<b>MINUTE NO.</b>	<b>SUBJECT/DECISION</b>	<b>ACTON BY</b>
<b>CAB 185</b>	<p><b>APOLOGIES</b></p> <p>There were no apologies for absence received.</p> <p>The Leader informed the meeting that the following items had been withdrawn from the agenda. They were: item 15(Annual School Place Planning 2012) item 16 (Proposals to expand Belmont Infant School and Belmont Junior School from two to three from entry and item 10 (Essential Service Permits).</p> <p>In relation to the withdrawal of agenda item 16, the council had received a letter from the Belmont School governing body, at the weekend, raising a number of issues about the proposed expansion. By the early afternoon of today it had become apparent that not all the issues could be addressed in time for the Cabinet meeting and it was felt necessary to postpone consideration of this report and decision to allow responses to the remaining issues.</p> <p>The Leader explained that she had just met with the parent deputation party who had hoped to put forward their representations regarding the proposals in the report. A commitment had been made to hold a special Cabinet meeting before the end of the school term, next week, to facilitate parent's attendance at this meeting.</p> <p>The report on School Place Planning was also deferred to the planned special Cabinet meeting as it related to the report on the expansion of Belmont Infant and Junior School and similarly there was a need to consider issues raised by local stakeholders following publication of the report.</p> <p>The report on Essential User Permits would be considered by Cabinet in the Autumn.</p>	<p>All to note</p> <p>Clerk</p>

**MINUTES OF THE CABINET  
TUESDAY, 10 JULY 2012**

	<p>The Cabinet Member for Children welcomed this report which set out how the recommendations from the scrutiny review would be put into place. The only modification was in relation to the arrangements for the independent return home interviews for young people. There would be further discussion with partners about who could most appropriately take these meetings forward with a child/young person.</p> <p><b>RESOLVED:</b></p> <p>That service response to the Scrutiny Review of Children Missing from Care and from Home, as detailed in the report, be approved.</p>	
<p><b>CAB192</b></p>	<p><b>FINANCIAL PLANNING 2013/14 - 2015/16</b></p> <p>Cabinet considered a report that set out the financial issues for the three year period to 2015/16 and the proposed process for setting the Council's 2013/14 Budget and Medium Term Financial Plan (MTFP). The report also drew member's attention to further anticipated cuts in government funding in years 2015/16 and 2016/17 which local authorities would also have to contend with and make plans for.</p> <p>The Cabinet noted that the closing date for applications to the One Borough One Future fund was Friday July 13<sup>th</sup>. There had been positive and significant interest in the scheme which had attracted a considerable number of applications. These would now begin to be analysed and processed in the coming weeks.</p> <p><b>RESOLVED:</b></p> <ul style="list-style-type: none"> <li>i. That the forecasts and changes to the funding context set out in the report be noted.</li> <li>ii. That Directors should identify draft proposals to save £12.5m in both 2013/14 and 2014/15 to deliver a balanced MTFP for consideration by Cabinet on 13 November 2012.</li> <li>iii. That the draft process, as set out in the report and the timescales detailed in Section 10 of the report, be endorsed.</li> <li>iv. That the potential for further real term cuts in funding of 8.2% and 6.2% in 2015/16 and 2016/17 respectively, equating to an estimated further reduction of £11.6m in government support be noted.</li> </ul>	
<p><b>CAB193</b></p>	<p><b>COUNCIL TAX BENEFIT SCHEME - OPTIONS FOR CONSIDERATION AND FINAL APPROVAL</b></p> <p>Cabinet considered a report that set out what the Government's proposals with regard to the transfer of Council Tax support to local</p>	

**MINUTES OF THE CABINET

authorities from 2013/14 would mean for Haringey and the proposals to mitigate its financial impact.

It was noted that the Government was abolishing Council Tax Benefit (CTB) and requiring local authorities to establish their own systems to rebate Council Tax. This change was coupled with a 10% reduction in the level of funding being given to local authorities for this purpose, which was justified on the basis that the level of claimants would fall; however, in Haringey over the last three years there had actually been an 11% increase in the number of claimants and this trend was expected to continue. A further factor, that the local scheme would need to accommodate, was the exemption of pensioners from the scheme as the associated funding had also been equally reduced. The factors above culminated in an expected reduction of council tax funding between 18% and 22% and Cabinet noted the projected financial loss to the council as a result of this.

The Cabinet Member for Finance and Carbon Reduction continued to draw Member's attention to likely impact of the welfare reforms and reductions in housing allowance to families in the borough.

In response to a question about contingency funds allocated to respond to the anticipated reduction in Council Tax Benefit subsidy set out in the Medium Term Financial Plan in February 2012, it was pointed out that the legislation on welfare reforms had not been passed at this time and therefore it had not been possible to fully calculate the expected budget pressure. The contingency amount of £4m, related to expected decrease in council tax collection rates.

It was noted that the new scheme would need to accommodate the reduction in funding and must be approved by 31 January 2012 to come into affect by 1 April 2013.

**RESOLVED:**

1) That the following proposals for consultation with the GLA be approved:

a) That the Council look to adopt a scheme that would reduce CTB payments for all claimants in line with the reduction in Government grant. In real terms, this will mean a reduction of benefit payments of between 18% and 22%.

b) As a consequence, that CTB rules are changed to mitigate the financial loss to the Council as follows: (these are listed in Appendix A)

- Calculate Council Tax reduction allowing savings and investments up to £10k

CIL would replace the s106 tariff, although the s106 tariff would continue to be applicable for over ten units of housing and anything which was site specific.</p> <p>The report set out the proposed preliminary charging schedules for consultation which had been compiled following research and a viability study.</p> <p><b>RESOLVED:</b></p> <p>i. <p><b>CAB198</b></p>	<p><b>HOUSING RELATED COMMISSIONING PLAN 2012 - 2015</b></p> <p>Cabinet considered a report that presented the Housing Related Commissioning Plan 2012-2015.</p> <p>Housing Related support provided much needed services for vulnerable people in Haringey, enabling them to live independently as far as possible in their community. The savings required to be achieved by the Housing related support service (previously Supporting People programme) provided the opportunity to look at the service provision as a whole and develop a commissioning plan that included priorities on assisting independent living, targeting services to those who required it most, and improving intervention to prevent homelessness. As 25% of the budget was spent on Older people there was consultation with these users, through the Older People’s Champion, and Cabinet heard about their requirements of the commissioning plan.</p> <p><b>RESOLVED:</b></p> <ul style="list-style-type: none"> <li>i.
