

**Comparable allotment information on shed size from neighbouring London boroughs**  
**APPX C**

London Borough	Number of sites	Number of plots	Named contact, job title & number	Standard shed size	Permissions needed	What happens when problems arise?
Haringey	26	1665	Anne Jones Parks Customer Services Officer	6' length 4' width 6'6" high (7'6" with greenhouse)	Written permission required before any shed is constructed	Plot holders are sent a letter asking them to either reduce the size of the shed or remove it altogether
Islington	3	26	Mark Rowe Horticultural Project Officer	No sheds are permitted	1 new site has oversized sheds on it that have been there for years	On this site, allotment holders will be issued leases and then the terms will be enforced
Barnet	48	3000	Tracy Sawyer Greenspace Officer	10' x 8' for sheds and greenhouses	Written permission required before any shed is constructed	If sheds are not reduced to allowed size, the allotment holder is evicted
Waltham Forest	32	1800	Ken Johnson Allotment Officer	6' x 6' x 6'	Permission required before any shed is constructed	Still deciding what to do. On sites with very large sheds, they are considering shutting the site down and turning off the water, and then forcing the plot holders to reapply for their plots
Brent	23	1109	Phil Bruce-Green Allotment Officer	6'3" width 10' length 8' high	If not using a Council owned shed, permission is required before any shed is constructed	If the shed exceeds the permitted size, a verbal warning is given. After this, a notice to quit is issued if no action is taken
