Subject: Gindungo, 2A Queens Parade // Licensing Hearing

Dear Sir / Madam,

On behalf of Arch Planning & Licensing we will be representing Ms Micaela Da Silva the applicant for a new premises licence for Gindungo, 2A Queens Parade London N11 2DN at the Licensing Hearing on 22nd March.

We wish to make it perfectly clear to the representors that it is intended that the premises will operate as a small Bar with a maximum capacity of 50 customers plus staff. The request for the sale of alcohol (for consumption on the premises) is to any customer over 18 with no requirement to have a table meal and NOT ANCILLARY TO FOOD. Customers will be required to be seated with service by staff. A food offer will be available during the day and evening.

The applicant intends to install a noise limiter in liaison with the Council's Noise Officer within 30 days of a Licence being granted through which all amplified music will have to be played.

Please see below the amended hours that Ms Da Silva proposes for the new premises licence and additional conditions that she offers to promote the Licensing Objectives:

Gindungo, 2A Queens Parade / Amendments to Application for a New Premises Licence

A) Amended hours for licensable activities

Sale of alcohol

Sunday to Thursday 12.00 to 23.00

Friday & Saturday 12.00 to 01.30

Provision of LNR

Friday & Saturday 23.00 to 01.30

Provision of recorded music

Sunday to Thursday 12.00 to 23.00 (potentially deregulated)

Friday & Saturday 12.00 to 01.30 (potentially deregulated until 23.00)

## B) Amended Conditions

1) The premises will operate as a bar where the sale of alcohol (for consumption on the premises) may be made to any person over 18 (and not just be sold ancillary to food). (For clarity no restaurant conditions are offered) A food offer will be available during the day and evening. Customers shall be seated while drinking with service by waiting staff only.

2) A noise limiter will be installed and set in conjunction with LB Haringey's Noise Team (within one month of any Licence being granted) and through which all amplified music shall be played.

3) A telephone number for the venue will be prominently displayed by the entry door. The telephone number will be given to any local resident on request and will be circulated as a flyer to residents in the adjacent flats. Any complaints received will be investigated by management with details of the complaint and outcome to be recorded in the Incident Book.

4) 1 SIA Licensed Door Supervisor shall be on duty from 21.00 to 15 minutes after close on Friday & Saturday nights. The Door Supervisor shall ensure that no drinks, glasses or bottles are removed from the premises and that no more than six smokers are outside the premises

at any time. They shall remind customers to respect local residents, to leave quietly and not loiter outside. The Door Supervisor shall comply with the venues dispersal policy.

5) When an SIA licensed Door Supervisor is not on duty a member of staff shall be placed on the inner door at close until all customers have left the premises to remind customers to respect local residents, to leave quietly and not to loiter outside.

6) The maximum capacity for customers shall be 50.

Additionally Miss Da Silva accepts the majority of conditions proposed by Ms Barrett Licensing Team Leader except for the one that says " All sales of alcohol to be ancillary to food." We request 2 weeks from the grant of any Premises Licence to prepare a Dispersal Policy.

For the record our client does not accept the hours proposed by Ms Barrett - see instead those proposed by the applicant.

Kind regards,

Graham Hopkins
