

Haringey Council

Licensing Sub Committee B

TUESDAY, 14TH JULY, 2015 at 7.00 pm HRS - CIVIC CENTRE, HIGH ROAD, WOOD GREEN, N22 8LE.

MEMBERS: Councillors Beacham, Carroll and Mallett (Chair)

AGENDA

1. FILMING AT MEETINGS

Please note this meeting may be filmed or recorded by the Council for live or subsequent broadcast via the Council's internet site or by anyone attending the meeting using any communication method. Although we ask members of the public recording, filming or reporting on the meeting not to include the public seating areas, members of the public attending the meeting should be aware that we cannot guarantee that they will not be filmed or recorded by others attending the meeting. Members of the public participating in the meeting (e.g. making deputations, asking questions, making oral protests) should be aware that they are likely to be filmed, recorded or reported on. By entering the meeting room and using the public seating area, you are consenting to being filmed and to the possible use of those images and sound recordings.

The Chair of the meeting has the discretion to terminate or suspend filming or recording, if in his or her opinion continuation of the filming, recording or reporting would disrupt or prejudice the proceedings, infringe the rights of any individual, or may lead to the breach of a legal obligation by the Council.

2. APOLOGIES FOR ABSENCE

3. URGENT BUSINESS

The Chair will consider the admission of any late items of urgent business. (Late items will be considered under the agenda item where they appear. New items will be considered at item 7 below).

4. DECLARATIONS OF INTEREST

A member with a disclosable pecuniary interest or a prejudicial interest in a matter who attends a meeting of the authority at which the matter is considered:
(i) must disclose the interest at the start of the meeting or when the interest becomes apparent, and

(ii) may not participate in any discussion or vote on the matter and must withdraw from the meeting room.

A member who discloses at a meeting a disclosable pecuniary interest which is not registered in the Register of Members' Interests or the subject of a pending notification must notify the Monitoring Officer of the interest within 28 days of the disclosure.

Disclosable pecuniary interests, personal interests and prejudicial interests are defined at Paragraphs 5-7 and Appendix A of the Members' Code of Conduct

5. SUMMARY OF PROCEDURE (PAGES 1 - 2)

The Chair will explain the procedure that the Committee will follow for the hearing considered under the Licensing Act 2003. A copy of the procedure is attached.

6. MUNCH, 143 CROUCH HILL N8 9QH (PAGES 3 - 60)

To consider an application for a premises licence.

7. ITEMS OF URGENT BUSINESS

To consider any new items of urgent business admitted under item 3 above.

LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY	
INTRODUCTION	
1.	The Chair introduces him/herself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2.	The Chair invites Members to disclose <ul style="list-style-type: none"> i) any prior contacts (before the hearing) with the parties or representations received by them; and separately ii) any declarations of interest.
3.	The Chair explains the procedure to be followed by reference to this summary which will be distributed in advance.
NON-ATTENDANCE BY PARTY OR PARTIES	
4.	If one or both of the parties fails to attend, the Chair decides whether to: <ul style="list-style-type: none"> (i) grant an adjournment to another date, or (ii) proceed in the absence of the non-attending party. <p>Normally, an absent party will be given one further opportunity to attend.</p>
TOPIC HEADINGS	
5.	The Chair suggests the “topic headings” for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is: <p>Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.</p> <ul style="list-style-type: none"> (i) the prevention of crime and disorder, (ii) public safety, (iii) the prevention of public nuisance, and (iv) the protection of children from harm.
6.	The Chair invites comments from the parties on any other topic headings to be discussed.
WITNESSES	
7.	The Chair asks whether there are any requests by a party to call a witness and decides any such request.
8.	Only if a witness is to be called, the Chair then asks if there is a request by an opposing party to “cross-examine” the witness. The Chair then decides any such request.
DOCUMENTARY EVIDENCE	
9.	The Chair asks whether there are any requests by any party to introduce late documentary evidence.
10.	If so, the Chair will ask the other party if they object to the admission of the late documents.
11.	If the other party do object to the admission of documents which have only been produced by the first party at the hearing, then the documents shall not generally be admitted.

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?	
THE LICENSING OFFICER'S INTRODUCTION		
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.	
14.	The Licensing Officer can be questioned by Members and then by the parties.	
THE HEARING		
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i)	an introduction by the Objectors' main representative	
(ii)	an introduction by the Applicant or representative	
(iii)	questions put by Members to the Objectors	
(iv)	questions put by Members to the Applicant	
(v)	questions put by the Objectors to the Applicant	
(vi)	questions put by the Applicant to the Objectors	
CLOSING ADRESSES		
16.	The Chair asks each party how much time is needed for their closing address, if they need to make one.	
17.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
THE DECISION		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	
19.	The decision is put in writing and read out in public by the Committee Clerk once Members have returned to the meeting.

The premises to be open to the public

Monday to Sunday	07:00 to 00:00
------------------	----------------

5.3 General-all four licensing objectives

An SIA registered door supervisor will be present for the duration of any and all planned and ticketed public music event.

No members of the public will be permitted to leave the premises with glass bottles containing alcohol.

The owner and DPS will both hold personal licences.

The DPS shall take all reasonable steps to ensure that staff on the premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

5.4 Crime and Disorder

Plastic and toughened glass will be used during the evening/nights of planned and ticketed entertainment.

Crime prevention notices will be made visible within the premises including (not limited to): Warnings for customer awareness of their property including mobile phones, and not to leave belongings unattended.

5.5 Public Safety

Appropriate safety strips will line the edges of the stage steps to warn patrons of a height changes to prevent falling, with warning notices including age retractions, for the use of the stage.

With the exception to non-standard timings, no licensable activities will take place after 00:00.

The licence holder will keep an incident book on the premises and record details of all instances of public disorder. This book will be made available for inspection to the Police and Licensing Officers on request at any reasonable time.

All safety certificates and inspection reports will be kept on site and made available for inspection by officers of relevant statutory bodies.

Adequate and appropriate supply of first aid equipment and materials will be available on the premises.

5.4 Public Nuisance

Alcohol purchased on the premises must not be consumed outside the premises.

All live music will stop prior to the 23:00 noise curfew, with the exception of non standard timings, of which will be advertised prior to the date reasonably in advance.

Windows and doors will be kept closed (other than for access and egress) for the duration of all licensable activities and while the premises is open to the public.

Prominent, clear and legible notices will be displayed at all public exits requesting the public to respect the needs of local residents to leave the premises quietly.

The sale of alcohol will cease at 23:30, allowing half an hour for patrons to leave orderly and quietly.

The placing of refuse by the licence holder and their staff (such as bottles and food containers) into receptacles outside the premises shall only be carried out at times and in such a manner so as to be unlikely to cause unreasonable disturbance to nearby residential or business properties, and ideally only during daytime working hours.

The movement of bins and refuse outside the premises will take place during normal working day hours.

5.5 Child Protection

A challenge 25 scheme will be put in place. Therefore Government accepted proof of age cards must be presented prior to each alcohol sale if the person attempting to purchase alcohol appears to be under the age of 25, to those selling or supplying alcohol. The sale of alcohol will be allowed if the person provides Government accepted proof of age that they are over 18 years of age.

Children under 16 years of age must be accompanied by an adult after 17:00, however will not be permitted after 17:00 on days of planned and non ticketed public music events or evenings with larger standing capacities expected.

Children will not be allowed to approach the bar after 17:00

Children under 12 years of age will not be permitted to be seated on any table positioned on the stage and a notice will state as such.

Any restrictions on the admission of children to the premises shall be displayed in a prominent position at the entrance to the premises.

Packaging and promotion of alcoholic drinks provided at the premises will be in compliance with the Portman Group Retailer Alert Bulletins.

The movement of bins and refuse outside the premises will take place during normal working day hours.

e) The protection of children from harm

- A 'Challenge 25' scheme will be put in place. Therefore Government accepted proof of age must be presented prior to each alcohol sale if the person attempting to purchase alcohol appears to be under the age of 25, to those selling or supplying alcohol. The sale of alcohol will be allowed if the person provides government accepted proof that they over 18 years of age.
- Children under 16 years of age must be accompanied by an adult after 17:00pm, however will not be permitted after 17:00pm on days of planned and non-ticketed public music events or evenings with larger standing capacities expected.
- Children will not be allowed to approach the bar after 17:00pm
- Children under 12 years of age will not be permitted to be seated on any table positioned on the stage and a notice will state as such.
- Any restrictions on the admission of children to the premises shall be displayed in a prominent position at the entrance to the premises.
- Packaging and promotion of alcoholic drinks provided at the premises will be in compliance with the Portman Group's Retailer Alert Bulletins.

Subject: Re: FW: Residential Representation- Proposed New License to sell Alcohol at 143 Crouch Hill, N8

Categories: Purple Category

Dear Sirs

No, I am in no way satisfied by the response - I don't feel in the slightest reassured by the reply from the proposed licensee.

However the further information that was provided during the response has highlighted further areas I would like to make additional representations about. The blue notice was (quite deliberately) put so far up the window, that it is unreadable. The reason given to another resident who has complained, is that it had to go above the fly-postering - not so. It would have been far more visible if put in the front window that has no fly-posters covering it, but then all of the residents would have seen it!

PUBLIC NUISANCE

I wasn't aware that there is also a proposal for live music in the evenings. This would be catastrophic to our business in terms of the Public Nuisance it would create. We regularly rent our space out for quiet activities such as National Childbirth Trust classes, breastfeeding classes, Yoga classes and baby massage classes in the evenings. Live music through very thin common walls (the shops are separated by a wall made of a single layer of breeze block, without even any plasterboard covering it) would be extremely detrimental to the participants of these classes, and would result in losing us business, as My Creche would no longer be a suitable venue for such classes with a bar with live music next door.

As there is no change of use from A1 sought, the venue presumably considers the live music and alcohol licence to be an extremely minor part of their proposed business plan, so it should be refused in light of the serious representations made against it. Currently upto 25% of a business is permitted to be ancillary to the main purpose of the business which is ostensibly retail or to-go sales of cold food to be eaten off site. As any hot tea or coffee sold, and any hot food served (paninis, soup etc), would take up most of this ancillary limit, then the proportion of the permitted 25% remaining to be legally used for ticketed events and alcohol served on-site is so small as to be negligible, and is therefore clearly not required by their business model, by their own reckoning, unless they are planning on breaking the planning control limits from the outset of trading!

I will rebut the main arguments made in the response, though in doing so I don't want to suggest I dignify them as credible points, or wish to get bogged down in spurious points made in response to my real and valid concerns:

I have no desire to work with the proposed licence to install CCTV. There is currently no need for it, however it is very telling that she already knows her business will create a need for it, so intends to install it!

The other licences premises she mentions are not next door to our premises, and none of them are bars (except the pub which is several hundred metres away), so comparing her proposed venue to these businesses is totally irrelevant.

It would be illegal for the Police to provide a list of local sex offenders under the Data Protection Act. But in any case, the mocking proposal that she would use such a list to inform My Creche if any sex offenders became customers of hers shows her total disregard for the licensing she seeks - she could have no idea what the name of every customer she sold a sandwich to, so her promise is not only ridiculous, but I find it offensive and extremely concerning that she makes such light of the serious subject of child sex offenders. This demonstrates to me that she is in no way a suitable licensee for a venue next to a childcare facility. Either her comment was a joke (which is wildly inappropriate), or she is making promises which she would never be able to keep. Either way she should not be granted a licence for such an inappropriate venue for a bar.

I would also say that her claiming offending would be 'balanced by female and 24+ clientele' implies she would be happy with a certain level of criminal offending by her young male customers?

"There is no evidence to support Ms Fluckiger's further argument that our cafe customers will stand outside My Creche to smoke". Sheer nonsense. There isn't a bar anywhere in the UK that doesn't have smokers congregating outside.

I strongly suggest a licence isn't granted, as the proposals would be extremely disruptive to our business, put our children in danger in ways that licensing conditions can't address, and create endless public nuisances through noise, litter, crowds of people loitering outside on the pavement etc.

If a licence is still sought, despite significant local opposition during consultation, I would like to attend the licence hearing, or send a representative if I am not able to attend due to being out of the country. Please would you be kind enough to let me know when the hearing is happening.

Yours sincerely

Jane Fluckiger

Subject: Re: Residential Representation- Proposed New License to sell Alcohol at 143 Crouch Hill, N8

Importance: High

Dear Ms Anderson,

Please could you forward the following the response to the objecting party.

Kind Regards,

Mia Wright-Thompson

Dear Sirs

As the founder of Munch Cafe Bar Ltd, I would like to address your points for representation which I feel are unwarranted, to highlight how we intend to satisfy the licensing objectives in the conduct of our business.

143 Crouch Hill is an A1 use shop and as most of our sales will be via retail or to-go purchases, we currently have no need for further planning use.

Prevention of Crime and Disorder

143 Crouch Hill is presently vacant and unoccupied. We therefore cannot be held responsible for historical damages that My Creche has incurred and feel that to assign it to our Premises License application is unfounded.

During the evenings when we open and hold ticketed public events an SIA registered door supervisor will be present.

Both myself (Founder and Chef) and the manager currently hold personal licenses and all staff are trained on the licensing objectives; therefore there will be no sales of alcohol to drunk or intoxicated customers.

As a qualified chef with vast experience in the hospitality industry, specifically fine dining, we would not anticipate the unruly behaviour mentioned by My Creche, from our target clientele and feel that the

assumptions are prejudicial to our business model. We fully endorse a zero tolerance for behaviour that may cause nuisance to our neighbours and local community and will work actively work with the local Police in relation to the prevention of crime and disorder.

In regard to CCTV, we will not be reliant on the council for such provision and intend to implement our own for the safety of our staff, customers and premises. I would be happy to work with Ms Fluckiger in regard to the installation of exterior CCTV, should My Creche feel that this would increase the safety of their business.

I would further note that according to Haringey Council's current Statement of Licensing Policy, Crouch Hill is not listed as one of the controlled zones for street drinking, therefore I request that our application not be judged upon previous personal nuances.

Public Safety & Prevention of Public Nuisance

The prevention of smoking is not one of the licensing objectives. However, no smoking will be permitted on our premises, we have no provisions for outdoor seating and there will be no designated smoking area. We also feel that groups of people smoking outside our premises will negatively affect our business and therefore it will be discouraged by the display of appropriate signage.

Ms Fluckiger's concerns regarding an 'ongoing problem of litter' is currently irrelevant to our business as we are not yet in situ. We intend to dispose and recycle our refuse as stipulated by Haringey council. Where possible we will utilise the local waste centre to prevent excessive build up, as accumulating refuse outside our premises will also have a negative effect on our business. In regard to glass bottles, we are not permitting the sale of alcohol to be consumed off the premises and customers will not be served glass bottles, therefore we believe we have prevented the risk of broken glass outside.

Protection of Children from Harm

As I am sure you are aware, there are multiple businesses in close vicinity to the My Creche premise, with provisions for the sale of alcohol; including Oddbins, The Blue Legume, Harringay Arms and Wetherspoons. The Blue Legume already has outdoor seating provisions whereby My Creche is located within easy eye-view. All of these aforementioned businesses were in situ prior to My Creche taking occupation of their premises and I therefore believe that if Ms Fluckiger's argument was evidential then My Creche would not have placed their business in such close proximity to these existing businesses.

If Ms Fluckiger would like to make a list available from the local police of registered sex offenders in the vicinity, then we would be happy to let My Creche staff know should any such person visit our business.

Whilst alcohol is known to lower inhibitions, the particular case study that Ms Fluckiger has made reference to, concluded results from a test on 56 male social drinkers, aged 19-24years. Therefore excluding our female and 24+ clientele, which would balance the case study results.

Moreover, alcohol is only one of many contributory factors to recidivism in child abuse offending including but not limited to stress, which is a subjective experience that depends on individual differences and can lead to both mental and physical illnesses (Gilmore and Williams, 2009). During times of stress, the bodies automatic hormone surge evades a persons rational thoughts in a similar if not more dangerous way to alcohol.

There is no evidence to support Ms Fluckiger's further argument that our cafe customers will stand outside My Creche to smoke. Furthermore, there is no direct point under the Protection of Children from Harm licensing objective, regarding children witnessing public smokers, of which we have no control as both 143 Crouch Hill and My Creche are located on a public footpath.

Litter (Please see Public safety & Prevention of Public Nuisance)

Munch Cafe Bar will have 1 doorway, which serves as both entrance and exit; this is located at the front of the premises, therefore 'policing' the relevant aforementioned points is in my opinion both manageable and financially viable to our business.

Finally, having worked previously in highly acclaimed establishments and events including The Royal Ascot and The Savoy Grill Gordon Ramsay, my continued good standing is now reliant on Munch Cafe Bar following the licensing objectives. Munch Cafe Bar is an independent business and after much investment we hope to co-exist with neighbouring businesses and the community.

Subject: Proposed New License to sell Alcohol at 143 Crouch Hill, N8

Dear Sirs

I would like to make representations against the granting of a license to sell alcohol in the premises Munch Cafe & Bar at 143 Crouch Hill, N8.

My name is Jane Fluckiger, and I am a Director of My Creche Ltd., a childcare facility offering short term drop-off on-site childcare, as well as full day childcare like a more traditional nursery. It is an established business located next door to the proposed new premises. My address is 143a Crouch Hill, London, N8 9QH. We have been open for business approximately 18 months, and we currently employ 7 Haringey residents to staff the business.

It is worth noting the premises the license is applied for currently has planning for A1 purposes. The intention displayed on the brief information included in the license application would require A3 or A4 classification. It doesn't appear the planning change of use has been applied for yet, contrary to the advice given in 9.3 of the Statement of Licensing Policy for Haringey Borough, so it is hard to know precisely what sort of venue they are proposing. It is also noted that in making applications this way round, the proposed licensee is effectively keeping their cards very close to their chest regarding what kind of drinking establishment they propose, making specific representations difficult.

However, despite these inherent and probably deliberate difficulties, I would like to make representations as follows:

Prevention of Crime and Disorder

-

It is very hard to prevent disorder when people are drinking. Our decorations outside the venue are pulled down on a regular basis by drunk people passing and jumping up to see if they can grab the decorations. I have personally witnessed this on more than one occasion. Having people drinking

directly next door will increase the risk of disorder and the associated criminal damage that occurs when people drink. There is no council CCTV coverage of the area to deter such damage or provide evidence of the perpetrators.

Public Safety & Prevention of Public Nuisance

-
People congregating smoking outside will be constantly in the way of buggies dropping off and collecting babies and children. When we have baby classes, 12 babies and parents arrive at once and then leave at once half an hour later. This would be extremely hard to manage with a load of smokers loitering on the pavement outside our premises, and would be unpleasant for our customers.

Protection of Children from Harm

-
Drunk people and children don't mix. The venue is requesting a license for daytime drinking from 10am, which is inappropriate next to a venue with children coming and going all day. Alcohol is a well documented to lower inhibitions (Filmore & Vogel-Sprott), so any customers who may be a danger to children would present more of a risk if drinking next door to a childcare facility. It is also well documented that alcohol is a factor in recidivism in child abuse offending (Hanson & Bussiere). Whilst not wanting to be paranoid, if a sex offender can legitimately drink next door to a venue with a high traffic of young children going in and out, it would logically be the bar of choice for a relapsing offender seeking young children. This is one reason bars aren't usually located next door to schools or nurseries.

Having a bar serving alcohol next door will inevitably mean smokers congregating outside the venue. It is an inappropriate venue for a bar, not only in its proximity to a childcare facility, but also in that there is no outside space to the rear of the premises to allow for smoking. Therefore, children leaving the childcare facility will be subjected to a constant second hand smoke hazard. The proposed venue has a very slim shop frontage, and shares a wide doorway with the flats above the entire parade of shops. People in the 8 flats above are constantly coming and going, so the smokers will inevitably congregate outside our business, exposing children to smoke as they arrive and leave, and to seeing people smoking on a regular basis, which is not the example parents would want their children to see.

There is also an ongoing problem of litter in the street outside our business premises which Haringey Council has been unable to resolve; foxes rip open bags of rubbish put out by the residents in the flats above our premises, and the street cleaners aren't rostered to come until 5pm to clean Crouch Hill. Therefore, rubbish currently sits on the street all day despite repeated complaints to the Council over the past 15 months. If the venue next door is granted an alcohol licence, there will be the added hazard of broken glass from dropped drinks and bottles outside the venue (from smokers

congregating outside), not to mention vomiting, urination and cigarette butts, which again will not be cleared up until 5pm each day. This will provide a real and dangerous hazard to toddlers leaving our childcare facility, as toddlers fall over a lot, exposing them to both physical hazards of broken glass, and biological hazards of urine and vomit.

This is an unmanageable risk if you grant a license, as even licensing conditions such as 'no drinks to be taken outside' are meaningless unless policed. This cannot be effectively controlled without dedicated door staff, and the venue is far too small to support door staff, both financially and space-wise, and particularly during the day.

It is also noted that whilst license holders are encouraged to sweep up outside their own venue, it cannot be relied on that staff will sweep up to a sufficient standard to ensure there are no remaining fragments of glass to injure the children who fall over or steady themselves on the floor every day, multiple times, outside our childcare facility.

I don't think any of the grounds for representations made above can be addressed by licensing conditions, so I stridently oppose the granting of a license to sell alcohol during the day at 143 Crouch Hill.

Yours sincerely

Jane Fluckiger

Subject: application for planning permission for 143 Crouch Hill
Attachments: planning notice.jpg; recessed entranceway to 143.jpg; entrances to 143 Crouch Hill.jpg
Categories: Purple Category

To Whom It May Concern,

I wish to make a recommendation for refusal for planning permission for the Munch Cafe and Bar at 143 Crouch Hill, N8.

I have been a resident in the block of flats above this premises for over 30 years. My children have grown up here and the block of 6 flats has three families with young children currently. Over the years, the holders of the leases below us have been a garage showroom, a bike shop and now a nursery and tile shop. This has been entirely suitable for our lives here however the prospect of a cafe and bar would have a great impact on the safety and comfort of our lives. Many of the objections below relate to the proximity of the proposed entrance to the cafe bar and our entranceway. They are adjacent, at direct right angles to each other. I will enclose two photographs of this.

Prevention of Crime and Disorder

My flat has been broken into three times over the last 20 years, two of these in the last decade. Part of the safety of the building, given that the access door is on a main road, is the fact that the entranceway is recessed and previous tenants of the ground floor properties know us and are aware of strangers who might enter the building. This privacy would be compromised with public access directly next to our entrance. Our entranceway becoming an entrance to a cafe bar would substantially reduce our security.

Public Safety & Prevention of Public Nuisance

As mentioned above, the door to this space opens outwards. As you walk out of our door you run the risk of walking straight into another open door. There is no space in between to avoid injury. As the bike shop and before this, the parts department of the garage, used this space as part of their shops, this entranceway was not used and has never been a risk before. This is unsafe for anyone at any age, but particularly so for the young children who live in this building.

The noise during the day and night that this business would necessarily entail would make our lives miserable. I am a writer and work from home during the day and value the fairly quiet evenings we have here. The noise from a cafe during the day would interrupt my working day and the music in the evening would mean no peace at all. I am especially concerned for my neighbours with young children.

As the venue is requesting a license for daytime drinking from 10am, this has an additional impact on our security and sense of safety. Needless to say many will be responsible drinkers however this is of course, not universal and the prospect of shouting, vomit or the simple loitering outside is an extremely unpleasant prospect. I do not wish to have to squeeze past groups of people in order to enter my home.

The litter collection for this block is terrible. Several times a week we have our rubbish strewn over the pavement all the way down the street. This is a public safety issue and it should be noted that this proposed cafe bar would only add to the volume of rubbish.

Cafes and bars also mean smokers outside the building. My main window overlooks the street and I have it open in the warmer months. This would obviously mean I would need to keep my windows closed both for the smoke and noise, making it very unpleasant in the warmer months.

Protection of Children from Harm

In this block of flats we have a baby, two children under 5 and an 8 year old. They have friends and families visiting and the entranceway is necessary for pushchairs as they take their children by hand upstairs before collecting the pushchair. I frequently have bags of shopping which I need to take up in turn. For any of these activities the tenants must keep the entrance door ajar. There is not room for an entrance to both a cafe bar and a busy block of flats as will be obvious from the enclosed photograph.

In closing, it is important to note that the only notice for this planning application is a letter placed high above posters advertising concerts and events. It is almost impossible to read and I enclose a photograph of this. None of our neighbours or the those opposite, which includes a cafe knew anything about this application. We have an inordinate number of cafes and bars in Crouch End. The Blue Legume is opposite 143 Crouch Hill and there are two bars minutes away.

This cafe bar would seriously impact on the security and peace of our homes. I strenuously object to this proposal and the failure of the applicants to respectfully notify those affected by it.

Sincerely,

Jocelyn Cunningham

Subject: Residential representation- Proposed new license to sell Alcohol at 143 Crouch Hill ' Munch Cafe Bar'

To whom it may concern,

I have been a publican and lived above pubs for 10 years. The reason I moved to the flat at 143 crouch hill was because for the last 7 years I have lived above the Railway Tavern in Crouch Hill. I have a 6 years old son and I know due to first hand experience that it is the wrong environment for a child.

In my experience when there is alcohol being sold it is very hard to control noise, very hard to control people who stand outside smoking and drinking. I have not moved to this flat to hear people getting drunk, swearing, not able to open my windows because the smoking outside just filters in and let alone the broken glass and spilt drinks that will be a hazard on the pavement.

The door to the cafe is next door to my front door. Right next door... The hinges touch my front door door frame. I don't want to have to push past people drinking or smoking to get to my front door especially with my 6 year old child. It's bad enough that when I walk down the pavement there are smokers outside the Haringey Arms and if you cross over the road then you have the same problem with Weatherspoons. So now outside my front door too??? You can guarantee that if it is raining that's where they will be standing!!!! I moved here in April 2015 to get away from the hectic life of pubs and alcohol. And kicking out time... No one pays attention to signs that read "please respect the residents" ... Who reads when they are drunk????? I know, and if you ask them to be quiet it makes no difference. Even when staff leave, they can be just as bad, as no one really realises how much voices travels. I am totally against this proposal, public nuisance and the safety of my child. If that door doesn't get shut properly due to someone's guest leaving it is left open for opportunists, and believe me, I've had people break into my flat above the pub where I lived because with alcohol comes that dare devil attitude.... Strangers wondering around my stairway??? No thank you.

I know by first hand experience, what goes hand in hand with the selling of alcohol... From carelessness from bar staff who continue serving drunk people who then vomit outside... It just goes hand in hand with the job and we haven't even brought up lock ins. Nobody is perfect including me And I hold a personal license. We all do our best to train our staff but we can't always be there 24/7, there are always slip ups!!!

So with all my first hand experience as a publican, being a mother and moving to this property to get away from that Lifestyle I am against the granting of a license to sell alcohol at the premises Munch Cafe Bar at 143 Crouch Hill.

Yours Truly

Vanessa Hartley.

Subject: re. Objection to the planning permission for the Munch Cafe and Bar at 143 Crouch Hill, N8

Dear Sir/ madam

I am writing to you today to make a recommendation for refusal of the planning permission for the Munch Cafe and Bar at 143 Crouch Hill, N8.

To be clear I'd like to say that in principal and under certain conditions (i.e, approached in the right way with consideration for the residents. no music/ alcohol/ late license, etc) I do not have an objection to a cafe below me, but the way that this has been handled by the would be business owners and letting agent so far leaves a lot of to be desired. Also, there are a number of privacy/ safety issues which have not been addressed by either the would be business owners or letting agent, which I will elaborate on later in this e-mail.

Firstly, I'd like to highlight the notice for the planning application. It is a letter placed on the premises high above posters advertising concerts and events, is **EXTREMELY** far from eye shot & almost impossible to read. On purpose I think. None of the residents/ local business were notified in writing of this application (which I believe is the correct protocol), meaning that none of our immediate neighbours or those opposite knew anything about this application. It was by chance initially that one of the residents noticed it. To make matters worse, the application has recently been changed and a new notice put in the **SAME** place. It was only by chance again that a few days ago one of the neighbours noticed and informed the rest of us. So, twice, this notice has been 'delivered' (if you can call it that!) in a very sneaky and underhand way. Quite frankly, if this is the attitude of someone trying to conduct business that will directly affect me, I would prefer they not conduct **ANY** business in my proximity. Surely common decency and sense would dictate that if you want to open a business where people reside/ work, it would a very smart thing to get them onside from the off. No???

Below are a number of points concerning the privacy/ safety issues as aforementioned...

Prevention of Crime and Disorder

Our entrance way also becoming an entrance to a cafe/ bar would substantially reduce our security, given that if this application was to go through we would share our entrance. Literally anyone could enter the building. Also, the entrance way is recessed and is not what I'd exactly call 'sizeable' and this will certainly cause access/ safety issues as well, given that families with young children reside in the building and are constantly in and out. Also, our privacy would be compromised with public access directly next to our entrance.

Public Safety & Prevention of Public Nuisance

The door to the potential cafe space opens outwards, so as you leave our building, one runs the risk of walking straight into another door. There is no space in between to avoid injury. As the bike shop and before this & the parts department of the garage prior to that used this space as part of their shops, this entrance way was not used and has never been a risk before. This is unsafe for anyone at any age, but particularly so for the young children who live in this building.

The noise during the day and night that this business would generate would not be ideal to my business either. I am a Reiki Practitioner and work from home and I highly value the quietness we have here. The noise from a cafe during the day would interrupt the harmonious environment necessary for my practice. And if they were granted license for music and alcohol, the evening noise would severely impair me from doing the treatments that I often do for people after office hours. Not only this, 2 of my neighbours who live directly above the space have small children, and music & alcohol every night would have a severely negative impact on their lives.

Cafes and bars also means smokers outside the building. Meaning more litter and more noise.

As the venue is requesting a license for daytime drinking from 10am, this has an additional impact on our security and sense of safety. Needless to say many will be responsible drinkers, however this is of course not universal and the prospect of shouting, vomit or unknown people loitering outside is an extremely unpleasant prospect. Also, I do not wish to have to squeeze past groups of random people in order to enter my home.

Lastly on this point, the litter collection for this block is terrible. Several times a week we have our rubbish strewn over the pavement all the way down the street. This is a public safety issue and it should be noted that this proposed cafe bar would severely add to the volume of rubbish.

Protection of Children from Harm

In this block of flats we have a baby, two children under 5 and an 8 year old. They often have friends and family visiting and the entrance way is necessary for pushchairs as every time the residents enter the building they take their children by hand upstairs before coming back downstairs to collect their pushchairs, shopping, etc. To do this means the tenants must keep the entrance door ajar, which highlights a HUGE security issue. More importantly, unless construction work is done to the building to make the entrance to a cafe at the very front, there is not nearly enough room for an entrance to both a cafe bar and a busy block of flats. It's as simple as that.

To summarise, a cafe/ bar of this nature would seriously impact on the security and peace of our homes and I strenuously object to this proposal.

Johnny Worman

Subject: Munch cafe bar licence application refusal /143 crouch hill

London, 22/06/2015

To whom it may concern,

I'm Anna Malmon, resident of 143 flat 1 Crouch Hill Mansions with my two children age 6 and 3 years old. Living here has been fairly good in regards of safety and public order, our neighbours are all very respectful lovely people that are also family oriented which make us (me and kids) feel safe and really happy to be here. However, recently I've been informed by one of our neighbours that someone is planning to open a "Café Bar" downstairs that will be serving alcohol, hot meals and also the ludicrous idea of holding parties with music and alcohol throughout the night, which is more of an insult really to everyone living in this residential building. I totally oppose the idea and finding pretty difficult to understand why someone would try to do such business at this A1 premises. Furthermore, my children are attending to Coleridge nursery and primary school, which means bed time routine, in other words, 8 o'clock kids are already asleep. Therefore, the idea of having a "night party" like business would not only impact with my kids sleep routine but also their ability to perform well and socialize at school which I'm not prepared to compromise on.

As we all know, alcohol is one of the biggest initiator of public disorder and quite often destroying families and wrecking friendships altogether, and the idea of having one more venue in Crouch End dealing alcohol and especially right at our door step is the last thing any sane person would prize. Moreover, the flats only entrance is right beside the shop entry door within a narrow entry hall; this alone is a huge concern for us all as we don't want to ask, hesitate or squeeze our way in or out of our homes.

When it comes to noise, it's eminent that there will be a considerable amount of noise pollution coming directly from below towards my flat as a whole, the A1 premises is located right underneath my kids bedroom and living area, and on few occasions when there was still a bike shop, I had to kindly ask the guys working to get their talks down as it sounded as if they were holding a conversation inside my flat. So, try to imagine late events with people queuing up, smoking, talking loud and getting intoxicated. Moreover, the shop

has not got running water, toilet, fire exit, adequate flooring/ceiling, electrics, kitchen, extractor fan and that is just to name few of the many existing problems to be addressed.

Finally, we, residents of 143 Crouch Hill Mansions and also the majority of our close neighbours strongly oppose the business proposals and hoping that this rather intrusive business never comes to happen within our premises.

Kind Regards

Anna Malmon

Subject: Residential Representation- application for planning permission for 143 Crouch Hill. Munch cafe and bar.

To whom it may concern,

I am writing to you again in complaint to the proposed Munch cafe and bar, 143 Crouch Hill N8. I wrote a letter to you and sent it recorded delivery to complain about the go ahead of this bar. I am now having to write another letter because the application has now changed. I would like to say that this is rather sneaky and underhand to way the new application has been put in exactly the same place as the old one. The only reason why any of the neighbours in Crouch Hill Mansions knew about the changes is because I spotted that the date was different and read the notice again. Why couldn't it have been placed on the door of the shop so we could all see it?
I have lived in this block for over 7 years and have 2 children. One 8 year old and one 10 old baby.

PREVENTION OF CRIME AND DISORDER

As there will be shared access to both buildings there is an increased risk of unknown people entering our building. I have to leave my pram outside to carry my baby to my flat at the very top, which means that the main door is left open and my pram is left unattended. We also have to leave the door open for any shopping that we have to carry upstairs.

PUBLIC SAFETY AND PREVENTION OF PUBLIC NUISANCE

I feel that we will have people smoking in the covered bit where the entrance and exit it. When it rains and is cold people will stand there. Putting notices up and asking people to not smoke there will not stop people from doing this. People have a free will and will do as they please. I don't not want to be walking through smoke with my children every time I enter or exit my property. Or having to ask people to move!
Since people will be drinking the volume will increase, this is from morning to night, I have to small children that go to bed early and I leave my windows open so the noise will travel. My daughter's bedroom is on the outside and this will disturb her sleep. I also do not wish to encounter drunk people which will be frightening to myself and my children.
I have a baby and I have to leave my pram at the bottom of the stair and in front of the doorway while I take her upstairs and then have to come back down to collect it. I have no choice in this matter and there is nowhere else to leave it. I cannot leave it on the street as it may get stolen. I have no choice in the matter and I shall not be able to move it. So this shall be blocking the doorway until I can come back and collect it.
I am also concerned that there is no emergency exit to the property as there is only one door. What will happen to the people in the bar if there is a fire? There is also no access for wheelchairs to enter and exit the bar. I also understand that there is no toilet or running water either.
I think having music even if it is recorded will still cause a problem as it will disturb all of us who live here. Especially those of us who have families.

PROTECTION OF CHILDREN FROM HARM

I do not feel that it is safe to have my children living above a bar with loud music and people getting drunk, which can lead to them being violent. I did not choose to live above a pub with my children so I do not want to live above a bar and should not feel that I have to move. My children love where they live and should have the right to feel safe in their own home shouldn't they?

This bar will impact on both my children's sleep and also my 8 years old wellbeing as she has to be well rested to go to school and also able to concentrate both in school to do her work and at home for her homework. In her own words she said "mummy I don't want a bar downstairs, it will be too loud,".

This cafe/bar does not benefit anyone. We have 2 pubs on Crouch Hill a few minutes from this proposed one and a cafe directly opposite it too.
Please do not let this bar go ahead it really will make all our lives hell.

Regards,
Sarah Titchfield and family.
