11 Dec 2018	Extension and variation of single homeless pathway contracts	Request approval for extensions of up to 24 months and variation of the number of units of accommodation for three contracts delivering supported accommodation in the Single Homeless Pathway. The extension and variations will facilitate a redesign of the pathway services, which will include consideration of bringing them back within the Portfolio of directly delivered Council services.	Cabinet	Cabinet Member for Adults and Health, Deputy Leader of the Council and Cabinet Member for Housing & Estate Renewal Director of Adults and Health	Report of the Assistant Director for Commissioning	Public	This decision had been notified in the Forward Plan. However following publication it has become necessary to update the description of this decision to now reflect that extensions of up to 24 months are required rather than a one year extension and to clarify the number of contracts to deliver supported accommodation concerned. This decision cannot await January Cabinet meeting as the relevant contracts are due to expire before this meeting. Therefore, not confirming extensions and variations before this point will leave provider organisations uncertain and present a risk to service delivery for homeless and vulnerable adults.
