<b>LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY</b>	
<b>INTRODUCTION</b>	
1.	The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2.	The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them
3.	The Chair explains the procedure to be followed by reference to this summary which will be distributed.
<b>NON-ATTENDANCE BY PARTY OR PARTIES</b>	
4.	If one or both of the parties fails to attend, the Chair decides whether to:
	(i) grant an adjournment to another date, or
	(ii) proceed in the absence of the non-attending party.
	Normally, an absent party will be given one further chance to attend.
<b>TOPIC HEADINGS</b>	
5.	The Chair suggests the “topic headings” for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is:  <b>Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.</b>
	(i) the prevention of crime and disorder,
	(ii) public safety,
	(iii) the prevention of public nuisance, and
	(iv) the protection of children from harm.
6.	The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.
<b>WITNESSES</b>	
7.	The Chair asks whether there are any requests by a party to call a witness and decides any such request.
8.	Only if a witness is to be called, the Chair then asks if there is a request by an opposing party to “cross-examine” the witness. The Chair then decides any such request.
<b>DOCUMENTARY EVIDENCE</b>	
9.	The Chair asks whether there are any requests by any party to introduce late documentary evidence.
10.	If so, the Chair will ask the other party if they object to the admission of the late documents.
11.	If the other party do object to the admission of documents which have only been produced by the first party at the hearing, then the documents shall not be admitted.

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?	
<b>THE LICENSING OFFICER'S INTRODUCTION</b>		
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.	
14.	The Licensing Officer can be questioned by Members and then by the parties.	
<b>THE HEARING</b>		
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i)	an introduction by the Objectors' main representative	
(ii)	an introduction by the Applicant or representative	
(iii)	questions put by Members to the Objectors	
(iv)	questions put by Members to the Applicant	
(v)	questions put by the Objectors to the Applicant	
(vi)	questions put by the Applicant to the Objectors	
<b>CLOSING ADRESSES</b>		
16.	The Chair asks each party how much time is needed for their closing address, if they need to make one.	
17.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
<b>THE DECISION</b>		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	
19.	The decision is put in writing and read out in public by the Committee Clerk once Members have returned to the meeting.

## 5. REPORT

### Background

- 5.1 Parkstock Ltd has applied for the grant of a licensed premises gaming machine permit under schedule 13 of the Gambling Act 2005, which specifically concerns premises that already hold a premises licence under the Licensing Act 2003. The premises are currently known as Rowans, situated at 10 Stroud Green Road London N4, the application is for 40 machines. A copy of the application is attached (plans will be shown at the hearing) at **Appendix A**.
- 5.2 Section 282 of the 2005 Act provides an automatic entitlement to make available two gaming machines (of category C or D) for use in premises that benefit from a premises licence under the Licensing Act 2003. Applicants must be holders of a Premises Licence, authorising sale of alcohol for consumption on the premises.
- 5.3 Section 283 of the 2005 Act allows for the provision of more than two Category C or D machines to be made available in premises licensed under the Licensing Act 2003, in accordance with a licensed premises gaming machine permit. An application for a gaming machine permit may be made by the holder of an 'on' licence under the Licensing Act 2003. A copy of the Premises Licence issued to Rowans is attached at **Appendix B**.
- 5.4 A licensed premises gaming machine permit lasts indefinitely, and there is no Renewal provision. A permit continues in force for as long as the premises has an alcohol licence held by the permit holder. Where a person applies to transfer an alcohol premises licence they need to apply separately for the transfer of the gaming machine permit.
- 5.5 Part 26 of the Gambling Commission's 'Guidance to Local Authorities' relates To alcohol licensed premises. This is attached at **Appendix C**. The ability to determine applications for more than 4 machines sits with the Licensing Sub Committee. The Council will decide each application on a case-by-case basis but will make its decision based on the licensing objectives and any other matters it considers relevant, which may include:
- the location and size of the premises
  - expected clientele
  - how the applicant intends to protect children and vulnerable persons from
  - Harm or being exploited by gambling
  - the measures proposed by the applicant to ensure that anyone under 18 does not have access to the adult only gaming machines, which could include:
    - a) adult machines being in sight of the bar
    - b) arrangements for supervision by staff
    - c) notices and signage
  - provision of information leaflets / helpline numbers for organisations such as "GamCare."

The applicant has been asked to submit any supporting information they feel relevant to this application. Parliament has placed no restrictions on the age at which such machines may be played (other than those played in amusement arcades). It is therefore a matter for the discretion of the premises licence holder and any adults accompanying the children concerned whether they are entitled to play such machines. In the case of premises used exclusively or primarily for the consumption of alcohol, all children under the age.

#### 5.4 Legal Comments

Conditions may not be attached to a permit, other than the statutory condition that the holder shall comply with any relevant provision of a code of practice issued by the Gambling Commission about the location and operation of a gaming machine.

A licensing authority may not refuse an application, or grant an application in respect of a different category or smaller number of machines than that specified in the application, unless they have notified the applicant of such an intention and given the applicant the opportunity to make representations. Such representations may be oral, written or both. In arriving at its decision Members must have regard to the licensing objectives, and relevant guidance issued by the Gambling Commission under section 25 of the 2005 Act and such other matters as they think relevant.

Members should give reasons for their decision at the time it is announced

#### 5.5 Finance

The fee which would be applicable for this application was **£100.00** irrespective of the number of machines being applied for.

**Guidance notes:**

1. This form is to be used for the notification of up to 2 gaming machines of categories C and / or D under Section 282 of the Gambling Act 2005, or for the conversion of an existing Section 34 gaming machine permit under the Gaming Act 1968, or for a new application, variation or transfer of a alcohol licensed premises gaming machine permit under the Gambling Act 2005.
2. The premises must be licensed under the Licensing Act 2003 to sell alcohol for consumption on the premises, without the requirement that alcohol is served only with food and there must be a bar for serving alcohol to customers on the premises.
3. The gaming machines must be located on these licensed premises.
4. A 'Premises Licence holder' is a person holding a Premises Licence under the Licensing Act 2003.
5. There is no statutory limit to the number of machines which may be applied for although the licensing authority has some discretion in this regard. It should also be noted that the licensing authority can cancel the permit or vary the number of machines should the premises be mainly used for making gaming machines available for use on the premises (Schedule 13 paragraph 16 Gambling Act 2005). You may therefore wish to contact the licensing authority to ask whether there is a local policy as regards applications and whether application for certain numbers of machines are decided via a hearing of local councillors.
6. The permit's duration is indefinite as it is linked to the Licensing Act 2003 Premises Licence. There is a first annual fee payable by ..... and an annual fee payable after that before each anniversary of the date of issue of the permit. Failure to pay the annual fee may result in the cancellation of the permit. The annual fee is £x. There are no annual fees payable for 2 machines or less.
7. Sections 282 and 283, as well as SI 2007 / ..... of the Gambling Act 2005 provide for two types of gaming machines which can be located in alcohol licensed premises. These are:
  - Category C: Maximum stake = 50p / Maximum prize = £35
  - Category D: Maximum stake = 10p or 30p non-monetary / Maximum prize = £5 cash or £8 non-monetary
8. All alcohol licensed premises which provide gaming machines for use on the premises must comply with any relevant Code of Practice issued by the Gambling Commission under Section 24 of the Gambling Act 2005. The Gaming Machine Code of Practice for Alcohol licensed premises permits and permissions is available via the Gambling Commission's website at: <http://www.gamblingcommission.gov.uk/> Should you be unclear as to the provisions of the code of practice please contact the Gambling Commission or your local Council licensing service.
9. This licensing authority must notify the applicant of its grant / refusal of the application for a permit as soon as is reasonable practicable after that decision to grant / refuse has been made.
10. Where you are notifying the local licensing authority of 2 machines or less, you may wish to request an acknowledgement of receipt of the notification. The form attached to this application can be utilised for this purpose.

**Additional information**

This information is submitted in support of the application by Parkstock Limited for variation of the licensed premises gaming machine permit relating to Rowans, 10 Stroud Green Road, Finsbury Park, London, N4 2DF.

Rowans is a multi-entertainment centre situated on the ground and first floors of the property at Stroud Green Road.

The premises have operated for several years. They have had the benefit of a premises licence granted under the Licensing Act 2003 since the Act came into force in 2005.

The ground floor of the premises comprises a bowling alley, games area and bar.

The first floor comprises of three entertainment areas.

The full extent of the premises can be seen from the plans provided with this additional information.

The areas on each floor which are licensed for the sale of alcohol are edged red.

A licensed premises gaming machine permit was granted in respect of Rowans on 10<sup>th</sup> June 2010. A copy of the current permit is also provided with this information.

The current permit allows the provision of 29 gaming machines of category C or D. Those machines may be located anywhere within the areas on the ground and first floors which are licensed for the sale of alcohol (edged red on the plans).

Parkstock Limited, as the operator of Rowans, would wish to provide customers with the most up to date facilities including new innovations in gaming machines.

Gaming machines are now available in a format which consists of one piece of equipment with multiple player positions. Although only one piece of equipment is provided the number of player positions available determines how many gaming machines each piece of equipment will constitute.

As a consequence of the way in which the multi-player machines are regarded under the gambling legislation Parkstock Limited has determined that in order to provide the multi-player equipment they will need to seek an increase in the total number of machines which they allowed to provide under the terms of the licensed premises gaming machine permit.

After due consideration Parkstock Limited has determined that the appropriate maximum number of machines of category C or D which they would seek under the terms of the licensed premises gaming machine permit is 40.

It is in those circumstances that Parkstock Limited has submitted the application for variation of the existing permit to increase the number of machines of category C and D from 29 to 40.

Although gaming machines may be provided anywhere within the areas licensed for the sale of alcohol on the ground and first floors the plans provided in support of this additional information show indicative positions of gaming machines in the event that the application is granted. Those indicative positions demonstrate that 40 machines can easily be accommodated within Rowans given the size of the premises and the extent of the areas licensed for the sale of alcohol.

From the point of view of the legal position the Gambling Act 2005 is permissive and specifically states that licensing authorities should aim to permit premises to be used for gambling.

The Gambling Act also contains the three licensing objectives which are relevant to applications such as the one under consideration. The licensing objectives are:-

- Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime.
- Ensuring that gambling is conducted in a fair and open way.
- Protecting children and other vulnerable persons from being harmed or exploited by gambling.

Facilities for gambling have been provided at Rowans since the Gambling Act 2005 came into force in 2007. As previously mentioned the premises have operated with the benefit of a licensed premises gaming machine permit since June 2010.

At no time has there been any suggestion that gambling facilities have been provided at Rowans in a way which undermines any of the licensing objectives. Furthermore there is no evidence to suggest that allowing a further 11 gaming machines to be provided will be detrimental to any of the licensing objectives.

The Gambling Commission has published a code of practice for gaming machines in clubs and premises with an alcohol licence. At no time has there been any suggestion that Rowans has operated in contravention of that code of practice. There is no evidence to suggest that the provision of an additional 11 gaming machines at Rowans will lead to any breach of the code of practice.

The gambling facilities at Rowans have also been provided in accordance with the Gambling Commission's guidance to licensing authorities and the licensing authority's own statement of policy. There is no evidence to suggest that the ability to provide a further 11 gaming machines will lead to any contravention of the guidance or policy.

In summary the current application is for variation of an existing licensed premises gaming machine permit. The application seeks provision for the maximum number

of category C or D gaming machines which may be provided to be increased from 29 to 40.

Each application must be considered on its own merits. Owing to the physical size of Rowans and the extent of facilities available the ability to provide up to 11 additional gaming machines will not be detrimental in any way.

In particular allowing the ability to provide a maximum of 40 gaming machines will not have any adverse effect upon the licensing objectives, or be in breach of any code of practice and guidance issued by the Gambling Commission or contravene the policy issued by the licensing authority.

## Code of practice for gaming machines in clubs and premises with an alcohol licence

- For club gaming permits, club machine permits and alcohol licensed premises

March 2012

---

### 1 General provisions

- 1.1 This is the Gambling Commission's Code of Practice issued under section 24 of the Gambling Act 2005 (the Act) relating to provision of facilities for gaming machine gambling in accordance with club gaming, club machine and alcohol licensed premises permits. This includes:
- Registrations under Parts II and III of the Gaming Act 1968 which, under transitional provisions, are treated as club gaming and club machine permits respectively
  - Club gaming and club machine permits issued under the Club Gaming and Club Machine Permits (Scotland) Regulations 2007
  - Premises which have a licence issued by a Licensing Board under section 26(1) or 47(2) of the Licensing (Scotland) Act 2005 authorising the sale of alcohol on the premises.
- 1.2 Compliance with the code of practice should be the responsibility of a designated person:
- in pubs in England and Wales: the designated premises supervisor (which the Licensing Act 2003 requires as a condition of any alcohol premises licence)
  - in premises which are licensed to serve alcohol for consumption on the premises under the relevant Scottish licence: the premises manager (which the Licensing (Scotland) Act 2005 requires as a condition of the premises licence), or, where an occasional licence is held, a responsible person designated by the holder of the licence
  - in clubs in England and Wales:
    - if an alcohol licence is held, the designated premises supervisor
    - if no alcohol licence is held, a responsible individual to be nominated by the club management or other governing body elected by the members
  - in clubs in Scotland:
    - for a qualifying club under the Licensing (Clubs) (Scotland) Regulations 2007 (SI No 76 of 2007) a person nominated by the club management committee, or other governing body elected by the members, and who is trained in accordance with the Licensing (Training of Staff) (Scotland) Regulations 2007
    - for a qualifying club operating under an occasional licence a responsible person to be nominated by the club management committee or other governing body elected by the members
    - the name and contact details of the nominated person should be made available to the clerk of the relevant licensing board.
- 1.3 Those items marked in bold and shaded are the provisions which are a condition of the permit and must be complied with.

## 2 Location and operation of machines

### All permit holders

**Compliance with these provisions is a condition of your permit, and failure to do so could result in revocation of the permit.<sup>1</sup>**

2.1 All gaming machines situated on the premises must be located in a place within the premises so that their use can be supervised, either by staff whose duties include such supervision (including bar or floor staff) or by other means.

Permit holders must have in place arrangements for such supervision.

2.2 All gaming machines situated on the premises shall be located in a place that requires a customer who wishes to use any ATM made available on the premises to cease gambling at the gaming machine in order to do so. 'ATM' means a machine located on the premises, which enables a person using it to obtain cash by use of a credit or debit card.

## 3 Access to gambling by children and young persons

**Compliance with this section is not a condition of your permit. However it sets out good practice in this area and the Gambling Commission considers it should be implemented by permit holders.**

3.1 Permit holders should put into effect procedures intended to prevent underage gambling. This should include procedures for:

- checking the age of those who appear underage;
- refusing entry to anyone unable to produce an acceptable form of identification.

3.2 Permit holders should take all reasonable steps to ensure that all relevant employees understand their responsibilities for preventing underage gambling.

3.3 Permit holders should only accept identification which:

- contains a photograph from which the individual can be identified
- states the individual's date of birth
- is valid
- is legible and has no visible signs of tampering or reproduction.

3.4 The Commission considers acceptable forms of identification to include: any identification carrying the PASS logo (for example Citizencard or Validate); a driving licence (including provisional licence) with photocard; or a passport.

3.5 Procedures should be in place for dealing with cases where a child or young person repeatedly attempts to gamble on category B or C machines, including oral warnings, reporting the offence to the Gambling Commission and the police, and making available information on problem gambling.

---

<sup>1</sup> Compliance with these provisions is a condition of the relevant permit as a result of the Gambling Act 2005: section 271 for Club Gaming Permits, section 273 for Club Machine Permits, section 282 for alcohol licensed premises using their automatic machine permissions and section 283 for licensed premises Gaming Machine Permits and alcohol licensed premises Gaming Machine Permits.

## 4 Complaints and disputes

**Compliance with this section is not a condition of your permit. However it sets out good practice in this area and the Gambling Commission considers it should be implemented by permit holders.**

- 4.1** Permit holders should put into effect a written procedure for handling customer complaints and disputes regarding the use of gaming machines on their premises.
- 4.2** A 'complaint' means a complaint about any aspect of the permit holder's conduct of their permissible activities, and a 'dispute' is any complaint which:
- a) is not resolved at the first stage of the complaints procedure, and
  - b) relates to the outcome of the complainant's gambling transaction.
- 4.3** Permit holders should ensure that:
- customers are told the name and status of the person to contact about their complaint
  - customers are given a copy of the complaints procedure on request or on making a complaint
  - all complaints are handled in accordance with the procedure.

*On the Grounds of the Prevention of Public Nuisance*

We strongly oppose the granting of a Late Night Refreshment licence and a Supply of Alcohol licence for Hanci Restaurant. This opposition is on the grounds of the inevitable dramatic increase in noise late at night associated with the granting of these licences at this address. Such noise arises due to (i) people gathering outside the restaurant, who are more likely to display antisocial or drunken and disorderly behaviour, due to (ii) parties and special events being held inside the restaurant well into the early hours of the morning and due to (iii) mechanical ventilation for cooking and air conditioning within and around the restaurant, as well as other machinery. All three of these issues have been a major problem at this address for local residents.

The licensing applications propose that alcohol and refreshment will be sold for consumption until 2am from Monday to Saturday and until 1 am on Sundays. Given the opening hours of 7am from Monday to Saturday and 8am on Sundays, this allows only 5 hours from Monday to Saturday and 7 hours on Sunday for local residents to rest, relax and sleep, without the noise of a bustling restaurant only metres away from their homes. The universally recognised minimum recommended period of sleep for adults is 8 hours - for children it is longer. Residents in this area already suffer noise nuisance and antisocial behaviour and to further add to this would be unacceptable.

Given the proximity of the restaurant to residential property, it being directly below residential dwellings, late night operation is a significant problem. Noise travels extremely easily to the above and adjoining residential dwellings through walls and connected building structures, as well as through the air. As already mentioned, late night noise from the restaurant previously occupying the property caused local residents significant disturbance, disrupting rest, relaxation and sleep, and causing fatigue.

In conclusion, we feel that the granting of a late night license for a property in such close proximity to residential dwellings is likely to result in significant Public Nuisance to local residents and should therefore not be permitted.

Yours Sincerely

Dominic Grant and Sarah Baulch
