for good. We request the usage of the premises be changed so that it cannot operate as a bar or club.

I would like to attend the hearing to put forward my objections in person.

I strongly object to this application.

Paul Bruce

London N17 8ND

As local residents in the Northumberland Park Area and behalf of Ruskin Road I am writing to strongly object to the licence application and reopening of the **BLUE BAR, 675 Tottenham High Road**

The owner of the Bar Mr Neza is ultimately to blame for the serious problems we have had to endure in the past couple of years for which he took no responsibility. To permit him to begin this cycle of disruption will unravel all that our community is striving for. Is it not the **civic duty of officers** to respond positively to the residents and councillors that object to this application that, carries with it a lengthy track record of association that proves it should be closed down for the benefit of the wider community?

The level and frequency of violence was unprecedented, was witnessed regularly and captured on CCTV with emergency vehicles attending to the aftermath of large scale fighting on the streets. The injuries sustained were significantly brutal and the numbers of people participating in these mass brawls would reach up to 20-30 men and women alike.

For a decade I worked as a supervisor in many of the biggest clubs in London and never have I seen such devastation and destruction caused by members of a club. The Blue Bar drains valuable public resources as the emergency services are constantly attending disturbances week in week out. The fights would even resume after police had left.

We believe that the permission for this club to operate on the same basis and by the same occupants regardless of new restrictions will not change the conduct of the customers once they have left the venue or the level of violent provocation and subsequent fighting caused by customers who drink alcohol irresponsibly. The regular customers who previous frequented the club will return and will behave in a disorderly manner with total disregard for the local residents. They park in adjacent streets and return to their cars shouting and slamming doors. They proceed to drive cars after throwing their beer bottles to smash on the road before driving off visibly drunk and a threat to **public safety**. This is one reason why we want the application rejected.

As the ownership of the venue has not changed hands and we strongly believe this is another reason the club should never reopen after clearly seeing the carnage and utter disregard their customers have had for the last two years. As a professional who has to work through weekends, my sleep was disrupted every night. We all have the right to an undisturbed sleep, to be free of fear, not to have the witness repeated violence in our residential roads and to protect our children. Since the previous license was revoked the entire area has been at peace and our children have managed to return to normal.

RECEIVED

I would like to attend the hearing to put forward my objections in person. I will also submit a written representation against. Please consider this information when making your decision and consider how **your decision will impact ours and our children's lives as well as our entire community** who are already working tirelessly to improve our lives in an impoverished part of the borough.

To vote in favour of one businessman would have a devastating impact on our ability to create a healthy environment that enriches our children's lives and will demonstrate to the entire community that no one cares about the local people.

We implore you to reject this application and not permit a club to reopen at this address.

Yours Sincerely

Ashleigh Trezise FRSA

<p>The Prevention of Crime and Disorder I HAVE HAD MANY COMPLAINTS ABOUT THIS PREMISES WHEN IT WAS LAST OPEN. The owner had no control over the people using the premises, they used to congregate around the back in an alley way drinking , swearing and making noise disturbing the residents in Ruskin Road. After the bar was shut people would leave in the early hours creating noise and on times fighting in the High Road to the distress of residents. When ever neighbours complained they were made to feel that they were being racist this was not the case as most of the residents in the area represent many cultures.</p>
<p>Public Safety After the bar was shut people would leave in the early hours creating noise and on times fighting in the High Road causing cars to swerve waking up residents in the near by flats. This was dangerous for drivers in their cars and people walking on the pavement. There was never any security overseeing the rear of the premises ensuing that peace and quiet took place.</p>
<p>The Prevention of Public Nuisance The owner did nothing to stop rowdy customers, in the past many times the windows of a nearby pub premises had their windows broken by fighting customers of the Blue Bar. People walking past the bar have been subjected to verbal abuse by drunken customers, who should not have been served once it was seen that they were already drunk, there seemed to be no control, thereby causing nuisance in the area.</p>
<p>The Protection of Children from Harm There are many flats in this area and children have been woken from their sleep by the noise and commotion, which was never controlled. Parents feared for their children having to be subjected to traumas when they should be having a good night sleep. This is not a suitable place for a Bar. If the licence is allowed then the times MUST be severely curtailed and certainly never after midnight.</p>

I, SARAH PEACOCK, hereby declare that all information I have submitted is true and correct.

Please find below objection to the aforementioned application received today.

You will be advised of the date of the hearing.

If you have any queries please do not hesitate to contact me on the above details.

Yours sincerely,

Kendra Olson

Licensing Administrator

Haringey Council

23/03/2011

Dear Kendra,

Please treat this letter as a formal defence against the objection of Mrs. Ashleigh Trezise and Mr. Paul Bruce against the reopening of THE BLUE BAR 657, Highroad, Tottenham N178AD, dated 22 of March 2011, who described my management as irresponsible. Regarding their objection, I would like to provide few points to insure Mrs. Ashleigh Trezise and Mr. Paul Bruce that these kind of

incidents will never happened again.

Track Record

- As a lease holder, I legally subcontracted the business in good faith to one by one to two different managements with references, so I did not have any reason to presume that the premises would be misappropriated.
- Unfortunately, I did not have knowledge about the incidents in the bar and

serious problems and their impact on neighborhood.

- About the serious problems around the premises, I was informed in the end of the October 2010, when I called the Licensing department, after misleading information from my in that time tenants.

- In that time, tenants with their new business partner applied for new license, but after I was informed about the track record of the bar

and I asked Daliah Barret Administrator of Licensing department, Haringey Council, to withdraw their application form.

- I would like to point out regarding to the track record, when the Bar was directly under my management, there was no problem with customers, neighborhood or London Metropolitan Police.

Public Safety

- It is not my intention to serve customers who use

inappropriate behavior, but I would like to create a homely atmosphere for customers from all around the neighbourhood to enjoy their drink or cup of tea.

- The Blue Bar is not going to be used as club, and the late opening hours are asked just for occasional private parties of customers, who do not have bad manners and can conduct themselves in a decent manner.

- I did all needed steps to insure safety in and around the premises and regularly I have spoken to the members of Local Authorities and London Metropolitan Police.
- My CCTV system has all necessary standards and is approved by London Metropolitan Police and EU, plus has direct connection with my Iphone, so I will be informed about the situation in and around the bar constantly around the clock.

- I am a holder of an Alcohol license and SIA Card.

Noise Disturbance

- According to the track record of the bar under my direct management from January 2006 till late 2007 I never had any problems with the behavior of my customers, who were mainly from the professional background and I would like to keep it that way.

- I can insure you that my customers will not urinate around the premises and that the leaving the bar with any drink will not be allowed.
- I will take all needed steps to secure, that the service will not cause noise disturbance for neighborhood.
- We are going to have a same clientele us i had in my time when i was running the business under my management. The previous

customers will not be allowed any more in my premisses and are not my crowd and i believe from my experience that is the management who bring the crowd.

Disorder

- I will be in the bar every day and I will insure the level of noise and I will regulate behavior of the customers during the period when I was running the Bar by myself before.

- Glasses or bottles will never leave the premises with the customers.
- The bar has been refurbished to a high standards according to the aims of my loyal costumers.

Child Protection

- Safety of the children will be protected according to the statutory law of Great Britain and Northern Ireland.

Opening times

- It is not intention of The Blue Bar to be a club and the late opening hours are asked just occasionally for private parties and will cause no disturbance for the residents of the neighborhood.

Hoping that i will collaborate and have the good will of running the bar in the safer and pleasant environment from which would benefit the area. According to my previous good experience I

hope to have it in the future
and I promise also that things
like this will never happen
again.

For any further information i
am happy to discuss with the
authorities and the
neighbourhood.

Many thanks

Arben Neza
