

FORWARD PLAN

Important decisions to be taken by your Council in the next four months

15 JULY 2011 TO 14 NOVEMBER 2011

The Forward Plan

The Forward Plan is a statutory document that lists all 'Key' decisions to be taken by the authority in the coming four months, as far as they are known. The plan is prepared on behalf of the Leader on a monthly basis and covers the period from the 15th day of the first month to the 14th day of the fourth month. The plan is published at least 14 days prior to commencement of the period it covers, for example, a plan published on 1 March covers a period of four months commencing on 15 March.

The Forward Plan is updated and rolled forward on a monthly basis. As this happens, the programme will be adjusted; further Key decisions may be added, or anticipated ones may be rescheduled or removed.

Although only Key decisions are required to be included in the Forward Plan, other expected business is also included, where known, in the interests of openness surrounding the Cabinet's business and decision making.

A Key decision is defined by Central Government as a Cabinet decision, which is likely:

- to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates; or
- to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.

In Haringey, the Cabinet is made up of eight councillors including the Leader and is responsible for taking most of the Council's Key decisions. - The Cabinet meets monthly, with their order of business defined by the four-month rolling plan.
- The Cabinet makes decisions on how Council services are delivered.
