5.3 General-all four licensing objectives

We will full promote all four licensing objectives; the premises licence is required for the operation of a restaurant. We will ensure that there will be a Personal Licence Holder on the premises at all times. There will also be a Designated Premises Supervisor nominated. We will have sufficient numbers of trained staff members on duty at all times restaurant is operational. The training will encompass requirements for the sale of alcohol and there will be regular supervision of all staff during operational hours.

I plan to adopt the 'Challenge 25' policy to serve customers and notices will be displayed in the restaurant. CCTV will monitor in and around the premises. These steps will be monitored and reviewed regularly and improvements made if necessary. We will work with the local community to promote the licensing objectives of the council.

5.4 Crime and Disorder

If the premises licence is granted, we will adopt 'Challenge 25' policy and not serve anyone unless they look over the age of 25. Only approved ID accepted to control underage drinking. Each member of staff will be given training on the sale of alcohol. All sales will be authorised by a personal licence holder. Anyone who seems intoxicated will not be served alcohol. There will be no admission to persona who are drunk or are identified as 'excluded' to the restaurant.

We will ensure there are measures to promote sensible drinking and not encourage binge drinking. No glasses or bottles will be taken outside of the restaurant and we will ensure glass collections.

Taxi booking service will be provided.

There will be responsible management of group admissions e.g. stag or hen parties ect.

CCTV is also installed in and around the premises. There will be appropriate levels of exterior lighting to discourage disorder, whilst minimising impact on neighbouring properties.

5.5 Public Safety

We will ensure there are annual gas safety checks, electrical checks (every 5 years), PAT testing, an up to date Health & Safety policy and risk assessments, employers and public liability insurance, sufficient internal and external lighting, regular fire checks and servicing of fire detection and extinguishing equipment, emergency procedures, no smoking policy and good housekeeping procedures in place.

There will be effective management of the premises including carrying out regular risk assessments for premises operation as well as for kitchen and bar area and testing equipment to reduce risk. There will be notices and signs displayed so members of the public can follow procedures in case of fire and emergency evacuation. There will be CCTV in and around the premises for safety monitoring. There will be prompt clearing or empty glasses throughout operating times.

Access routes for emergency vehicles will be kept unobstructed.

There will be the provision of adequate staff trained in evacuation procedures at all times when premises in use. There will be adequate and appropriate first aid equipment and materials available on the premises together with sufficient trained first aiders. We will ensure maintenance of ventilation system and that there is provision of satisfactory sanitation facilities.

The Supervisor will also ensure that we do not exceed occupancy limits

5.6 Public Nuisance

CCTV will act as a deterrent

Staff will clean the restaurant and ensure no rubbish or drinks are taken outside.

Doors and windows will be kept closed to avoid noise being a nuisance. We will have signage in place asking people to leave quietly so minimal disturbance is caused to neighbours. We will make regular sound checks inside and outside of the premises to ensure no disturbance caused to neighbours.

When the restaurant is getting ready to close, there will be a winding down period with reduces levels of music and/or soothing music.

We will implement a zero tolerance policy towards persons who are persistently rowdy when leaving the premises.

5.7 Child Protection

Only approved ID will be accepted to control underage drinking. Only accepted ID will be passports, driving licences or proof of age card bearing the 'PASS' mark hologram.

We will reserve the right to refuse the sale of alcohol if we are not satisfied with identification provided. All refusals shall be documented and reviewed by the Designated Premises Supervisor. We will implement the 'Challenge 25' policy and this will be advertised and displayed in prominent locations in the premises. Any person who appears to be under 25 will be asked for photographic ID to prove their age.

Each member of staff will be given training on the sale of alcohol. All training will be fully documented and recorded. Refresher training will be given every 8 weeks.

• P Describe the steps you intend to take to promote the four licensing objectives:

a) General - all four licensing objectives (b, c, d, e) (please read guidance note 9)

We will fully promote all four licensing objectives. The premises license is required for the operation of a Restaurant. We will ensure that there will be a Personal License Holder on the premises at all times. There will also be a Designated Premises Supervisor nominated. We will have sufficient numbers of trained staff members on duty at all times restaurant is operational. The training will encompass requirements for the sale of alcohol and there will be regular supervision of all staff during operational hours.

I plan to adopt the Challenge 25 policy to serve customers and notices will be displayed in the restaurant. CCTV will monitor in and around the premises. These steps will be monitored and reviewed regularly and improvements made if necessary. We will work with the local community to promote the licensing objectives of the council.

b) The prevention of crime and disorder

If premises license is granted, we will adopt the Challenge 25 policy and not serve anyone unless they look over the age of 25. Only approved ID accepted to control underage drinking. Each member of staff will be given training on the sale of alcohol. All sales will be authorised by a Personal Licence Holder. Noone who seems intoxicated will be served alcohol. There will be no admission to persons who are drunk or are identified as 'excluded' to the restaurant. We will ensure there are measures to promote sensible drinking and no encouraging of binge drinking. No drink glasses or bottles will be taken outside of the restaurant and we will ensure regular glass collections. Taxi booking service will be provided. There will be responsible management of group admissions eg stag or hen parties etc. CCTV is also installed in and around the premises. There are appropriate levels of exterior lighting to discourage disorder, whilst minimising impact on neighbouring properties.

c) Public safety

We will ensure that there are annual gas safety checks, electrical checks (every 5 years), PAT testing, an up to date health & safety policy and risk assessments, employers and public liability insurance, sufficient internal and external lighting, regular fire checks and servicing of fire detection and extinguishing equipment, emergency procedures, no smoking policy and good housekeeping procedures in place. There will be effective management of the premises including carrying out regular risk assessments for premises operation as well as for kitchen and bar area and testing equipment to reduce risk. There will be notices and signs displayed so members of the public can follow procedures in case of fire and emergency evacuation. There is CCTV in and around the premises for safety monitoring. There will be prompt clearing or empty glasses throughout operating times. Access routes for emergency vehicles will be kept unobstructed. There will be the provision of adequate staff trained in evacuation procedures at all times when premises in use. There is adequate and appropriate first aid equipment and materials available on the premises together with sufficient trained first aiders. We will ensure maintenance of ventilation system and that there is provision of satisfactory sanitation facilities. Supervisor will also ensure that we do not exceed occupancy limit.

d) The prevention of public nuisance

CCTV will act as a deterrent. Staff will clean restaurant and ensure no rubbish or drinks are taken outside.

Doors and windows will be kept closed to avoid noise being a nuisance. We will have signage in place asking people to leave quietly so minimal disturbance caused to neighbours. We will make regular sound checks inside and outside of premises to ensure no disturbance caused to neighbours. When restaurant is getting ready to close, there will be a winding down period with reduced levels of music and/or soothing music. We will implement a Zero tolerance policy towards persons who are persistently rowdy when leaving the premises.

e) The protection of children from harm

Only approved ID will be accepted to control underage drinking. Only accepted ID will be passports, driving licences or proof of age cards bearing the 'PASS' mark hologram. We will reserve the right to refuse the sale of alcohol if we are not satisfied with identification provided. All refusals shall be documented and reviewed by the Designated Premises Supervisor. We will implement the Challenge 25 policy and this will be advertised and displayed in prominent locations in the premises. Any person who appears to be under 25 will be asked for photographic ID to prove their age. Each member of staff will be given training on the sale of alcohol. All training will be fully documented and recorded. Refresher training will be given every 8 weeks.

Dear Sir/Madam,

This property in a heavily populated residential area, with private residences situated directly adjacent to the said property.

As such I object to this application based on the following.

Prevention of crime and disorder.

Public safety.

Public nuisance.

Protection of children.

Your Sincerely,

Mr Douglas

Objecting against premises licence for Fusion Flavour

To whom it may concern,

As a resident of Suraj House 677 - 679 Lordship Lane I would like to object against the application for a licence for Fusion Flavour 673 Lordship Lane, Wood Green, London N22 5LA premises.

We were made aware at the time of development the property would be housing for young vulnerable adults.

Based on the fact that within the adjacent property Suraj House there are a number of families with small children, many under the age of 10.

This raises concerns as this was meant to be a home for young vulnerable adults, but it transpires that the property will contain a bar that wishes to operate daily with the addition of playing recorded and live music.

Based on this fact this will cause a public nuisance with the likely hood of alcohol related crime and disorder.

Public safety will be an issue as there is private residence next door which will result in noise pollution that will imminently effect the families and children within the property.

Kind regards,

Subject: appealing against the entertaintment licence for Fusion Flavour 673 Lordship Lane

Dear Sir/Madam,

I would strongly like to appeal against Fusion Flavour property 673 Lordship Lane obtaining a licence to sell alcohol and playing live music.

I can not understand how when this property was first being developed we were all told that it was going to be residential housing for vunerable adults.

Now just by accident I walked passed the property and see a tiny notice on the door stating they were appliying for a licence to sell alcohol and play live music. The developers have decieved us as if we as residence had known that they were building a bar/club we would have objected to this development.

Am I correct they want to sell alcohol to vunerable adults from Sunday to Sunday and Play live music from Sunday to Sunday all day every day.

This absolutely absurd. This can not happen. We have very young children in this residential area. There are bars, restaurants, Cafes and Pubs all along Woodgreen High road I do not want a club next door to where I live. I have young girls who are of school age as well as my neighbours.

By allowing a licensed alcohol and live & loud music will severely affect the families quality of life. This will cause a public nuisance a risk to our children public safety there will be crime risks to the families

homes and children. I am single mother with young female girls I am very afraid for our safety. If this licence is granted there will be a lot of noise my kids will not be able to concentrate with there school work, there will be lots of strangers hanging around the property and area as we live right next to the property.

I strongly want to say please dont grant them this licence its insane based on the following: Crime and disorder increase, Public Safety, Public Nuisance and protection of children.

Please consider my representation.
