18. TO CONSIDER THE FOLLOWING MOTIONS IN ACCORDANCE WITH COUNCIL RULES OF PROCEDURE NO. 13

Motion D: Crown Post Offices

Proposer: Cllr J Mann

Seconder: Cllr Elliott

Over the course of a year, the Post Office announced the franchise (privatisation) of 99 Crown Offices in 3 "Tranches".

Tranche 1 – January 2016

39 Crown Offices to be franchised

3 actual closures

The proposed franchised Crown Offices in tranche 1 include those in Crouch End and Muswell Hill.

Tranche 2 – July 2016

A further 40-50 Crowns to be franchised which could include other Haringey offices.

Tranche 3 – January 2017

37 Crown Offices to be franchised

Altogether placing up to 1,000 Post Office employee jobs at risk.

This Council believes:

- Closure and franchising of our High Street Crown Post Offices is detrimental to our local communities.
- The plan to move Post Offices into shops such as WH Smiths will mean a worsening of services, a potential loss of experienced staff and a possible deterioration of workers conditions such as pay and pensions.

This Council resolves:

- To support local residents and community groups and businesses, the Communication Workers Union and other relevant local unions' who are campaigning to save the Haringey Crown Post Offices and helping to protect decent local jobs.
- To write to Margot James, Department for Business, Energy and Industrial Strategy Minister stating the council's opposition to the Crown Post Office closure and franchising programme.
- To write to local MPs informing them of our position and encouraging them to oppose the Crown Post Office closure and franchising programme.

Motion E: Tackling Moped Crime

Proposer: Cllr Morris

Seconder: Cllr Newton

This council believes that the Labour Mayor of London should be doing more to tackle the scourge of moped crime on Haringey streets.

This council notes that:

- thieves on scooters and pedal cycles are committing up to 50,000 criminal offences in London each year
- thefts involving mopeds or motorcycles are currently running at 13,000 over the past 12 months, a 41% increase over the previous period

This council also notes that:

- there has been a significant increase in moped crime in North London and in particular in Haringey, Camden and Islington, with a huge rise in phone and handbag snatches by moped gangs
- police statistics show that between February and March, Haringey saw a 21% rise in "theft of person" crimes
- that gangs have stepped up the level of violence, with the use of hammers, acid and other weapons
- that a number of local residents have been seriously injured by moped gangs stealing property
- This council is concerned that:
- a moped gang attacked Gail's bakery on Highgate High Street, smashing the windows with a hammer, stealing property and injuring a resident
- a moped gang attacked a delivery driver in Tottenham where the victim had a corrosive substance sprayed in his face
- a moped gang forcibly entered a restaurant in Crouch End and tried to steal a laptop

This council is further concerned that the Labour Mayor of London has recently chosen to close Hornsey police station and Wood Green front counter, leaving only 1 police station open in the entire borough.

This council believes that it is unacceptable that Muswell Hill, Alexandra, Fortis Green, Hornsey, Crouch End, Stroud Green, Highgate and Wood

Green wards will be left with no police counter and no police contact point, as a result of the Labour Mayor of London's decision.

This council calls on the Mayor of London to:

- improve co-ordination and co-operation between the different borough police teams in London
- enable boroughs across London to use dedicated police on motorbikes (with the sole objective of pursuing moped-enabled criminals), as they already do in Camden
- increase the tagging of motorbikes so that stolen bikes can be tracked and picked up so they are not used by the gangs
- keep Haringey's police stations and counters open
- pay for CCTV and increased police presence in moped crime hotspots
- consider restrictions on pillion riders of moped vehicles, such as a ban, or encouraging the Metropolitan Police to use their stop and search powers on pillion riders
