1.3 Representations have been received against this application by Responsible Authorities and ‘other persons’.

1.4 As such, in accordance with the legislation, the Licensing Authority must hold a hearing to consider the application and any relevant representations. The Sub-Committee is asked to consider the content of this report and appendices, together with any oral submissions given at the hearing, and determine the application.

1.5 Representations:

- There was one representation received from Responsible Authorities, specifically from the Licensing Authority. This representation is set out in Appendix 2.
- There were five representations received from ‘other persons’. These representations are set out in Appendix 3.

2. Background

- 2.1 The premises has operated as a café and is situated at the corner of Langham Road facing Crescent Road and with an outside front seated area that is adjoining residential property.
- 2.2 Council officers are satisfied that the application has been made and advertised correctly.

3. Relevant Respresentations

- 3.1 The representations from Residents (Appendix 3) cite the potential for noise and anti social behaviour late into the evening that will adversely impact on residents.
- 3.2 All the responsible authorities have been consulted about this application. They are as follows:

- The Licensing Authority
- The Metropolitan Police
- The London Fire and Emergency Planning Authority
- Planning
- Health and Safety (includes Building Control)
- Noise Environmental Health
- Food Envirnomental Health
- Trading Standards
- Child protection
- Public Health.

- 3.3 A representation has been received from the Licensing Authority (Appendix 2).
- 4. The applicant has offered measures in the operating schedule of the application that they say address the promotion of the licensing objectives. These can be found at Appendix 1.

5. Licensing Officer comments

- 5.1 The following information is intended to advise Members of the relevant aspects of the Statement of Licensing Policy, guidance issued by the Secretary of State, legislation and good practice. Members may depart from the Council's Policy and or Section 182 Guidance provided they consider it appropriate to do so and provide clear reasons for their decision.
- 5.2 The Committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions.

Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

- 5.3 It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 5.4 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.
- 5.5 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 5.6 Also the Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 5.7 Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 5.8 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 5.9 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff. The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

6. Options

- 6.1 The Authority must, having regard to the application and the representations, take such steps (if any), as it considers appropriate for the promotion of the licensing objectives. The steps are:

In determining this application the Sub-Committee may take any of the following steps as it considers appropriate for the promotion of the licensing objectives, namely:

- To grant the licence subject to such conditions as are consistent with the operating schedule accompanying the application, modified to such extent as the authority considers appropriate for the promotion of the licensing objectives.
- To exclude from the scope of the licence any of the licensable activities to which the application relates.
- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

For the purposes of the Licensing Act 2003 the conditions of the licence are modified if any of them are altered or omitted or a new condition added.

7. The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

8. **Other considerations**

- 8.1 Section 17 of the Crime and Disorder Act 1998 states:
'Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area'.

8.2 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Hi Chanel,

Just in relation to this, because there is an outside space, I would want that area to be closed to customers by 9pm and for there to be no amplified music outside at any time.

Many thanks.

Subject: Alcohol license objection - 238 Langham Road, N15 3NB

Dear Sir/Madam

I'm contacting you to lodge an objection to the alcohol license application for 238 Langham Road, N15 3NB.

As a long-standing resident of Langham Road I have developed a strong appreciation for the environment and community within that area. We have a broad mix of occupants, ranging in age and culture, and all contribute to the cohesive and welcoming streets that present West Green as a desirable place to live.

From what I understand, the owner (Tornike Chumburidze) wishes to run a Georgian restaurant at 238, opening every day, until 10pm. This venue aims to sell alcohol. This is objectionable for the following reasons:

1. Pollution

Sound pollution - the location in question stands at the junction of Langham Road and Crescent Road - and is residential. A restaurant, trading until 10pm needs to be located on a high street. All those occupying homesteads around 238 will be exposed to many variant forms of sound pollution until 10pm, including intoxicated customers leaving the premises late at night, as well as the many delivery vehicles that such premises attract. This also concerns light pollution - the property in question has full glazing on two sides. Therefore the light emissions will be broad and non-ambient. Traffic pollution - efforts to reduce carbon emissions will be countered by customers arriving/departing via vehicles, as well as the aforementioned delivery vehicles.

2. Prevention of nuisance

With an ongoing issue with drug dealers this location needs to remain a quiet backstreet, not a known location for revelry/indulgence. Likewise drunken behaviour being a largely antisocial issue facing many inner city areas, such an offering needs to be kept well outside of residential zones. There is also an issue with urination in public spaces (the oft-closed toilet block further up Langham Road presenting an ongoing blight to the environment). Therefore any facility which encourages drinking until late at night will no doubt foster further fouling of the streets.

3. Prevention of crime and disorder

See 2. Consumption of alcohol needs to be partaken outside of residential areas. The location at 238 is entirely unsuitable for such an offering, and is anomalous with these family-focussed streets. There is a high percentage of young families in the area. Therefore exposure to the habitual fallout from alcoholic consumption must be avoided, given the many children who live and play in the vicinity, along with many elderly members who live close by.

Protection of children from harm

4. Belmont Junior School is located a short distance from 238. Twice a day young children pass through the area. To that end, a hospitality facility serving alcohol cannot exist in such close proximity. Likewise the need to reduce carbon emissions close to schools (see 1.)

It is also worth noting the mix of cultures present in the vicinity - to whom many, the consumption of alcohol counters their system of belief. To that end, we need to preserve the notion of 'home' as a

private place. Bringing alcoholic consumption into our residential streets, in a public manner, should therefore not be allowed.

In summary, a restaurant serving alcohol is disruptive to the family values and ongoing efforts to maintain a peaceful and safe environment for residents.

Please process a refusal for an alcohol license at 238 Langham Road.

Regards

Mr James Straffon

Subject: 238 Langham Road

Dear Licensing,

I am emailing you regarding the licence application for 238 Langham Road, N15 3NB, applicant Tornike Chumburizde.

I have lived on Langham Road for the past 6 years.

This application is for a restaurant on a residential street, with high-density half-houses and flats, many of which are occupied by families with children.

I am extremely concerned about the granting of an alcohol license to this premises. The knife crime, drug dealing and safety issues at the top Langham Road, around the Turnpike Lane tube area are well known and ongoing, as you will be aware. We have also had an overspill of these issues onto the residential part of the street as well, which as a neighbourhood, we are working closely with the community police officers and local councillors on. I ask you; how is this contributing to ongoing safety on Langham Road? It will not.

As a residential street, it is not an appropriate location to have an alcohol-serving restaurant. The owner cannot guarantee or control the volume of alcohol consumed by those visiting, and whilst the current applicant may have good intentions for the restaurant, there is no guarantee that this will continue should ownership change hands. There is a risk that increased numbers of people to the area visiting this restaurant would increase the risk of inappropriate behaviour, crime and disorder. Furthermore, the parking availability is already limited at the tube end of the road, and this would add further pressure on available car parking for residents.

Additionally, many of us, including myself, have children who will in a few years will be attending secondary school and we do not wish them to feel unsafe walking home, passing the restaurant on their street, especially in the winter when it gets dark early, particularly if their are visitors who are drunk.

This premises was formally a lovely cafe, which caused no disturbance at all. Granting an alcohol license has the risk of introducing noise and disturbance to the surrounding houses on Langham Road, Graham Road and Crescent Road.

There are plenty of more suitable premises for the applicant to consider on the High Road or West Green Road. A residential street is not a suitable venue.

I therefore strongly object to this application and urge you to decline the granting of an alcohol license to this premises.

Kind regards,

Esther Sharma

Subject: Sale of alcohol licence application - CAFÉ at 238 Langham Road, London, N15 3NB - Objection

1. Premises
CAFÉ at 238 Langham Road, London, N15 3NB [Applicant:Tornike Chumburidze]

2. Objection criteria:

On the whole of Langham Road from its intersection with West Green Road to its intersection with Crescent Road, 238 Langham Road is the sole entertainment business (excluding Park View School whose alcohol licence clearly would only be effected on rare occasions for school related events such as fundraisers). This clearly illustrates that Langham Road is fundamentally a residential street. The prior occupier of the premises (b-fit cafe) did not affect this as: i) they did not sell alcohol and ii) their opening hours were limited to the daytime. The award of an alcohol licence to 238 Langham Road would detrimentally alter this dynamic, not least because the proposed opening hours extend well into the evening. Further, the presence of the outside terrace will lead to noise disturbance out of "normal" daytime hours --a problem which would inevitably be compounded by allowing alcohol to be served.

I therefore object to the licence to sell alcohol at 238 Langham Road on criteria of i. Prevention of nuisance and ii. Residential area.

Subject: Objecting to the proposed alcohol premises on 238 Langham Road, London, N15 3NB

I'm writing to object to turning the premises on 238 Langham Road, London, N15 3NB, into a bar. It will be such a bad idea to do so.

The corner which the building sits on is anyway used to make drug deals throughout the night. The road it sits on its always busy and already loud. It does not need drunk people falling into the path of cars and motorbikes.

It does not need the noise of unruly drunks.

We definitely do not need the added crime. This area has had a lot of crime, shootings, stabbings, robberies and so on.

The safety of the public is in question here too. Are we to stay inside silent when we want the drunkards to be query when it gets late? We would have to just to make sure we're not attacked by them.

The whole idea is a nuisance.

And then think of the children.

Thwyd have to grow up seeing that bahviour, thinking it's normal.

They'd be woken through the night by the loud noises (as would I). Damaged sleep is detrimental for children.

Personally as someone with anxiety and depression, there is no way I could handle all of those extra and hostile people literally outside my door.

Subject: comment on an alcohol license application

Re: 238 Langham Rd, London N15 3NB

To Whom it May Concern:

I object to the application for license for the above referenced property, This location is in a residential family area and will have a negative impact on the area, particularly on the residents who are in the immediate vicinity.

Crime and Disorder:

-There is already an issue with crime and drug dealing at Turnpike Lane Station, which is just a block away. The opening of a late night venue that serves alcohol invites the extension of the high street and the associated crime that is already in existence not too far away.

Public Nuisance

-This is a quiet residential area with many families. Allowing a venue to serve alcohol into the night will lead to a significant noise increase, causing disturbance on a regular basis for local residents. Note that there is outdoor seating at this venue, which means the noise levels cannot be contained.

Page 33

Additionally it sets a worrying precedent. Currently there are other commercial properties in the vicinity, which currently do not serve alcohol and do not invite socializing/business late into the night. However, the granting of this application may lead other commercial owners to do the same, and this quiet residential area may soon spin into a loud extension of the high street, inviting late night gatherings. This also raises the question of the safety of the area.

Granting an alcohol license at this venue will turn a quiet residential area into a late night area, which will significantly undermine the quality of living for those who live nearby.

Thank you for your attention to this matter.

Best regards, Alanna Putze
