1.3 Representations have been received against this application by Responsible Authorities and 'other persons'.

1.4 As such, in accordance with the legislation, the Licensing Authority must hold a hearing to consider the application and any relevant representations.

1.5 Representations:

- There were four representations received from Responsible Authorities, specifically from the Licensing Authority, Police, Trading Standards, and Public Health. These representations can be found at Appendix 2.
- There were four representations received from residents, including one representation from a local councillor. Residents' representations can be found at Appendix 3.

## 2. Background

- 2.1 The premises is situated on an industrial unit that has has live and work units in mixed use.
- 2.2 Council officers are satisfied that the application for GETIR UK has been made and advertised correctly.

## 3. Relevant Respresentations

- 3.1 All representations have to meet a basic legal and administrative requirements. If they fail to do so, they cannot be accepted. When rejected, the person or body sending the representation must be written to and provided with an explanation for rejection in writing.
- 3.2 A Responsible Authority or other person can make a representation. There are two tests for other persons and only one for a Responsible Authority. The two tests are contained in Section 18 of the Act.
- 3.3 All representations must be 'about the likely effect of the grant of the premises licence on the promotion of the licensing objectives'. Likely means something that will probably happen, i.e on balance more likely than not.
- 3.4 Representations from Responsible Authorities do not have to meet the second test of not being vexatious and frivolous. Other persons have to meet this test.
- 3.5 The representations from Residents (Appendix 3) cite the potential for noise and anti social behaviour from delivery drivers and the operation of the business.
- 3.6 All the Responsible Authorities have been consulted about this application. They are as follows:
  - The Licensing Authority
  - The Metropolitan Police
  - The London Fire and Emergency Planning Authority
  - Planning
  - Health and Safety (includes Building Control)
  - Noise Environmental Health
  - Food Envirnomental Health
  - Trading Standards
  - Child protection
  - Public Health
- 3.7 Following discussions with the applicant, the conditions proposed by the Licensing Authority, Police, and Trading Standards have been accepted and these representations have been withdrawn. The representations from Public Health have not been withdrawn.

4. The applicant has offered measures in the operating schedule of the application that they say address the promotion of the Licensing Objectives. These can be found at Section 18 of Appendix 1.
5. **Licensing Officer comments**
- 6.1 The following information is intended to advise Members of the relevant aspects of the Statement of Licensing Policy, guidance issued by the Secretary of State, legislation and good practice. Members may depart from the Councils Policy and or Section 182 Guidance provided they consider it appropriate to do so and provide clear reasons for their decision.
- 6.2 The Committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.
- 6.3 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 6.4 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.
- 6.5 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 6.6 Also, the Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 6.7 The Licensing Act 2003 permits children of any ages to be on the premises which primarily sells alcohol provided they are accompanied by an adult. It is not necessary to make this a condition.

- 6.8 Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 6.9 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 6.10 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff. The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

## **6. Options**

- 7.1 The Authority must, having regard to the application and the representations, take such steps (if any), as it considers appropriate for the promotion of the licensing objectives. The steps are:

In determining this application the Sub-Committee may take any of the following steps as it considers appropriate for the promotion of the licensing objectives, namely:

- To grant the licence subject to such conditions as are consistent with the operating schedule accompanying the application, modified to such extent as the authority considers appropriate for the promotion of the licensing objectives.
- To exclude from the scope of the licence any of the licensable activities to which the application relates.
- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

For the purposes of the Licensing Act 2003 the conditions of the licence are modified if any of them are altered or omitted or a new condition added.

7. The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

## **8. Other considerations**

- 9.1 Section 17 of the Crime and Disorder Act 1998 states:

'Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area'.

### 9.2 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

## Licensing Authority- representation - APPLICATION FOR A NEW PREMISES GETIR- OVERBURY ROAD

Concerns have been growing over the last year in relation to the impact of nuisance caused by food and drink delivery services, on local residents within the borough. The Licensing Service, has considered powers and options available to tackle the issues of nuisance caused by these deliveries from licensed premises. There are limitations to the legislative controls available within the Licensing Act 2003 and the conditions that can be applied to address issues of public nuisance, associated with deliveries of non-alcoholic drinks and food.

Conditions can only be applied to licensable activities, that is, the sale of alcohol, supply of alcohol by a club, provision of regulated entertainment or the provision of late night refreshment between 23:00 and 05:00 hours.

The Licensing Authority would want to see early engagement with the licensee and delivery service provider, encouraging them to promote corporate social responsibility.

We have seen in the last few years a significant increase in the use of third party delivery services. These services establish an agreement with a food and drink provider, such as a restaurant, to provide a portal for both ordering of food and a delivery service. The most prominent food and drink delivery service provider being Deliveroo and Uber Eats delivery service.

In addition to the delivery of hot food and drink, there has also been an increase in licensed premises seeking off-sales of alcohol via phone or internet orders, for delivery. Restaurants and fast food operators are also including alcohol, in addition to the food that they produce for delivery. There are also operators who seek to primarily sell and deliver alcohol. Delivery of alcohol is not new and supermarkets and specialist alcohol suppliers have been operating delivery services for years.

The delivery of alcohol provides some additional challenges in terms of the child protection licensing objective. It is expected that the licensee and the delivery rider/driver is ultimately responsible for ensuring that any alcohol is not purchased and delivered to anyone under 18 years of age.

### **Noise concerns**

Complaints concerning the noise from delivery riders/drivers are one of the main points that residents raise with the Council. There is a tendency for delivery riders/drivers to congregate in a location which can often be near to residential properties. The noise generated by the delivery riders/drivers talking on their phones, talking to one another and playing music seems to be the main issues. The scooters and mopeds can also cause noise disturbances to residents

The noise from riders/drivers cannot be classified as a statutory nuisance due to the limited time in which the noise or emissions occurs. However, the noises that are being reported to the council occur at unsociable hours of the day when the ambient noise is reduced and residents can have their sleep interrupted or the peaceful enjoyment of their homes impaired.

Therefore this noise nuisance can cause considerable impacts on local residents.

One of the other effects of riders/drivers congregating in an area is the issue of litter and also urination in the street. Some complaints to the Council have identified that riders/drivers in an area often leave litter from food and drink that is consumed at the location. Urination around the areas of gathering riders/drivers is also common. Some residents have also complained of riders/drivers using their gardens or parts of their property for urination which causes particular concern to those residents.

The Council wish to take steps to reduce this impact such as relocating staging areas for riders/drivers from residential areas, providing further information to riders/drivers on how they should behave and where they are and are not permitted to park.

In this particular case the area is surrounded by residential property and we are proposing the following conditions:

- Residents are not caused nuisance or disturbed by any delivery service providers, drivers do not congregate on residential roads.
- Toilet facilities are provided for drivers at the premises,
- All delivery services are provided in a courteous, safe and respectful manner, and
- All deliveries are provided in accordance with the law on road use, parking and licensing.
- A record of orders shall be kept which shall include the customer's name & address. In accordance with data protection regulations, this log shall be made available to Police and local authority officers on request.
- The delivery of alcohol shall be made only to a residential or business address, which the customer uses in a residential or official capacity. The delivery of alcohol shall not be made or completed to a person in a public place (street corner, park, bus stop, etc.).
- All customers shall be contacted in writing (e.g. e-mail or text) to notify them that an order has been placed, with the date, and if possible approximate time, of the expected delivery.
- Couriers delivering orders shall keep record require a signature from the recipient upon delivery in a form that can be captured and fed back to the licence holder. The only exception to this requirement is due to social distancing measures.

- If the recipient of a delivery of alcohol appears under 25 years of age, recognised photographic identification will be requested before any intoxicating liquor is handed over. Acceptable proof of age shall include identification bearing the customers photograph, date of birth and integral holographic mark or security measure. Suitable means of identification would include PASS approved proof of age card, photo-card driving licence and passport.

LONDON N15 6RH**

Supply of Alcohol for Delivery only

Supply of alcohol OFF the premises.

Hours open- No public access  
Monday to Sunday 0000 to 0000 hours

I as a representative of the Director of Public Health act as the responsible authority under the Licensing Act 2003 and would like to make a representation regarding the application for a variation of premises license at: GETIR UK LIMITED, UNIT 5, 2 OVERBURY ROAD, TOTTENHAM, LONDON N15 6RH

Public Health has concerns under the following Licensing Objectives:

- **Public Safety**
- **Public Nuisance**
- **Protection of Children from Harm**

### **Haringey: Alcohol and Health**

Tackling alcohol misuse is key to achieving the outcomes in Haringey's Health and Wellbeing Strategy: giving every child the best start in life, reducing the gap in life expectancy between the east and west of the borough and improving mental health and wellbeing. Part of achieving these involves community safety efforts to tackle alcohol crime, anti-social behaviour and ensuring health considerations are taken into account in any licensing decisions. We want to create a culture that prevents problem drinking from starting and provides help for people early on should they be struggling.

Across the borough, there are currently over 900 licenced premises for the sale and supply of alcohol and this figure continues to rise, with some areas of high-level clustering. Haringey sells the most litres of alcohol per adult in all of London, 35% more than the London average. The high level of sales points to high levels of unsafe drinking and increases the risk of both health and social related alcohol harms. Evidence

shows that an increased number of alcohol outlets results in significant increases in alcohol consumption and alcohol-related harm (including injury, violence, and medical harm). Antisocial behaviour associated with street drinking has been recognised as a concern in Haringey. Problems identified include litter, noise, urination, and intimidation all of which have a detrimental impact to the quality of life for residents.

Though many factors are known to contribute to the above, the licensing committee has direct influence over two: density of licensed premises and trading hours.

	Litres sold per head	
	Local	National
Beer (off-trade)	1.78	1.49
Wine (off-trade)	3.42	2.16
Spirit (off-trade)	1.85	1.38
All alcohol (off-trade)	7.51	5.52
All alcohol (on-trade)	1.88	2.94
<b>All alcohol (total)</b>	<b>9.39</b>	<b>8.46</b>

**Local context**

The premises is located off Seven Sisters Main Road and it is within the Seven Sisters ward. The premises is located in a non-residential area, however not far from the premises there are residential areas to where the alcohol deliveries will be made.

The premises is also located near several schools;

- Tiverton Primary School (0.084 miles)
- Stamford Hill Primary School (0.165 miles)
- St Mary's Priory Catholic Infant and Junior Schools (0.249 miles)
- St Ann's CE Primary School (0.368 miles)
- Chestnuts Primary School (0.446 miles)
- Seven Sisters Primary School (0.482 miles)

**Public Safety, Public Nuisance and Protection of Children from Harm**

Haringey sells the most litres of alcohol per adult in all of London, 35% more than the London average. There is no 24-alcohol delivery service within the area and allowing another 24-hour application to go forward will set precedent to more 24hour alcohol delivery services. This will adversely impact public health and safety concern in the area. The density of licensed premises and hours and days of sale are known to influence consumption and harm. There is a growing body of evidence that an increased number of alcohol outlets results in significant increases in both alcohol consumption and alcohol-related harm. There are also many studies that demonstrate changes in hours or days of trading can have a significant impact on volume of alcohol consumed and rates of alcohol related problems.

Public Health England report shows **34% increase in number of people drinking over 50 units a week during lockdown**. This has normalised higher levels of alcohol consumption among some groups and therefore, it is paramount more than ever to address safeguarding issues and protect our vulnerable communities e.g., children aged under 18 and problem drinkers. Online alcohol delivery services have

become a convenient way for problem drinkers and children aged under 18 to easily access alcohol and we must ensure effective measures are put in place to protect our community against alcohol-related harms. Therefore, we have concerns that granting a 24-hour license could exacerbate this.

It should also be noted that Haringey has a high proportion of adults in the alcohol treatment services. There are currently 356 adults in our alcohol treatment services with an additional 230 adults starting their treatment in 2019-20 (Public Health England, 2021).

There has been **79 Alcohol-Specific Hospital Admissions** in the LSOA and the proportion of alcohol related ambulance callouts in the LSOA (of the premises) **between 11pm and 5am was 24.6%** for the year 2019-20 (SafeStats, Ambulance Callout Data, Nov 2019-Oct 2020). The LSOA in which the premises is located is ranked **1<sup>st</sup> quintile of alcohol-related ambulance callouts**, which is considerably the highest in Seven Sisters. The high levels of ambulance related callouts reflect the increased pressure and cost to the NHS because of increase alcohol availability in this ward and disproportionately places burden on the ambulance service for this ward compared to others in the borough.

Premises that operate alcohol deliveries late at night and early morning could potentially result in public nuisance and impact families in the local residential area. Therefore, we must introduce measures to minimise the impact where appropriate.

## **Recommendation:**

Public Health recommend the hours of alcohol supply to be reduced to Monday-Sunday 9am to midnight. We believe the following provide grounds to shorten the hours:

1. Deliveries will be made in residential areas near several schools (6 schools within 0.5 miles) and this will have an impact on night-time noise especially within this residential area.
2. There has been **79 Alcohol-Specific Hospital Admissions** in the LSOA and the proportion of alcohol related ambulance callouts in the LSOA (of the premises) between 11pm and 5am was 24.6% for the year 2019-20 (SafeStats, Ambulance Callout Data, Nov 2019-Oct 2020). The LSOA in which the premises is located is ranked in the **1<sup>st</sup> quintile of alcohol-related ambulance callouts**, which is the highest in the area.
3. We do not have any 24-hour online alcohol service delivery in the area. If we allow a 24-hour application to go forward, this will, in addition to all the aforementioned contentions, will adversely impact public health and safety concern in the area.

Public Health recommends that the following conditions are to be attached, along with the conditions submitted by the applicant, in order to minimise any potential harm to our residents.

These conditions are designed to ensure that the licensee takes appropriate steps to promote and uphold all four licensing objectives. We believe that all licensees who are fulfilling their duty to promote the licensing objectives will be already complying with many of these conditions. These are the type of precautions needed to meet Haringey's Statement of Licensing Policy requirement of a high standard of management.

*Please note that the stipulated conditions might (as well) be replicated in the applicants' form, still Public Health wants to ensure that the correct wording is in place.*

- Alcohol should not be sold solely and only purchased with the food ordered from the premises
- No irresponsible sales / promotion of super-strength alcohol (above 6.5% ABV) and single cans (i.e. buy one get one free) OR there shall be no promotional sales of alcohol where alcohol is sold at a price lower than that at which the same or similar alcoholic drinks are sold, or usually sold.
- The premise shall not be open to the general public and no collection shall be made by the public outside of the alcohol hours requested. Alcohol shall only be supplied in sealed containers.

- All customers shall be contacted in writing (e.g. e-mail or text) to notify them that an order has been placed, with the date, and if possible approximate time, of the expected delivery.
- Couriers delivering orders shall keep record require a signature from the recipient upon delivery in a form that can be captured and fed back to the licence holder. The only exception to this requirement is due to social distancing measures.

- All staff involved in the sale or supply of alcohol shall be trained in the law about the sale of alcohol. This includes conditions on the premise licence, operation of the CCTV system, recognising signs of drunkenness upon delivery, how to refuse service and the premises duty of care. Training shall be regularly refreshed and at no greater than 6 monthly intervals and shall be logged. Training records shall be made available for inspection upon request by a police officer or an authorised officer of the Council.
- The premises shall display prominent signage (i.e. online) indicating that it is an offence to sell alcohol to anyone who is drunk.

### Protection of children from harm

- Public Health would like to ensure the age verification system on delivery used is effective at the time of internet purchase and point of delivery to protect children from harm.
- The applicant must ensure age verification takes place before the customer is sold alcohol and adopts the present age verification methods/systems utilised by online traders via the CallValidate age verification system provided by CallCredit, or any similar system.

- The licence holder has to ensure all delivery drivers are given challenge 25 training, the till prompts and receipts have a check ID tick box once the ID has been seen. The DPS or store manager must check frequently to ensure drivers are requesting ID on all orders purchasing alcohol.
- A refusals log must be kept and made immediately available on request to the police or an authorised person. The refusal log shall record any actions that appear to be needed to protect young people from harm. The log must record all refused sales of alcohol and include the following:
  - a) the identity of the person who refused the sale;
  - b) the date and time of the refusal;
  - c) the alcohol requested and reason for refusal.

**The Prevention of Crime and Disorder**

This licence, if granted will enable drinking hours to be extended. Studies by the Institute of Alcohol Studies show that participants in the night time economy drink more than the national average and, more significantly, drink at levels which are above the average for their age group. Their findings suggest that heavy drinkers are disproportionately attracted to the night time economy and/or the night time economy encourages heavier alcohol consumption.

This will have an effect on Haringey in general and in the local area where residents are already concerned about crime and anti-social behaviour.

**Public Safety**

Alcohol is implicated in an enormous amount of crime and disorder and the effect on victims can be devastating.

In Overbury and Templeton Roads there are ongoing issues of groups of youths hanging around late at night drinking alcohol which has proved notoriously difficult to tackle.

Residents are concerned this will increase if this licence is granted.

**The Prevention of Public Nuisance**

There is likely to be an increase in mopeds on the surrounding roads to this unit at all hours of the night and day, especially between 22.00 and 06.00 contributing to more noise and pollution. This will particularly be the case for Hermitage and Vale Roads which have to be used for access to Overbury Road.

Mopeds will congregate on Overbury Road at all hours whilst delivery riders wait for orders to come through.

This has been a real problem for residents near the Deliveroo dark kitchens on Cranford Way in Crouch End.

Whilst Getir claim to use quieter e-mopeds and e-scooters, it is clear from observing recent traffic that they have riders on noisier petrol mopeds. As business picks up it is likely that they will follow a similar model to Deliveroo/Uber Eats when anyone can sign up to be a e-delivery rider (using any form of vehicle)

24 Hour access to alcohol is likely to lead to an increase in street drinking in the area which has been a problem in the past and has led to anti-social behaviour if they are moved on by Getir.

**The Protection of Children from Harm**

Late night and 24 hour alcohol home delivery services have received little attention as a potential source of alcohol for minors. However, it is becoming known through studies conducted in other parts of the country, that it is relatively 'easy' for young people to either successfully buy alcohol or for someone to get it for them. Both online and delivery services were chosen because they are regarded as easy ways to bypass age verification checks and as a quick and convenient way of acquiring alcohol.

The Committee will be aware that many children in Haringey are growing up in families where levels of alcohol are adversely affecting them. Public Health England estimates that in Haringey (June 2018) an estimated 397 of 546 adults with an alcohol dependency are not in treatment.

I, Barbara Blake..... ,hearby declare that all information I have submitted is true and correct.

Signed:

*Barbara J. Blake*

Hello

I would like to make an objection to the application for a 24 hour licence for Getir on Overbury Road. I live on Hermitage Road and feel that, as a largely residential area, this is not appropriate. My biggest concern is the additional moped traffic on the road at all hours of the day, which would be considerable noise pollution. I am also concerned about the potential for antisocial behaviour.

My objections are: public nuisance and antisocial behaviour.

Thank you  
Clare Gumbley

Hello

I am writing to request that the council does not grant a 24 sale of alcohol license to Getir UK ltd at Unit 5, 2 Overbury Road, Tottenham, London, N15 6RH  
Ward - Seven Sisters

This is a highly residential area and it is wholly inappropriate that delivery riders can congregate and pick up from this unit at all hours.

I will be grateful for you response to this matter.

Regards

Peter Simon

I wish to object the the licensing application made by Getir for premises in Overbury Rd. This is a completely unsuitable road and area. It's currently mixed residential and commercial, mainly car repair and maintenance workshops. Adding Getir to the mix would cause traffic chaos, pollution and danger to local road users.
