Disclosable pecuniary interests, personal interests and prejudicial interests are defined at Paragraphs 5-7 and Appendix A of the Members' Code of Conduct

The Public Service Pensions Act 2013 defines a conflict of interest as a financial or other interest which is likely to prejudice a person's exercise of functions. Therefore, a conflict of interest may arise when an individual:

- i) Has a responsibility or duty in relation to the management of, or provision of advice to, the LBHPF, and
- ii) At the same time, has:
 - a separate personal interest (financial or otherwise) or
 - another responsibility in relation to that matter,

giving rise to a possible conflict with their first responsibility. An interest could also arise due to a family member or close colleague having a specific responsibility or interest in a matter.

At the commencement of the meeting, the Chair will ask all Members of the Committee and Board to declare any new potential conflicts and these will be recorded in the minutes of the meeting and the Fund's Register of Conflicts of Interest. Any individual who considers that they or another individual has a potential or actual conflict of interest which relates to an item of business at a meeting must advise the Chair prior to the meeting, where possible, or state this clearly at the meeting at the earliest possible opportunity.
