Ann Cunningham: Head of Operations

23 February 2019

Review of Bruce Grove North Controlled Parking Zone (CPZ)

Dear Resident or Business,

Bruce Grove North CPZ operating days and times are Monday – Saturday 8am to 6.30pm. On match / event days the operating hours are extended into the evening.

We are currently reviewing the effectiveness of Bruce Grove North and we would like to hear your views on how the parking controls are working or whether you think changes are needed.

We welcome all views, not only from vehicle owners and drivers but also from other road users on whether the CPZ has provided improvements such as clearer visibility and safety for pedestrians. Equally we want to hear of any issues you think the CPZ has failed to deal with and / or if you think any changes to operating days and times are required.

We will use the information you give us to ensure the CPZ remains responsive to the needs of the local community. Please help us by completing the questionnaire overleaf and then returning it to us in the attached freepost envelope. If you prefer to complete the questionnaire online, it can be found on the *current parking consultations* page of our website. If you have a QR reader please scan the QR code above to access the web page.

You can also email us at frontline.consultation@haringey.gov.uk if you have any questions or if you wish to raise issues in more detail. The closing date for receipt of views and comments is Friday 15 March 2019. We will discuss the feedback with your ward councillors and will publish results of the review on the website.

Thank you for your time and we look forward to receiving your completed questionnaire as soon as convenient; as your views are important to us.

Yours faithfully

A handwritten signature in black ink, appearing to be 'Ann Cunningham'.
