Ref: Erol Gulsen's licensing application at Damalis Bistro, 17 High Street, London, N8 7QB

To The Licensing Team

I am writing to raise my concerns and objection to the licensing application currently being made at 17 High Street, London N8 7QB. I am the owner and resident of 2a Myddelton Road, London, N8 7PY which is located above 19 High Street and diagonally above Damalis Bistro.

Before changing hands, the Dalamis was a 24-hour off license and during operation caused considerable noise pollution and disturbance to me. My concern is that should Dalamis have both an alcohol license as well as a late night license to be open and serve food until 2:30am it will become a place where people are gathered late, spilling out onto the pavement and creating disturbance. My bedroom window is on the first floor opening out onto the high street and at night I can hear word for word any conversations taking place outside 17 High Street. Should Damalis gain a late night license this will likely cause a lot of noise, both in terms of cars parking, people outside talking and smoking, music and I should imagine that when the Three Compasses pub opposite closes at 12:30pm, many people will move to Damalis to continue drinking.

I would like to add that none of the other restaurants or bars on Hornsey High Street are open past midnight, so this would become the only place to open until 2:30am – this is likely to mean that people seeking a late night drink will gather there and inevitably it will become rowdy. Even when it was just a 24-hour off license there were regular fights in the street outside at all hours, and I can only imagine it will be worse if it is a bar. I also don't know what the owner intends to do in terms of playing music but it would be unacceptable to hear any music coming from the premises after 10pm when I would like to be able to sleep without disturbance.

So far I have made reference to the late night license until 2:30am and sale of alcohol being my main concern, but I would also like to object the late opening hours until 12:30am on Sundays through Thursdays. For working professionals such as my family who have to get up at 6am, having noise outside our bedroom window until 12:30am (or later as visitors to Dalamis will likely stand outside talking before leaving) is unacceptable and will negatively impact our quality of life.

I feel it is really important that you take into consideration that local residents are living right above Dalamis and will be really affected by noise created by late licensing. I would like to raise my firm objection.

Kind Regards

Re: Damalis Bistro, 17 High Street, Hornsey, N8 7QB

As the three Councillors for Hornsey Ward, we would like to make representations regarding the application for a premises licence for 'Damalis Bistro' at 17 High Street, Hornsey, London, N8 7QB.

The applicants seek a licence for the supply of alcohol between the hours of 10am – 12 midnight on Mondays to Thursdays and between 10am - 2am on Fridays and Saturdays. The applicants have applied for opening hours of 10am – 12.30am on Mondays to Thursdays and 10am – 2.30am on Fridays and Saturdays.

We are opposed to the grant of a licence for the hours requested, as we do not feel that this would be appropriate in light of the likely effect on the following relevant licensing objectives:

- The prevention of crime and disorder, and
- The prevention of public nuisance.

The premises in question is situated extremely close to a number of residential properties and there are no other restaurants or bars in that vicinity (i.e. on that north stretch of Hornsey High Street) which are open beyond 11pm. Most bars and restaurants along Hornsey High Street are situated on the south side of the street and the vast majority of them close at 11pm on weeknights with slightly later hours on Fridays and Saturdays.

We believe that it would not be in-keeping with the area to allow a late licence in the terms sought by the applicant. Indeed, recent experience suggests that where one premises has had significantly later opening hours than elsewhere on the High Street, there is a risk of significant public disorder — for example, in 2013 there was a 'miniriot' involving gang-related issues at a premises with a late licence. Needless to say, we would not want to see a repeat of such an event.

Further, there are very few premises in Hornsey and its surrounding areas of Crouch End and Muswell Hill with late licences. It is easy to anticipate that a premises with a late licence in the terms applied for would be a destination for people leaving other bars and restaurants, likely contributing to an increase in the number of people on the High Street in close proximity to residential properties late at night and into the early hours of the morning.

Haringey's current Statement of Licensing Policy acknowledges (at paragraphs 14.1-14.4 and 14.7) the risks that premises operating late licences can cause to people living in the local area and states that 'The Council is committed to protecting residents ... in the vicinity of these licensed premises.' (para. 14.1) We are particularly concerned about the potential for a significant increase in noise nuisance and other disturbances and/or anti-social behaviour caused by customers leaving the premises in what is currently a generally quiet area after 10-11pm.

We are not opposed to the grant of a licence for this premises, but we would ask that any licence should be in line with the licences issued to other restaurants on Hornsey High Street and should reflect the fact that Damalis Bistro is in very close proximity to residential properties. As such we would suggest that the supply of alcohol be limited to the hours of 10am-11pm on Mondays to Thursdays, and 10am-12 midnight on Fridays and Saturdays.

Cllr Elin Weston, Cllr Adam Jogee & Cllr Jennifer Mann

Subject: Damalls Bistro, N8 7QB - licence objection

Dear sir / madam.

I am writing to object to Damalis Bistro's recent application for a late night alcohol licence, which would apply to premises at 17 High Street, Homsey, N8 7QB. This would represent a profound change to the previous use of the premises, which served as a local grocery under the name "Al Pacino" and more recently "Maxxisave". The operation of a late night restaurant, serving alcohol as late as 12am on weeknights and 2am on Friday and Saturday, would clearly have a detrimental effect on the surrounding area, much of which is residential. My wife and I purchased a property at 1A Myddelton Road in December 2013, around 20 metres from the proposed site of the new restaurant, and a number of other houses, including family homes and council properties, are located at a similar proximity.

Haringey Council's licensing policy is clear that:

14.2 In particular, late night activities cause much of this nuisance. Late night cafés, clubs, pubs and restaurants can have a number of adverse effects on the residents in the vicinity of these premises. Nuisance such as noise, litter, anti-social behaviour, lights and odour all contribute to the loss of amenity to the general public

Hornsey High Street is already home to a vibrant night-time economy, with a number of high quality restaurants. It is important to note that none of these currently open as late as 2.30am, and I would question the need for Damalis Bistro to have such extended hours. By way of illustration, Tomo Pizzeria closes at 11pm on weekends, Le Bistro at 10.30pm and Pradera Tapas Bar at 12am. Even the local kebab shop, Terry's at 86 Homsey High Street, closes at 11pm.

Furthermore, the recently renovated Three Compasses pub, located across the road at 62 Hornsey High Street, closes at 11pm on weeknights and 1am at weekends. It is easy to imagine that already inebriated drinkers leaving the pub will be attracted to the nearby Damalis Bistro to continue into the early hours, adding considerably to problems of drunkenness in the area. For many, the natural journey home will be via the residential streets around Myddelton Road, as the nearest route to the estates south of Alexandra Palace (Boyton Road, Newland Road etc), with all the accompanying nuisances listed in the Haringey Council licensing policy copied above. As owners of a property just 20 metres from the restaurant, the noise disruption will be considerable.

In short, Hornsey High Street is not currently a late night destination, and I would urge councillors to consider carefully whether they wish to open the door to this type of establishment. With Haringey Council having recently allocated £499,000 towards a much needed regeneration programme for the High Street, and a new development at Smithfield Square due to open in the new future, this is an exciting time for Hornsey. It is vital that the essential character of the area is maintained, and not threatened by drunken behaviour caused by a proliferation of late night venues such as that proposed for 17 High Street.

Objection to late licence application by Damalis Bistro on High Street, Hornsey, N8 7QB

Dear Sir/Madam

I am lodging my comments with you to object to Damali's application for a late night alcohol licence - i understand the deadline for receiving comments is today.

You should also be in receipt of comments from my neighbour from from also submitted their comments and objections.

I live at 1 Myddelton Road, N8 7PY which is approx 20 metres from Damalis Bistro and feel that granting a late licence could adversely affect both my life quality (due to it's close proximity to my home) and also that of all the residents in the surrounding area. There are both council and private homes on the High Street, Myddelton Rd, Campsbourne Road and Hillfield Avenue that will be affected by this.

The Bistro was formerly a late night super market and we used to regularly experience noise then when large groups of Eastern European footballers used to congregate opposite my home on the pavement on Myddelton Road outside the supermarket - drinking and chatting for hours every week drinking cans of beer bought from the supermarket. So it will only get worse if they are granted a late night license for their new establishment.

I have lived here since 1998 and i feel that a late bar would not be in keeping with the area. There are no other restaurants/bars on the High street who operate a late licence and i strongly feel it would have no merit in a predominantly quiet residential area. Hornsey and the High Street has always had a lovely village feel, and is a quiet area at night. The introduction of a late opening bar in the area, so close to residents, would be detrimental and will inevitably attract people from out side the area who are drawn to the bar to drink late into the night. It will also potentially lead to crowds of drinkers grouping together on the pavement outside the bistro (opposite my home and my bedroom) late at night very close to my home and i am worried about my ability to sleep at night in the event of noise from drinkers both inside and outside the establishment. It may also attract late night drinkers from the 3 Compasses and Hornsey Tavern pubs after they close.

I clearly remember an incident a few years ago when Whispers on the High Street was granted a late licence - it attracted lots of young people from outside the area who every weekend would scream, shout and run up and down the high street creating drunken havoc most weekends in the early hours. This led to a huge incident with over 200 youths fighting on the high street in the early hours of one evening and riot police had to be called to deal with the incident which also hit the local papers. The establishment was subsequently closed down and peace was restored to the area. Lesson learned hopefully.

To summarise, local residents do not want Hornsey to become a late night destination and given the huge impact this could have on my home and life quality (given that i am the closest local resident) i hope you take all of our comments into consideration when making the final decision about whether or not to approve the licence for Damalis.

Yours faithfully

1 Myddelton Road London N8 7PY

To: Subject: Licensing FW: Chickentown licence application

I am writing to make a representation regarding the application by Chickentown to supply alcohol on its premises daily from 11am.

As I understand it, this restaurant is promoting itself to young people, offering an alternative to fried chicken shops elsewhere in Tottenham. The main element to this is that the business will offer a reduced price Junior Special meal to attract teenagers. Given that this is a main objective, and that the venue is adjacent to CHENEL, why is Chicken town applying for an alcohol licence from 11am? We are all only too aware of the impact alcohol has on people, and it seems perverse on the one hand, to promote the restaurant as a 'A new room for young Tottenham' whilst having alcohol on sale which young adults could purchase. Other restaurants and venues established to cater for young people have provided a range of non-alcoholic alternatives. How can this be promoted as a safe young space for young people in Tottenham whilst selling alcohol? Many nearby restaurants have alcohol licenses but their marketing approach is not to offer a healthy alternative for young people buying food at lunchtime or after school. Neither are they subsidised by a local authority and taxpayers money to offer healthy eating. Alcohol will be on sale in the business and a large element of the day customers will be youngsters. How can this reflect the ambition of Chickentown to be a safe place for young people?

Alongside the issue of selling alcohol on these premises during the school day and after school/college, this restaurant could also act as a magnet for young people if it is successful in marketing itself. How will having alcohol for sale during and after the school day assist in promoting a healthy lifestyle for young people and how can this be in keeping with the public funding provided to offer an alternative place for young people to eat?

Please let me know when the committee is meeting.

Chickentown licence application

New room for young tottenham.jpg

My concern about this licence is based on the applicant being a licensed premises while aspiring to offer 'A new room for young Tottenham'.

The publicity surrounding the Chickentown project makes much of the ambition to encourage healthy friend chicken eating as a way of reducing obesity amongst teenagers in Tottenham. The main element to achieving this is the initiative that the business will offer a reduced price Junior Special meal to attract teenagers away from 'unhealthy' food outlets.

With the venue being close to CONEL it is likely that a lot of the day custom for Chickentown will be teenagers and young adults studying next door. Further, the business has set out its aspiration to be a 'A new room for young Tottenham' because it believes young people have few options of where to go to. I attach the drawing provided by the business regarding the new room aspiration.

I believe that it is not possible to be a safe young space for young people in Tottenham while that same space is a licensed premises. Yes, there are plenty of nearby restaurants have alcohol license. But the issue with the all-day licence for Chickentown is because of its marketing strategy is to attract afternoon young customers. Alcohol will be on sale in the business and a large element of the day customers will be youngsters, and I am not sure how the licensed bar area can be separated from the venue being a professed safe place for young Tottenham.

I am happy to explain further and to make representation before the committee.
