FW: 4 MEVSIM -NEW APPLICATION

25.07.2019, 10:53, "Barrett Daliah" <daliah.barrett@haringey.gov.uk>:

Dear Sirs,

We have considered the new application and the current social issues taking place in the area

The need to consider what is happening in the locality is important when looking to see if what the applicant has offered in the operating schedule of the application form goes far enough to promote and uphold the licensing objectives. There are good conditions offered around CCTV etc which we find acceptable. The application however does not address the social issues happening in the area around street drinking. We will therefore be making representation to seek to restrict the sale of strong beer/lager and cider above 5.5% alcohol. Such sales can contribute to anti social behaviour and disorder through the consumption of alcohol on the street and in open spaces by street drinkers or persons who are already drunk.

Please discuss with your client.

Regards

Daliah Barrett
