Review of Bruce Grove West Controlled Parking Zone (CPZ)

Dear Resident or Business,

Bruce Grove West CPZ operating days and times are Monday – Friday 2pm to 4pm. We are currently reviewing Bruce Grove West and we would like to hear your views on how the parking controls are working or whether you think any changes are needed. For example, are the current operating hours sufficient to deal with parking problems, or should they be extended in general, or perhaps on match / event days only. Some CPZs have longer hours applying just on match / event days.

We welcome all views, not only from vehicle owners and drivers but also from other road users on whether the CPZ has provided improvements such as clearer visibility and safety for pedestrians. Equally we want to hear of any issues you think the CPZ has failed to deal with as well as if you think any changes are needed to operating days and times.

We will use the information you give us to ensure the CPZ remains responsive to the needs of the local community. Please help us by completing the questionnaire overleaf and then returning it to us in the attached freepost envelope. If you prefer to complete the questionnaire online, it can be found on the *current parking consultations* page of our website. If you have a QR reader please scan the QR code above to access the web page.

If you have any questions or if you wish to raise issues in more detail you can also email us at: frontline.consultation@haringey.gov.uk The closing date for receipt of views and comments is Friday 15 March 2019 We will discuss the feedback with your ward councillors and will publish results of the review on the website.

Thank you for your time and we look forward to receiving your completed questionnaire as soon as convenient; as your views are important to us.

Yours faithfully
