2 Background

This page is intentionally left blank

- 2.1 The premises has opened and operating as a restaurant during December, there has been a number of complaints received relating to noise nuisance. The owner has been found to be offering licensable activity without benefit of a licence. This matter is subject to further enforcement action. The owner Mr Altunc has been issued with warning letters relating to offering licensable activity without a licence and also causing noise nuisance.

A copy of warning letters issued can be found at Appendix 7.

- 2.2 Under the Act representations can be received from responsible authorities or other persons. Representations must be relevant and, in the case of another person, must not be frivolous or vexatious. The Licensing Authority considers that restrictions may be made to the proposed considers it appropriate for the promotion of the licensing objectives to do so. The council may take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives.

3 Licensing Policy

The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.

In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.

3.1 Powers of a Licensing Authority

- 3.2 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

3.3 Options:

- 3.4 The Authority must, having regard to the application and the representations, take such steps (if any), as it considers appropriate for the promotion of the licensing objectives. The steps are:

In determining this application the Sub-Committee may take any of the following steps as it considers necessary for the promotion of the licensing objectives, namely:

- to modify the conditions of the Licence; or
- to reject the whole or part of the application.

For the purposes of the Licensing Act 2003 the conditions of the licence are modified if any of them are altered or omitted or a new condition added.

- 3.5 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

Dear all

Re: Noise and anti-social behaviour - 435 Lordship Lane London N22 5DJ

Please be advised that I live in [REDACTED] N22 which is [REDACTED] 435 Lordship Lane N22 and I am having real issues with noise and anti-social behaviour I have already called the council on numerous occasions and I am really getting fed up with this situation as this is affecting my quality in life as I can't fall asleep or sit and relax in my living room due this restaurant simply ignoring all sensible kind of behaviour, on many nights they have loud music way after the 11 o'clock threshold I also understand that they sell alcohol and therefore people get drunk and shout until the early hours of the morning this is simply unacceptable and I really can't be bothered calling the council / police as I am sure they have better things to do then waste time on this issue and waste the tax payers money I urge you to deal with this issue urgently before this gets completely out of control.

The Floors and ceilings aren't sound proof at all as I can hear the chairs and tables moving. I can't open windows because they are plenty people smoke just below my openings , seriously it's bad. The owner and the staff drive through pavement and park the cars in front of the main entrance door ,which is danger in case of any accident could happen.

I do understand they trying to make the money to live the live but they need to respect the neighbourhood and the law.

Yours,
