LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY

INTRODUCTION

1. The Chair introduces him/herself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2. The Chair invites Members to disclose
 - i) any prior contacts (before the hearing) with the parties or representations received by them; and separately
 - ii) any declarations of interest.
3. The Chair explains the procedure to be followed by reference to this summary which will be distributed in advance.

NON-ATTENDANCE BY PARTY OR PARTIES

4. If one or both of the parties fails to attend, the Chair decides whether to:
 - (i) grant an adjournment to another date, or
 - (ii) proceed in the absence of the non-attending party.
 Normally, an absent party will be given one further opportunity to attend.

TOPIC HEADINGS

5. The Chair suggests the “topic headings” for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is:

Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.

- (i) the prevention of crime and disorder,
- (ii) public safety,
- (iii) the prevention of public nuisance, and
- (iv) the protection of children from harm.

6. The Chair invites comments from the parties on any other topic headings to be discussed.

WITNESSES

7. The Chair asks whether there are any requests by a party to call a witness and decides any such request.
8. Only if a witness is to be called, the Chair then asks if there is a request by an opposing party to “cross-examine” the witness. The Chair then decides any such request.

DOCUMENTARY EVIDENCE

9. The Chair asks whether there are any requests by any party to introduce late documentary evidence.
10. If so, the Chair will ask the other party if they object to the admission of the late documents.
11. If the other party do object to the admission of documents which have only been produced by the first party at the hearing, then the documents shall not generally be admitted.

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:
(i)	What is the reason for the documents being late?
(ii)	Will the other party be unfairly taken by surprise by the late documents?
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?
(iv)	Is the late evidence really important?
(v)	Would it be better and fairer to adjourn to a later date?
THE LICENSING OFFICER'S INTRODUCTION	
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.
14.	The Licensing Officer can be questioned by Members and then by the parties.
THE HEARING	
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:
(i)	an introduction by the Objectors' main representative
(ii)	an introduction by the Applicant or representative
(iii)	questions put by Members to the Objectors
(iv)	questions put by Members to the Applicant
(v)	questions put by the Objectors to the Applicant
(vi)	questions put by the Applicant to the Objectors
CLOSING ADRESSES	
16.	The Chair asks each party how much time is needed for their closing address, if they need to make one.
17.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.
THE DECISION	
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.
19.	The decision is confirmed in writing within five working days of the hearing.

1.4 Representations

1.5 have been received against this application by Responsible Authorities.

1.6 As such, in accordance with the legislation the Licensing Authority must hold a hearing to consider the application and any relevant representations.

1.7 Building Control representations - Appendix 2- these relate to significant issues that affect the public safety objective, due to lack of satisfactory means of escape and clear measures in place for emergency lighting.

Noise representation – Appendix 3 – A

Metropolitan Police – Appendix 4 – Requirement of CCTV conditions and incident log to be in use as a condition of the licence.

2 Background

2.1 The premises has held licence since November 2005 to allow for all licensable activity. Late night refreshment since May 2015. The last set of complaints were received in May 2017 and were related to noise nuisance emanating from the venue. The application seeks to establish a larger premises by joining with the unit next door. The hours are being increased by 3 hours during the week and by 1 hour on Friday and Saturday nights.

2.2 Planning permission for indefinite use of the existing 1st Floor Roof Terrace at the rear. Hours of use: 09:00-20:00 Sunday to Thursday and 09:00-21:00 Fridays and Saturdays.

2.3 However, the premises at 501 Green Lanes has Planning permission allowing the premises to open to 00:00 midnight Sunday to Thursday and 02:00am Friday and Saturday.

2.4 The property at 499 Green Lanes does not have any hours condition attached to it but seems to have use as a retail unit.

2.5 There are circumstances when, as a condition of planning permission, a terminal hour has been set for the use of premises for commercial purposes. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time. Premises operating in breach of their planning permission would be liable to prosecution under planning law. Proper integration should be assured by licensing committees.

2.6 Council officers are satisfied that the application has been made and advertised correctly.

3 Relevant Representations

3.1 All representations have to meet a basic legal and administrative requirements. If they fail to do so they cannot be accepted.

4 All the responsible authorities have been consulted about this application. They are as follows:

- The Licensing Authority
- The Metropolitan Police
- The London Fire and Emergency Planning Authority
- Planning
- Health and Safety (includes Building Control)
- Noise Environmental Health
- Food Environmental Health
- Trading Standards
- Child protection
- Public Health

6 Licensing Officer comments

6.1 The following information is intended to advise Members of the relevant aspects of the Statement of Licensing Policy, guidance issued by the Secretary of State, legislation and good practice. Members may depart from the Councils Policy and or Section 182 Guidance provided they consider it appropriate to do so and provide clear reasons for their decision.

6.2 Committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

6.3 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.

6.4 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

6.5 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.

6.6 Also The Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.

6.7 The Licensing Act 2003 permits children of any ages to be on the premises which

primarily sells alcohol provided they are accompanied by an adult. It is not necessary to make this a condition.

- 6.8 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 6.9 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 6.10 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.
The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

7 Options:

- 7.1 The Authority must, having regard to the application and the representations, take such steps (if any), as it considers appropriate for the promotion of the licensing objectives. The steps are:

In determining this application the Sub-Committee may take any of the following steps as it considers appropriate for the promotion of the licensing objectives, namely:

- To grant the licence subject to such conditions as are consistent with the operating schedule accompanying the application, modified to such extent as the authority considers appropriate for the promotion of the licensing objectives.
- To exclude from the scope of the licence any of the licensable activities to which the application relates.
- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

For the purposes of the Licensing Act 2003 the conditions of the licence are modified if any of them are altered or omitted or a new condition added.

- 8 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

9. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

9.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

Type of application: New

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application

- airborne entertainment noise
- Noise from patrons exiting the premises

- Light nuisance
- Cooking odour
- Litter nuisance

This representation recommends that the following alterations/conditions to the operating schedule:

Prevention of nuisance from noise / vibration

The entrance door will be fitted with a self-closing device and staff required to ensure that it is not propped open. A member of staff shall be made responsible to ensure the door is opened for as brief a period as possible. Signs shall be displayed in the external areas/on the frontage requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly. The management must reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours

Deliveries and collections.

Deliveries and collections associated with the premises will be arranged between the hours *8am and 9pm* so as to minimise the disturbance caused to the neighbours

Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include, where disclosed, the complainant's name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

Regular liaison meetings will be held where specifically requested by residents to enable neighbours to raise concerns about any aspect of the licensed activities

Patrons entering/exiting premises.

Signs should be displayed requesting patrons to respect the neighbours and behave in a courteous manner

Pursuant to a variation of condition 3 of planning permission HGY/2005/2018 the hours of opening are restricted to 00:00 midnight Sunday to Thursday and 02:00am Friday and Saturday. Therefore, the proposed licensing hours would also need to be the subject of an application to vary condition 3.
