Procedures prior to private meetings

A decision making body may only hold a meeting in private if a minimum of 28 clear days public notice has been given.

This notice is available for inspection at Alexandra House, 10 Station Road, Wood Green, N22 7TR and on the Council's website. This notice exceeds the statutory minimum period by giving notice of the occasions over the next 3 months when currently it is anticipated that the public and press may be excluded from all or part of a meeting due to the likelihood that if members of the public were present during an item of business confidential or exempt information would be disclosed to them.

A statement of reasons for the meeting to be held in private is given in each case with reference to the definitions of confidential and exempt information below. A further notice will be published at least 5 clear days before a private meeting and available for inspection at Alexandra House and on the Council's website.

A 'private meeting' means a meeting or part of a meeting of a decision making body which is open to the public except to the extent that the public are excluded due to the confidential or exempt business to be transacted.

'Confidential information' means information provided to the Council by a Government Department on terms (however expressed) which forbid the disclosure of the information to the public or information the disclosure of which to the public is prohibited by or under any enactment or by the order of a court.

'Exempt information' comprises the descriptions of information specified in Paragraphs 1-7 of Part 1 of Schedule 12A to the Local Government Act 1972 as follows:

1. Information relating to any individual.
2. Information which is likely to reveal the identity of an individual.
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)
4. Information relating to any consultations or negotiations or contemplated consultations or negotiations in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes – (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Information falling within the above categories is exempt information if and so long as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

If you wish to make any representations as to why the proposed private meeting should be held in public please write to contact Felicity Foley, Committees Manager: felicity.foley@haringey.gov.uk or George Meehan House, 294 High Road, Wood Green, London, N22 8JZ.
