#### **4. Chief Finance Officer Comments**

- 4.1 It should be noted that on 13<sup>th</sup> Feb 2007, this committee approved framework agreements with Decent Homes contractors and compliance teams, to cover 4 areas. This report details the specific works needed to Weir Hall Avenue N18, priced in accordance with the framework agreement.
- 4.2 Members will be aware that DCLG has approved the funding for Decent Homes, totalling £198.5m phased over six years of which £27.5m has been approved for 2008-09. This scheme is included in the schedule for 2008-09. However, as some of the works are going to be completed in the next financial year funding for this element will be a first call against the Decent Homes allocation for 2009/10.
- 4.3 It should be noted that so far (excluding the reports on this agenda) 28 contracts have been approved by this committee; totalling some £30.5m. With the approval of the five contracts on this agenda, this will bring the total commitments to £34.0m. The extra costs above the currently approved budget is proposed to be funded from recharges made to leaseholder for works to their properties.

- 5.3 The Framework Agreements were tendered in the EU and selection of the Framework contractors was undertaken in compliance with the Public Contracts Regulations 2006, as confirmed by external legal advisers (Trowers and Hamlin) who provided legal advice on the procurement of the Framework Agreements.
- 5.4 The contractor named in Paragraph 2.1 of Appendix A to this report was awarded the Framework Agreement in respect of the Wood Green area.
- 5.5 The report states that there are no leasehold properties in this phase of the Decent Homes project therefore the statutory leaseholder consultation requirements do not apply.
- 5.6 The value of the proposed contract exceeds £250,000 therefore the award requires the

- 13.1 The requirement for all local authority homes to meet the Decent Homes Standard was set out by The Office of the Deputy Prime Minister (ODPM) now known as Department for Communities and Local Government (DCLG) in February 2003. The objective of the Decent Homes Standard is that every tenanted home should be decent in accordance with the guidelines of the ODPM (now DCLG) by December 2010.
- 13.2 The Decent Homes Programme is a long term programme of major investment to bring all tenanted homes up to a decent standard. Environmental improvements, including sustainability issues, may represent up to 5% of the overall programme.
- 13.3 Managing and delivering the Decent Homes programme to cost, time and to the expectation of the tenants and residents of Haringey is paramount and as such requires the appointment of Constructors with

a proven track record of delivering a similar programme for other Local Authorities/ALMOs.

- 13.4 On 13<sup>th</sup> Feb 2007, this committee approved the framework agreements to four Decent Homes contractors and 4 compliance teams, to cover 4 areas. The Project Partnering Contract (PPC2000) also provides the opportunity to progress joint selection of supply chains and supply chain partnering to encompass value engineering and allows for 'open book' accountability.
