<b>LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY</b>	
<b>INTRODUCTION</b>	
1.	The Chair introduces him/herself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2.	The Chair invites Members to disclose <ul style="list-style-type: none"> <li>i) any prior contacts (before the hearing) with the parties or representations received by them; and separately</li> <li>ii) any declarations of interest.</li> </ul>
3.	The Chair explains the procedure to be followed by reference to this summary which will be distributed in advance.
<b>NON-ATTENDANCE BY PARTY OR PARTIES</b>	
4.	If one or both of the parties fails to attend, the Chair decides whether to: <ul style="list-style-type: none"> <li>(i) grant an adjournment to another date, or</li> <li>(ii) proceed in the absence of the non-attending party.</li> </ul> <p>Normally, an absent party will be given one further opportunity to attend.</p>
<b>TOPIC HEADINGS</b>	
5.	The Chair suggests the “topic headings” for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is: <p><b>Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.</b></p> <ul style="list-style-type: none"> <li>(i) the prevention of crime and disorder,</li> <li>(ii) public safety,</li> <li>(iii) the prevention of public nuisance, and</li> <li>(iv) the protection of children from harm.</li> </ul>

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?	
<b>THE LICENSING OFFICER'S INTRODUCTION</b>		
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.	
14.	The Licensing Officer can be questioned by Members and then by the parties.	
<b>THE HEARING</b>		
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i)	an introduction by the Objectors' main representative	
(ii)	an introduction by the Applicant or representative	
(iii)	questions put by Members to the Objectors	
(iv)	questions put by Members to the Applicant

<b>THE DECISION</b>		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	
19.	The decision is put in writing and read out in public by the Committee Clerk once Members have returned to the meeting.

1.5 Recommendation

There is no recommendation, but in considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

This page is intentionally left blank

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

## 2 Background

- 2.1 The premises has operated as a retail unit for many years and most recently was being used as a fishmongers. The Planning Service has advised that this change of use requires a planning application to be submitted to authorise the change of use of the premises. No such application has been made at this time.

The premises has also come to the attention of the Street Enforcement Officers who carried out a visit on 29<sup>th</sup> May due to noticing black bags from the business were unlawfully deposited on public highway. The black bags contained Budweiser bottles, Corona Extra bottles, and other wine bottles. The officer observed that a wine bar had been set up and also mentioned that he had concerns relating to fire escape from the rear room that hosted a pool /snooker table.

The owner had applied for temporary event notice for the ability to sell alcohol but there was no waste management in place to deal with the aftermath.

## 3 Licensing Policy

The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.

In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control

measures are in place.

This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.

### 3.1 Licensing hours

Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

### 3.2 Powers of a Licensing Authority

3.3 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

### 4. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

#### 4.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- o Article 8 – Right to respect for private and family life.
- o Article 1 of the First Protocol – Protection of Property
- o Article 6(1) – Right to a fair hearing.
- o Article 10 – Freedom of Expression

**Subject:** OBJECTION TO A LATE NIGHT LICENCE AT 43 WEST GREEN ROAD N15 5BY

07/06/2017

I would like to object to the application for a late night license and the serving of alcohol at 43 West Green Road, London, N15 5BY(La Taberna Del Paisa) - for the following reasons:-

(1) The West Green Tavern opposite already has a late night licence and causes many problems in the locality. An additional cafe serving alcohol late into the night will cause more problems for an overstretched police force trying to deal with other criminal activities as well as terrorism.

(2) Noise pollution and problems with car parking in a residential area, not to mention drunken driving, will further put the public at risk, and effect public safety.

(3) Public nuisance will be increased by disorderly behaviour and even more customers urinating in the street and local gardens, as happens with the West Green Tavern on a regular basis.

(4) Children and young people will be at great risk as such premises always encourage the under age consumption of alcohol. They are also a magnet for the distribution of drugs.

(5) The area is residential with flats over shops, and there are adequate pubs and other premises in the nearby area, without the need for such additional overkill. Noise pollution from loud music caused by the granting of such an application will be intolerable.

Therefore this application should be refused.

Dear Licensing Team Haringey,  
I am a resident on

[REDACTED]

I am writing to object to the license application for 43 West Green Road N15  
It was a fishmongers and as such had not sold alcohol.  
I feel the area is already blighted by antisocial behaviour which will only increase  
with the granting of this license.  
The general atmosphere of this street should be kept as one for  
local shoppers not drinkers.

As a local resident I am also aware that our public safety is being undermined by  
nuisance from drug and drink related incidents.  
The area is so poorly policed that drugs are sold openly on the corners  
around Grove Park Road, Beaconsfield Road and Portland Road.  
Another licensed premises in this neighbourhood will only attract more  
crime and disorder.

If this premises is granted a license, it is likely to lead to an increase in people being over intoxicated on the street leading to  
vomiting , urination and defecation in the local area.  
As well as the increase in the selling of illegal drugs on the street corners in the area, and as the police are under enough strain  
with the cutbacks, they will not be able to police this in a good and proper manner, thus making the area uncomfortable for local  
residents and their children who pass through the location.

Also granting the license till 2.00am in a predominantly residential area is unreasonable, due to the increased noise pollution, and  
litter , and general detritus it will bring.

The area is not in need of a "vibrant" nighttime economy, it is in need of a good vibrant daytime economy to benefit the majority  
of local residents and not just a few !

Many Thanks

Classification: Public

Hi Noshaba,

Thanks for your time just earlier on the phone – much appreciated.

As mentioned, some of the below neighbours will be submitting their individual submissions in addition to the below. The ones that will be included in the below will that of the ones that wish to be included in this application / representation (included in blue). If you can kindly discard the previous email please and instead include this one.

Please see the below changes as mentioned – let me know if there is any additional information need. Thanks in advance.

“For the utmost attention of Mrs. Noshaba / Licensing team,

We are taking the liberty in writing to you regarding the following issue and application of a late night licence for West Green Road N15 5BY (former fish mongers shop and confectionary shop) under Mr. Pablo Tobon-Pineda. The following personnel and neighbours would like to express a deep and strong concern and are **NOT IN FAVOUR** of the application being granted for La Taberna Del Paisa:

- [REDACTED]
- [REDACTED]

Collectively and on behalf of all the above residents, we would like to actively contest and actively object to it being granted under the Licensing Act 2003.

As a community, which has seen, witnessed and been exposed to a considerable amount of antisocial behaviour, fly tipping and an exponential amount of recreational drug abuse driven out of the local park (Brunswick Park off West Green Road) in addition to the amount of gangs that gather outside, in and around the car park behind the parade of shops off West Green Road (South / East side) is a major cause for concern.

The basis that the following licence should **NOT BE GRANTED** is on the basis of the following:

1. **Prevention of crime and disorder**
  2. **Prevention of public nuisance**
  3. **Public Safety**
1. Be granting the licence for late night drinking in a growing amount of antisocial behaviour and related crime. It is not enough that the local park attracts a substantial amount of crime from drug abuse to local gangs intimidating local residents. With the introduction of Sainsbury's, Costa and local shops, the crime is slowly being driven out. An establishment to attract “unwanted” individuals and gangs will cause this to increase. By **NOT GRANTING THE LICENCE**, we, as a community will not only prevent additional crime to the area (In and around the local residents and main road of West Green Road), but also the mixture of alcohol will increase the likelihood of antisocial behaviour and local gathering of gangs and fights taking place. Additionally, the amount of local cars, particularly on Beaconsfield Road, which were damaged, broken into and urinated on when the

local Tavern was open was unacceptable. Imagine the impact on the local residents on finding their wind / side mirrors broken and car windows smashed...

2. By allowing a licence for night drinking in addition to the use of a pool table for social use will attract a considerable amount of antisocial behaviour. If you recollect the "social club" which is on the corner of Grove Park Road and West Green Road which bought a significant amount of youth selling, using and distributing drugs which destroyed the local community of West Green Road. This establishment attracted people for the usage of the pool tables, which led to drug abuse and gangs of teens and young adults "hanging around" intimidating local residents which was not acceptable, but also not a good guidance to local kids either. Seven Sisters is generally a rough area, coupled with an establishment on the main road is not a good idea for late night selling of alcohol and music being played during the late hours. The proximity of 43 West Green Road to the local houses / residences is only a short distance and generally can be heard during the day time, let alone at night.

3. There is surely a strong correlation with similar establishments being set-up mixed in with alcohol which will bring similar traits of which are totally unacceptable. I would not feel in a comfortable position in walking back from the station with family / friends late at night and the amount of people that hang outside the vicinity at that time. The amount of noise, nuisance and taking up of parking spaces is a major cause for concern here. When punters / customers attend the establishment, where will they park? More than likely on the surrounding roads including Beaconsfield Road. Imagine in their drunken state to find their car and the level of noise raised walking through a residential area at 1/2am on a Friday and Saturday evening? A major concern will be the local parking impacts, with that of the parking in Brunswick road being closed off, the nearest road is Beaconsfield Road and it is rather difficult to obtain parking in the late evenings especially with those families with young children.

On a side note and under the Licensing Act 2003 we would like for our fellow Chancellors and representatives Mr. Diakides and Mr. Gunes to represent us at the consultation.

The above residents have lived at the above addresses for over 20+ years plus and know the area and are genuinely scared of the antisocial behaviour and safety of their family, children and possessions.

We really hope that the local council take into account the key points mentioned above and do the right thing in **BOT GRANTING A LATE NIGHT DRINKING LICENCE** to the above establishment.

We look forward to your response.

Many thanks in advance.

Kind regards,

Local Community Residents"

**Subject:** 43 West Green Road N15 5BY Objection

Hello

I am writing to object to the late night alcohol application for 43 West Green Road N15 5BY.

This is based on the prevention of crime and disorder as well as the prevention of public nuisance.

The establishing of a pool hall that is allowed to stay open to the early hours and serve alcohol is going to bring issues to Westgreen Road and the surrounding area. The west green tavern suffered from the same issues (drunk people causing a nuisance) when it was up and running. Tottenham needs more local business that provide essential services to the community e.g grocers, restaurants, libraries etc and not pool halls serving alcohol to 2am. This feels like a very large step backwards for the wider area.

**I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application**

**The operating schedule does not address the prevention of public nuisance from:**

- **airborne entertainment noise**
- **Structure borne noise or vibrations from entertainment**
- **Noise generated by patrons in external areas of the premises**

- **Light nuisance**
- **Noise from plant and machinery**
- **Cooking odour**

**The proposed operating hours are inappropriate due to the close proximity of residential dwellings**

#### Prevention of nuisance from noise / vibration

All doors and windows will remain closed during the licensed regulated entertainment activities or in any event after 11pm. The entrance door will be fitted with a self-closing device and staff required to ensure that it is not propped open. Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed
