Dear Sirs,

Financial statements of London Borough of Haringey Pension Fund for the year ended 31 March 2018

We confirm that the following representations given to you in connection with your audit of the pension fund's financial statements for the year ended 31 March 2018 are made to the best of our knowledge and belief, and after having made appropriate enquiries of other officers and members of the Council.

The Director of Finance has fulfilled their responsibilities for the preparation and presentation of the financial statements as set out in the Accounts and Audit Regulations 2015 and Statement of responsibilities of auditors and of audited bodies: local government issued by Public Sector Audit Appointments (PSAA), and in particular that the financial statements give a true and fair view of the financial transactions of the scheme and the amount and disposition at the end of the year of its assets and liabilities, other than the liabilities to pay pensions and benefits after the end of the year in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom (the Code) and for making accurate representations to you.

We have fulfilled our responsibilities on behalf of the Council, as set out in the Accounts and Audit Regulations 2015, to make arrangements for the proper administration of the pension fund's financial affairs, to conduct a review at least once in a year of the effectiveness of the system of internal control and approve the Annual Governance Statement, to approve the Statement of Accounts (which include the financial statements), and for making accurate representations to you.

We have provided you with unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence. In addition, all the accounting records have been made available to you for the purpose of your audit and all the transactions undertaken by the Council have been properly reflected and recorded in the accounting records. All other records and related information, including minutes of all management and other meetings have been made available to you.

In relation to those laws and regulations which provide the legal framework within which the pension fund's business is conducted and which are central to our ability to conduct our business, we have disclosed to you all instances of possible non-compliance of which we are aware and all actual or contingent consequences arising from such instances of non-compliance.

There have been no events since the balance sheet date which either requires changes to be made to the figures included in the financial statements or to be disclosed by way of a note. Should any material events of this type occur, we will advise you accordingly.

We are responsible for adopting sound accounting policies, designing, implementing and maintaining internal control, to, among other things, help assure the preparation of the financial statements in conformity with international financial reporting standards and preventing and detecting fraud and error.

We have considered the risk that the financial statements may be materially misstated due to fraud and have identified no significant risks.

To the best of our knowledge we are not aware of any fraud or suspected fraud involving members of the Council, management or employees. Additionally, we are not aware of any fraud or suspected fraud involving any other party that could materially affect the financial statements.

To the best of our knowledge we are not aware of any allegations of fraud or suspected fraud affecting the financial statements that have been communicated by members of the Council, employees, former employees, analysts, regulators or any other party.

We have disclosed to you the identity of all related parties and all the related party relationships and transactions of which we are aware. We have appropriately accounted for and disclosed such relationships and transactions in accordance with the applicable financial reporting framework.

We have no plans or intentions that may materially affect the carrying value and where relevant, the fair value measurement, or classification of assets or liabilities reflected in the financial statements.

The value at which investment assets are recorded in the net assets statement is the market value. We are responsible for the reasonableness of any significant assumptions underlying the valuations, including consideration of whether they appropriately reflect our intent and ability to carry out specific courses of action on behalf of the scheme. Any significant changes in those values since the year end date have been disclosed to you.

None of the assets of the scheme has been assigned, pledged or mortgaged.

The following key assumptions have been used to calculate the actuarial present value of future pension benefits disclosed in the financial statements:

- RPI increase 3.4%
- CPI increase 2.4%
- Salary increase 3.0%
- Pension increase 2.4%
- Discount rate 2.6%
- Mortality: Current pensioners - male 21.8 years and female 24.1 years / future pensioners - male 23.8 years and female 26.0 years
- Commutation: pre-April 2008 - 50% / post-April 2008 - 75%

We consider these assumptions to be appropriate for the purposes of estimating the pension liability in accordance with the Code and IAS 19 and IAS 26.

We confirm that the above representations are made on the basis of enquiries of councillors, management and staff with relevant knowledge and experience (and, where appropriate, of inspection of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the above representations to you.

We confirm that the financial statements are free of material misstatements, including omissions.

We acknowledge our legal responsibilities regarding disclosure of information to you as auditors and confirm that so far as we are aware, there is no relevant audit information needed by you in connection with preparing your audit report of which you are unaware. Each director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that you are aware of that information.

Yours faithfully

Jon Warlow
