

CONDITIONS CONSISTENT WITH THE APPLICATION AND CONDITIONS PROPOSED BY A PARTY TO THE HEARING

When determining an application for a new premises licence under the provisions of the Licensing Act 2003, the licensing authority must, unless it decides to reject the application, grant the licence subject to the conditions which are indicated as mandatory in this schedule.

At a hearing the licensing authority may, in addition, and having regard to any representations received, grant the licence subject to such conditions which are consistent with the operating schedule submitted by the applicant as part of their application, or alter or omit these conditions, or add any new condition to such extent as the licensing authority considers necessary for the promotion of the licensing objectives.

This schedule lists those conditions which are consistent with the operating schedule, or proposed as necessary for the promotion of the licensing objectives by a responsible authority or an interested party as indicated. These conditions have not been submitted by the licensing service but reflect the positions of the applicant, responsible authority or interested party and have not necessarily been agreed

Current conditions on the existing licence: 11/07745/LIPDPS

Annex 1 – Mandatory conditions

1. No supply of alcohol may be made at a time when there is no designated premises supervisor in respect of this licence.
2. No supply of alcohol may be made at a time when the designated premises supervisor does not hold a personal licence or the personal licence is suspended.
3. Every supply of alcohol under this licence must be made or authorised by a person who holds a personal licence.
4. (1) The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.
(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children—
 - (a) games or other activities which require or encourage, or are designed to require or encourage, individuals to—
 - (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
 - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
 - (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic

(other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);

- (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less;
 - (d) provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on—
 - (i) the outcome of a race, competition or other event or process, or
 - (ii) the likelihood of anything occurring or not occurring;
 - (e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
5. The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).
6. The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.
7. (1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.
- (2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.
8. The responsible person shall ensure that—
- (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures—
 - (i) beer or cider: ½ pint;
 - (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
 - (iii) still wine in a glass: 125 ml; and
 - (b) customers are made aware of the availability of these measures.

A responsible person in relation to a licensed premises means the holder of the premises licence in respect of the premises, the designated premises supervisor (if any) or any individual aged 18 or over who is authorised by either the licence holder or designated premises supervisor. For premises with a club premises certificate, any member or officer of the club present on the premises in a capacity that which enables him to prevent the supply of alcohol.

9. Admission of children to the premises must be restricted in accordance with the film classification recommended by the British Board of Film Classification or recommended by this licensing authority as appropriate.
10. All persons guarding premises against unauthorised access or occupation or against outbreaks of disorder or against damage (door supervisors) must be licensed by the Security Industry Authority.

Annex 2 – Conditions consistent with the operating Schedule

None

Annex 3 – Conditions attached after a hearing by the licensing authority

General

Alcohol:	Monday to Sunday 12:00 to 22:30
13. The Agency ("Licensee") shall ensure that risk assessments are produced for each event, and these shall be made available to the Environmental Health Consultation Team no less than 28 days before the event where practicable.
14. External organisers of events shall refer to the relevant Guides issued by the Royal Parks Agency, copies of which have been deposited with the Licensing Authority.
15. The Licensee shall ensure that external organisers are issued with an agreement for hire of the Park, or part thereof. This agreement shall include the conditions attached to the Premises Licence and, if relevant, those agreed as a result of meetings of the Hyde Park Licensing & Safety Advisory Group.
16. Save for events, to which condition 54 applies, the Licensee will take all reasonable steps to ensure that amplified music will not cause a nuisance.

Sale of Alcohol

17. For Major Events (as defined at condition 20), at least one Personal Licence Holder shall be present during the whole time alcohol is sold.
18. When alcohol is sold at an event the following conditions will apply to all bars, both for the public and in hospitality areas:
 - (a) Unless otherwise agreed with the relevant members of the Hyde Park Licensing and Safety Group, bars will be closed at least 30 minutes before the event finish time.
 - (b) Bars will not be permitted to run price promotions, happy hours or other promotions designed to encourage excessive drinking.
 - (c) Drinks will not be sold or served in glass vessels or containers.
19. Unless otherwise agreed by the Police, alcohol will not be sold on more than 20 days in any calendar year. For each of the 20 days the Responsible Authorities must be given a minimum of 28 days notice and the Metropolitan Police will have the right to veto the sale of alcohol at events provided they give notice of their veto no later than 7 days after being notified by the Agency.

Conditions applicable to Major Events

20. *Unless the prior consent of the Environmental Health Consultation Team has been obtained, the premises may hold Major Events on no more than 13 days in any calendar year.*

Major Event' is an event where:

- a) *The playing of live and/or recorded music and/or the showing of films or recorded images, as defined by the Licensing Act 2003 is the principal reason for persons attending the event; and*
- b) *Where the number of persons attending the event (excluding security, staff, performers and employees) exceed 4999.*

To amend condition 20 as follows:

'20. Unless the prior consent of the Environmental Health Consultation Team has been obtained, the premises may only hold Major Events on a maximum of 6 days per year. These to be held in two blocks of no more than four consecutive events with a minimum of 2 months between each block.'

21. Unless the prior consent of the Environmental Health Consultation Team has been obtained, the premises may hold Major Events on no more than five days in any calendar year where the number of persons attending the event (excluding security, staff, performers and employees) exceeds 49,999.

To amend condition 21 as follows:

21. Unless otherwise agreed with the City Council, the premises may hold Major events on no more than four days in any calendar year where the number of persons attending the event (excluding security, staff, performers and employees) exceeds 49,999.
22. Unless the prior consent of the Environmental Health Consultation Team has been obtained, the premises may hold Major Events on no more than three days in any calendar year where the showing of films or recorded images, as defined by the Act, is the principal reason for persons attending the Event.
23. Save for Events to which Conditions 20 - 22 apply, licensable activities after 18:30 shall be restricted to no more than 30 days per annum and such activities shall cease no later than 22:00 with the exception of the showing of films where the hours above apply.
24. Any major events shall be notified to the Responsible Authorities and Hyde Park Licensing & Safety Advisory Group with a minimum 28 days notice, unless otherwise agreed. Any member of the Hyde Park Licensing & Safety Advisory Group may request a meeting for such other events not included in the definition of Major Event set out above.
25. Membership of the Hyde Park Licensing & Safety Advisory Group shall include as a minimum; the Licensee, the event organiser (where the Licensee is not the event organiser), the Licensing Authority, Environmental Health Consultation Team, Westminster Special Events & Emergency Planning, Metropolitan Police Service, LFEPA, London Ambulance Service and Transport for London. Additional members will be invited as appropriate for each meeting.
26. Where alcohol is sold, the name and contact telephone number of the Designated Premises Supervisor shall be displayed in a prominent position on the premises, so that it is clearly visible.
27. An advertised 'hotline' telephone number to the Licensee shall be available to local residents.
28. Any queue which forms outside the premises shall be stewarded at all times to ensure that minimal disturbance is caused.
29. The Licensee shall encourage patrons not to congregate outside the premises after the event has finished.
30. Promotional literature and tickets will contain information regarding public transport options and public conveniences and shall request persons to leave the area quietly.
31. The Licensee must nominate one person for each major event to act as safety co-ordinator, who is authorised by the Licensee to act on his behalf to carry out all reasonable requests made by the Hyde Park Licensing & Safety Advisory Group or their authorised representative.
32. The Licensee must provide the Hyde Park Licensing & Safety Advisory Group or their authorised representative with the particulars of the nominated safety co-ordinator.
33. Unless otherwise agreed, no later than 28 days prior to the event the Licensee must ensure an Event Management Plan is presented to the Hyde Park Licensing & Safety Advisory Group, or their authorised representative for their comment and advice. The Event Management Plan shall include, as a minimum:
- a) Emergency and Evacuation procedures;
 - b) Crowd management and stewarding arrangements;

c) A detailed plan showing site layout and emergency egress points;

34. So far as is reasonably practicable the Event Organiser must ensure that the event is run in accordance with the Event Management Plan.
35. The Licensee will ensure that there are adequate means of control to ensure that only permitted numbers of persons gain access to the event site.
36. Adequate stewarding within the licensed area must be provided at all times during the licensed event.
37. Upon reasonable request, authorised enforcement officers of the Responsible Authorities: Environmental Health Consultation Team, Metropolitan Police Service and London Fire Brigade, must be provided with security passes for full and free access at all times to each and every part of the licensed area.
38. A communication system must be provided to ensure the effective operation of the site under both normal and emergency evacuation conditions. The Licensee must provide an adequate incident control centre and a rendezvous point for the Police and other emergency services.
39. Adequate rigid barriers or fences designed to adequately resist right-angle and parallel loads commensurate with probable crowd pressure must be provided around any stage and other location where it is necessary to limit crowd pressure in the interests of safety.
40. Details of all marquees, tented structures and temporary structures should be provided including emergency exits and signage, fire warning and fire fighting equipment.
41. All fabric, including curtains and drapes used on stage for tents and marquees, or plastic and weather sheeting, shall be inherently or durably flame retardant to the relevant British Standards. Certificates of Compliance must be available upon request by the Hyde Park Licensing & Safety Advisory Group or their authorised representative.
42. Full structural design details and calculations of all and any structures to be erected within the licensed area, must be submitted to the Westminster City Council Building Control. A certificate from a competent person or engineer that a completed structure has been erected in accordance with the structural drawings and design specification must be available for inspection prior to a relevant structure being used during the licensed event.
43. Any moving flown equipment must contain a device or method whereby failure in the lifting system would not allow the load to fall. All hung scenery and equipment must be provided with a minimum of two securely fixed independent suspensions such that in the event of failure of one suspension the load will be safely sustained.
44. A sufficient number of easily identifiable, readily accessible receptacles for refuse must be provided, including provisions for concessions. Arrangements must be made for regular collection. Public areas must be kept clear of refuse and other combustible waste prior to, and so far as is reasonably practicable, during the licensed event.
45. After any event any litter remaining will be collected and removed from the site as soon as physically possible, either overnight or starting daybreak the following day if it is considered impractical to collect the litter in darkness.
46. The Licensee must maintain a regular fire patrol at all times when the public are present in the licensed area to check for and guard against possible fire hazards. The area underneath the stage to be kept clear of flammable materials.
47. A schedule detailing types and locations of fire fighting equipment must be submitted to the Hyde Park Licensing & Safety Advisory Group or their authorised representative as required.

48. The Licensee must ensure that competent persons are employed to assess the electrical requirements at the event and the compatibility of the electricity supply with the equipment to be used. Appropriate safety devices (such as 30mA Residual Current Devices at Source) must be used for electrical apparatus, particularly for any electrical equipment exposed to adverse conditions or electrical equipment to be used in association with hand held devices (e.g. microphones). The competent person must make a certificate of Inspection of the electrical installation available for inspection.
49. Emergency exits and entrances to the event area must be kept clear at all times and must be provided with clearly visible signage.
50. All parts of the licensed area intended to be used in the absence of adequate daylight and all essential safety signage shall be suitably illuminable. Details of the locations and level of illumination must be submitted to the Hyde Park Licensing & Safety Advisory Group or their authorised representative.
51. Electrical generators, where used, must be:
- (a) Suitably located clear of buildings, marquees and structures, and free from flammable materials, save for that in the generator tank;
 - (b) Enclosed to prevent unauthorised access;
 - (c) Able to provide power for the duration of the event;
 - (d) Back up electrical generators are to be provided to power essential communications, lighting and Safety systems in the event of primary generator failure, unless otherwise agreed by LSAG.
52. All spare fuel, including LPG, must be kept and stored safely in accordance with relevant Health and Safety legislation and suitable safety signage and fire fighting equipment provided.
53. Unless otherwise agreed, details of any proposed use and storage of lasers, special effects, fireworks or pyrotechnics shall be presented to the Hyde Park Licensing & Safety Advisory Group or their authorised representative, and the Environmental Health Consultation Team 28 days in advance of the event.
54. The following noise conditions shall apply:
- (a) The Agency shall ensure that a noise control consultant shall be appointed, who shall liaise between all parties including the Agency, promoter, sound system supplier, sound engineer and the Environmental Health Consultation Team on all matters relating to noise control prior to the event.
 - (b) For the purposes of monitoring music noise levels during the event and sound check, the noise control consultant shall contact the Environmental Health Consultation Team and agree noise sensitive locations which are to be used to monitor compliance with conditions (d) and (e).
 - (c) A noise propagation test shall be undertaken in consultation with representative(s) of the Environmental Health Consultation Team prior to each Major Event in order to set appropriate control limits at the sound mixer position. The sound system shall be configured and operated in a similar manner as intended for the event. The sound source used for the test shall be similar in character to the music likely to be produced during the event.

- (d) *The control limits set at the mixer position shall be adequate to ensure that the Music Noise Level shall not at 1 metre from the façade of any noise sensitive premises exceed 75 dB(A) over a 5 minute period throughout the duration of the concert.*

To amend condition 54 (d) as follows:

- (d) *'Throughout the duration of the events (including sound checks, rehearsals and concert performances) the Music Noise Level (MNL) shall not exceed 73 dB (LAeq 5 minute) at semi-permanent fixed monitoring positions prescribed by Westminster City Council Environmental Health.'*

- (e) Rehearsal and sound check times shall be limited between the hours of 10:00 and 20:00. Notification of the time(s) and duration of sound checks shall be provided to the Environmental Health Consultation Team at least 24 hours beforehand.
- (f) The Agency shall ensure that the promoter, system supplier and all individual sound engineers are informed of the sound control limits and that any instructions from the noise control consultant regarding noise levels shall be implemented.
- (g) A communications link should be provided to enable condition (f) above to be complied with and any numbers / radios shall be made available to the Environmental Health Consultation Team prior to the event starting.
- (h) The appointed noise control consultant shall continuously monitor noise levels at the sound mixer position and advise the sound engineer accordingly to ensure that the noise limits are not exceeded. The Environmental Health Consultation Team shall have access to the results of the noise monitoring at all times. The Environmental Health Consultation Team shall have access and facilities to enable them to carry out their own monitoring.
- (i) No members of the audience shall be allowed within 3 metres of any speakers.
- (j) The speakers must be located to the satisfaction of the Environmental Health Consultation Team.
- (k) Residential properties and the relevant amenity group(s) in the immediate vicinity of the Park will be contacted as soon as reasonable practicable (and in any event no later than 28 days) prior to any Major Event advising them of the times of the Event and any sound check or rehearsal times and giving them a telephone number to contact in the event that they have any complaints.

55. Adequate medical and first aid cover and facilities appropriate to the licensed event must be provided.
56. Adequate drinking water points in suitable locations must be provided and maintained to the satisfaction of the Hyde Park Licensing & Safety Advisory Group or their authorised representative.
57. Adequate sanitary accommodation must be provided and maintained to serve the licensed event to at least the standards contained within the "Guide to Health, Safety and Welfare at Pop Concerts and Similar Events", or as advised by the Environmental Health Consultation Team. Suitable arrangements must be made for the collection and disposal of used hand towels, sanitary towels and other refuse from the sanitary accommodation.

58. Details of the proposed location, level of provision and means of effective maintenance and servicing of sanitary accommodation must be submitted to the Hyde Park Licensing & Safety Advisory Group or their authorised representative if requested.
59. During the build up and break down of the events site, any activities that might cause noise to be audible outside the Park will be limited to the hours of 08:00 to 20:00 Monday - Friday, and 10:00 and 18:00 Saturday - Sunday.
60. Any generators, refrigerators or other machinery running overnight will be silenced, screened or sited so as not to be audible outside the Park.
61. There shall be a welfare point (or equivalent area) for the reporting and management of lost children. The welfare point will be staffed by trained (and appropriately certified by the Criminal Records Bureau) members of staff who will be in radio contact with the head steward and the safety co-ordinator.
62. The Event Organiser, contractor and any staff employed thereof shall comply with the Conditions of this Licence.
63. The Agency must ensure all reasonable endeavours to ensure that all functions relating to the setting up, the executions and dismantling of the event, the licensed area and all equipment are carried out in accordance with the Health and Safety at Work etc. Act 1974 and all related regulations, Codes of Practice and Guidance Notes. The Agency must afford all assistance for the necessary inspections relating to Health and Safety both prior to and during the licensed event. All documentation required by the Health and Safety at Work etc. Act 1974 relating to contractors and employees must be available for inspection by authorised officers at all times during the licensed event and must be kept at a location at the licensed area to the nominated by the Agency to the Hyde Park Licensing & Safety Advisory Group or their authorised representative.
64. *For Major Events (as defined by condition 20), the Licence Holder will liaise with Westminster City Council's Environmental Health Service concerning cleansing and litter collection arrangements in the area immediately surrounding the premises.*

To amend condition 64 as follows:

'64. The Licence Holder shall make arrangements, to the satisfaction of Westminster City Council, for the cleansing of litter and waste in the vicinity of Hyde Park during and after events.'

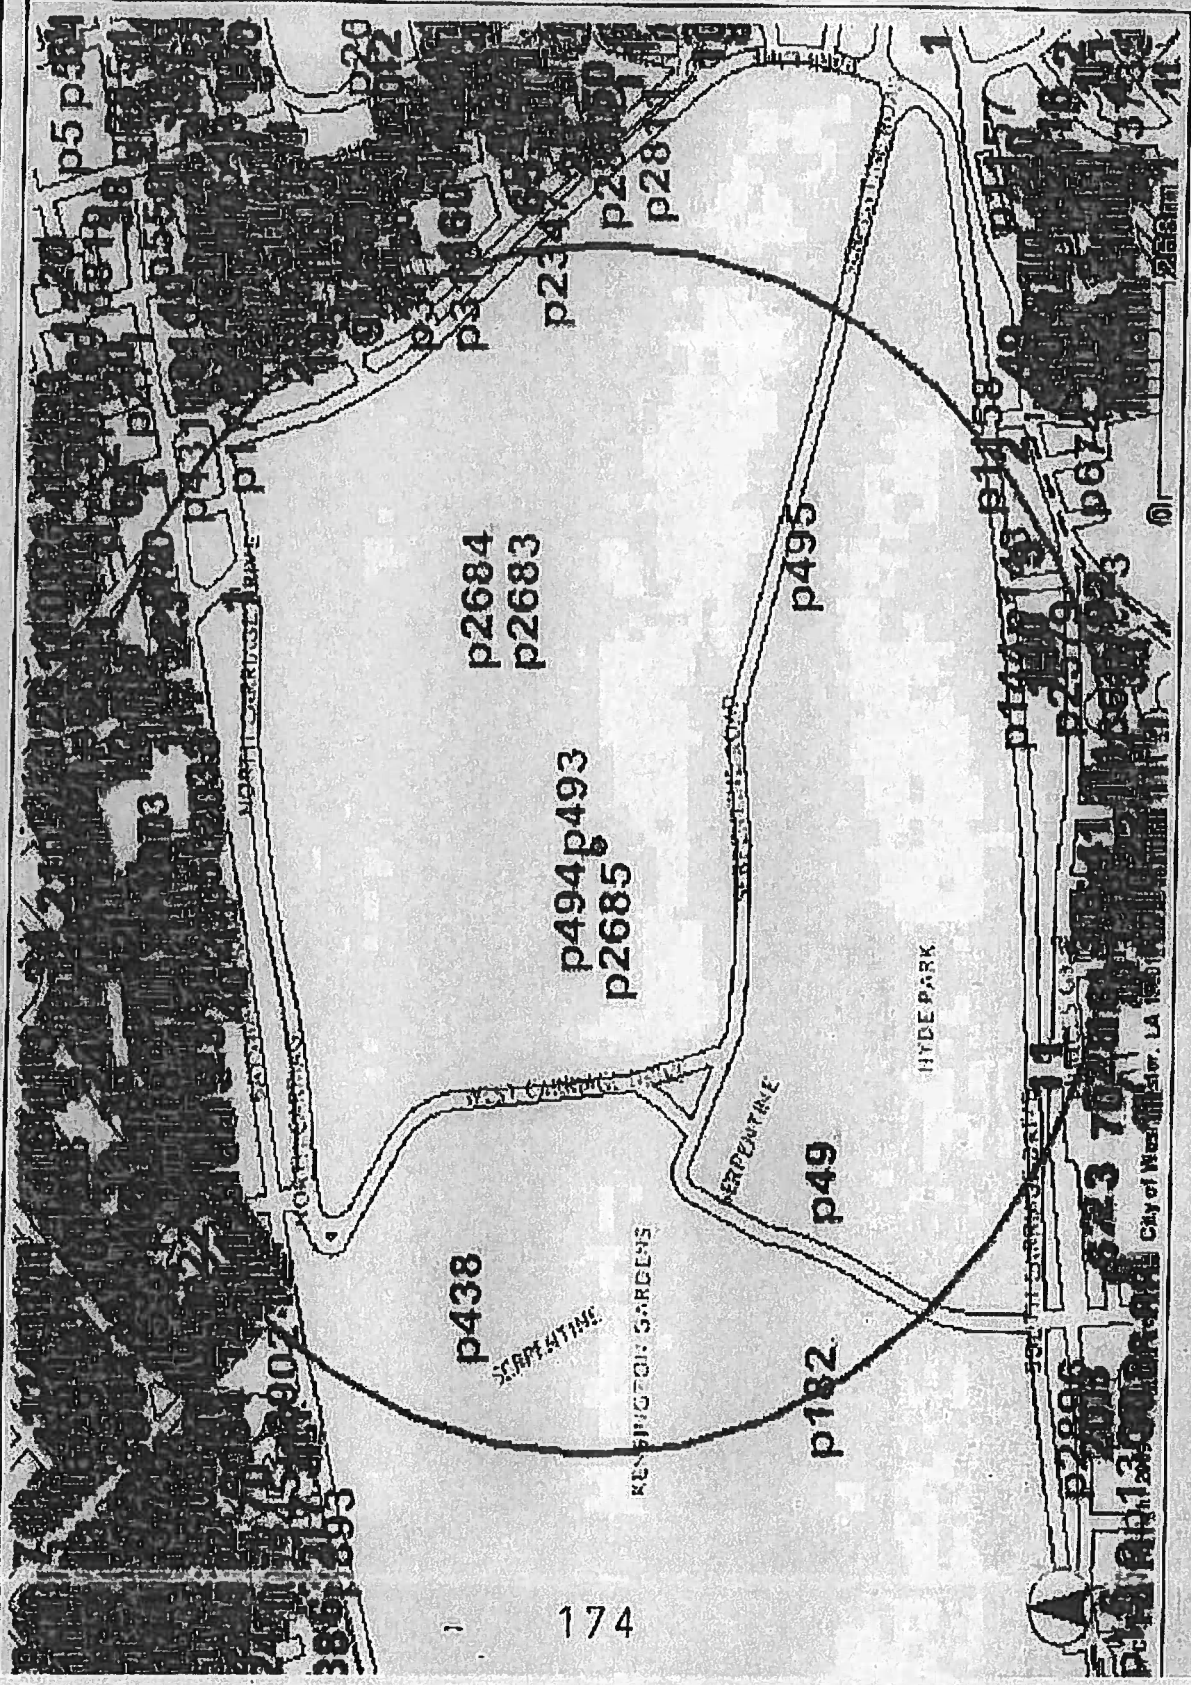

65. The event organiser will comply with all reasonable requirements of the Environmental Health Consultation Team, Westminster City Council, the London Fire and Emergency Planning Authority and the Metropolitan Police Service.

To add the following condition to the licence:

66. Throughout the duration of the events (including sound checks, rehearsals and concert performances) the Music Noise Levels (MNLs) shall not exceed 15dB (LAeq 5 minute) above background (Representative L_{A90} obtained on a number of equivalent days during the last 4 hours of the proposed concert time without the event running) or 65dB (LAeq 5 minute) whichever is the lowest). The MNL shall be assessed at measurement points greater than 1km to the north and 750 metres to the east (distance measured from the main stage mixer position). These measurement points will not be situated on trunk roads. All measurement points will be prescribed in the Noise Management Plan.

67. Throughout the duration of the events (including sound checks, rehearsals and concert performances) the control limits set at the mixer position shall be adequate to ensure that the 63 Hz and 125 Hz octave frequency bands shall not exceed 75 dB (LZeq 15 minutes) as a result of Music Noise Level (MNL) beyond a 2Km radius (distance measured from the main stage mixer position). The 63 Hz and 125 Hz octave frequency bands shall be assessed in a free field position at measurement points prescribed by Westminster City Council Environmental Health.
68. At events of 30,000 capacity or less, any unnecessary delay towers will be switched off upon the reasonable request of the Environmental Health Consultation Team.
69. The Licence Holder shall employ sufficient numbers of stewards/marshals as required by the size of the event to ensure that patrons leave the premises safely.
70. Unless otherwise agreed, the Licensee must ensure an Egress Management Plan is presented to and agreed by the Hyde Park Licensing & Safety Advisory Group, or their authorised representative, no later than 28 days prior to the event. Please note: The Egress Management Plan may require the closure of Park Lane or other surrounding roads with the approval of the relevant authorities.
