Subject: ESSO WELLINGTON SERVICE STATION

Dear Haringey Council Licensing Department.....Please find enclosed my Representation

My full name is David Alan Reid of 104 NORTH HILL HIGHGATE N6 4RL.

REPRESENTATION.

I have lived at the above address for forty years, Having watched the staff at the Esso/Wellington Service Station struggle to deal with some of the thugs that have used these services the staff are themselves very vulnerable as it is, and that is without an off license facility and there is no doubt about it they are truly being exploited, at night even more vulnerable as only one person alone on duty.

One point I would like to make clear Esso wellington service station has never been licensed to sell alcohol and this would be the first introduction at this petrol station I have spoken to the staff at the petrol station and they are afraid of the extra abuse and violence that they would be exposed to Esso/Wellington service station employs vulnerable young men from SRI LANCA they find it hard enough to cope with some of the problems without introducing more.

I have witnessed many incidents of violence day and night in and around the petrol station with gangs of youths hanging around smoking drugs they use the petrol station to buy papers to smoke the drugs.

Over the years there have been outbursts of drunken violence with groups of youths carrying knives . The wellington service station is surrounded by family homes many housing young children ,many have already been abused and exposed to the on going gang culture that London has become known for around the world.

The local residents are in fear to go out at night I and many of my neighbours have become victims of crime and house burglary and car theft.

By granting the ESSO Wellington a alcohol permit you will be adding petrol to the fire making a very bad situation a lot worse.
We the local residents want to help to prevent even more disorder.

The Met police are already worked off their feet without even more to have to watch out for.

Any alcohol permit would encourage even more public nuisance to this area gangs come here from all around we do not feel this is right then we have the fighting and all that comes with it.

Local residents have to get up in the morning for work and the kids for school how can we sleep with all the noise and trouble that this sale of alcohol would bring .

We reject this for all the reasons I mention and much more this will be a real public nuisance and danger.

Warm Regards

David Reid.

Subject: Representation against 24 hour license - 513 Archway Road, Highgate, N64HX

Dear Sir / Madam,

Please find attached a letter of objection and representation against the request for a 24 hour alcohol license for the Wellington Petrol Station in Highgate.

Attached to this letter (12 pages) are 25 names, addresses and signatures of very concerned and angry residents and neighbours.

Further to the letter we would also like to show our concern that, until it was brought to our attention last week by a neighbour, nobody was even aware of this licence request. As there has been no notification, we believe this list of signatures does not truly represent all those that will be concerned. The signatures only reflect those that were in at the weekend and were able to discuss this matter.

On talking to my neighbours, they were horrified by the idea and disgusted that they knew nothing about this whatsoever and therefore did not have the opportunity to write their own letters of representation.

Also, discussing this with my neighbours, it has been brought to our attention that there is a request for planning permission to develop the service station as well. This was only received by a resident in Toyne Way on Friday. This brings into question the bigger implications and plans associated with this 24 hour alcohol license. It is also concerning that only a few residents who live on the front of Toyne Way have actually received any notification of this planning permission. I would suggest the impact of these plans are more 'far reaching' than a few houses opposite. The majority of Toyne Way and as far as we are aware, those on North Hill, have not been notified.

I would also like to point out, when you search on Haringey's website for this planning application it can't be found. If you type the application number or the address you get no information on this matter and therefore presently our concerns raised are based on the alcohol license in isolation of any other plans.

Again, this is a residential and conservation area and the implications of 24 hour alcohol licence is very concerning.

Yours Faithfully,

Mrs. Carol Cooper

Re: 24 hour alcohol licence
MRH Wellington 513 Archway Road, Hornsey, London, N6 4HX - Ward - Highgate

To the licensing department,

I have been a resident at Toyne Way for over 40 years. I, along with other residents are very concerned with the idea of the Wellington Petrol Station being given a 24 hour licence to sell alcohol. We believe it will

- 1 - Increase problems, noise and create a public nuisance and anti-social behaviour.
- 2 - Could easily lead to crime and increased disorderly behaviour.
- 3 - Introducing alcohol could be a real issue to public safety.

We, the local community are concerned about how it will affect the area. If alcohol and potentially a broader range of refreshments are available 24 hours a day, 7 days a week, this will inevitably increase the numbers of cars and pedestrians travelling to the area, particularly in the early morning. This will create more noise and general nuisance throughout the night for the whole area and its residents.

We are particularly concerned about how this could easily become an all night hangout after pubs close, causing problems in terms of anti-social and disorderly behaviour, which could result in crime.

Our concerns are based on the current real problems that we have to deal with. The petrol station currently sells cigarettes and other refreshments after hours, which brings people through the night—who sit on the walls outside the station and our Estate—creating a nuisance with noise and littering. Late at night they use our estate to cut through disturbing us further.

Local residents are currently having to clean up after them. Families, don't want to have smashed bottles, cans, cigarette butts left around, where they and their children have to put up with the mess the following morning. At worst, residents can get hurt if not dealt with quickly. The sale of alcohol could inevitably exasperate the current problem.

Our residential area is impacted heavily as we are positioned right by the station. Serving alcohol throughout the night will bring people on foot at all hours, creating an increase in general noise, disturbances but also the potential for anti-social behaviour and crime. This

will not only potentially introduce new problems, but make current behaviour around the garage worse.

This is also a concern for residents public safety. Late night loitering can be very intimidating to residents, especially when alcohol is involved. All night availability of alcohol will make this even more concerning.

We are also concerned about security and managing the sale of alcohol with the inevitable increase in cars and pedestrians. How is the security for the staff and the local area going to be maintained and controlled?

Alongside security, what measures would be put in place by the council and the garage to deal with this increased pedestrian traffic and policing additional people—potentially drunk in a residential area? How will you ensure there won't be any additional noise and anti-social behaviour?

We, including all the attached signatories from the area, would ask the council to decline this request.

Yours Faithfully,

Mrs C Cooper

Carol and John Cooper

We, the signatories below object to the request for a 24 hour alcohol licence.

No I don't think so but no problem our client agrees to the following:

1. There shall be no sale of single cans of beer, lager or cider from the premises.
2. There will be no sales/supplies of beers, ales, lagers or ciders with an ABV over 5.5%.

This goes further than has been requested by Public Health but the conditions will be consistent with other licences held by our client.

Please confirm that the Public Health representation will now be withdrawn.

Thanks

Dear Daliah,

We very much appreciate and welcome the amendments to the application.

We do feel strongly that as the premises will be open early in the morning, it is important to have protection for customers around single can and high alcohol content provision.

Public Health would be prepared to withdraw our representation if the applicant agrees to the addition of the following condition:

- No promotion of super-strength beer, lagers or ciders of 6.5% ABV (alcohol by volume) or above, nor single cans (i.e. buy one get one free or other multi-purchase deals)

Please pass this on to Mr Botkai for consideration.

Best wishes,

I as a representative of the Director of Public Health act as the responsible authority under the Licensing Act 2003 and would like to make a representation regarding the application for a variation of premises license at: MRH WELLINGTON, 513 ARCHWAY ROAD, HORNSEY, LONDON, N6 4HX.

Public Health has specific concerns around the provision of alcohol 24 hours a day and its impact on the following licensing objectives:

- Protecting children from harm
- Public safety

Haringey: Alcohol and Health

Tackling alcohol misuse is key to achieving the outcomes in Haringey’s Health and Wellbeing Strategy: giving every child the best start in life, reducing the gap in life expectancy between the east and west of the borough and improving mental health and well being. Part of achieving these involves community safety efforts to tackle alcohol crime and anti-social behaviour, and ensuring health considerations are taken into account in any licensing decisions. We want to create a culture that prevents problem drinking from starting and provides help for people early on should they be struggling.

Haringey experiences some of the greatest levels of alcohol-related problems in London and the harm due to alcohol is a growing concern. In the five year period of 2009/10 – 2014/15, alcohol related hospital admissions increased by 38% with the local cost of these admissions now estimated to be £7.5 million annually. During the same time period, the (DSR) rate of admissions per Haringey person also increased for both men and women, 31% and 26% respectively. Across the borough, there are currently over 800 licensed premises for the sale and supply of alcohol and this figure continues to rise, with some areas of high level clustering. Evidence shows that an increased number of alcohol outlets results in significant increases in alcohol consumption and alcohol-related harm (including injury, violence and medical harm). Antisocial behaviour associated with street drinking has been recognised as a concern in Haringey. Problems identified include; litter, noise, urination and intimidation all of which have a detrimental impact to the quality of life for residents.

Though many factors are known to contribute to the above, the licensing committee has direct influence over two: density of licensed premises and trading hours.

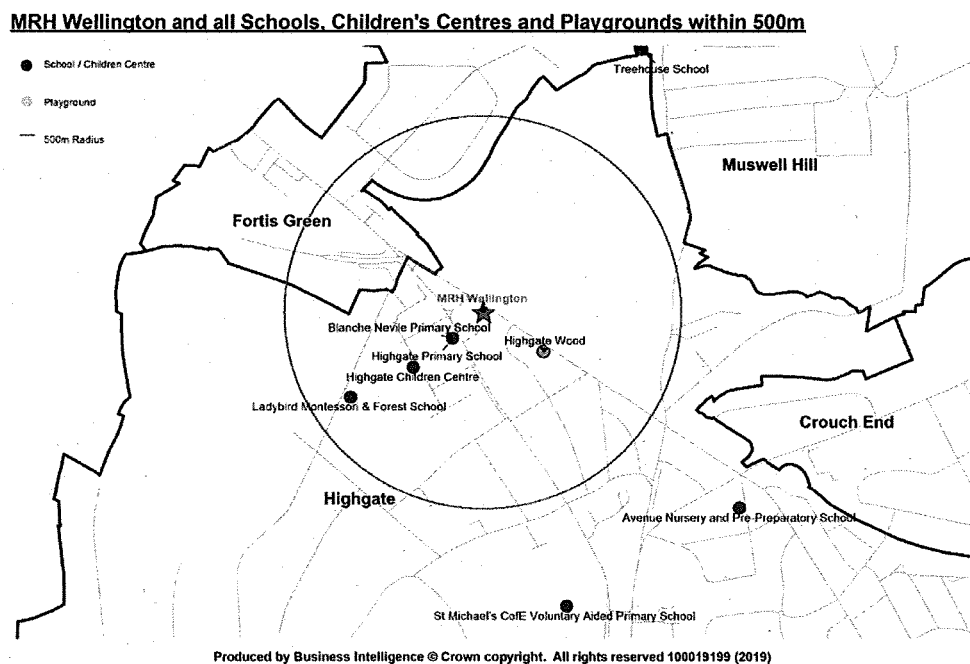

Local Context of the Premises

The premises are located between Archway Road and North Hill, approximately 0.5 miles north west of Highgate underground station. The surrounding area comprises of residential streets and two greenspaces; Highgate Wood and Highgate golf club. There are three schools, one children's centre and a children's playground within 500m of the premises (Figure 1). There are 6 off-licenses and 2 on-licenses within a 500-meter radius, none of which hold a 24 hours alcohol license.

Protecting Children from Harm

There are three schools, one children's centre and a children's playground within 500m of the premises - see Figure 1.

Figure 1: Map showing schools, children's centres and playgrounds within 500m radius of post code

Public Safety

The Highgate ward in which the premises is located is a low crime area - from December 2017 to November 2018 there were 1165 recorded crimes (Police.UK). However, the proportion of these which are related to anti-social behaviour (190 - 16.55%) and violence and sexual offences (200 - 17.42%) is high. These two types of crime are associated with alcohol intake and pose a risk to the safety of the general public including children. Alcohol is known to exacerbate the likelihood of night time violence and domestic abuse offences (GLA datastore, 2016).

Furthermore, the impact of the sale of high strength beers, lagers and ciders is having an adverse effect across Haringey. An increase in street drinking and ASB is related to the increase and easy availability of high strength cheap alcohol. Super strength ciders, larger and beer which are 6.5% Alcohol by Volume (ABV) and above are one of the most harmful forms of alcohol and this is a real concern from a public safety perspective.

In 2017/2018 the LSOA (small geographic area) ranked within the second quintile (of 144 LSOAs that comprise the borough) for alcohol related ambulance callouts. The proportion of all ambulance callouts that are alcohol related in the LSOA was higher than the borough average. Alcohol related ambulance callouts totalled 18 in 2017/2018, of which 1 involved a young person (under 18 years of age). Within 100 meters of the premises there have been 3 alcohol related ambulance callouts (SafeStats, Ambulance Callout Data, 2018).

Hours of operation

We note that the premises does not currently hold a license to sell alcohol and has requested a 24 hour license. As stated in Haringey's Statement of Licensing Policy *"While the Council will treat each case on its individual merits there will be a presumption that permitted hours for the sale of alcohol will be restricted to between 8am and 11.30pm on Sunday to Thursday and 8am to midnight on Friday and Saturday in respect of premises in residential areas..."*.

We believe the following provide grounds to uphold the presumption of the SLP for shorter hours:

- i) The premises, while bound by roads is surrounded by residential areas.
- ii) Nearby premises have shorter licensing hours, with no licensed premises operating for 24 hours within 500m (SafeStats, 2018).
- iii) The proportion of alcohol related ambulance callouts in the LSOA between 11pm and 5am was 28.1% for the year 17/18 (SafeStats, Ambulance Callout Data, 2018). We have concerns that granting a 24-hour license could exacerbate this.

Recommendation

After reviewing the application, we believe that there is not sufficient reason to vary from the standards set in the Statement of Licensing Policy, and that granting a 24 hour license would be detrimental to the licensing objectives; public safety and the protection of children from harm.

Public Health therefore recommends that the hours are restricted to: 8am to 11.30pm on Sunday to Thursday and 8am to midnight on Friday and Saturday, consistent with the Statement of Licensing Policy. In addition, we recommend the following conditions are attached (in addition to those listed in the existing operating schedule) to minimise any potential harm:

Public safety

- The licensee should join the responsible retailers scheme OR
 - High strength alcohol sale restriction: no super-strength beer, lagers or ciders of 6.5% ABV (alcohol by volume) or above shall be sold at the premises
 - No irresponsible sales / promotion of super-strength alcohol (above 6.5% ABV) and single cans (i.e. buy one get one free) OR there shall be no promotional sales of alcohol at the premises where alcohol is sold at a price lower than that at which the same or similar alcoholic drinks are sold, or usually sold, on the premises
- All staff shall be trained in recognising signs of drunkenness, how to refuse service and the premises duty of care. Training shall be regularly refreshed and at no greater than 6 monthly intervals
- The premises shall display prominent signage indicating that it is an offence to sell alcohol to anyone who is drunk.
- There shall be no self-service of spirits on the premises.

Protecting children from harm

- The licensee shall adopt the 'Challenge 25 policy' and promote it on their premises through the prominent display of posters.
- Only a passport, photo-card driving licence, Armed Forces ID cards or a proof of age card bearing the official "PASS" accreditation hologram should to be accepted as proof of age.

- The licensee shall require staff to note any refusals to sell to young people in a refusals log. The refusals log shall be checked and signed monthly by the designated premises supervisor. The refusals log shall be made available for inspection upon request by the licensing team, police or trading standards.
- Age-restricted products training shall cover the following steps: the assessment of age; how and when to challenge for proof of age; acceptable proof of age and how to check it; and recording refusals.
- The licensee shall ensure that staff are trained on relevant matters including the conditions on the premises licence; age restricted products; and (if they are ever left in charge of the shop) the operation of the CCTV system and how to deal with visits from authorised officers. The licensee shall keep records of training and instructions given to staff, detailing the areas covered, and make them available for inspection upon request by authorised officers. Staff shall sign to confirm that they have received and understood the training.

These conditions are designed to ensure that the licensee takes appropriate steps to promote and uphold all four licensing objectives. We believe that all licensees who are fulfilling their duty to promote the licensing objectives will be already complying with many of these conditions. These are the type of precautions needed to meet Haringey's Statement of Licensing Policy requirement of a high standard of management.

Dear Daliah

Further to our conversation yesterday I have taken client instructions.

I am authorised to amend the application to reduce the alcohol hours sought to 0600 to 2400.

Our client agrees to the following condition being included on the licence:

- The licence holder will monitor the primary use of the premises and if transaction data demonstrates that the premises are excluded premises pursuant to S.176 of the Licensing Act 2003 the sale of alcohol will cease until such time as the data demonstrates that the premises are not so excluded. Such data will be maintained on a 6 monthly basis and will be available on request to the police and the licensing authority. This condition will fall away in the event that S.176 is repealed.

I also attach the email from Anna Dawson of the Home Office in which she sought to clarify the Guidance. It is not our practice to submit primary use data as part of the application process as it is not a requirement of the 2003 Act nor is primary use a ground for determining an application.

Finally you will be aware of the additional condition sent to Noshaba on 143 February:

An incident book/register shall be maintained to record:

- all incidents of crime and disorder occurring at the premises
- details of occasions when the police are called to the premises

This book/register shall be available for inspection by a police officer or other authorised officer on request.

I hope that you will not now feel the need to make a representation. I am aware of the resident representation and should be grateful if you will let me know possible hearing dates.

Kind regards

Robert

Dear Sir/Madam,

We are currently considering the application for a major change to the licence to add the ability to offer alcohol sales and to do so on a 24 hr basis.

In order for us to do so however we need to clarify the following, Section 176 of the 2003 Act prohibits the sale or supply of alcohol at motorway service areas (MSAs) and from premises which are used primarily as a garage, or are part of premises used primarily as a garage. Premises are used primarily as a garage if they are used for one or more of the following:

- the retailing of petrol;
- the retailing of derv (diesel);
- the sale of motor vehicles; and
- the maintenance of motor vehicles.

The Guidance goes on to say that it is for the licensing authority to decide, based on the licensing objectives, whether it is appropriate for that premises to be granted a licence, taking into account the documents and information listed in section 17(3) and (4) which must accompany the application. In order to clarify the primary use of the premises can you supply information to show the sales on the petrol forecourt to the sales taken for grocery please.

Kind regards

Subject: Query re s.182 guidance

Mr Botkai,

I am writing in response to your query about the guidance issued to licensing authorities under section 182 of the Licensing Act 2003. The guidance was revised and published on 27 March 2015. Changes have been made to paragraphs 5.22 and 5.23 concerning the sale of alcohol at garages and you have asked me to clarify the position described at paragraph 5.23.

At paragraph 5.22 the guidance is now clearer that a decision on whether to grant a premises licence should be based on the documents and information listed in section 17(3) and 17(4) of the Licensing Act 2003; and that in common with all licensing decisions, the statutory licensing objectives form the basis for this decision.

Paragraph 5.23 describes action that may be taken after the licence has been granted. For example, if the primary use of the premises becomes that of a garage rather than a shop then it would no longer be legal to sell alcohol from the premises (prohibited by section 176 of the Licensing Act 2003). This situation may give rise to a review, and paragraph 5.23 states that if a relevant representation is made, the licensing authority must decide whether or not the premises is used primarily as a garage.

You have raised a concern that use of the term 'representation' in this paragraph may cause some confusion as to whether this paragraph relates to representations made *before* the grant of a premises licence, or representations in relation to a review of an *existing* licence. Paragraph 5.23 is concerned with representations made *after* a licence has been granted or in respect of an existing licence. The term 'representation' is also used in this sense in chapter 11 of the guidance which deals with reviews. Chapter 11 refers to representations given in relation to a review, and representations which give rise to a review (also referred to as an application for a review).

I hope this helps to clarify the position.

Anna
