

PROPOSED CONDITIONS – LB ISLINGTON

Amendments to existing conditions on the licence (by current number)

12. The Licence holder shall provide a comprehensive and satisfactory traffic management plan (TMP), including full details of ingress and egress management, parking restrictions and enforcement, taxi pick up and drop off positions. This must be agreed by MPS, LB Haringey, London Borough of Hackney and London Borough of Islington, TFL (as traffic authority and for Underground and Buses) and GTR . Without the agreement of all parties to the TMP one month before the event, the event cannot take place.
13. The TMP must be supported by a traffic management order (TMO) which will provide the lawful authority for all road closures and traffic diversions. This must have been approved by LB Haringey, LB Hackney and LB Islington and the relevant traffic authority/ies.
14. Implementation, management and enforcement of the TMP and TMO must be by adequately trained stewards. An event TMO may require these to be CSAS accredited.
15. Sufficient and appropriately briefed and trained staff must be deployed to manage queues at all transport hubs significantly affected by each event. The locations and timings of these deployments to be agreed with the LSAG.
16. Sufficient barriers to be agreed with the LSAG must be provided in order to facilitate a safe queuing environment and deliver patrons to the stations at a rate that the stations can deal with.
17. The full cost of the TMP, including the TMO, staffing and barrier costs to be met by the organiser/promoter. Any request for the TMP to be supported by police officers, over and above the deployment determined by the MPS as required to discharge the core policing duties associated with each event, must be by way of a request for Special Police Services (SPS) pursuant to Section 25 of the Police Act 1996. The MPS reserves full discretion to refuse any request for SPS, and the TMP must not assume police support.
63. The Waste/Litter Management Plan and Street Cleaning Plans for LB Haringey, LB Hackney and LB Islington contained in the Final Event Management Plan must be complied with in full. The pedestrian routes into the park must be looked after by litter teams during and after the events. The specific areas will be: Station Place frontage on Finsbury Park Station, Stroud Green Road from Morris Place down to junction with Seven Sisters Road. Seven Sisters Road up to Manor House Station (including up to 150m into all side roads off Seven Sisters Road, Oxford Road, Perth Road, Woodstock Road and Ennis Road. These areas must be litter free by 6am on the morning after each event.
71. The Licence holder shall provide an agreed number of SIA and stewards at agreed locations outside the environs of the Park in LB Haringey, LB Hackney and LB Islington as part of the EMP, to ensure guidance is being given and directing concert patrons to and from the event site both before and after the events.
73. The Licence Holder shall employ sufficient numbers of stewards/marshals as required by the size of the event as agreed in the EMP to ensure that patrons leave the premises safely. SIA stewards and general stewards must be proactive in preventing public urination in and around the park in LB Haringey, LB Hackney and LB Islington and must be fully briefed in this regard.
75. Any queue which forms outside the premises shall be stewarded at all times to ensure that minimal disturbance is caused.
76. The Licensee shall encourage patrons not to congregate outside the premises after the event has finished.

81. Unless otherwise agreed, the Licensee must ensure an Egress Management Plan is presented to and agreed by the Safety Advisory Group, or their authorised representative, no later than 28 days prior to the event. Please note: The Egress Management Plan may require the closure of Seven Sisters Road or other surrounding roads with the approval of the relevant authorities.
83. The robust management of the Egress Plan may require assistance from the MPS and appropriate costs associated with this will be met by the promoter. Provision of policing requirements should be jointly risk-assessed for each event.
84. For the avoidance of doubt the footprint of the concert will be viewed to include the areas within the traffic management order. Other transport hubs away from Finsbury Park station itself may require additional stewarding from the promoter costs are to be met by the promoter.
85. If the Egress plan requires the closure of Seven Sisters Road, agreement must be sought with TFL-Roads.
86. The Licence Holder shall provide an agreed number of SIA and stewards at agreed locations outside the event site to take all reasonable steps to ensure concert goers (other than local residents) do not exit the park into residential streets in LB Haringey, LB Hackney and LB Islington detailed in the Egress Management Plan.

New Conditions

- (a) Each year the Licence Holder if requested shall meet with the Officers of LB Haringey, LB Islington and LB Hackney on a monthly basis to receive feedback on the Event Management Plan regarding issues arising from events which may adversely impact on LB Islington, LB Hackney and LB Haringey residents.
- (b) The Licence Holder shall arrange a consultation meeting with Local Residents from LB Haringey, LB Islington and LB Hackney at least 2 months prior to the first event each year to receive feedback on the EMP.
- (c) The Licence Holder shall arrange a debrief meeting with Local Residents from LB Haringey, LB Islington and LB Hackney within 4 months of the final event each year to receive feedback about the events.
- (d) The Licence Holder will arrange a meeting with representatives of LB Haringey, LB Islington and LB Hackney residents each day of the event each year to receive real time feedback on the events.

PROPOSED CONDITIONS SUGGESTED BY LIVENATION

GENERAL

1. The event shall not commence until all the Council's requirements contained in this licence in respect of the event have been carried out to Haringey's licensing officer's (or their delegate) reasonable satisfaction.
2. Where consents are required under this licence they will not be unreasonably withheld or delayed.

PRELIMINARY

3. A "pop concert" is considered a "work activity" therefore the licensee is bound by the Health and Safety at Work etc., Act 1974 and the various regulations and directives, which may apply to the activity.
4. The licensee is responsible for the event whether or not it is the employer. The licensee has responsibilities for the health and safety of third parties affected by the event including the audience. Any employer contracted by the licensee shall be responsible for the health and safety of its employees.
5. The co-ordination and implementation of all safety procedures shall be the duty of the event safety co-ordinator (who shall be a competent person working in the field of health and safety who is fully conversant with health and safety law, regulations and approved codes of practice).
6. The licensee, its head of security, and safety co-ordinator shall make themselves fully conversant with the guidance set out in the current "Event Safety Guide".
7. The control and management of the capacity of the events (including the VIP entrance) shall be by way of a live ticket audit which will be available for inspection by Council officers throughout the event.

PROMOTERS, CONTRACTORS & STAFF

8. The licensee shall ensure that all employees, contractors and other personnel involved with the event are made aware of any condition contained within the licence that will affect their involvement in the event.

GENERAL SAFETY

9. The licensee or a person(s) nominated by him in writing as his deputy, shall be in charge of and upon the site for the duration of the event.
10. The licensee or a person(s) nominated by him in writing as his deputy, shall together with the Haringey licensing officer (or their appointed delegate) inspect the site during the set up on the last working day before the event starts at a time to be confirmed by the licensee.
11. The licensee or a person(s) nominated by him in writing as his deputy shall, together with the Haringey licensing officer (or their appointed delegate), carry out a site inspection on each date of the event at 10am to ensure that all the requirements of the licence are in place and that reasonably practicable steps have been taken to protect the health and safety of members of the public by the licensee to the satisfaction of council officers, before the public are allowed on site.

SAG MEETINGS DURING THE EVENTS

12. The licensee or person(s) nominated by him in writing as his deputy shall meet with the Haringey Licensing Officer (or their appointed delegate) all relevant officers, and members of SAG the day before the start of the event, and at any other subsequent time(s) or days as may be determined by the situation on the site. Minutes of any such meetings shall be kept and issues raised will be referred to at subsequent SAG meetings.

SITE

13. The licensee shall:-
 - (a) before entering onto the site to commence the build carry out a site survey to consider what steps are necessary to protect the concert site before and during the event;
 - (b) inspect the ground conditions and determine the feasibility of placing the stage, tents and other structures on the site;

- (c) decide what additional works may be necessary having regard to the prevailing ground conditions at the time of construction.

This may require the laying of tracking over parts of the site to protect the ground from damage by vehicular traffic and provision should be made in advance of the event date for this eventuality.

14. Prior to construction of the stage, tents and other structures on site, a meeting shall be held between the licensee and Council officers to inspect the condition of the site and discuss its layout.
15. The licensee shall provide adequate illumination to the site as this is a late finish from dusk so as to ensure the safe movement within the licensed site and safe egress from the site.

QUEUING OUTSIDE THE PREMISES

16. Should it become obvious to the licensee or his representatives that a queue of patrons is likely to form outside the perimeter fence, the licensee or his representative shall put into place the following:-
- Barrier fencing along the perimeter fence to facilitate queuing
 - Adequate security/stewarding personnel to manage those queuing to collect tickets round the perimeter fence, to include the length of the queue and that the queue is kept close to the perimeter fence
 - Refuse receptacles placed outside the fenced area for the use of those queuing.
17. The licensee shall provide to Haringey Licensing Officer (or their appointed delegate) and other relevant parties, on request the number of people on site at any one time. In addition to ticket holders this number shall include those gaining access via the VIP gate(s), traders, the press, performers entourage and their bona fide guests. The licensee shall also provide information regarding the current length of access queues.
18. The event site shall be fenced off from the rest of the park with dedicated and sign-posted entry and exits that are clearly visible from within the fenced area and immediately outside the fenced perimeter.

PROVISION & VERIFICATION OF CERTIFICATES/QUALIFICATION

19. The licensee shall take reasonable steps to ensure that staff and volunteers (if appropriate) are suitably qualified and capable of carrying out whatever function they have been allocated to. To ensure that, where applicable, certificates and qualifications are to be sent to the Council in time to allow for verification.

EVENT REPORT

20. The licensee shall request of all key service providers i.e. head of security, first aid providers, welfare providers, to maintain a record of all incidents and occurrences and action taken during the event. The statistics shall be sent to the licensing officer within 14 days after the event.

RISK ASSESSMENT RESPONSIBILITY

21. It is the responsibility of the licensee to take all reasonable steps to ensure that all risk assessments and method statements carried out for the event and on its behalf, identify any incident(s) or dangerous situation(s) or occurrence(s) that are reasonably foreseeable to occur during the licensed event and reasonable steps or actions taken or in place to prevent or address them.

DRINKING WATER

22. A plentiful supply of clean drinking water from a minimum of two water points shall be provided in the pit area, together with an adequate supply of plastic-free paper cups.
23. Drinking water shall be available for patients at the first aid points. Additionally, drinking water shall be provided elsewhere on the site to the ratio of one outlet for every 5,000 persons. To avoid water logging of the ground in the immediate vicinity each tap shall be of the self-closing type. This includes the first aid points.
24. Water should be provided through a mains supply, but if this is not possible, other agreed means of supply may be used.

ILLEGAL DRUGS

25. An illegal drugs and prohibited substances policy shall be in place for each event as part of the Event Management Plan. This shall include an anti-drugs message through media including the use of legal highs. The media messaging shall state that this is a drug free event and offenders may be ejected and be subject to being dealt with by the criminal justice system if found in possession of illegal drugs. Advertising and ticketing will show that this event has a zero tolerance policy to the possession of illegal drugs and/or prohibited substances.
26. Surrender bins shall be positioned at the entrances and the approach to entrances promoting that the event is a drug free event. The bins must be closely monitored by security and emptied regularly.
27. The licensee shall consider the use of private security drugs dogs at the entrances to identify illegal drug dealers/users and encourage the use of the surrender bins for those in possession of illegal drugs for personal use. Any implementation of the use of private security dogs should be agreed with the LSAG.
28. Anyone reasonably suspected of possessing or taking illegal drugs may be ejected from the event on the advice of Event Control.

SEARCHING

29. There shall be a pre agreed search policy at the public entrance to the event and VIP entrance. Advertising and ticketing shall show that searching is a condition of entry to the event. The search policy shall also provide for the searching of staff and contractors as appropriate.
30. Anybody reasonably suspected of possessing illegal drugs, prohibited substances or prohibited items may be refused entry on the advice of Event Control.

LOW FREQUENCY CONDITION

31. The maximum low frequency Music Noise Level (LFMNL) shall not exceed 85 dB Leq 15 minutes in any of the one-third octave frequency bands from 40Hz - 125Hz outside the representative locations. The licensee shall require the sound engineer to take remedial action to reduce levels on receipt of substantiated complaints of public nuisance or on LFMNL levels in excess of the 85 dB Leq 15 minutes level referred to above.
32. The Bass Music Noise Level (BMNL) shall be monitored and assessed during the event and if the levels are such as to cause a noise nuisance within any noise sensitive premises the licensee will liaise with the Local Authority to reduce the BMNL to an acceptable level.

FURTHER NEW CONDITIONS / AMENDMENTS TO EXISTING CONDITIONS (BY CURRENT NUMBER)

Condition 51

The Licensee shall reasonably request that performers do not sing or play any vulgar, obscene or banned songs or carry out indecent acts or make any vulgar gestures, actions or remarks during the performance, or at any point whilst using an amplification device, including the use of expletives. He shall also ensure that the attire of the performers do not offend the general public, e.g. attire which exposes the groin, private parts, buttock or female breast(s).

Condition 105

Monitoring of the locations representative of the noise sensitive premises (indicated below) must be undertaken by the appointed noise consultant on behalf of the Premises Licence holder continuously throughout the times where there is regulated entertainment of any kind and readings / noise levels must be stored for subsequent reporting or disclosure to appointed Licensing Authority representatives or appointed representatives from LB Islington or LB Hackney as they are obtained and upon request at any time. A minimum of two persons must be available outside the park to monitor noise levels and to provide a response to complainants.

Condition 107

Sound levels at any location contained within the Table of Approved locations in Condition 106 shall not exceed the above background by more than 15dB when measured as a 15 minute LAeq, and in any event the sound levels at those locations shall not exceed 75dB(A) at any time when measured as a 15 minute LAeq.

New Condition

The background noise levels contained in the Table of Approved locations in Condition 106 shall be updated annually. The locations shall include at least one location within the London Borough of Islington, in addition to the 6 locations already included in the Table.

For the avoidance of doubt, the LSC decided to reduce the operation on Sundays as follows:

- the last sale of alcohol at 2100hrs (reduce by 30 minutes)
- regulated entertainment to finish at 2130hrs (reduce by 30 minutes)
- terminal hour 2200hrs (reduce by 30 minutes)

Informative

That LiveNation explores the options to ensure that access to the Park is optimised throughout the period of Wireless including its build up and pull down, so that the Park can be accessed and enjoyed by all.
