LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

Down Lane Studios has now operated on this site for a year and are looking for a licence to allow us to expand the offer available on site to include new licensable areas and longer opening times. In the last year we have completed in the region of 60 tens, with over thirty five 06:00 finish times on bank holidays and weekends and 30 outdoor events we feel that the request for a new licence taking this into account is the logical step forward and that it would ultimately save a large quantity of paperwork on both sides. We are happy to accept the majority of conditions agreed on our previous licence LN/000019696 and are comfortable working with them now, we would however like to discuss some points highlighted below that would impact on the new times and areas. The site itself has also evolved over the year and there are minor changes to the layout of the building, with new areas such as external shipping containers and a greenhouse and improvements to the fire exit routes and interconnectedness of the building allowing for a greater number of people to be evacuated in line with the new spaces we would like to licence.

b) The prevention of crime and disorder

We are happy to continue working with the same conditions as previously imposed with the exception of the sia condition. We feel that the guidance for the number of guards on site should now be amended to operate as a formula of 1 per 100 or part thereof of the maximum capacity of the combined licenced areas accessible to the public, maintaining the minimum of three guards.

c) Public safety

We are happy to continue operating under the conditions agreed on the previous licence LN/000019696

d) The prevention of public nuisance

We are happy to continue operating under the conditions agreed on the previous licence LN/000019696, however we intend to play music in the outdoor areas under the deregulation of music act and feel that the conditions relating to this will need discussing with the environmental health team with some amendments and possible addition of new conditions as required. For example not including the condition stating there should be no music outside in this licence.

e) The protection of children from harm

We are happy to continue operating under the conditions agreed on the previous licence LN/000019696
