TOPIC HEADINGS	
5.	The Chair suggests the “topic headings” for the hearing. (i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?

THE DECISION		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.

1.5 Recommendation

There is no recommendation, but in considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

2 Background

2.1 Fuller, Smith & Turner Plc took over the premises in late 2015. Our records show that there has been noise complaints relating to building works at the premises in recent times but nothing further.

3 Licensing Policy

The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of

licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.

In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place.

This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.

3.1 Licensing hours

Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

3.2 Powers of a Licensing Authority

3.3 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

4. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it

reasonably can to prevent crime and disorder in its area".

4.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- o Article 8 – Right to respect for private and family life.
- o Article 1 of the First Protocol – Protection of Property
- o Article 6(1) – Right to a fair hearing.
- o Article 10 – Freedom of Expression

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.

4. REPORT

Background

A premises licence was issued to Mr B Erdogan in November 2005 to allow the premises to come into the new Licensing regime under grand fathered rights. The holder of the licence has remained the same throughout. The premises was originally found to be selling illicit goods in May 2016 and was provided with advice and given the opportunity to apply for a Minor Variation to have additional conditions added to the licence of their own volition as opposed to being reviewed at the time.

The Section 182 Guidance advises that reviews may arise in connection with crime that is not directly connected with licensable activities. Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime and prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems. The licensing authorities' duty is to take steps in the interests of the wider community and not those of the individual licence holder.

The Licence and its conditions are shown as Appendix 1A.

Licensable activities authorised by the Licence:

The times the Licence authorises the carrying out of licensable activities:

Supply of Alcohol

Monday to Saturday	0800 to 2300

The designated premises supervisor is: Mr Bektas Erdogan

Details of the Application for Review and Supporting Documentation. Appendix 1

The application for the review has been made on the following grounds:

The operation of the premises has failed to uphold the Licensing Objectives of The Prevention of Crime and Disorder and Public Safety.

The premises were found to be stocking and selling non duty paid tobacco and alcohol from the premises.

Where the Licensing Sub Committee takes steps mentioned in 3 or 4 it may provide that the modification or exclusion is to have effect for one such period (not exceeding three months) as it may specify. The Licensing Sub Committee is asked to give full reasons for its decision.

The Licensing Sub Committee must make its decision within 5 working days of the end of the hearing. Any decision of the Licensing Sub Committee is stayed from coming into effect for 21 days from the date of the decision, pending any appeal that might be made and the determination of that appeal. Please state the ground(s) for review (please read guidance note 2)

This application to review relates to the objectives To Prevent Crime and Disorder.

It particularly relates to the discovery of illicit alcohol on the Licensed Premises on 24th January 2017 and a previous occasion on 27th May 2016 where illicit tobacco was discovered on the premises. On both occasions the premises was under the control of the Premises Licence Holder (PLH) and Designated Premises Supervisor (DPS) Bektas ERDOGAN. These two incidents indicate that the highest standards of management have not been exhibited by the business.

The most recent incident occurred on 24th January 2017 when officers from Trading Standards and Her Majesty's Revenue and Customs (HMRC) visited the off licence premises of Superclass, 4 & 5 Campsbourne Parade, Hornsey High Street, London N8 7PR to inspect the stock of alcohol and tobacco. The PLH and DPS Bektas ERDOGAN was not present in the shop. During the visit officers dealt with the manager Yasar KARADAG. An inspection was carried out of the shop premises and rear store. In total 42 litres of non UK Duty paid alcoholic spirits were seized by HMRC consisting of 21 litres of Whisky and 21 Litres of Vodka with a total value of evaded Duty of £464.68.

The Teachers whiskey was a genuine but non Duty paid product which had been intended for export and sale outside the UK. The evidence indicates that the UK Duty labels which are integral to the rear label on this product had originally been correctly obliterated in accordance with HMRC regulations for export outside the UK by the producers with a plain white sticker glued over the UK Duty marking on the rear label of the product.

The bulk of the Teachers whisky found on the premises of Superclass was found in resealed or open outer boxes (See Photo 1 attached) potentially indicating that some form of tampering had taken place. On closer examination of the bottles the rear labels on the whisky bottles themselves contained traces of glue residue in the area of the UK Duty label where the obliteration stickers applied by the manufacturer for export had been removed by persons unknown, revealing the original UK Duty label which now gives the impression that the product was in fact UK Duty paid when it was not. (see Photo 2 attached). The Teachers whisky was therefore, seized as a smuggled product by HMRC. Two of the bottles of Teachers Whisky were found in the display at the front of the shop the remainder in the stock room.

The 21 Litres of vodka seized by HMRC as being non UK Duty paid contained some product bearing foreign paper tax stamps of the type which covers the bottle cap. These products did not bear the legally required UK Duty stamp indicating a non UK Duty paid product. (See photo 3). In addition, Some of the vodka bore UK Duty stamps which were not integral to the rear label and had been stuck on after manufacture. If genuine, a non integral stamp should commence with a letter corresponding to the spirit type ie "V" for Vodka. The stamps on these seized products (see photo 4) are bearing a non integral UK Duty stamp commencing with the letter "A". Stamps commencing with the letter "A" are reserved for stamps which are integral to the printed rear label and not stuck on afterwards. These indicators show that the product depicted in photo 4 is bearing a fake or transposed stamp. This particular stamp also contains underneath it the wording "enjoy with Absolut responsibility" showing a likelihood that the stamp or design relates to an "Absolut" branded product. These products were found in the stock room of the shop.

Following the seizure by HMRC no appeal has been received within the time limit for either the

whisky or vodka and the seized products have been forfeited as non UK Duty paid,

On 9th February 2017 the Premises Licence Holder and Designated Premises Supervisor Bektas Erdogan was interviewed by Trading Standards. A summary of the interview is attached. Bektas ERDOGAN is the DPS and the PLH and the sole Director of Superclass Express Limited which currently runs the business from the licenced premises. With reference to the interview Trading Standards have the following concerns

- Bektas ERDOGAN has been unable to provide invoices for the seized goods or provide a satisfactory explanation identifying definitively where the illicit products were purchased.
- Trading Standards are further concerned that the Designated Premises Supervisor by his own admission does not spend a great deal of time at the premises and largely leaves it to staff to manage day to day activities.
- The Designated Premises Supervisor has admitted that he does not regularly inspect the stock in the shop to verify what is being bought and sold by staff instead relying on trust and verbal instructions.

It can be an offence under Section 144 of the Licensing Act 2003 for the Designated premises Supervisor and Premises Licence holder to knowingly keep or allow goods to be kept on the premises which have been imported without payment of duty.

It is a further offence under Section of the Consumer Protection From Unfair Trading Regulations 2008 to have in possession for supply spirits bearing a false or unauthorised UK Duty Stamp giving the impression the goods are legal to sell when in fact they are not.

This incident has been aggravated by the fact that this is not the first time this business has been subject to action by Trading Standards in respect of illicit products.

On 27th May 2016 Trading Standards carried out an inspection of the same licensed premises. On this occasion 860 cigarettes (43 packets of 20) Marlboro Gold Cigarettes were seized from the premises with incorrect Health Warnings. These cigarettes were foreign non Duty paid illicit cigarettes. The estimated Duty value of these cigarettes was approximately £240.

Bektas Erdogan was formally interviewed by Trading Standards in respect of this incident and stated he was out of the country at the time of the seizure.

On 4th November 2016 Bektas ERDOGAN signed a simple caution in respect of this incident.(attached).

On this occasion criminal offences were committed under Section 48(a) (1) of the Tobacco and Related products Regulations 2016 for having in possession for supply cigarettes with incorrect health warnings and under Section 144(1) of the Licensing Act 2003 for keeping smuggled goods on the licensed premises.

As a result of the incident on 27th May 2016 Bektas ERDOGAN was requested by Trading Standards to apply for a Minor Variation to his Premises Licence to add to licence conditions mainly in respect of tobacco products at the premises. This he did and an application was

received on 10th November 2016 and the Minor Variation was applied on 25th November 2016. Conditions added to the Licence included a condition that "only products available for retail sale shall be stored on the premises" This condition, if adhered to, reinforces the Trading Standards view that all of the illicit alcoholic spirits seized on 24th January 2017 were stock and intended for supply.

Trading Standards are concerned at the possession for supply of illicit tobacco and alcohol for the following reasons:

- The willingness to intentionally or recklessly break one law indicates the business is less likely to be compliant with other laws.
- The sale by retailers of illicit goods gives them an unfair advantage over law abiding businesses.
- Illicit goods are often smuggled into the country and / or produced by organised crime. It is believed that the profits are frequently used to fund other types of serious organised crime.
- The trade in illicit alcohol and tobacco causes huge losses to the UK's tax revenues.
- The trade in illicit alcohol and tobacco facilitates teen drinking and smoking
- The trade in illicit alcohol and tobacco makes it harder to beat addiction
- The trade in illicit cigarettes poses a risk to public safety through increased risk of fire from non fire retardant cigarettes.
- Illicit goods may be harmful as they do not come from legitimate, legal and/or traceable suppliers. There is no guarantee that they are safe and comply with other legislation.
- Supplying tobacco products with incorrect health warnings undermines the effectiveness of public health messages designed to discourage smoking.

Section 13(4) of Licensing Act 2003 and Regulation 7 of The Licensing Act 2003 (Premises Licences and Club Premises Certificates) Regulations 2005 makes a local weights and measures authority a responsible authority for the purposes of the legislation. The London Borough of Haringey is a local weights and measures authority and that function is carried out by the Trading Standards team.

Recommendations:

This licensee has clearly demonstrated that on two occasions there has been a breakdown in due diligence in respect to the sourcing of legitimate products to be sold by the business and a failure to pay substantial amounts of Duty to HMRC.

There have been two separate incidents where illicit/smuggled goods have been found on the premises and Trading Standards no longer have any confidence in the Licensee to promote the Licensing Objectives. It is, therefore, the recommendation of Trading Standards to the Committee that they seriously consider revoking the Licence.

If the Committee are not minded to revoke the Licence Trading Standards would seek for the DPS to be removed from the License and suitable suspension imposed.

Should the Committee be minded not to revoke the Licence in addition to any other sanction considered appropriate Trading Standards recommend the following conditions be attached to the licence.

1. The Premises Licence Holder and Designated Premises Licence Holder shall ensure alcohol is only purchased from an authorised wholesaler and shall produce receipts for the same upon request for inspection. (An authorised wholesaler means an established warehouse or trade outlet with a fixed address and not a van or street trader, even if they claim they are part of, or acting on behalf of, an authorised wholesaler who provides full itemised VAT receipts).
2. The Premises Licence Holder and Designated Premises Supervisor shall ensure persons responsible for purchasing alcohol do not take part in any stock swaps or lend or borrow any alcohol goods from any other source unless the source is another venue owned and operated by the same company who also purchase their stock from an authorised wholesaler.
3. The Premises Licence Holder shall ensure all receipts for alcohol goods purchased include the following details:
 - I. Seller's name and address
 - II. Seller's company details, if applicable
 - III. Seller's VAT details, if applicable
 - IV. Vehicle registration detail, if applicable
4. Legible copies of the documents referred to in Condition 3 above shall be retained on the premises and made available for inspection by Police and authorised Council Officers on request.
5. Copies of the documents referred to in Condition 3 above shall be retained on the premises for period of not less than twelve months.
6. An ultra violet light shall be purchased and used at the store to check the authenticity of all stock purchased which bears a UK Duty Paid stamp.
7. Where the trader becomes aware that any alcohol may be not duty paid they shall

inform the The Council of this immediately.

No conditions have previously been attached by the Licensing Authority.

Dear Trading Standards RA,

The Licensing Authority is very concerned that these premises have been found on more than one occasion with illicit and or smuggled duty unpaid alcohol/tobacco. Section 144 of the Licensing Act 2003 makes specific reference to offenses related to smuggled goods in licensed premises. A person commits an offence if he knowingly keeps or allows to be kept, on any relevant premises any goods which have been imported without payment of duty or which have otherwise been unlawfully imported.

It has been well documented that the sale of contraband cigarettes and alcohol is a matter of considerable concern to the Government. In addition, some of the goods sold would not have been manufactured by responsible manufacturers but are fake products smuggled from Eastern European Countries and China on behalf of organised criminal gangs and could therefore contain potentially dangerous ingredients.

We are very concerned that the licence holders has chosen to both uphold the licensing objectives of crime and disorder public safety and prevention of harm to children despite being given help and assistance from the Authorities after the first discovery of illicit tobacco in 2016. It is clear that if the premises are not visited periodically by the Authorities it is very likely that they would continue to sell illicit and or smuggled non duty paid goods to the local community.

The Licensing Authority's duty is to take steps with a view to promotion of the licensing objectives in the interests of the wider community and not those of the individual licence and therefore recommend that the premises licence is revoked on this occasion.

Appendix 2 – Secretary of State's Guidance

Reviews arising in connection with crime

- 11.24 A number of reviews may arise in connection with crime that is not directly connected with licensable activities. For example, reviews may arise because of drugs problems at the premises, money laundering by criminal gangs, the sale of contraband or stolen goods, the sale of firearms, or the sexual exploitation of children. Licensing authorities do not have the power to judge the criminality or otherwise of any issue. This is a matter for the courts. The licensing authority's role when determining such a review is not therefore to establish the guilt or innocence of any individual but to ensure the promotion of the crime prevention objective.
- 11.25 Reviews are part of the regulatory process introduced by the 2003 Act and they are not part of criminal law and procedure. There is, therefore, no reason why representations giving rise to a review of a premises licence need be delayed pending the outcome of any criminal proceedings. Some reviews will arise after the conviction in the criminal courts of certain individuals, but not all. In any case, it is for the licensing authority to determine whether the problems associated with the alleged crimes are taking place on the premises and affecting the promotion of the licensing objectives. Where a review follows a conviction, it would also not be for the licensing authority to attempt to go beyond any finding by the courts, which should be treated as a matter of undisputed evidence before them.
- 11.26 Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems. The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives and the prevention of illegal working in the interests of the wider community and not those of the individual licence holder.
- 11.27 There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These are the use of the licensed premises:
- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
 - for the sale and distribution of illegal firearms;
 - for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
 - for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;
 - for prostitution or the sale of unlawful pornography;
 - by organised groups of paedophiles to groom children;
 - as the base for the organisation of criminal activity, particularly by gangs;

- for the organisation of racist activity or the promotion of racist attacks;
- for employing a person who is disqualified from that work by reason of their immigration status in the UK;
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

11.28 It is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

Review of a premises licence following closure order

11.29 Licensing authorities are subject to certain timescales, set out in the legislation, for the review of a premises licence following a closure order under section 80 of the Anti-social Behaviour, Crime and Policing Act 2014 or section 38 of and Schedule 6 to the Immigration Act 2016. The relevant time periods run concurrently and are as follows:

- when the licensing authority receives notice that a magistrates' court has made a closure order it has 28 days to determine the licence review – the determination must be made before the expiry of the 28th day after the day on which the notice is received;
- the hearing must be held within ten working days, the first of which is the day after the day the notice from the magistrates' court is received;
- notice of the hearing must be given no later than five working days before the first hearing day (there must be five clear working days between the giving of the notice and the start of the hearing).

Review of a premises licence following persistent sales of alcohol to children

11.30 The Government recognises that the majority of licensed premises operate responsibly and undertake due diligence checks on those who appear to be under the age of 18 at the point of sale (or 21 and 25 where they operate a Challenge 21 or 25 scheme). Where these systems are in place, licensing authorities may wish to take a proportionate approach in cases where there have been two sales of alcohol within very quick succession of one another (e.g., where a new cashier has not followed policy and conformed with a store's age verification procedures). However, where persistent sales of alcohol to children have occurred at premises, and it is apparent that those managing the premises do not operate a responsible policy or have not exercised appropriate due diligence, responsible authorities should consider taking steps to ensure that a review of the licence is the norm in these circumstances. This is particularly the case where there has been a prosecution for the offence under section 147A or a closure notice has been given under section 169A of the 2003 Act. In determining the review, the licensing authority should consider revoking the licence if it considers this appropriate.

Dear Licensing

Ref: SuperClass Convenience Store
4-5 Campsbourne Parade
Hornsey
N8 7PR

I as a representative of the Director of Public Health act as the responsible authority under the Licensing Act 2003.

Public Health has specific concerns about the applicant's ability to uphold the 4 licensing objectives following seizures of illicit alcohol and illicit tobacco from the licensed premises under the control of the Premise License Holder and Designated Premises Supervisor Mr Bektas Erdogan on 24th January 2017 (illicit alcohol) and 24th May 2016 (illicit tobacco).

The premises have not adequately demonstrated their commitment to uphold the licensing objectives, particularly relating to the prevention of crime and disorder, public safety and protecting children from harm. The Licensing Authorities approach to the supply of illicit goods is set out in Haringey's Statement of Licensing Policy 2016-21 at paragraph 58. It states that where illicit goods have been found it is considered as poor management which has the potential to undermine the licensing objectives.

Crime and disorder

The premise is located on Campsbourne Parade, a busy residential and commercial area of Haringey with a number of licensed businesses in the immediate local area. In total, there are 4 other licensed premises within 500m of Superclass. The premise is located near to Hornsey station, a popular commuter station.

The repeated sale of illicit tobacco and illicit alcohol constitutes illegal activity in direct contradiction to a commitment to the prevention of crime and disorder, and has likely exacerbated issues in the area. The LSOA (small geographical area) in which the premise is located saw 9 alcohol related ambulance callouts in 2015/16.

Public Safety

From a public safety perspective the findings are of significant concern. Legally produced and certified alcoholic drinks are made with ethanol – alcohol which is safe to drink in moderation. Counterfeit alcoholic drinks can be produced using cheaper types of alcohol which can have serious adverse health effects. Commonly used substitutes for ethanol include chemicals used in cleaning fluids, nail polish remover and automobile screen wash, as well as methanol and isopropanol which are used in antifreeze and some fuels. Drinking alcohol containing these chemicals can cause nausea and vomiting, abdominal pain, drowsiness and dizziness. This can also lead to kidney or liver problems and even coma. Methanol, the substance which has been found in fake vodka can cause permanent blindness.

Protecting Children from Harm

There are 8 schools within 500m of the premise, including an infant's school, primary school and secondary school within 300m of the premise. Due to the large number of schools in the area we have concerns over the safeguarding of children.

Recommendations

As a result of the aforementioned public health are not confident in licensee's ability to promote the 4 licensing objectives. We therefore recommend that the committee considers revoking the license.

Should committee not revoke the license we recommend that the Designated Premises Supervisor be removed from the license and we also recommend the following conditions be attached to the license.

- *No alcoholic goods or tobacco products will ever be purchased or taken from persons calling to the shop. The licensee will ensure that all purchases are made from authorised wholesalers and invoices for all goods on the premises will be made available and produced for inspection by council officers, police or HMRC upon request.*
- *The licensee will immediately report to Trading Standards any instance of a caller to the shop attempting to sell alcohol or tobacco products.*
- *A stock control system will be introduced, so that the licensee can quickly identify where and when alcoholic goods have been purchased.*
- *An ultra-violet light will be available at the premises for the purpose of checking the UK Duty Stamp on spirits as soon as practical after they have been purchased.*
- *If any spirits bought by the business have UK Duty Stamps that do not fluoresce under ultra-violet light, or are otherwise suspicious, the licensee shall identify the supplier to Trading Standards as soon as possible.*
- *The licensee shall adopt the 'Challenge 25 policy', and promote it on their premises through the prominent display of posters.*
- *The licensee shall require staff to note any refusals to sell to young people in a refusals log. The refusals log shall be checked and signed monthly by the designated premises supervisor. The refusals log shall be made available for inspection upon request by the council licensing team, Trading Standards or the police.*
- *The licensee shall ensure that staff are trained on relevant matters including the conditions on the premises licence; age restricted products; and (if they are ever left in charge of the shop) the operation of the cctv system and how to deal with visits from authorised officers. The licensee shall keep records of training and instructions given to staff, detailing the areas covered, and make them available for inspection upon request by authorised officers. Staff shall sign to confirm that they have received and understood the training.*
- *Age-restricted products training shall cover the following steps: the assessment of age; how and when to challenge for proof of age; acceptable proof of age and how to check it; and recording refusals.*

These conditions are designed to ensure that the licensee takes appropriate steps to promote and uphold the 4 licensing objectives. We believe that all licensees who are fulfilling their duty to promote the licensing objectives will be already complying with many of these conditions. These are the type of precautions needed to meet Haringey's Statement of Licensing Policy requirement of a high standard of management.

Yours

Appendix 3 – Statement of Licensing Policy

Objective 5 – To work with partners to prevent and reduce more serious crime, in particular youth crime and gang activity. This will be delivered by working in partnership with police colleagues, schools and residents and businesses.

19 The above Priorities and objectives are underpinned by a number of cross – cutting principles, namely;

- Prevention and early intervention – preventing poor outcomes for young people and intervening early when help and support is needed.
- A fair and equal borough – tackling the barriers facing the most disadvantaged and enabling them to reach their potential;
- Working together with our communities – building resilient communities where people are able to help themselves and support each other.
- Value for Money – achieving the best outcome from the investment made;
- Customer focus – placing our customers needs at the centre of what we do;
- Working in partnership – delivering with and through others.

20 How the Policy works

This Licensing Policy sets out the relevant information on how licence Applications will be determined and how licensed premises are expected to operate in Haringey, as well as explaining how licensing integrates with other related strategies for the borough. The aims of this Licensing Policy are to pursue and promote the Licensing Objectives

Written and Spoken English

The Licensing Authority considers it reasonable that those who hold licences and persons involved in the sale of alcohol are able to understand the terms of the licence and their legal obligations. It is also expected that those making sales of alcohol can understand and converse in the English language and be able to read and write in English so as to be able to complete documents such as refusals books and read training guides.

Where relevant representations are made, and a lack of understanding of basic written and / or spoken English is a factor in those representations, consideration may, if appropriate, be given to attaching conditions to premises licences and club premises certificates that require the licence holder and staff connected with the business, attend a 'Basic Skills' course. This would be at cost to the applicant.

21 This policy has five main aims:

- To help inform elected members on the licensing committee to make decisions on licensing matters.
- To set out, for the benefit of prospective applicants, responsible authorities; local residents; and licensed operators, the parameters under which this authority will make its licensing decisions.
- To inform prospective licensees how a licensed premises is likely to be able to operate within an area. Licensed premises suitable for the neighbourhood within which they are located and that support the neighbourhood.
- To inform local residents and licensed operators how their needs will be addressed.
- To minimise the number of licensing decisions that may be challenged in a court of law.

22 The policy supports a number of other key aims and these include:

- Protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed operators.
- Giving the police and local authorities the powers they need to effectively manage and police the night-time economy and take action against those premises that are causing problems.
- Recognising the important role which pubs and other licensed premises play in our local communities by minimising the regulatory burden on business encouraging innovation and supporting responsible premises.
- Providing a regulatory framework for alcohol which reflects the needs of our local communities and empowers local authorities to make and enforce decisions about the most appropriate licensing strategies for their local area.
- Encouraging greater community involvement in licensing decisions and giving local residents the opportunity to have their say regarding licensing decisions that may affect them. Section 3, Para 125 and following, will be particularly helpful for residents in this context.

23 Consultation for the Licensing Policy

In accordance with Section 5(3) of the Licensing Act 2003, the following were consulted in respect of the formulation of this Licensing Policy:

- a) the chief officer of police for the licensing authority's area
- b) the fire authority for that area
- c) such persons as the licensing authority considers to be representative of holders of Premises Licences issued by that authority
- d) such persons as the licensing authority considers to be representative of
- e) Such persons as the licensing authority considers to be representative of holders of Licences issued by that authority
- f) Such other persons as the licensing authority considers to be representative of businesses and residents in its area

24 What is covered by the policy:

The Licensing Act 2003 regulates the following activities

- The retail sale of alcohol
- The supply of alcohol by or on behalf of a club to, or to the order of, a member of the club
- The provision of "regulated entertainment"
- The provision of "late night refreshment"

25 Definitions:

'Regulated entertainment'

Subject to the conditions, definitions and exemptions set out in the Act, "regulated entertainments" includes:

- A performance of a play.
- An exhibition of a film.
- An indoor sporting event.
- Boxing or wrestling entertainment.
- A contest, exhibition or display which combines boxing or wrestling with one or more martial arts ("combined fighting sports").
- A performance of live music.

Where payment has not been made by the due date as a result of a genuine administrative error, or because the licence holder disputed liability for the fee before or at the time of the due date, there shall be a grace period of 21 days to resolve the matter before the licence is suspended.

51 Duplication with other regulatory regimes

In exercising its licensing functions, the licensing authority shall seek to avoid duplication with any other existing legislation and regulatory regimes that already place obligations on employers and operators e.g. the Management of Health and Safety at Work Regulations 1999, the Regulatory Reform (Fire Safety) Order 2005, or the Environmental Protection Act 1990.

52 Section 2 Licensing Objectives

Promoting the Licensing Objectives in Haringey

The licensing authority works in conjunction with partners (Responsible Authorities) such as Environmental Health, Trading Standards, Police, Planning Department, Anti Social Behaviour Team, Enforcement Response Team, National Health Service (NHS), Local Safeguarding Children Board (LSCB), Public Health Team and Fire Authority, in delivering a range of initiatives aimed at ensuring the promotion of the Licensing Objectives throughout Haringey such as:

- Joint-agency enforcement exercises
- Proactive monitoring of licensed premises
- Test purchase operations
- multi-agency meetings
- The establishment of Public Spaces Protection Orders where, following a direction from a police officer or authorised officer, alcohol may not be consumed publicly.
- Pub watch schemes/ Best Bar None Schemes.
- Responsible Retailer Scheme
- Conducting training in responsible alcohol service and conflict management
- Alcohol Diversion Schemes.
- Attendance and participation in local and community meetings and workshops

53 LICENSING HOURS

The Council will generally deal with the issue of licensing hours having due regard to the individual merits of each application, considering the potential for nuisance associated with the style, characteristics and activities of the business and type of premises, examining any steps that might reduce the risk of nuisance.

However, although the Council will treat each case on its individual merits, generally it will not grant permission for licensable activities beyond 2330 hours on Sundays to Thursdays and Midnight on Fridays and Saturdays in respect of public houses situated in areas having denser residential accommodation. The Council would expect good reasons to be given to support any application for extensions beyond these hours, including addressing possible disturbance to residents and local parking. Additionally, in these areas, consideration will be given to imposing stricter conditions in respect of noise control.

54 THE FIRST LICENSING OBJECTIVE THE PREVENTION OF CRIME AND DISORDER

- between 0800 and 2000 hours.
- Limiting any nuisance or glare caused by the positioning of external lighting, including security lighting
- Preventing odour or pests from refuse storage and waste disposal and the accumulation of litter and smokers waste in the vicinity of the premises.
- The need for regular patrols of the boundary of the premises and / or at the nearest residential to ensure nuisance impacts are not being experienced by neighbours.

82 Applicants are recommended to seek advice from the council's environmental protection team when preparing their operating plans and schedules. Where relevant, applicants are also advised to refer to:

- The Institute of Acoustics "Good Practice Guide on the Control of Noise from Pubs and Clubs"
- Noise at Work Guidance for employers on the Control of Noise at Work Regulations 2005 issued by the Health and Safety Executive and obtainable from <http://www.hse.gov.uk/pubns/indo362.pdf>
- In the case of large music events, the Code of Practice on Environmental Noise Control at Concerts produced by the Noise Council together with Haringey Noise Team policies
- Guidance on the Control of Odour and Noise from Commercial Kitchen Exhaust Systems produced by DEFRA
- Guidance Notes for the Reduction of Obtrusive Light – Institute of Lighting Engineers (2005)

83 This section of the policy is intended to provide a guide to prospective licence applicants as to the types of controls that may be appropriate for the promotion of the prevention of public nuisance licensing objective. It is neither intended to provide a definitive list of preventative measures nor will the controls listed be appropriate in every circumstance. They are provided to be considered and modified to fit the proposed business operation.

Applicants should note that where its discretion is engaged following consideration of relevant representations, the licensing authority will consider attaching appropriate conditions to licences to prevent nuisance. This may include additional site specific controls relevant to the planned activities and their timing.

84 Preventing nuisance outside of premises

Nuisance caused by patrons outside of premises, whether by patrons queuing for entry; enjoying the facility of a beer garden or terrace; or by smokers congregated on the pavement, is of considerable concern to local residents. While noise is often the main concern, obstruction of the highway preventing people passing by on the pavement and forcing them into the road, can also be both intimidating and dangerous and hamper access by emergency services, or street cleansing. Local residents may be further affected by smoke from barbeques and other cooking equipment used in the open air.

Licensees have a responsibility for the conduct of their customers while they are in and around their premises. If provision is made for customers to congregate or smoke outside of premises, then sufficient management controls must be put into place to ensure that no nuisance or disturbance is caused to local residents. Failure to control customers outside of premises can result in licence reviews being submitted and impact upon the premises licence.
