**Report for Key/
Non Key Decision:** Non Key

1. Describe the issue under consideration

- 1.1 This report seeks the approval of the Staffing & Remuneration Committee to implement a human resources policy which aims to better support the workforce around domestic violence and violence against women and girls (VAWG).
- 1.2 Subject to approval being granted, a suite of training will be developed for managers to support them to better manage the health and wellbeing of their employees.

2. Cabinet Member Introduction

- 2.1 Not Applicable

3. Recommendations

- 3.1 That the Staffing & Remuneration Committee signs off this Human Resources Policy and supports the implementation of the policy.

4. Reasons for decision

- 4.1 Haringey's [Corporate Plan](#) Priorities make a clear public commitment to ensuring a safe borough with stronger communities and partnerships as well as enabling all adults and children to be healthy and achieve their potential. As part of achieving these Corporate Priorities, the Council is taking action to help eradicate violence against women and girls and launched a 10-year Violence Against Women and Girls Strategy in November 2016. The Strategy builds on existing work in Haringey and recognises that both women and men can be victims of abuse.
- 4.2 We recognise that there are occasions where staff could have been better supported through existing Human Resources' policies. The need to develop a

specific policy to consolidate existing policies into a domestic abuse specific policy is a recommendation in two [Domestic Homicide Reviews](#) held into deaths in Haringey.

5. Alternative options considered

- 5.1 The option to not implement a policy and rely solely on existing human resources' policies was considered as the Council has developed guidance for managers to deal with incidents where a member of staff is verbally abused or threatened or physically assaulted in the course of their duties. However, whilst strategies outlined in the [Violence at Work Policy](#) will apply to most situations of non-intimate partner or wider family violence and abuse in the workplace, managers must consider additional factors if these incidents involve domestic violence abuse or wider forms of VAWG

6. Background information

- 6.1 Haringey Council takes the safety of its workforce (permanent/temporary employees, agency workers and contractors) very seriously. Haringey Council managers have a duty to respond appropriately to concerns about the safety or wellbeing of employees and other workers.
- 6.2 Given the size of the organisation, it is statistically likely that within teams, service areas and directorates that there are staff experiencing or who have experienced different forms of domestic abuse in its broadest definition.
- 6.3 Support for employees and workers experiencing all forms of abuse is an important element of the Council's commitment to tackling all forms of violence and abuse. It promotes an effective, confidential and empathetic response to staff who experience violence and abuse in their personal or family relationships. The Council has a legal responsibility to provide all staff with a safe and effective working environment.
- 6.4 This policy recognises that within the workforce, there are those who have experienced violence in their personal or professional lives and those who may be perpetrators of violence. Violence and Abuse has a negative impact on our workforce. It impacts upon the individuals affected as well as the wider workforce morale, productivity and performance. By adopting this policy, Haringey Council aims to address this through a coordinated approach.

7. Contribution to strategic outcomes

- 7.1. The Policy is directly linked to the Corporate Plan, in particular:
- Priority 1: *'Outstanding for all: Children, young people and adults are healthy, thrive and achieve their potential'*
 - Priority 2: *'Enable all adults to live healthy, long and fulfilling lives'*

➤ Priority 3: *'A clean and safe borough where people are proud to live'*

7.2. The HR Policy is a key element of fulfilment of the Priority 3 objective of *Preventing and reducing violence against women and girls*
