REPRESENTATION FROM NOISE OFFICER

132

Haringey Council

Licensing Consultation - Internal Memo

To: Licensing Officer

From: Enforcement Response Officer (Noise)

Name of Officer preparing representation: Mr Lamin Tamba

cc: Team Leader

Our Reference: WK/000104679

Date: 23rd December 2008

Premises: The Poachers, 423 Lordship Lane, Wood Green, London, N22 5DH

Type of application: Variation

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to:

Make representations to the Variation on the following grounds:

The proposed operating hours are inappropriate due to the close proximity of residential dwellings. The noise caused by patrons exiting the premises and locating suitable transport home is likely to be detrimental to the residential amenity. Therefore, if the proposed operations are to be granted all reasonable steps and regular monitoring by the Landlord and his staff shall take place to ensure that customers conduct themselves appropriately when entering and leaving the premises. This is to ensure that no disturbance is caused to nearby residents or annoyance to people passing the premises.

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Structure borne noise or vibrations from entertainment
- Noise generated by patrons in external areas of the premises e.g. beer garden
- Noise from patrons exiting the premises
- Noise from plant and machinery

Supporting Information

- We have had complaints about noise coming from the public house, mainly when there are live bands. I visited the premises before, about 2 years ago. On that occasion the noise was not excessive but it was audible within the complainant's home. There is potential for public nuisance unless regulated entertainment is properly regulated.

Informative

I would recommend the following conditions to the operating schedule:

Operating hours

The premises should operate during its proposed hours as per application

That regulated entertainment ceases at 23.30 Sunday to Thursday and ceases at 00.30 on Friday and Saturday to allow quieter dispersal of guests before closing time.

Prevention of nuisance from noise/vibration

Airborne

All doors and windows will remain closed during the regulated entertainment licensed activities. Where a door is used for patrons to enter or leave the premises the door will be fitted with a self-closing device and staff told to ensure that it is not propped open. If necessary, A member of staff shall be positioned at the door to ensure it is opened for as brief a period as possible.

The identified windows/doors will be fitted with a device that instructs staff when the door has been opened.

Entry to the premises will be restricted to a particular entrance whilst the premises is being used for regulated entertainment licensed activity

The regulated entertainment licensable activity shall conclude 30 minutes before the premises is due to close to prevent excessive noise breakout as the premises empties.

Entrance/exit from the premises whilst regulated entertainment licensable activities are ongoing shall be via a lobbied door to minimise noise breakout.

Where necessary adequate and suitable mechanical ventilation should be provided to public areas.

Structure borne

All speakers are mounted on anti-vibration mountings to prevent vibration transmission of sound energy to adjoining properties.

Sound limits

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property.

All regulated entertainment amplified activity will utilise the in-house amplification system, the maximum output of which is controlled by the duty manager.

The level of amplified regulated entertainment shall be controlled by means of limiting device set at a level agreed with the licensing authority unless adequate steps have been taken to ensure that amplified equipment and its associated noise will be contained within the premises without the potential to cause public nuisance. Licensing Authority would need proof of this is such measures already exist.

Outside Areas

No music will be played in, or for the benefit of patrons in the beer garden or other external areas of the premises. This includes the use of Loud Television or similar equipment in outside areas of the premises.

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises.

Signs shall be displayed in the beer garden/on the frontage requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly – The management reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours.

The number of persons permitted to utilise the beer garden/frontage will be restricted to a suitable number.

Only patrons seated at tables will be permitted in the beer garden.

The beer garden/frontage will be closed and patrons requested to come inside the main structure of the premises at 22:30 hours

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include where disclosed, the complainants name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers.

Regular liaison meetings will be held to enable neighbours to raise concerns about any aspect of the licensed activities.

Patrons entering/exiting premises.

There will be no queuing outside the premises.

However, if people queue to enter the premises a licensed door supervisor shall supervise and ensure the potential patrons behave in an acceptable manner.

When the premises turn out a licensed door supervisor shall supervise patrons and ensure they leave in a prompt and courteous manner, respecting the neighbours.

Signs should be displayed requesting patrons to respect the neighbours and behave in a courteous manner.

A licensed door supervisor will be positioned on the exit door to ensure, as far as reasonably practical, that patrons do not leave drinks.

A licensed door supervisor will patrol the cartilage of the premises to prevent patrons urinating in public areas in the vicinity of the premises.

Prevention of nuisance from litter

Adequate receptacles for use by patrons, especially smokers (cigarette butts) will be provided in the local vicinity. The positioning of the receptacles will be agreed with the licensing officer.

The Voluntary Code of Practice for the Fast Food Industry (DEFRA-2003) is followed to reduce fast food litter and waste in the local environment.

Prevention of Nuisance from Odour

All ventilation and extraction systems shall be correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from odour.

Prevention of nuisance from light

The use of explosives, pyrotechnics and fireworks will be restricted to once a week and located away from nearby residential premises]

Illuminated external signage shall be switched off when the premise is closed.

Security lights will be positioned to minimise light intrusion to nearby residential premises.

Dear sir or madam

Re: application for a late licence by The Poachers, 423 Lordship Lane,
London N22 5DH

I am writing to strongly object to the application by the premises above which is situated beneath my flat.

I have made many complaints in the past regarding the pub re: noise nuisance into the late hours which Haringey should have on record and to which noise abatement officers were called.

Obviously, as it is directly situated beneath these flats, a late licence means sleep deprivation for us.

Yours faithfully

Re: Licence variation for the Poachers, N22 5DH.

Dear Daliah Barrett,

This is just to raise my objection to the proposed application as outlined in your letter received Dec 8th 2008 and to make a representation against this.

I live directly opposite the Poachers pub (*which is currently on the market for sale*), and I am raising my objection against on prevention of public nuisance as well as the prevention of crime and disorder.

During the the summer months when the pub has held live and DJ music events before, the noise coming from the establishments PA system is much too loud and a noise nuisance. As the doors are often also left open, or are constantly being opened as their customers use these to gather outside to drink; which only further worsens the situation.

The crowds also get loud and rowdy themselves as they consume more alcohol, often shouting, fighting and on one occasion I have even had one of their drunken customers throw something at my window for no reason. Acts of crime.

Noise pollution already is problem here; with the constant sound of traffic and police and ambulance sirens frequently whining, so the last thing all residents' need here is further added unnecessary noise and distress.

I like other residents also work shifts which include working on week-ends and public holidays and irregular hours and these proposed times will have a negative and detrimental impact on getting to sleep and staying asleep.

I strongly believe by granting them this variation to this licence that this will only serve escalate this all.

I do hope the council will take these concerns very seriously when considering this application.

I am considering taking this issue up with my MP and Housing/resident associations or legal representatives, Press, local Police and I trust that all correspondence between us will be kept confidential?

Please can you inform me of the next stage proceedings, and when the final decision will be made on this? I will await your reply.

Yours Sincerely,

Mr S. Ioannou

15 December 2008

Dear Sir

The Poachers, 423 Lordship Lane N22 5DH

I am writing to make a representation against the application for a variation to a premises license for The Poachers, 423 Lordship Lane N22 5DH.

The reason for my representation against the application is due to that I live directly behind the pub and have experience the noise level very late into the night. I have a young family and the pub would have live karaoke most Friday, Saturday and Sunday nights which you would be able to hear in my children's bedroom, the music would often go on till 1 or 2am.

Another reason against this application is that the pub regularly uses our bins to throw away their boxes which means that not only does the area become untidy but it also restricts the amount of space left for the residents of Penniston Close to throw away there rubbish.

I have also been conscious that more cars park in road when the pub is busy. This makes it sometimes difficult to find parking space when my husband returns from work.

I look forward to your reply.

Yours sincerely

Ms Gail Beswick

Subject: Objection against premises license application for The Poachers N22 5DH

Importance: High

Dear Daliah Barrett,

In response to the notification that The Poachers at 423 Lordship Lane, Wood Green, London N22 5DH has applied for a variation to their premises license in order to increase their hours of regulated entertainments, supply of alcohol and opening hours, we would like to voice our strong objection to this, on grounds of noise pollution, associated anti-social behaviour and public nuisance.

My husband and I live at Flat 27, 1 The Roundway, N17 7EQ, located directly across the road from The Poachers. We have had occasion to phone Haringey Environmental Services during the past 6-12 months due to the persistent noise pollution from the late live band entertainment at The Poachers. When we have called, we have been informed that there have been other such complaints.

The noise levels from the pub and the late hours they already keep are a source of disturbance. Further to this, the level of violent crime and anti-social behaviour that is directly associated with The Poachers pub is concerning at it's current level, as there are often very loud and violent fights that come out into the street and cause a clear public nuisance. My husband has taken photos of these incidents as they arise on a frequent basis. We are often kept awake at night by this as well as the entertainment noise levels. I would imagine the local police office could comment on this as well.

In our opinion, any extension of The Poachers premises license would represent a significant intrusion to our own lives and well-being, and further to this it would be detrimental to the local largely residential area and the quality of life in our neighbourhood. We strongly urge you to consider these implications and our objection, and to therefore reject the application that has been put forward to you by the The Poachers.
