Report for: Licensing Sub Committee 20th October 2016

Item number:

Title: Application for a new Premises Licence: Firat 1- 38 Bounds Green Road London N11

Report authorised by : Daliah Barrett-Licensing Team Leader – Regulatory Services.

Ward(s) affected: BG

Report for Key/
Non Key Decision: Not applicable

1. Describe the issue under consideration

1.1 This report relates to an application for a new premises licence at the above named premises. The application seeks the following:

Details of the application are as follows:

Supply of Alcohol	
Sunday to Thursday	0800 to 0000 hours
Friday to Saturday	0800 to 0100 hours

For consumption OFF the premises

Hours open to the public	
Sunday to Thursday	0800 to 0000 hours
Friday to Saturday	0800 to 0100 hours

1.2 The Premises is a supermarket that is known to the Local Authority through enforcement action taken by Trading Standards for stocking and supplying illicit alcohol and tobacco products found on sale at the premises. The owners of the business Mr I Erdogan remains the sole director and has been in this position since 2013. The former DPS Mr Hasan Erdogan will also still be part of the day to day operation of the business.

Mr Olmez has applied on their behalf to facilitate the possible grant of a licence due to the fact that Mr Hasan Erdogan had previously submitted an application that received representations questioning his ability to promote and uphold the licensing objectives.

The application form and plan is attached as Appendix 1.

1.3 Representation has been received from:

Trading Standards
Metropolitan Police
Licensing Authority

This page is intentionally left blank

Public Health

These are attached as Appendix 2

2 Recommendations

There is no recommendation, but in considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the variation as requested
- Grant the variation whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

2.1 Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

3. Background

3.1 During the consultation period representations were received from the Responsible Authorities. Officers have concerns over the ability of the operators to comply with the law in selling alcohol and or tobacco that has been duty paid from the premises. Mr I Erdogan is the director of the company and has been in this position since 2013. Mr Hasan Erdogan remains as an employee in the business. The premises were found to be selling illicit goods and this matter is now subject to court proceedings. The premises was also operating under a a lapsed licence since 2014 when the then licence holder had died. The legislation allows for 28 days following that death of a licence holder for any action to be taken to secure the licence from falling away. The Licensing Authority were not informed of this until recently. Mr Olmez has been brought in to facilitate the grant of a premises licence but he himself has no signed agreement or lease on the business.

4. Policy Implications

4.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

4.2 Equalities impact

At the time of writing this report there were no implications for equality and diversity. Any decision taken by the Licensing Sub-Committee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

5. Other considerations

5.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- o Article 8 – Right to respect for private and family life.

- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

Subject: FW: FIRAT 1 38 BOUNDS GREEN ROAD N11

Dear Sirs,

The Licensing Authority is making representation in regard to the application for a new Premises Licence for Firat 1 Supermarket, 38 Bounds Green Road London N11. The Licensing Authority has serious concerns over the management practices put in place at the premises in the past. Whilst we note that the current applicant has put himself forward in order to assist Mr Erdogan in obtaining a Premises Licence to offer alcohol sales our concerns still exist as to the management practices that will be used at the premises which is still owned by The Erdogan family. We are aware that the director of the company under which the supermarket operates is Mr Irfan Erdogan. Mr Irfan Erdogan was appointed as sole director of the company in October 2013 and remains in this position. He was also interviewed by the Trading Standards Officer in May 2016 following the disclosure of the systematic practice of obtaining smuggled cigarettes and alcohol for sale within the premises. A copy of the officers statement is attached.

We believe that this is an attempt to circumvent the process to approve a licence to Firat 1 Supermarket under Mr Olmezs' name when in fact the Erdogans will still be the people in control and operating the business.

We know that Mr Irfan Erdogan has been in control at all times and that he has shown a disregard to the law and the Licensing Authority. When found committing offences and the livelihood is put at risk they then choose to find others willing to act for them as licence holders/DPS's. The goods were hidden away showing an attempt to deceive the authorities and acknowledging the crime committed in doing so. The potential is there for the same practices to continue at the premises.

There are no assurances within the application that Mr Irfan Erdogan or Mr Haydar Erdogan will not be part of the day to day operation and management of the premises. When officers visited the premises on 9th September 2016 Mr Haydar Erdogan was the sole person on site managing the shop.

The Licensing Authority needs to ensure that it is satisfied with the ability of the premises licence holder and the designated premises supervisor in operating in a manner that will uphold and promote the licensing objectives.

Dear Mrs Barrett

Please see my objection below relating to Mr Haydar Erdogan the original applicant for a Premises Licence at Firat1 Supermarket, 38 Bounds Green Road N11 2EU. That application was withdrawn and a new one submitted for the venue by Mr Ali Olmez. I met Mr Olmez on Wednesday 28th September 2016 at 1010 hours at Alexandra House, 10 Western Road N22. He was accompanied by Miss Yuksel Uyran from Narts Licensing Consultants.

I asked if Mr Olmez was aware of the history of the venue with relating to the Premises Licence lapsing. He seemed unsure so myself and Yuksel explained. We discussed his application for about 15 minutes and during that time Yuksel translated for us. I expressed concern on a couple of occasions that Mr Olmez was relying on Yuksel to translate my words and his response. With regard the application it appears Mr Olmez owned a similar business in Stroud Green Road N4 which he recently sold and was looking for work in an Off Licence. Haydar Erdogan comes from the same village as him and contacted him about taking over the Premises Licence at Firat 1. Mr Olmez informed me that he was a responsible retailer who wished to continue in the Off Licence business and is concerned about his reputation and would never allow any activity that would damage that reputation which he wishes to preserve for further business ventures. He stated he has told Haydar he would leave the venue if he discovered any illegal activity.

I asked if Haydar's brother Irfan Erdogan was still the director for the business and he confirmed he was but is out of the country at the moment. I asked if Mr Olmez had purchased the company / venue and was told he had not and was an employee. I asked about Mr Olmez's terms of employment at the venue particularly if he had a contract. He told me had a verbal contract. I asked about the hours he would be at the venue and he said mostly the early shift from 0800 to 1700 / 1800. I asked if Haydar would be working at the venue and was told he would but not serving customers but would be helping out at the venue as he owns it.

I explained to Mr Olmez that whilst I had no reason to doubt his sincerity I was concerned that he was an employee at the venue with only a verbal contract and that Haydar and his brother were still in charge and he was not in a position to control their activities. He reasserted he would leave the venue if there were any illegal activities. I pointed out he would only be at the venue until 1700 / 1800 and could not control activities after those hours. I expressed concern that whilst the Premises Licence and DPS would be in his name the venue would still be owned and controlled by Haydar and Mr Olmez could be dismissed at any time. I have previously expressed concern about the way Haydar had controlled the premises and do not consider this applicant can control activities at the venue until 0100 hours Friday and Saturday and 0000 the rest of the week. I urge the Committee to refuse this application as I consider Haydar and Irfan Erdogan would still be in total control of the venue as previously.

Subject: RE: Application for a New Premises Licence - Firat Supermarket, 38 Bounds Green Road, Wood Green, London, N11 2EU (WK/360271)

Dear Mrs Barrett

The Metropolitan Police are making a representation in regard the application for a New Premises Licence for Firat 1 Supermarket, 38 Bounds Green Road N11 under Crime & Disorder. Whilst my dealings with this venue have been limited, see attached statement, I have noted the actions of Trading Standards with regards recent seizures of large amounts of illegal tobacco that was hidden at the venue. I note on the 10th May 2016 visit where illegal tobacco was found behind the counter that Mr Haydar Erdogan, venues DPS, denied all knowledge and blamed the staff member behind the counter. Other recent seizures support my view that Haydar Erdogan is either involved in the large scale sale of illegal goods from his venue and not answering Trading Standards officers question honestly or he is grossly incompetent in ensuring the venue is operating in a legal manner. The fact that different members of staff are behind the counter when seizures are made suggests that either most / all his staff are involved in the illegal activities and he is still unaware or that he is fully aware of these activities. Either way he does not appear a competent person to hold a Premises Licence or be a DPS.

When I liaised with Haydar Erdogan on Friday 29th July 2016 he assured me that he was the Premises Licence holder and made reference to a Premises Licence dated 2006 which had been produced to me to support this. Evidence from Haringey Council Licensing makes it obvious this Premises Licence had been succeeded by a new one in 2012 removing Haydar as Licence holder and replacing him with his brother who had been deceased for some time. This version of the Premises Licence was not produced at the venue and Haydar denied all knowledge of it. I consider the production of the 2006 version of the Premises Licence an attempt to convince any visiting Police / Council Officers that Haydar was still the Premises Licence holder. I also note Haydar did not inform the Council of the Premises Licence Holders death which made the premises Licence void after 28 days so venue had been trading without a Premises Licence authorising alcohol sales.

Sale of alcohol and tobacco are a great responsibility and should be conducted under the authorisation of a person who is honest and competent and with a good knowledge of Licensing laws and practises. I consider Haydar Erdogan to be totally unsuitable to hold a Premises Licence or be a DPS at an Off Licence. I urge the Committee to refuse this application submitted by Mr Erdogan.

On Friday 29th July 2016 at 1240 I attended Firat 1 Supermarket, 38 Bounds Green Road N11 2EU. I was accompanied by Daliah Barrett, Haringey Council Licensing and Martin Hickey, Haringey Trading Standards. There was a Turkish male, Ozer serving behind the counter. I saw 2 males enter and purchase cans of beer before we liaised with him. The reason for the visit was to establish the current position with the venues Premises Licence holder Mr Hasan Erdogan. It is believed Mr Erdogan committed suicide in April 2014, we know he attempted it and we wished to confirm his situation. Ms Barrett liaised with Ozer asking where Hasan and Haydar Erdogan were. He told her he did not know a Hasan Erdogan but Haydar was at a wedding in Turkey and he was acting as DPS. Ms Barrett asked if Haydar had left written authorisation nominating him as acting DPS but no letter could be found only a Premises Licence dated 2007 which he produced. He phoned Haydar Erdogan the DPS and brother of Hasan. After Ozer had spoken in Turkish for a few minutes to Haydar I asked to speak with him and was handed the phone. I informed him who I was and confirmed he was Haydar Erdogan the DPS of venue. I told him I regretted asking him for some information but I had no choice in the circumstances and I asked him if his brother Hasan Erdogan had committed suicide in 2014. Haydar told me he had. I apologized for the unpleasant conversation and pointed out that as Hasan was deceased the Premises Licence should have been transferred to someone else and after over 2 years was no longer active. He told me he had been paying the licence fee of £180 for the last few years so he considered the licence to still be active. I asked who the licence fee request was addressed to and he said 'H Erdogan'. I pointed out both him and his deceased brother was 'H Erdogan'. He told me he had a Personal Licence and was running the venue. I explained the venue was not licensed to sell alcohol and hadn't been for 2 years. He told me Hasan was not the Premises Licence holder it was him. I told him the Premises Licence in the venue stating he was Premises Licence Holder was an old one dated 2007 and a new Licence was issued in November 2012 changing Hasan to the Premises Licence Holder. said he knew nothing about that and I said he must have signed the application to transfer the licence. He did not reply. I told him that the Premises Licence has been void since 2014 and the Council could seize all the alcohol offered for sale in the venue for unauthorized sale under the Licensing Act 2003 but would accept the alcohol being removed from the shelves and no further sales. Haydar told me he understood and would tell his member of staff to comply. I handed the phone back to Ozer. After he hung up I asked Ozer if he understood the situation and he told me he did. I told him any more alcohol sales would lead to him being prosecuted and he told me his father was a Off Licence owner and he knew the situation and would close the shop whilst he moved the alcohol into a rear store room and there would be no further sales. I confirmed the old Premises Licence was the only one he could find and he agreed. We left the venue.

Subject: Firat Supermarket - Premises Licence Representation

Dear Licensing team

CEH/TS REPRESENTATION

I have concerns about granting this license for the following reasons:

1. The person currently in control of the premises and named as the Registered Food Business Operator is Haydar Erdogan. He has been registered as the Food Business Operator since at least 2008.
2. Haydar Erdogan has a poor record of regulatory compliance. Most recently in July 2016 he was found to be operating a licensable activity without a current licence. The license was held in his (deceased) brother's name Hassan Erdogan.
3. Haydar Erdogan then applied for the License at this premises but his application was rejected as he is currently under investigation by the Trading Standards Team in relation to the following offences identified in May and July 2016:
 - " The Licensing Act 20013 - carrying on an unauthorised licensable activity and The Sale or Possession of Smuggled tobacco
 - " Tobacco Labelling and Related Products Regs 2016 - possession on the premises of foreign labelled tobacco products which did not indicate that UK duty had been paid, did not bare any of the warning pictures may be counterfeit.
4. Haydar Erdogan has been subject to previous action by the Trading Standards Team - 2 x simple cautions - 2011 counterfeit alcohol - Trades Marks Act 1994 and 2014 underage sale of cigarettes to a person under 18yrs - Children and Young Persons Protection from Tobacco Act 1991

5. Haydar Erdogan is still the Registered Food Business Operator - there has been no application for a change in ownership or management at this food business. It is therefore my belief that Haydar Erdogan will remain in control of the licensable activities despite the application for Mr Ali Olmez to become the Premises Supervisor and that Haydar Erdogan has demonstrated that he is not a responsible person and is unlikely to uphold the Licensing objectives.

Public Health representation relation to: Firat Supermarket, 38 Bounds Green Road, London N11 2EU

Haringey Public Health acts as the responsible authority under the Licensing Act 2003 and would like to make a representation against the application from Mr Ali Olmez.

The representation is made under the following licensing objectives

- Crime and Disorder
- Protecting Children From Harm
- Public Safety

The premises have not adequately demonstrated their commitment to uphold the licensing objectives, particularly relating to the prevention of crime and disorder, public safety and protecting children from harm.

Background :

Haydar Erdogan is still the registered Food Business Operator, who has a poor record of regulatory compliance. Haydar Erdogan is currently under investigation in relation to the Licensing Act 2003 for the sale or possession of smuggled tobacco and the Tobacco Labelling and Related Products Regulations 2016 for possession of foreign labelled tobacco products which do not indicate that UK duty has been paid. Furthermore Haydar Redogan also received cautions in 2011 for Counterfeit alcohol and in 2014 for the underage sale of cigarettes.

The Licensing Authorities approach to the supply of illicit goods is set out in the Haringey Statement of Licensing Policy at paragraph 58. It states that where illicit goods have been found it is considered as poor management and has the potential to undermine the licensing objectives.

Crime and disorder:

The findings above are of significant concern from a public health perspective in terms of the prevention of crime and disorder. The sale of non-duty paid tobacco, non-duty paid and counterfeit alcohol constitute illegal activity, in direct contradiction to a commitment to the prevention of crime and disorder.

The area surrounding the premise is also the 5th highest of 69 roads for Public Order offences with 4 reported between August 2015 and July 2016. To put this into context, 52 of the 69 roads had 2 Public Order offences during the same period (Police UK, 2016).

From January 2016 to September 2016, there were 90 ambulance attendances to night time violence in the Bounds Green ward in which the premise is located. This is compared to a Haringey ward average of 45 ambulance attendances to night time violence. During the same period, there were 136 recorded domestic abuse offences in the Bounds Green ward in which the premise is located. This is compared to a Haringey ward average of 121 domestic abuse offences. Alcohol is known to exacerbate the likelihood of night time violence and domestic abuse offences (GLA datastore, 2016).

Public Safety

From a public safety perspective the findings are of significant concern. Legally produced and certified alcoholic drinks are made with ethanol – alcohol which is safe to drink in moderation. Counterfeit alcoholic drinks can be produced using cheaper types of alcohol which can have serious adverse health effects. Commonly used substitutes for ethanol include chemicals used in cleaning fluids, nail polish remover and automobile screen wash, as well as methanol and isopropanol which are used in antifreeze and some fuels. Drinking alcohol containing these chemicals can cause nausea and vomiting, abdominal pain, drowsiness and dizziness. This can also lead to kidney or liver problems and even coma. Methanol, the substance which has been found in fake vodka can cause permanent blindness.

Protecting Children from Harm

There are 5 schools within 500m of the premise, including an infant's school, primary school and children's centre within 150m of the premise. Beyond contributing to the normalisation of alcohol for school children visiting the premise, the applicant's previous history of illicit alcohol and tobacco supply flags up issues of safeguarding regarding sales to underage children.

Recommendation:

Haydar Erdogan is still the registered Food Business Operator. As there has been no change in management or ownership of Firat Supermarket Public Health recommends that the application for the supply of alcohol by Mr Ali Olmez is refused as it is likely Haydar Erdogan will remain in control of licensed activities and is unlikely to uphold the licensing objectives in relation to Crime and Disorder, Public Safety and Protecting Children from Harm.
