1.5 Recommendation

There is no recommendation, but in considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

2 Background

2.1 Fuller, Smith & Turner Plc took over the premises in late 2015. Our records show that there has been noise complaints relating to building works at the premises in recent times but nothing further.

3 Licensing Policy

The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of

licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.

In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place.

This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.

3.1 Licensing hours

Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

3.2 Powers of a Licensing Authority

3.3 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

4. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it

reasonably can to prevent crime and disorder in its area".

4.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- o Article 8 – Right to respect for private and family life.
- o Article 1 of the First Protocol – Protection of Property
- o Article 6(1) – Right to a fair hearing.
- o Article 10 – Freedom of Expression

4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.

Public Safety
The Prevention of Public Nuisance An 8.00 am opening will cause noise, annoyance and nuisance to us as we are next door. Drinkers will be out front smoking and to the rear in the beer garden, a source of considerable current noise. We also object to a 10.00 am opening and are already disturbed by late night opening inc. Sunday night.
