2 Background

This page is intentionally left blank

- 2.1 The premises at 290 West Green Road London N15 has operated as a church for many years and has not previously held or required a licence. Mr Cela applied for a Temporary Event Notice in December 2017 seeking late hours for a 'Family event'. The TENs was agreed but hours curtailed. On the night of the event there was a noise complaint received and the Enforcement Officer deemed it to be a nuisance but dealt with it by way of advice and getting the organiser to turn the music down.
- 2.2. During the consultation process for the new Premises Licence representation from the Licensing Authority and EHO Noise Team advised the applicant of the likely impact of noise nuisance being caused by the hours being sought. The RAs recommended reducing the hours and thus was subsequently agreed by the agents acting for Mr Cela. The new hours agreed to are as follows:-

Regulated Entertainment: Live Music & Recorded Music

Sunday to Thursday 18:30 to 23:00

Friday and Saturdays from 18:30 to 00:00

Late Night Refreshment

Friday & Saturdays until 00:30

Supply of Alcohol for consumption ON the premises

Sunday to Thursday 11:00 to 22:30

Friday and Saturdays 11:00 to 00:30

Hours for opening to Public

Sunday to Thursday 10:00 to 23:00

Friday and Saturdays 10:00 to 01:00

- 2.3 Other parties were provided with the revised information but have written back to indicate that they are not content with the reduced hours offered as the nature and capacity of the venue will bring anti social behaviour problems to the area.

- 2.4 Council officers are satisfied that the application has been made and advertised correctly.

3 Relevant Representations

- 3.1 All representations have to meet a basic legal and administrative requirements. If they fail to do so they cannot be accepted. When rejected the person or body sending the representation must be written and an explanation for rejection given in writing.

- 3.2 A responsible authority or other person can make a representation. There are two tests for other persons and only one for a responsible authority. The two tests are contained in Section 18 of the Act.

- 3.3 All representations must be "about the likely effect of the grant of the premises licence on the promotion of the licensing objectives" Likely means something that will probably happen, i.e on balance more likely than not.

- 3.4 Representations from responsible authorities do not have to meet the second test of not being vexatious and frivolous. Other persons have to meet this test.

- 3.5 The representations from Residents (Appendix 4) cite the potential for noise and anti social behaviour remaining into late in the morning from patrons attending the venue.

- 4 All the responsible authorities have been consulted about this application. They are as

follows:

The Licensing Authority
The Metropolitan Police
The London Fire and Emergency Planning Authority
Planning
Health and Safety (includes Building Control)
Noise Environmental Health
Food Environmental Health
Trading Standards
Child protection
Public Health

5. The applicant has offered measures in the operating schedule of the application that they say address the promotion of the Licensing Objectives. These can be found at Sec 18 of Appendix 1.
- 6 Licensing Officer comments
 - 6.1 The following information is intended to advise Members of the relevant aspects of the Statement of Licensing Policy, guidance issued by the Secretary of State, legislation and good practice. Members may depart from the Councils Policy and or Section 182 Guidance provided they consider it appropriate to do so and provide clear reasons for their decision.
 - 6.2 Committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.
 - 6.3 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
 - 6.4 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.
 - 6.5 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.
 - 6.6 Also The Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four

licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.

6.7 The Licensing Act 2003 permits children of any ages to be on the premises which primarily sells alcohol provided they are accompanied by an adult. It is not necessary to make this a condition.

6.8 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.

6.9 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.

6.10 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.

The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

7 Options:

7.1 The Authority must, having regard to the application and the representations, take such steps (if any), as it considers appropriate for the promotion of the licensing objectives. The steps are:

In determining this application the Sub-Committee may take any of the following steps as it considers appropriate for the promotion of the licensing objectives, namely:

- To grant the licence subject to such conditions as are consistent with the operating schedule accompanying the application, modified to such extent as the authority considers appropriate for the promotion of the licensing objectives.
- To exclude from the scope of the licence any of the licensable activities to which the application relates.
- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

For the purposes of the Licensing Act 2003 the conditions of the licence are modified if any of them are altered or omitted or a new condition added.

8 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

9. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to

the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area”.

9.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- o Article 8 – Right to respect for private and family life.
- o Article 1 of the First Protocol – Protection of Property
- o Article 6(1) – Right to a fair hearing.
- o Article 10 – Freedom of Expression

Name of Officer preparing representation: George Nicolaou

Our Reference: WK/000400836

Date: 8th January 2018

Premises: The Imperial Venue, 290 West Green Road, Tottenham, London, N15 5QR

Type of application: New

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Structure borne noise or vibrations from entertainment
- Noise generated by patrons in external areas of the premises
- Noise generated from patrons queuing to enter
- Noise from patrons exiting the premises
- Noise generated from deliveries
- Noise generated from refuse collections
- Noise from plant and machinery
- Light nuisance
- Cooking odour

The proposed operating hours are inappropriate due to the close proximity of residential dwellings.

The noise caused by patrons exiting the premises and locating suitable transport home is likely to be detrimental to the residential amenity. This may be exacerbated by the level of public transport available at the proposed closing hours.

Supporting Information

Where necessary adequate and suitable mechanical ventilation should be provided to public areas

Entry to the premises will be restricted to main front door whilst the premises is being used for regulated entertainment licensed activity

The regulated entertainment licensable activity shall conclude 30 minutes before the premises is due to close to prevent excessive noise breakout as the premises empties

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. Hi

I am contacting you to object to the plans to use this space as a live music venue and to serve alcohol, play music, live and recorded until 0200 during the week and 0400 Friday and Saturdays.

Name:
Address:

The Prevention of Public Nuisance

West Green Road is a high crime area already. Over the last four years I have seen shoplifting, fighting, Tesco being broken into, cash delivery driver being robbed, street fighting all from my flat overlooking West Green Road. Numerous bikes have been stolen from Strawbridge Court, including my own, from a locked bike store. The nearby OKABI restaurant which is three doors from the Imperial has some strange licence which means they are open until 0700 AM [!]. I have seen footage of fighting outside this restaurant presumably by their customers and heard considerable amounts of noise from people attending this venue on most weekends, music, shouting, horns beeping, cars parking and manovering outside my flat. I understand that OKABI restaurant also failed to pay a large fine for dumped rubbish and there have been a number of crimes committed behind the venue in Ashley Alley, supposedly relating the OKABI.

There is also a bookmakers opposite OKABI where many men simply hang around and drink most of the day and late at night, sometimes shouting, a new venue will add to this nuisance already in place.

The idea of opening another venue in close proximity fears me with dread. I believe that noise levels with considerably increase and there's an increased likelihood of ASB and crime in area.

The Imperial was not designed to be a music venue and I do not believe it is sound proofed enough to avoid noise issues to resident neighbours. Although the church was there before Strawbridge Court was built, we have been here before this proposed plan of a music venue and I believe the concerns of residents must be listened to.

The street already has a shop open all night which produces its own noise and attracts people playing loud music while they go into the shop leaving their cars outside playing music, music which is disdainful to my ears, mostly.

Emergency services regularly speed along this section of West Green Road with sirens blaring, all times of the day and night.

Public Safety

The street is already extremely busy with traffic and is very narrow. Langham road is notoriously busy with a number of accidents occurring in recent years, including a car which tipped over. Road rage, buses unable to get through, resulting in beeping and more road rage are regular occurrence at all times of the day and night. The increased traffic for a new music venue will block the road further and is likely to create more road rage and actual accidents. Accidents already are quite common.

The Prevention of Crime and Disorder

This is already a high crime area. There has been a number of crimes in the area and especially in Ashely Alley. I believe to have a night club/music venue operating here is more than likely to contribute to crimes in the area, with drunkenness, and attracting potential dodgy people in an already extremely busy area.

This area is residential and I know Haringey wants to "do a Hackney" but I do not believe, at least in West Green Road there is the scope for any more of this kind of development in N15. There is a new residential block around 50 yards away from The Imperial and a new block soon to be built just opposite it as well as people living in flats on the street and our own development.

I object to all plans for the Imperial to be open as any kind of bar/club/music venue.

Objection from _____ and _____
Regarding the Imperial Venue, 290 West Green Road, N15 3QR.

Objection under the categories 'Prevention Of Crime And Disorder,' 'Public Safety,' and 'Prevention Of Public Nuisance'.

We strongly object to the application by Mr Neritan Cela to convert 290 West Green Road from its previous use as a church into a venue space with an alcohol licence and very late hours. This is already a very noisy road with many existing issues of anti-social behaviour, late-night noise and disturbances. Large numbers of people live close to this building, ourselves included. The opening hours requested are excessive and show no concern whatever for the right of local residents to live their lives in peace. The soundproofing in the building is completely inadequate and totally unfit for purpose, there is no proper parking provision for the crowds this venue will attract, and we already have had serious problems with noise and antisocial behaviour from the Okapi restaurant (300 West Green Rd) and their patrons, which is virtually next door to the proposed venue. This proposal is the last thing our area needs.

Subject: objection on the licensing for The Imperial Venue situated at 230 West Green Road, N15 3QR

Hi,

I am writing to object on the licensing for **The Imperial Venue situated at 230 West Green Road, N15 3QR.**

There has been many instances of noise disturbances late night/early morning especially on Friday and Saturday nights whereby people hanging out/leaving the premises open late night in the same vicinity has been shouting, fighting, laughing loudly after consuming alcohol.

In addition, I had observed high volume of rubbish being thrown selfishly in the vicinity without regard for the community in the area.

Granting the license to the venue will only worsen the already bad situation now.

Please sympathize with us who live in the nearby vicinity who has endured enough of sleepless night even with the current situation.

Thank you.

Best regards,

Shah Noshaba

Subject: Regarding the Imperial Venue, 290 West Green Road, N15 3QR.

To whom it may concern,

I am a resident of Strawbridge Court and I wish to strongly object to the application to the Licensing Authority by Mr Neritan Cela with regards to Imperial Venue, 290 West Green Road, N15 3QR for a New Premises Licence to permit: Supply of alcohol consumption on the premises from Sunday to Thursday from 11:00 to 01:30 and Friday to Saturday from 11:00 to 03:30. Performance of live music from Sunday to Thursday from 18.30 to 02:00 etc etc as posted on the venue.

I object under the licensing objective of the prevention of public nuisance primarily, with these foreseeable issues:

1. Noise issues from late night events at other venues have already arisen and resulted in complaints. West Green Road is primarily a residential road, so late night licences and live music in a venue that is old and probably not suitably sound proofed will be very disruptive to residences of this road.
2. Parking is an issue in this area anyway, this is increased with any events in the area, and regular late night licensing for this building will mean parking near all residential areas will be used late at night and result in noise and disruption for residents of properties nearby any parking spaces.
3. In its previous use as a church, this building hosted extremely loud & late parties around every 2 months or so. I personally never reported complaints about this as they were so infrequent, however it would be hard to ignore with how frequently the venue could be used late at night/early into the morning with this new application. The volume that came from the premises during these parties/events demonstrates very clearly that the building was not constructed in a way that will provide adequate sound insulation for the intended purpose under this license application.
4. The hours requested in this license are extremely late and for so many nights. 4am weekends & 2am all other times is clearly way past what should be allowed on a mainly residential road which already has serious issues with noise & antisocial behaviour.
5. The license is badly thought out, particularly in terms of the smoking provision. If they are only to allow 3 people at a time out the back to smoke, there is still the potential for a lot of noise outside and this really small number, will encourage smoking further from the building and then noise and disruption from demands for re-entry.
6. I feel this application should be reviewed in terms of this venues location very close to another venue where repeated fighting & arguments in the street have been reported & recorded (Okapi) as well.
7. Although there is mention of keeping in front of the building clear of rubbish, what about at the back of the building?
9. This premise under the current management has tried one event, which caused a noise complaint. Until they can prove that they can run events without disturbing neighbours and causing nuisance, they should be simply using the TEN license scheme. This then gives them the opportunity to demonstrate that they can operate without causing issues locally.

I beg you to consider the impact this application for so very late hours for so many nights would cause for local residents to the area and please don't allow it to happen.

Kind regards,

Anderson Chanel

From: ()
Sent: 31 January 2018 23:36
To: Licensing <Licensing.Licensing@haringey.gov.uk>
Subject: License objection from Strawbridge Court Residents Association

This objection has been written by residents, and posted on our Facebook group with 61 members, to ensure that everyone is completely happy with the full text of it.

We are the Strawbridge Court Residents Association. Strawbridge Court is a development of 43 homes, which we moved into July 2013. We have a very active residents association, with 53 members of our closed Facebook group, and regular meetings & socials.

We wish to object in the strongest possible terms to the licensing application for The Imperial Venue, 290 West Green Road, N15 3QR.

We object mainly under the licensing objective 'The prevention of public nuisance', for the following reasons:

- 1) West Green Road is mainly residential, and is already subject to large amounts of disturbance, noise & antisocial behaviour. Our residents have spent an enormous amount of time speaking with the council noise & licensing teams, as well as reporting various incidents to the police. The local area is becoming even more residential with more recent development right next to this proposed venue, plus others with planning agreed which will be added in coming years.
- 2) The hours requested as part of this application are clearly hugely excessive, considering the nature of the street currently, and also the stated aims of the business. The application states that they are planning to provide space for special occasion parties such as weddings & birthdays. We find it odd that they are still asking for these late times on all weekdays, as these kinds of events as stated will rarely occur on weekdays. This creates suspicion that the long term plans for this venue are absolutely not what is stated in the application. If they are genuinely planning to only host special events, then they should have no issues with only running weekends, and on agreeing a total maximum number of events per year.
- 3) The previous use for this building has already caused disruption which has been discussed between residents. The sound proofing is inadequate and cannot possibly shield us neighbours from the noise that will be created. If this goes ahead we would wish to see very clear guidelines stating that absolutely none of us should ever be able to hear the noise from this venue from within our homes.
- 4) Live music – we would suggest that even if this license is granted, then the live music part should absolutely be rejected. This would still allow live music up until 11pm, for what no license is required. The sound proofing of the building is in no way suitable for the provision of live music, as it was never designed for this purpose as antisocial hours.
- 5) In terms of the way the premises will be managed, we have real concerns around both rubbish & parking, as follows:
 - a) Parking: There are already serious issues with a large number of people driving to current venues along West Green Road. They often park illegally, then whether legally parked or not, they then congregate near or in cars, playing car radios and continuing to drink – particularly during the Summer months. This tends to be right by our flats, and creates serious disturbance including to those with children sleeping who are often woken up.
 - b) Rubbish: The back entrance leads onto Ashley's Alley, which suffers serious ongoing rubbish & flytipping issues. There is nothing in this application to seriously address how they will not add to these issues, given the large amount of rubbish created by one-off events. As a minimum they should be using a company that guarantees to pick up the rubbish the morning after each event, to prevent the build up when others locally add to the rubbish left outside.
- 6) We absolutely object to this license being granted at all, and believe that it should be rejected outright. However if it is granted, then we would suggest that special conditions are added, to ensure that the actual use of the premises reflect what has been applied for. Currently we believe that the license is potentially designed in such a way that it will over time become a regular bar/club venue, without needing a further application. Adding

additional conditions would safeguard the local community against this, and we would happily enter into conversations to agree the actual conditions sensibly with the licensing team and prospective licensee.

7) Finally we believe that this license is incredibly badly thought out, and does not adequately seek to mitigate the negative impact on the local community. Many of us have windows from which we can view the Imperial Venue, and already have endless amounts of interrupted night from other venues locally. The applicant should be made to totally rethink this application, and to then engage with local people to ensure that they do not cause further angst & hardship. We remain open at all times to constructive conversations.

Yours sincerely,
Strawbridge Court RTA

2 Background

2.1 The applicant has described the event as Bavarian party with live music and traditional food and beer. The tents will be decorated in Bavarian colours inside and the waiters and waitresses will wear lederhosen and dirndl. Music will be provided by a German band with support from a DJ who will play popular music inbetween the live music sessions.

2.2. Part M of the application details the proposed steps to be taken to promote the licensing objectives and this is further supported by an Event Management plan (EMP) which details the following:

- Event management; key contact details, event overview
- Communication on site, security, staff training, insurances
- Site facilities and environmental considerations
- Risk registers, including alcohol management action plan
- Emergency, fire, first aid, food safety, egress and crowd management plan.

2.3 Due to the level of confidential and the detailed operational material in the EMP, this document has not been made available to the public with this agenda but has been shared with Islington Council. Copies were originally supplied with the application to the Responsible Authorities and was revised following a meeting with Police, Licensing Authority and Environmental Health. At this meeting the applicant confirmed that they would agree to have the following condition placed on the licence, 'The licence holder shall at all times comply with the arrangements as detailed in the Event Management Plan (EMP) submitted with the application or any subsequent revised document. Any minor revisions and or updates to the current version of the EMP attached to the licence will be circulated to all the Responsible Authorities annually at least 3 months prior to the event taking place, along with confirmation of the dates of the next event.

2.4 Council officers are satisfied that the application has been made and advertised correctly.

3 Relevant Representations

3.1 All representations have to meet a basic legal and administrative requirements. If they fail to do so they cannot be accepted. When rejected the person or body sending the representation must be written and an explanation for rejection given in writing.

3.2 A responsible authority or other person can make a representation. There are two tests for other persons and only one for a responsible authority. The two tests are contained in Section 18 of the Act.

3.3 All representations must be "about the likely effect of the grant of the premises licence on the promotion of the licensing objectives" Likely means something that will probably happen, i.e on balance more likely than not.

3.4 Representations from responsible authorities do not have to meet the second test of not being vexatious and frivolous. Other persons have to meet this test.

3.5 The representation from Islington Council (Appendix 2) states that events taking place in Finsbury Park impact on Islington and that the licensed premises in the area are heavily used. It goes on to highlight the fact that Islington has a cumulative impact policy within its boundary in the Finsbury Park area and that its statement of licensing policy is used to address the following:

- a) Adverse impacts associated with the late night venues
- b) Alcohol related antisocial behaviour, especially as a result drinking in the street
- c) Negative impacts associated with visitors to large scale sporting and other events

3.6 The representation also finds the offer of food available onsite to be inadequate and stewarding proposals to be inadequate, it highlights concerns with the probability of Arsenal playing home matches on the same day as the event taking place to be unacceptable. The representation goes on to say that they do not support the event taking place and hope that it will not proceed. However should this not be the case and the licence is granted Islington have asked for the following conditions to be attached:

- No event on Arsenal match days
- A stewarding plan to be agreed with Islington to address likely impacts, especially post event
- Substantial food to be available throughout the event
- No off sales or drinks to be taken from the event site

3.7 The proposed conditions have been shared with the applicant and they are not all agreed to or seen as being reasonable and proportionate for the event size or type. A copy of the response shared with Islington can be found at Appendix 3. The applicant does not agree to not having the event if Arsenal are playing a home match and point out that his event is not aimed at football attendees, it is a destination event in its own right.

The Metropolitan Police have raised no such concerns in relation to Arsenal matches taking place and no match dates are known at this moment in time.

3.8 The applicant will consider and arrange for SIA on Islington roads specifically if the need arises.

At present the 2900 capacity public will be leaving the park via Stroud Green Gate

crossing Stroud Green Road and over in Station Place to make use of the tube /overground or bus network. TFL or the Police have not requested any special measures to be put in place in their area for the egress as the transport systems are able to adequately deal with such small numbers on an egress. However the promoter has shown in the egress plan that there will be SIA placed along the internal path to Stroud Green Gate and a hold position will be in place at the end of the path to pulse patrons across the road into Station Place where further SIA will be there to assist with messaging to get people onto the right transport services. Patrons who live locally will make their way home by their own chosen walking route as they are able to do so. Haringey Officers are able to meet with Islington officers pre and post event to discuss any potential concerns and gather feedback on any substantive matters that have impacted on Islington residents as a result of the event.

- 3.9 Food will be available onsite for patrons if they wish to consume whilst at the venue.
- 3.10 The event is for On sales only so there is no ability for patrons to take alcohol off site with them. The timings agreed with police and Haringey Licensing Authority allow for a 'cooling down period' and SIA will be briefed to ensure that patrons are not leaving the tent with alcoholic drinks, they are permitted to leave with soft drinks/water.

There will be cleaning carried out after the event that will clear any waste emanating from the event and over into Station Place also.

- 4 All the responsible authorities have been consulted about this application. They are as follows:

- The Licensing Authority
- The Metropolitan Police
- The London Fire and Emergency Planning Authority
- Planning
- Health and Safety (includes Building Control)
- Noise Environmental Health
- Food Environmental Health
- Trading Standards
- Child protection
- Public Health.

- 4.1 No representations have been received from any responsible authorities.
5. The applicant has offered measures in the operating schedule of the application that address the promotion of the Licensing Objectives. If there were no representations, the Licensing Authority would have deemed the licence granted under the legislation, with conditions consistent with the operating schedule, which are relevant, proportionate and enforceable. Members are asked to consider the schedule and are asked to incorporate any conditions as appropriate to address the licensing objectives, it is possible that no additional conditions are required.

Conditions Consistent with Operating Schedule:-

The licence holder shall at all times comply with the arrangements as detailed in the Event Management Plan (EMP) submitted with the application or any subsequent revised document. Any minor revisions and or updates to the current version of the EMP attached to the licence will be circulated to all the Responsible Authorities annually at least 3 months prior to the event taking place, along with confirmation of the dates of the next event.

The licence holder will attend Safety Advisory Group meetings to present plans for each event.

Adequately trained SIA staff will be deployed for event days when the tent is open. Numbers to be agreed with Police and Licensing Authority each year.

Door searches will be carried out at point of entry.

Patrons engaging in anti social behaviour will be denied entry.

SIA will be deployed on the egress route to ensure patrons are provided with information and wayfinding.

SIA will ensure that no alcoholic drinks are taken off the premises as patrons leave.

The tent will be closed once capacity is reached and messaging provided for late arrivals of the situation.

People under the age of 18 are only allowed entry on the family days (Sunday) and only when accompanied by an adult.

Challenge 25 will be in operation at the entry point and bars throughout the entire event days.

Challenge 25 will require valid photo ID, passport etc .

CCTV will be in operation throughout the event. Police and Licensing Authority have access to Event Control throughout the event period.

Images will be shared with Police on request in order to promote the prevention of crime and disorder objective.

An Event management plan will be agreed at a planning meeting with Police and Haringey Council at least one month prior to event taking place.

An acoustic noise consultant will be onsite to measure sounds at the nearest monitoring point and to react to any noise complaints submitted.

A complaints line number to be made available for the public for complaints to be logged, this number to be placed on the Park noticeboard and provided to the Licensing Authority.

6 Licensing Officer comments

6.1 The following information is intended to advise Members of the relevant aspects of the Statement of Licensing Policy, guidance issued by the Secretary of State, legislation and good practice. Members may depart from the Councils Policy and or Section 182

Guidance provided they consider it appropriate to do so and provide clear reasons for their decision.

- 6.2 Committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.
- 6.3 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 6.4 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.
- 6.5 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 6.6 Also The Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 6.7 The Licensing Act 2003 permits children of any ages to be on the premises which primarily sells alcohol provided they are accompanied by an adult. It is not necessary to make this a condition.
- 6.8 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 6.9 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 6.10 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.
The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

7 Options:

7.1 The Authority must, having regard to the application and the representations, take such steps (if any), as it considers appropriate for the promotion of the licensing objectives. The steps are:

In determining this application the Sub-Committee may take any of the following steps as it considers appropriate for the promotion of the licensing objectives, namely:

- To grant the licence subject to such conditions as are consistent with the operating schedule accompanying the application, modified to such extent as the authority considers appropriate for the promotion of the licensing objectives.
- To exclude from the scope of the licence any of the licesable activities to which the application relates.
- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

For the purposes of the Licensing Act 2003 the conditions of the licence are modified if any of them are altered or omitted or a new condition added.

8 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

9. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

9.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- o Article 8 – Right to respect for private and family life.
- o Article 1 of the First Protocol – Protection of Property
- o Article 6(1) – Right to a fair hearing.
- o Article 10 – Freedom of Expression

Ocktoberfest

Please find below Islington Council's comments on the application for a premise licence to operate Octobefest in Finsbury Park from the 18th - 21st October 2018 and 25th - 28th October 2018.

Whilst Finsbury Park is located in Haringey, it is on the border of Islington. We know from previous events in the park that they have a significant impact on our area and that the local licensed premise are heavily used. Islington has recently consulted on our licensing policy which confirmed that there was a need to retain a cumulative impact area around Finsbury Park given the success of the approach, which was first introduced in our previous policy.

The policy sets out specific concerns for the area as below: -

The Licensing Authority recognises that it has to balance the needs of businesses with those of local residents and it will utilise its Licensing Policy to address these local issues:

- a) Adverse impacts associated with the late night venues
- b) Alcohol related antisocial behaviour, especially as a result drinking in the street
- c) Negative impacts associated with visitors to large scale sporting and other events

The application is in respect of an adult-focused, alcohol led event that will take place over 8 days in total, and for the majority of the day. Although mention of food is made, it does not feature strongly and allowing access to 'families' on Sundays does little to dispel the concerns that it is contrary to uses we would want to encourage in the area, as it has the potential to contribute to crime, anti-social behaviour and public nuisance.

There is no mention of stewarding beyond the event itself and no additional policing will be given, meaning that should these concerns materialise, the impact falls on police and council resources in Islington. There are already high levels of crime and ASB, both in and outside the park, including a recent murder, and our licensing policy is designed to ensure that the extension of alcohol sales does not exacerbate it. There is little detail as to how the event organisers will ensure that park users are not affected by the event.

There are also very specific concerns about the operation of it on an Arsenal match day when all other licensed premises in the area are subject to strict controls. At this point in time, the fixture list for next season is not available but the October period will see premiership games as well as European fixtures should Arsenal qualify. We appreciate that the organiser has attempted to set out additional controls however this are wholly inadequate in that

- Matches can be scheduled on any day of the week and at a variety of times so managing Saturdays alone is inadequate
- Ending the afternoon session at 16-00 would mean that for the later games on Saturday and Sunday, supporters could attend the full session so that is not a control
- Not allowing football t-shirts, scarves colours etc. will not prevent supporters attending as they regularly discard them to gain entry
- Supporters would purchase tickets in advance and the suggested entry price is not viewed as a deterrent

Hi Jan

Below is a response from Carsten the organiser of the Ocktoberfest. He has attempted to respond to each of the concerns raised. The event has not been held in this park before and I have had discussions with the Police and TFL services who have raised no concerns relating to the proposed event. It is disproportionate to request that the event is not held due to possible football matches. The Police have indicated that if nearer the time they have any concerns with a specific football match they will revisit this with the organiser if they deem it necessary at all. Just for your information regarding this event:

- This is for a 3000 capacity event albeit alcohol lead.
- The application is being considered under the Haringey SoLP which does not have a CIPs in place on the Finsbury Park area.
- TFL have not raised any concerns as the numbers are so small and will be easily dealt with at the transport hubs
- Police are satisfied that the event will have CCTV inside and on the periphery of the event space.
- The event times are divided into 2 sessions each day 11am-4pm and 5.30pm – 10pm for alcohol sales. Patrons who have been at the early session cannot remain and take part in the evening session.
- There is adequate food on offer from the in house kitchen on site.
- The patrons will be exiting out of the Stroud Green gate and over into Station Place and also out of the park via the main Finsbury Park gate all entrances will be stewarded and contact has been made with TFL relating to stewards being in Station Place for the egress.
- There is no road closure required as TFL and Police are satisfied that the crowd size will not have any significant impact in the area.
- The aim is to pre sell the tickets but walk ups on the day will be permitted onsite within the park boundary. People who are showing signs of drunkenness on arrival will not be permitted entry.
- There is no requirement for additional security on roads within Islington as patrons who live locally will make their own way home and they are able to access streets as they wish as pedestrians. Stewards will be placed on the pavement outside Finsbury Park Main gate and also up Stroud Green Road into Station Place. There is also the option of walking up within the park up to Manor House Station also. If there are issues that develop that require a wider stewarding response this will be put in place if necessary, at this moment in time the Police have not deemed it necessary.

The security deployment will be at 40 for the event days with the option to increase by a further 10 on a football day if there is need to do so. This is the first time this promoter has applied to do an event in the Park and he comes to the table with some knowledge and understanding of his event and the area in general to enable him to address the licensing objectives.

Hi Daliah

I'm not sure this addresses any of the points our councillors want to make. I'm taking guidance from them so at this point it is a representation to the application and not withdrawn. I'm also checking the view of our police and our football liaison officer.
