

Important decisions to be taken by your Council in the next four months

## 15 JANUARY 2007 TO 14 MAY 2007

## The Forward Plan

The Forward Plan is a statutory document that lists all 'Key' decisions to be taken by the authority in the coming four months, as far as they are known. The plan is prepared on behalf of the Leader on a monthly basis and covers the period from the 15th day of the first month, to the 14th day of the fourth month. The plan is published at least 14 days prior to commencement of the period it covers. For example, a plan published on 01 March covers a period of four months commencing on 15 March.

The Forward Plan is updated and rolled forward on a monthly basis. As this happens, the programme will be adjusted; further Key decisions may be added, or anticipated ones may be rescheduled or removed.

Although only Key decisions are required to be included in the Forward Plan, other expected business is also included, where known, in the interests of openness surrounding the Executive's business and decision making.

A Key decision is defined by Central Government as an Executive decision, which is likely:

- to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates; or
- to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.

## The Executive

In Haringey, The Executive is made up of ten councillors including the Leader and is responsible for taking most of the Council's Key decisions. Like government ministers in the cabinet, each councillor is in charge of specific portfolios.

- The Executive meets monthly, with their order of business defined by the four-month rolling plan.
- The Executive makes decisions on how the Council's services are delivered.
- The Executive meets in public except when considering exempt or confidential information.

For more information on any of the items listed in the Forward Plan, or copies of relevant reports and background papers, please contact the Lead Officer identified in the Forward Plan. Members of the public can obtain copies of the reports five days before the meeting at which the key decision is to be taken. Please note that decision dates are occasionally subject to change.

For general enquiries about the Forward Plan, please contact Member Services on (020) 8489 2929.
