Report for: Special Licensing Sub-Committee – 19th April 2021

Title: Review of a Premises Licence under the Licensing Act 2003
Atakan Supermarkets 315-321 WEST GREEN ROAD N15

Report authorised by: Daliah Barrett-Licensing Team Leader – Regulatory Services.

Ward(s) affected: ST ANNS

**Report for Key/
Non Key Decision:** Not applicable

1. Describe the issue under consideration

- 1.1 An application for the review of the Premises Licence for Atakan Supermarket, 315-321 West Green Road N15-held by Mr **Metin KARTAL and Savas AKSU**.
- 1.2 The review is submitted by The Haringey Trading Standards Team. A copy of the application form is attached to this report at **Appendix 1**.
- 1.3 The applicants have cited their reason for the review due to the operation of the premises failing to uphold the licensing conditions and licensing objective of:
 - The prevention of crime and disorder
 - The protection of children from harm
- 1.4 The Guidance issued under section 182 of the Licensing Act 2003 (para 11.2) states that at any stage following the grant of a premises licence, a responsible authority, such as the Police or the Environmental Health Service, or any other person who can seek a review, may ask the Licensing Authority to review the premises licence because of a matter arising at the premises in connection with any of the four licensing objectives.
- 1.5 As such, in accordance with section 52(2) of the above-mentioned Act, the Licensing Authority must hold a hearing to consider the application and any relevant representations.

2. Licensing history of the premises

- 2.1 The premises was issued with a New Premises Licence in November 2005 under Grandfathered rights. The named DPS Mr M Kartal.
- 2.2 The current licence permits:

Supply of Alcohol on a 24 hour basis.

Supply of alcohol for consumption **OFF** the premises only. A copy of the licence is at Appendix 2.

- 2.3 The reason for review specifically concerns two incidents which took place at the premises, most recently on 20th January 2021 and a prior incident on 3rd November 2020. On both occasions' seizures of Non-Duty Paid and incorrectly labelled cigarettes and tobacco were made. The earlier seizure also included a large quantity of nitrous oxide canisters. (Psychoactive Substances)

3 Other considerations

- 3.1 Section 51 of the Licensing Act 2003 makes provision for a responsible authority or any other person to apply to the Licensing Authority for a review of the premises licence. As one of its functions, The Trading Standards Service enforces legislation applicable to the possession for sale and sale of "illegal tobacco" products. This term "illegal tobacco" is given to tobacco products (cigarettes and loose tobacco) that cannot lawfully be sold because it breaches certain legislation:
- 3.2 The Tobacco and Related Products Regulations 2016. These regulations require that tobacco products must bear certain information and health warnings. Cigarettes and tobacco must bear a "combined health warning". Products for sale in the UK must be labelled in English. The seriousness of these regulations is demonstrated by the penalty on conviction for an offence. On summary conviction, the penalty is a fine and/or 3 months imprisonment. On conviction on indictment, the penalty is a fine and/or 2 years imprisonment.
- 3.3 The Standardised Packaging of Tobacco Products Regulations 2015. These regulations deal with so called plain packaging. Their purpose is to remove all branding, motifs and logos from tobacco to stop tobacco packaging from being eye catching especially to younger people. Only the manufacturer's name and variant can appear on the pack and this has to be in standardised format. These regulations only apply to the UK. The seriousness of these regulations is demonstrated by the penalty on conviction for an offence. On summary conviction, the penalty is a fine and/or 3 months imprisonment. On conviction on indictment, the penalty is a fine and/or 2 years imprisonment.
- 3.4 The Tobacco Products Duty Act 1979. This states that tobacco should carry the fiscal mark indicating that the correct level of duty has been paid. This mark is "UK DUTY PAID". Illegal tobacco has not had the required duty paid which consequently makes it far cheaper than legal tobacco.
- 3.5 The General Product Safety Regulations 2005. This requires that consumer goods are reasonably safe. In the case of cigarettes, these should meet reduced ignition propensity requirements which means they should self-extinguish if not actively smoked. Illegal tobacco is a serious problem in Haringey. there have been a number of prosecutions brought by the Trading Standards Service against shop owners.
- 3.6 Haringey Council has enforcement obligations under the Psychoactive Substances Act 2016. This regulates those substances previously referred to as "legal highs". In an effort to control such substances, the Act regulates the effect rather than the substance. The Act defines a psychoactive substance by its effect, namely stimulating or depressing the person's central nervous system such to affect the person's mental functioning or emotional state. A Government document titled "Psychoactive Substances Act 2016: guidance for retailers" states at paragraph 3 "The act captures psychoactive substances that aren't covered by the existing misuse of drugs framework, e.g. nitrous oxide". Paragraph 3.3 states "Nitrous oxide is a colourless sweet-tasting gas often referred to as laughing gas. Nitrous oxide has several legitimate uses in medicine and dentistry. It is also used as a fuel additive and as a component of rocket fuel and is sold as an aerosol spray propellant within whipped cream canisters.

Products include small canisters in large packs, each enough for a recreational dose. These dispense the gas from canisters into balloons, which are used to inhale gas. It is an offence to possess a psychoactive substance for supply with the intention of supplying it for consumption. Having both nitrous oxide canisters and a creamer unit in possession would indicate the intention of supplying the nitrous oxide for consumption.

- 3.7 A number of reviews may arise in connection with crime that is not directly connected with licensable activities. For example, reviews may arise because of drugs problems at the premises: money laundering by criminal gangs, the sale of contraband or stolen goods, or the sale of firearms. Licensing authorities do not have the power to judge the criminality or otherwise of any issue. This is a matter for the courts. The Licensing authority's role when determining such a review is not therefore to establish the guilt or innocence of any individual but to ensure the promotion of the crime prevention objective.
- 3.8 Reviews are part of the regulatory process introduced by the 2003 Act and they are not part of criminal law and procedure. There is, therefore, no reason why representations giving rise to a review of a premises licence need be delayed pending the outcome of any criminal proceedings. Some reviews will arise after the conviction in the criminal courts of certain individuals, but not all. In any case, it is for the licensing authority to determine whether the problems associated with the alleged crimes are taking place on the premises and affecting the promotion of the licensing objectives. Where a review follows a conviction, it would also not be for the licensing authority to go beyond any findings by the courts, which should be treated as a matter of undisputed evidence before them.
- 3.9 Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems. The Licensing Authority's duty is to take steps with a view to the promotion of the licensing objectives in the interest of the wider community and not those of the individual licence holder.

4 Options

The Committee must, having regard to the application and the representations, take such steps (if any), as it considers appropriate for the promotion of the licensing objectives. The options are:

- To modify the conditions of the licence
- To exclude a licensable activity from the scope of the licence
- To remove the designated premises supervisor
- To suspend the licence for a period not exceeding three months
- To revoke the licence
- To take no action.

4.1 The Sub-Committee must ensure that all licensing decisions have:

- a direct relationship to the promotion of one or more of the 4 licensing objectives;
- regard to the Council's statement of Licensing Policy;
- regard to the Secretary of State's National Guidance.

Where the authority modifies the conditions or excludes a licensable activity from the scope of the licence it may determine that the modification or exclusion is to have effect permanently or for a period not exceeding 3 months.

4.2 The Licensing Authority's determination of this application does not have effect until the 21 days appeal period has expired or if the decision is appealed, the date the appeal is determined and or disposed of.

4.3 **Section 182 Guidance – relevant sections.**

- 4.4 The following provisions of the Secretary of State's guidance (2018) apply to this application: Chapter 11-this chapter gives guidance around the review process and determining an application for a review.
- 4.5 Guidance issued under section 182 of the Licensing Act 2003 (para 11.2) states that at any stage following the grant of a premises licence or club premises certificate, a responsible authority, or any other person, may ask the licensing authority to review the licence or certificate because of a matter arising at the premises in connection with any of the four licensing objectives.
- 4.6 In accordance with section 52(2) of the Act, the Licensing authority must hold a hearing to consider the application and any relevant representations.
- 4.7 Section 11.27 -There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These are the use of the licensed premises:
- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
 - for the sale and distribution of illegal firearms;
 - for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
 - for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;
 - for prostitution or the sale of unlawful pornography;
 - by organised groups of paedophiles to groom children;
 - as the base for the organisation of criminal activity, particularly by gangs;
 - for the organisation of racist activity or the promotion of racist attacks;
 - for employing a person who is disqualified from that work by reason of their immigration status in the UK;
 - for unlawful gambling; and
 - for the sale or storage of smuggled tobacco and alcohol.
- 4.8 **Section 17 of the Crime and Disorder Act 1998** states:
"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that is reasonable to prevent crime and disorder in its area".
- 4.9 Human Rights**
While all Convention Rights must be considered, those which are of particular relevance to the application are:
- Article 8 – Right to respect for private and family life.
 - Article 1 of the First Protocol – Protection of Property
 - Article 6(1) – Right to a fair hearing.
 - Article 10 – Freedom of Expression

Introduction:

This application to review relate to the objectives To Prevent Crime and Disorder and The Protection of Children From Harm.

It specifically concerns two incidents which took place at the premises, most recently on 20th January 2021 and a prior incident on 3rd November 2020. On both occasions' seizures of Non-Duty Paid and incorrectly labelled cigarettes and tobacco were made. The earlier seizure also included a large quantity of nitrous oxide cannisters. (Psychoactive Substances)

Specific Details of Actions:

On 20th January 2021 an officer of the Trading Standards Service accompanied by Metropolitan Police Officers, including a Police Licensing Officer visited the premises of ATAKAN SUPERMARKET at 315 WEST GREEN ROAD N15 3PA with the intention of carrying out an inspection of the premises. Officers entered the Premises at 10AM.

The joint Licensee and Designated premises Supervisor Metin KARTAL was not present during the visit, nor was the other joint Licensee Mr Savas AKSU.

Officers showed their Warrant Cards and introduced themselves to a Ms STEFANOVA who was serving at the till. She was asked if there were any foreign cigarettes behind the counter. She replied that there were not.

An inspection was made behind the counter by Trading Standards and 620 foreign cigarettes and 450g of Hand Rolling Tobacco were discovered which were not Duty Paid. These tobacco products also bore foreign language health warnings and were not in UK standardised packaging. Trading Standards issued a Code B Notice attached (Appendix 1) and a Receipt for the tobacco Products which were seized (Appendix 2). Photographs of the tobacco products seized on this visit are attached (Appendix 3).

According to figures supplied by HMRC the approximate Duty Value of the seized tobacco from this visit is £303.63

A letter was sent to the joint licensees Mr KARTAL and Mr AKSU dated 16th February 2021 asking questions under Caution in relation to the above incident. The letter sent to Metin KARTAL was returned by the post office marked "Addressee Gone Away" (APPENDIX 4) To date no reply has been received from Savas AKSU (Appendix 4A) .

On Tuesday 3rd November 2020 at 1355 hours officers from NA Proactive Unit (Metropolitan Police) executed a search warrant under S.39 PSYCHOACTIVE SUBSTANCES ACT 2016 at ATAKAN SUPERMARKET, 315 WEST GREEN ROAD, N15 3PA.

When officers entered the premises, they identified themselves as police officers to the multiple members of staff that were present and the details of the warrant were explained, along with the occupiers copy of the warrant being shown.

In the rear office of the premises was the joint Licensee and Designated Premises Supervisor Metin KARTAL. He stated that he was the owner of the shop. Once he was aware of what police were searching for, he directed officers to a rear kitchen area, where there were TEN (10) boxes of "gas canisters" aka nitrous oxide.

The search continued and items seized included:

BWK/01 – Cigarettes & tobacco – Sealed in evidence bag MPSA24494451 – Found in office under desk.

BWK/05 – Retractable baton – Sealed in evidence bag MPSA24494467 – Found in office on desk.

MOM/01 – TEN (10) boxes of canisters – Sealed with evidence label MPSZ13353047 – Found in kitchen area.

MPM/01 – Quantity of foreign cigarettes and tobacco – Sealed in evidence bag M0819D018627 – Found in main shop behind counter.

MPM/02 – EIGHT (8) white boxes of cream chargers (gas cannisters) – Sealed in evidence bag M0819D018626 – Found in main shop behind counter.

At 1425 hours KARTAL was arrested by Police for possession with intent to supply of Psychoactive Substance and Possession Goods with a False Trademark For Sale (cigarettes).

Photographs of the Tobacco from this seizure are attached as APPENDIX 5

Photographs of the Gas Cannisters are attached as APPENDIX 6.

A photograph of the retractable baton is attached as APPENDIX 7.

The total tobacco seizure from this visit was 2.4 kilos of hand rolling tobacco and 920 cigarettes. HMRC have estimated the Duty Value of these goods to be £952.32.

The grand total of Duty Evasion for both seizures was approximately. £1,255.95.

The photographs of the tobacco show that the tobacco products from both seizures were not in UK Standardised packaging. It can be a criminal offence under Regulation 15(1) of the Standardised Packaging of Tobacco Products Regulations 2015 to offer to supply tobacco products in non-standardised packaging which are not coloured pantone 448c (Dark drab green).

The foreign tobacco products from both seizures bore incorrect or foreign language health warnings so were not legal to sell in the UK. It can be a criminal offence under the Tobacco and Related Products Regulations 2016 to sell tobacco products with no health warnings, non-English language health warnings or health warnings in the incorrect format for the UK market.

It can be a Criminal Offence under Section 144 of The Licensing Act 2003 to keep non-Duty paid goods on a Licenced Premises and Metin KARTAL has been charged with this offence by the Metropolitan Police in relation to the seizure on 3rd November 2020 of tobacco products.

Section 7 of the Psychoactive Substances Act makes it an offence to supply the psychoactive substance to another person for its consumption, whether by any person to whom it is supplied or by some other person, for its psychoactive effects.

No further criminal action has been taken in respect of the Psychoactive Substances (Gas Cannisters) seized by the Metropolitan Police. There is a legitimate purpose for use of these canisters as a propellant for whipped cream in baking.

In this instance Trading Standards remains concerned that the size of the seizure of approximately 5,370 individual cannisters was so large that it would not be representative of normal stock levels for a retail shop which was not a specialist wholesale baking products supplier. When all factors are taken into account, namely the type of premises and the likely legitimate retail demand in the local area for these cannisters for legitimate baking purposes, Trading Standards remains of the opinion that any reasonable person would be suspicious that these cannisters were likely to be purchased for their psychoactive effects by the shop's customers. Trading Standards are also concerned that these canisters can potentially be bought by persons under the age of 18 and misused without controls in place.

Atakan Supermarket applied to join then Councils Responsible Trader Scheme in 2016 and was accepted. One of the Conditions of membership is that the shop make a commitment not to stock nonduty paid tobacco products. A copy of the application form and conditions are attached as Appendix 8.

Two previous visits have been made of the premises in respect of the Responsible Trader Scheme. On both Occasions on 11/9/17 and 25/10/18 the Premises was found not have a Refusals book available, which is a condition of membership.

Trading Standards have made this application for Licence Review as they are concerned that: -

- The willingness to intentionally or recklessly break one law indicates the business is less likely to be compliant with other laws.
- The sale by retailers of illicit goods gives them an unfair advantage over law abiding businesses.
- Illicit goods are often smuggled into the country and/or produced by organised crime. It is believed that the profits are frequently used to fund other types of serious organised crime.
- The trade in illicit tobacco causes huge losses to the UK's tax revenues.
- The trade in illicit tobacco facilitates teen smoking.
- The trade in illicit tobacco makes it harder to beat addiction.
- Illicit goods may be harmful as they do not come from legitimate, legal and/or traceable suppliers. There is no guarantee that they are safe and comply with other legislation.
- Supplying tobacco at cheap prices undermines the public health message.

Trading Standards is also concerned that the availability of Psychoactive Substances at the premises in large quantities should be subject to additional controls when recent activity at the premises is taken into account.

Section 13(4) of Licensing Act 2003 and Regulation 7 of The Licensing Act 2003 (Premises Licences and Club Premises Certificates) Regulations 2005 makes a local weights and measures authority a responsible authority for the purposes of the legislation. The London Borough of Haringey is a local weights and measures authority, and that function is carried out by the Trading Standards team.

Here is a summary of events supporting this application: -

Date	Event	Description

Recommendations:

This licensee has clearly demonstrated that there has been a major breakdown in due diligence in respect to the sourcing of legitimate products to be sold by the business.

The scale of the Duty Evasion and the fact that there have been two incidents in quick succession means that Trading Standards have severely reduced confidence in the Joint Premises Licence Holders and Designated Premises Supervisor Trading Standards therefore, recommend that the Committee seriously consider revoking the Licence.

If the Committee are not minded to revoke the Licence then Trading Standards recommends that the Committee consider removing the Designated Premises Supervisor from the Licence and a period of suspension of the Licence in order to allow the Licensee to appoint a new Designated Premises Supervisor and fully implement the recommended additional conditions below.

RESPONSIBLE RETAILER SCHEME

CONDITIONS OF MEMBERSHIP

As a participant in the Responsible Retailer Scheme, I agree to comply with the following conditions:

- I agree to abide by all legislation relating to the sale of all age restricted products,
- My staff and I will operate a Challenge 25 scheme when selling any age restricted products and will only accept bona-fide forms of identification as proof of age (e.g. passport, driving licence). If customers cannot prove they are old enough to make the purchase, then my staff will refuse the sale,
- I will use a refusals register or similar system, and will check on a regular basis that my staff keep the register or system up to date by logging any sales refusals made to underage customers,
- I will ensure that my sales staff, continue to receive regular training on all the legislation applicable to age restricted products, and keep an up-to date record of the training given to staff members. At the very least I will get them to read through and sign that they have read the material as provided,
- If, applicable I will display clearly visible signs required by legislation, stating minimum age requirements for the products I sell (e.g. statutory notices for tobacco products and fireworks),

- I fully understand that Haringey Trading Standards Service can carry out test purchasing of age-restricted products at my business premises, utilising child volunteers, at any time when the premises are open for trade,
- I agree to abide by all legislation relating to the retail supply of alcohol and tobacco, including that legislation enforced by Environmental Health Services and HM Revenue & Customs,
- I fully understand that Haringey Regulatory Services reserves the right to refuse or revoke membership of the scheme if there is any evidence of non-compliance with the conditions of the scheme, and that my participation in the scheme will be reviewed if there are any significant changes in my business circumstances.

SUSPENSION OF MEMBERSHIP

To maintain the credibility and integrity of the Responsible Retailer Scheme, any members who fail test purchases for age restricted products, are identified by Police as allegedly selling to those underage or who are identified by other enforcement agencies such as HMRC as being in breach of relevant legislative provisions will be notified in writing that their membership is to be suspended.

The offending business will be instructed to remove from display on their premises any branding materials, i.e. the membership display sticker etc, which could mislead consumers into thinking the business is still an active member of the scheme. Failure to comply with this instruction will be considered to be a potential breach of the Consumer Protection from Unfair Trading Regulations 2008. This is a criminal offence.

Suspension from the Responsible Retailer Scheme will be for a minimum period of 3 months from the date of the alleged breach of the legislative provisions. Suspension from the Responsible Retailer Scheme will not preclude legal proceedings also being brought against a retailer. Also suspension from the Responsible Retailer Scheme will not prevent Reviews of Premises Licences by a Responsible Authority entitled to take such an action under the Licensing Act 2003.

Before allowing membership to resume, Haringey Trading Standards Service and/or Police will make efforts to ascertain through follow-up test purchases and reference to other relevant enforcement agencies, whether the retailer in question is acting responsibly and is indeed worthy of renewed membership of the Responsible Retailer Scheme. Repeated test purchase failures and sales to underage persons of age restricted products from the premises, as identified by Police Officers, will lead to expulsion from the scheme. Businesses will be notified in writing when the suspension has been lifted and new Responsible Retailer branding material will be provided at this point.

Members have a right of appeal against the decision by Haringey Council Regulatory Services to suspend membership. Appeals must be made in writing within one calendar month of the date of notification of suspension. Please state clearly in your appeal any mitigating circumstances that you feel should be taken into consideration by the Appeals Panel.

Decisions on appeals against suspension will be made by a panel of the relevant Regulatory Services Team Managers, after reviewing any evidence submitted by the appellant. The decision of the Appeals Panel is final, and will be notified to appellants within one calendar month of the appeal being received. Appeals against suspension should be addressed to: **The Chief Trading Standards Officer, Haringey Trading Standards, Alexandra House, 6th Floor, 10 Station Road, Wood Green, London, N22 7TR.**
