Re: Application for a Premises Licence. Villiers Terrace 120 Park Road N.8

Dear Sir

I am in receipt of your application for a Premises Licence for the above premises. I have read the application and part P the four Licensing Objectives have not been completed to a satisfactory standard.

This section of the application is one of the most important parts of your submission for a Premises Licence. Failure to re submit this part of the application will result in a delay in the issuing of your licence.

The plan submitted only illustrates it to be a showroom. I will require a plan outlining the new business.

I have informed the Licensing Officer for Haringey Council of my concerns.

If you need to contact this office please do not hesitate to do so, quoting the above reference number in all correspondence.

Yours Faithfully

Geoff Parker
Haringey Police, Borough Licensing Officer.

APPENDIX 3

LETTER OF REPRESENTATION FROM THE NOISE TEAM

Haringey Council

Licensing Consultation - Internal Memo

To: Licensing Officer

From: Enforcement Response Officer (Noise)

Name of Officer preparing representation:
Derek Pearce

Our Reference: WK98404

Premises: The Princess Alexandra / Villiers Terrace, 120 Park Road, N8 8JP

Type of application: New

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to:

Make representations to the Application

on the following grounds

That the proposed operating hours may be inappropriate due to the close proximity of residential dwellings.

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Structure borne noise or vibrations from entertainment
- Noise generated by patrons in external areas of the premises e.g. beer garden
- Noise generated from patrons who may be queuing to enter
- Noise from patrons exiting the premises
- Noise generated from deliveries
- Noise generated from refuse collections
- Noise from plant and machinery

Supporting Information

There is a history of noise complaints relating to these premises and this has resulted in both warnings and abatement notices being served

Informative

I would recommend the following alterations/conditions to the operating schedule:

Operating hours

That the premises closes no later than 01:30

That regulated entertainment ceases no later than 01:00

Prevention of nuisance from noise/vibration

Airborne

All doors and windows will remain closed during the regulated entertainment licensed activities. Where a door is used for patrons to enter or leave the premises the door will be fitted with a self-closing device and staff told to ensure that it is not propped open. A member of staff shall be positioned at the door to ensure it is opened for as brief a period as possible

The regulated entertainment licensable activity shall conclude 30 minutes before the premises is due to close to prevent excessive noise breakout as the premises empties

Entrance/exit from the premises whilst regulated entertainment licensable activities are ongoing shall be via a lobbied door to minimise noise breakout. Where necessary adequate and suitable mechanical ventilation should be provided to public areas

Structure borne

All speakers are mounted on anti-vibration mountings to prevent vibration transmission of sound energy to adjoining properties

Sound limits

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property

All regulated entertainment amplified activity will utilise the in-house amplification system, the maximum output of which is controlled by the duty manager

The level of amplified regulated entertainment shall be controlled by means of limiting device set at a level agreed with the licensing authority

Outside Areas

No music will be played in, or for the benefit of patrons in the garden or other external areas of the premises

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises

Signs shall be displayed in the garden/on the frontage requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly

The beer garden/frontage will be closed and patrons requested to come inside the main structure of the premises no later than 22:30 hours

Deliveries and collections.

Deliveries and collections associated with the premises will be arranged between the hours of 08:00 & 20:00 so as to minimise the disturbance caused to the neighbours

Glasses will be collected from the beer garden area at the beginning of the day rather than at closing time when neighbours in close proximity might be unduly disturbed

Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include where disclosed, the complainants name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

Patrons entering/exiting premises.

There will be no queuing outside the premises

Whilst live music entertainment is in progress a licensed door supervisor shall supervise and ensure patrons & potential patrons behave in an acceptable manner & shall supervise patrons and ensure they leave in a prompt and courteous manner, respecting the neighbours

Signs should be displayed requesting patrons to respect the neighbours and behave in a courteous manner

Prevention of nuisance from light

Illuminated external signage shall be switched off when the premises is closed. Security lights, if any, will be positioned to minimise light intrusion to nearby residential premises.
