14. TO CONSIDER THE FOLLOWING MOTIONS IN ACCORDANCE WITH COUNCIL RULES OF PROCEDURE NO. 13

Motion B: Grenfell Tower and fire safety in Haringey

Proposer: Cllr Bob Hare

Seconder: Cllr Liz Morris

This Council is very concerned by the events at Grenfell Tower and offers it condolences to those who lost family members and loved ones in the fire.

This Council notes that since the fire, the cladding in many tower blocks across the county have failed fire safety and flammability tests.

This Council also notes with concern that at least five tower blocks in Haringey also have faulty cladding and welcomes the steps taken by Newlon Housing Association to make the buildings safe for residents.

This council commits to acting promptly to any relevant recommendations from the forthcoming public inquiry into the Grenfell Tower fire.

This Council also commits to ensuring that every building built and maintained by the Council, Homes for Haringey and the Haringey Development Vehicle:

- Does not have flammable cladding
- Meets all fire safety requirements and building regulations
- Has working fire and smoke alarms
- Has appropriate fire safety measures, such as fire escapes and sprinklers

This Council also commits to ensuring that all schools in the borough have working fire/smoke alarms and sprinkler systems.

This Council calls on the Conservative Government to strengthen building and fire regulations and to ensure that in future, fire checks of buildings are completed by the Fire Brigade.

Motion C: International Holocaust Remembrance Alliance definition of antisemitism

Proposer: Cllr Claire Kober

Seconded: Cllr Gail Engert

This Council expresses alarm at the rise in antisemitism in recent years across the UK. This includes incidents when criticism of Israel has been expressed using antisemitic tropes. Criticism of Israel can be legitimate, but not if it employs the tropes and imagery of antisemitism.

This Council therefore welcomes the UK Government's announcement on December 11th 2016 that it will sign up to the internationally recognised International Holocaust Remembrance Alliance (IHRA) guidelines on antisemitism which define antisemitism thus:

This Council notes that:

Antisemitism is a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities.

To guide IHRA in its work, the following examples may serve as illustrations:

Manifestations might include the targeting of the state of Israel, conceived as a Jewish collectivity. However, criticism of Israel similar to that levelled against any other country cannot be regarded as antisemitic. Antisemitism frequently charges Jews with conspiring to harm humanity, and it is often used to blame Jews for "why things go wrong." It is expressed in speech,

writing, visual forms and action, and employs sinister stereotypes and negative character traits.

Contemporary examples of antisemitism in public life, the media, schools, the workplace, and in the religious sphere could, taking into account the overall context, include, but are not limited to:

- Calling for, aiding, or justifying the killing or harming of Jews in the name of a radical ideology or an extremist view of religion.
- Making mendacious, dehumanizing, demonizing, or stereotypical allegations about Jews as such or the power of Jews as collective — such as, especially but not exclusively, the myth about a world Jewish conspiracy or of Jews controlling the media, economy, government or other societal institutions.
- Accusing Jews as a people of being responsible for real or imagined wrongdoing committed by a single Jewish person or group, or even for acts committed by non-Jews.
- Denying the fact, scope, mechanisms (e.g. gas chambers) or intentionality of the genocide of the Jewish people at the hands of National Socialist Germany and its supporters and accomplices during World War II (the Holocaust).
- Accusing the Jews as a people, or Israel as a state, of inventing or exaggerating the Holocaust.
- Accusing Jewish citizens of being more loyal to Israel, or to the alleged priorities of Jews worldwide, than to the interests of their own nations.
- Denying the Jewish people their right to self-determination, e.g., by claiming that the existence of a State of Israel is a racist endeavour.
- Applying double standards by requiring of it behaviour not expected or demanded of any other democratic nation.
- Using the symbols and images associated with classic antisemitism (e.g., claims of Jews killing Jesus or blood libel) to characterize Israel or Israelis.
- Drawing comparisons of contemporary Israeli policy to that of the Nazis.
- Holding Jews collectively responsible for actions of the state of Israel.

Antisemitic acts are criminal when they are so defined by law (for example, denial of the Holocaust or distribution of antisemitic materials in some countries). Criminal acts are antisemitic when the targets of attacks, whether they are people or property – such as buildings, schools, places of worship and cemeteries – are selected because they are, or are perceived to be, Jewish or linked to Jews.

Antisemitic discrimination is the denial to Jews of opportunities or services available to others and is illegal in many countries.

This Council welcomes the cross-party support within the Council for combating antisemitism in all its manifestations.

This Council hereby resolves to adopt the above definition of antisemitism as set out by the International Holocaust Remembrance Alliance and pledges to combat this pernicious form of racism.

This Council also condemns all forms of racism, islamophobia, homophobia and sexism and we commit to fighting against them.
