The report will also request capital and revenue funding contributions.</p> <p>Benefits accruing from a decision to operationalise the partnership with OnSide include; enhanced and sustainable youth provision, accessible by all young people in the borough. Leveraging in over £3.5m capital and £2.7m revenue to deliver and operate the Youth Zone for three years. Improved safety, health and wellbeing of young people attending YZ. Any further delay could put this at risk and therefore jeopardise the whole project.</p> <p>External funding streams currently available for Haringey may be lost if progress is delayed by deferring this decision. In addition, as the Council is soon to enter Purdah, this decision would be subject to additional, avoidable delays due to this statutory, electoral process, increasing the risk and potential loss of capital and revenue investment currently committed by OnSide and funding partners</p>
