LSCA39.	<p>TEDDY'S OFF LICENCE, 68B/C BRUCE GROVE, LONDON N17 6UZ</p> <p>The Committee considered the report, presented by the Licensing Officer, Daliah Barrett, on the application for a premises licence variation at Teddy's Off Licence, 68B/C Bruce Grove, London N17. It was reported that a letter of representation had been received from one interested party, objecting to the application on the grounds of crime and disorder and public nuisance.</p> <p>Mr Yildiz, objecting to the application, addressed the Committee and explained the reasons for his objection:</p> <ul style="list-style-type: none"> • There were too many off licences in the area, this would lead to competition on price and cheap alcohol, which would then lead to crime and antisocial behaviour. • As someone working in the area, Mr Yildiz had experienced first hand the problems caused by people under the influence of

alcohol, and a 24 hour licence at this premises would make the problems worse and attract more people to the area.

- People who had been drinking caused noise nuisance and litter, which damaged the area.

In response to questions from the Committee to Mr Yildiz, the following points were discussed:

- Mr Yildiz advised that he worked in a nearby off-licence, which opened from 6am-1am. He felt that he was particularly affected by issues caused by people who had been drinking, as he worked directly with the public in his shop.
- It was reported that there had been more problems since Teddy's had opened, as there had been a reduction in alcohol prices in the area and attracted more drunk and disorderly people to the area.
- In response to a question from the Committee, Mr Yildiz advised that the price competition he referred to was between the shop he worked in and Teddy's Off Licence.

Mr Waites addressed the Committee on behalf of the applicant and made the following points:

- It was material that no representation against the application had been submitted by the Police, as the main source of advice on crime and disorder. Environmental Health and the Licensing Authority had also expressed no concerns regarding the application.
- Any objections on the basis of trade should be treated with less weight.
- The points raised by the objector had been very general in nature, and were not supported by evidence. Crime statistics for the months before and after the premises had opened had remained consistent, no problems had arisen as a result and the premises was operated in line with good practice and robust management arrangements.
- The premises was already open for 24 hours, this application was simply to match the hours for the sale of alcohol to the opening hours. It was noted that the neighbouring premises also had a licence for the 24 hour sale of alcohol.
- The conditions proposed in the operating schedule were robust; if the Committee felt it necessary, the applicant would offer an additional condition relating to litter.

In response to questions from the Committee to the applicant's representative, the following points were covered:

- The Committee asked about the training for staff on issues around underage sales; it was confirmed that the applicant held a personal licence, and he and his staff also received training from

**MINUTES OF THE LICENSING SUB COMMITTEE A
TUESDAY, 20 NOVEMBER 2012**

their licensing agent regarding age verification procedures, dealing with intoxicated patrons, etc. It was confirmed that the most recent training had been completed on 28 October 2012.

- This was the only premises operated by the applicant, who had previously run a café bar and convenience store and had a lot of local knowledge.
- It was confirmed that the premises sold a range of products as well as alcohol; spirits would be displayed behind the counter, and beer and wine would be displayed on either side of the counter.

In summing up, the objector suggested that the premises was very close to another premises with a 24 hour alcohol licence, and that customers did not need another such premises as it would have a negative impact on the local area, drunk and disorderly incidents and crime would increase, and there would also be litter and noise nuisance as a result. The applicant's representative noted that neither the police nor environmental health had made representations against the application, the premises had already proven that they could uphold the licensing objectives and robust conditions were in place. It was noted that the issue of need was not an issue the Licensing Sub Committee could take into account.

The Committee withdrew to deliberate.

RESOLVED

The Committee carefully considered the application, the Council's Statement of Licensing Policy, the guidance under section 182 of the Licensing Act 2003 and the representations by the applicant and one interested party. It was the Committee's decision to grant the extension of the hours for the supply of alcohol, namely:

Monday to Sunday: 0000 to 0000

The conditions on the current licence (set out at pages 39 to 41 of the agenda pack) will be carried over to the new licence, in addition, the Committee imposed the condition offered by the applicant that staff at the premises carry out litter patrols on a regular basis in order to promote the licensing objective relating to the prevention of public nuisance.

As an informative, the applicant is reminded of the need for all staff to undertake training in their responsibilities in relation to the sale of alcohol, particularly with regard to drunkenness and underage persons and the need for records to be kept of training and refresher training.

LSCA40. ITEMS OF URGENT BUSINESS

There were no new items of urgent business.

Cllr Sheila Peacock
Chair

LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY	
INTRODUCTION	
1.	The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2.	The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them
3.	The Chair explains the procedure to be followed by reference to this summary which will be distributed.
NON-ATTENDANCE BY PARTY OR PARTIES	
4.	If one or both of the parties fails to attend, the Chair decides whether to:
	(i) grant an adjournment to another date, or
	(ii) proceed in the absence of the non-attending party.
	Normally, an absent party will be given one further chance to attend.
TOPIC HEADINGS	
5.	The Chair suggests the “topic headings” for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is:
	Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.
	(i) the prevention of crime and disorder,
	(ii) public safety,
	(iii) the prevention of public nuisance, and
	(iv) the protection of children from harm.
6.	The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.
WITNESSES	
7.	The Chair asks whether there are any requests by a party to call a witness and decides any such request.
8.	Only if a witness is to be called, the Chair then asks if there is a request by an opposing party to “cross-examine” the witness. The Chair then decides any such request.
DOCUMENTARY EVIDENCE	
9.	The Chair asks whether there are any requests by any party to introduce late documentary evidence.
10.	If so, the Chair will ask the other party if they object to the admission of the late documents.
11.	If the other party do object to the admission of documents which have only been produced by the first party at the hearing, then the documents shall not be admitted.

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?	
THE LICENSING OFFICER'S INTRODUCTION		
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.	
14.	The Licensing Officer can be questioned by Members and then by the parties.	
THE HEARING		
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i)	an introduction by the Objectors' main representative	
(ii)	an introduction by the Applicant or representative	
(iii)	questions put by Members to the Objectors	
(iv)	questions put by Members to the Applicant	
(v)	questions put by the Objectors to the Applicant	
(vi)	questions put by the Applicant to the Objectors	
CLOSING ADRESSES		
16.	The Chair asks each party how much time is needed for their closing address, if they need to make one.	
17.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
THE DECISION		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	
19.	The decision is put in writing and read out in public by the Committee Clerk once Members have returned to the meeting.

POLICE REPRESENTATION

Name and address of premises:

The Phoenix Lounge & Bar, 2 Queens Parade N11 2DN

Type of Application: New Premises Licence.

I wish to make representation on the following:

- Prevention of crime and disorder

If this application were granted in full or part, I would recommend the following alterations be made to the licence conditions. I also suggest that additional conditions be attached to the licence, as set out below, to further promote the licensing objectives.

	Current Conditions	Recommendation
1	CCTV System will be installed.	<p>A digital CCTV system to be installed in the premises.</p> <p>Cameras must be sited to observe the entrance doors from the inside.</p> <p>Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.</p> <p>Provide a linked record of the date, time, and place of any image.</p> <p>Provide good quality images - colour during opening times.</p>

			<p>Have a monitor to review images and recorded quality.</p> <p>Be regularly maintained to ensure continuous quality of image capture and retention.</p> <p>Staff trained in operating CCTV.</p> <p>Digital images must be kept for 31 days. The equipment must have a suitable export method, e.g. CD/DVD writer so that Police can make an evidential copy of the data they require. Copies must be available within a reasonable time to Police on request.</p>
2	The application states alcohol will be supplied for consumption on the premises up until the venue is closed to the public		Haringey policy is that the provision of alcohol for consumption on the premises ceases 30 minutes before the venue closes to the public to allow a reasonable drinking up / cooling down period.

If these conditions were accepted in full I would withdraw my representation.

REPRESENTATION FROM ENVIRONMENTAL HEALTH.

Licensing Consultation

To: Licensing Officer

From: Enforcement Response Officer (Noise)

Name of Officer preparing representation: Lamin Tamba

cc: Team Leader Enforcement Response, Derek Pearce

Our Reference: WK236851

Date: 13th December 2012

Premises: The Phoenix Lounge and Bar, 2 Queens Parade, Brownlow Road, N11 2DN

Type of application: New

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application. Efforts to contact the applicant to discuss his complaint were unsuccessful. I telephoned him a few times and left messages without success. The premises was closed at the time of inspection.

There is a history of noise complaints (at a time when the premises had no licence for regulated entertainment and we therefore request appropriate conditions to be applied to protect residents from nuisance.

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Structure borne noise or vibrations from entertainment
- Noise generated by patrons in external areas of the premises
- Noise generated from patrons queuing to enter
- Noise from patrons exiting the premises

The proposed operating hours are inappropriate due to the close proximity of residential dwellings.

The noise caused by patrons exiting the premises and locating suitable transport home is likely to be detrimental to the residential amenity.

Supporting Information

Warning letters were issued in 2008 & 2009 following noise complaints as detailed in the table below. Complaints about loud music were also received on:

Date reported & time	Subject	Observations & time	Outcome	Our Ref
20/12/2008	Loud music	Noise off when visited	n/a	WK104115

24/12/2010	Loud music	No Nuisance witnessed	n/a	"
11/2/2011	Loud music	No Nuisance witnessed	n/a	"

This representation recommends that the following conditions to the operating schedule:

Operating hours

That the premises closes no later than 01:00am and regulated entertainment ceases at 00:30.

Prévention of nuisance from noise / vibration

All doors and windows will remain closed during the licensed regulated entertainment activities or in any event after 11pm. The entrance door will be fitted with a self-closing device and staff required to ensure that it is not propped open. A member of staff shall be made responsible to ensure the door is opened for as brief a period as possible. Where necessary adequate and suitable mechanical ventilation should be provided to public areas

Entry to the premises will be restricted to front entrance only whilst the premises is being used for regulated entertainment licensed activity

Entrance/exit from the premises whilst regulated entertainment licensable activities are ongoing shall be via a lobbied door to minimise noise breakout.

The regulated entertainment licensable activity shall conclude 30 minutes before the premises is due to close to prevent excessive noise breakout as the premises empties

Structure borne noise

All speakers are mounted on anti-vibration mountings to prevent vibration transmission of sound energy to adjoining properties

Sound limits

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property

All regulated entertainment amplified activity will utilise the in-house amplification system, the maximum output of which is controlled by the duty manager

Outside Areas

No music will be played in, or for the benefit of patrons in external areas of the premises

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises

Signs shall be displayed in the external areas/on the frontage requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly. The management must reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours

The number of persons permitted to utilise the external area/frontage will be restricted to 5 patrons only after 23:00.

Deliveries and collections.

Deliveries and collections associated with the premises will be arranged between the hours 08:00 and 18:30 so as to minimise the disturbance caused to the neighbours

Importance: High
Attachments: MEMO- THE PHOENIX LOUNGE AND BAR.doc; The Phoenix Lounge and Bar- Application & plan.pdf

I would like to make a representation on behalf of Trading Standards regarding the above application in relation to the potential sale of alcohol to underage children (Section M).

The prevention of such activity is not adequately addressed in the Licensing Objective concerning the protection of children (Section P(e)).

Measures that we would expect to see in place are detailed below:

- All relevant staff must be trained in the prevention of underage sales including; knowledge of the law and guidance on how to assess age and recognise acceptable ID. Such ID must bear a photograph, date of birth and a holographic mark
- To keep a written record of staff training confirming they have understood the legal requirements

The application states that a Challenge 21 and Challenge 25 Policy will be in force. Only one of these policies can be implemented, not both at the same time so this inconsistency needs to be addressed.

It is recommended that a Challenge 25 Policy is adopted, though this does not form part of our representations.

Karen

6th December, 2012

Dear Sir/Madam,

RE; New Bar Opening At 2 Queens Parade Boundsgreen N11 2DN

I am writing regarding a New Bar opening at the above mentioned address.

I am one of the resident who lives in a flat situated above the new opening Bar. In the past similar business were run by several different owners, whereby loud music was played until late in the night during weekdays and weekends. I had no alternative but to call the Haringey Noise Nuisance Team to deal with the problem. It took me long time to take the matter to the legal proceedings. Finally notice was issued and the problem was resolved.

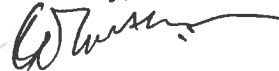

Therefore, I would like to draw to you attention that when the New Bar opens this matter needs to be taken into consideration, so that the same situation does not arise again.

A copy of the previous corresponding letter is enclosed for your reference.

Your assistance will highly be appreciated.

Thanking you,

Yours sincerely,

Thank you for your letter dated 5th January 2006. the contents were noted.

We are aware of Nimkat Restaurant. Numerous complaints have been received from your household in the past and formal action has been taken, as a result of noise nuisance, by this Service.

You stated in you letter that 'only one letter was received from (our) office'. In fact, we have sent you 4 letters – copies are attached to this letter.

I understand from my colleague, Mr Coker, that he informed Mrs. Raithatha that we are taking legal proceedings against Nimkat Restaurant. We will keep you informed of the Court dates and outcome.

In the meanwhile, please continue to contact the Service when you are disturbed by noise. We can continue to take further offences for each noise nuisance we witness or in extreme cases, where more than one household is affected, we may seize the equipment.

I hope this letter clarifies matters.
