1. Describe the issue under consideration

1.1 This report seeks approval of the work plans for the remainder 2018-20 for the Committee and its Panels.

2. Recommendations

2.1 To note the work programmes for the main Committee and Scrutiny Panels at Appendix A and agree any amendments, as appropriate; and

3. Reasons for decision

3.1 The Overview and Scrutiny Committee (OSC) is responsible for developing an overall work plan, including work for its standing scrutiny panels. In putting this together, the Committee will need to have regard to their capacity to deliver the programme and officers' capacity to support them in this task.

4. Background

4.1 An updated copy of the work plan for the Overview and Scrutiny Committee is attached as Appendix "A". The current work plans for all of the other scrutiny panels are also attached.

Wards Corner/Business Support Reviews

4.2 The Committee meeting of 4 June 2019 agreed that the Committee would take over responsibility for the completion of the review on Wards Corner due to the changes that had taken place in the membership of the Housing and Regeneration Scrutiny Panel. The draft report was considered at the last meeting of the Committee and its final version, following receipt and consideration of comments regarding factual accuracy, is scheduled to be approved by this meeting.

4.3 In the light of this, work on the Committee's review on Business Support – Procurement and the Local Supply Chain – has restarted. This was temporarily suspended due to the Committee's work on the Wards Corner review. An

evidence session of the Committee took place on 21 October 2019 as part of the review. The Committee is intending to undertake a visit to a number of local small and medium sized businesses in order to listen to their feedback on their experience of working with the Council. In addition, it is also hoped to receive evidence from the Federation of Small Businesses.

Forward Plan

- 4.4 Since the implementation of the Local Government Act and the introduction of the Council's Forward Plan, scrutiny members have found the Plan to be a useful tool in planning the overview and scrutiny work programme. The Forward Plan is updated each month but sets out key decisions for a 3-month period.
- 4.5 To ensure the information provided to the Committee is up to date, a copy of the most recent Forward Plan can be viewed via the link below:

<http://www.minutes.haringey.gov.uk/mgListPlans.aspx?RP=110&RD=0&J=1>

- 4.6 The Committee may want to consider the Forward Plan and discuss whether any of these items require further investigation or monitoring via scrutiny.

5. Contribution to strategic outcomes

- 5.1 The contribution of scrutiny to the corporate priorities will be considered routinely as part of the OSC's work.

6. Statutory Officers comments

Finance and Procurement

- 6.1 There are no financial implications arising from the recommendations set out in this report. Should any of the work undertaken by Overview and Scrutiny generate recommendations with financial implications these will be highlighted at that time.

Legal

- 6.2 There are no immediate legal implications arising from the report.
- 6.3 In accordance with the Council's Constitution, the approval of the future scrutiny work programme falls within the remit of the OSC.
- 6.4 Under Section 21 (6) of the Local Government Act 2000, an OSC has the power to appoint one or more sub-committees to discharge any of its functions. In accordance with the Constitution, the appointment of Scrutiny Panels (to assist the scrutiny function) falls within the remit of the OSC.
- 6.5 Scrutiny Panels are non-decision making bodies and the work programme and any subsequent reports and recommendations that each scrutiny panel produces must be approved by the Overview and Scrutiny Committee. Such reports can then be referred to Cabinet or Council under agreed protocols.

Equality

- 6.6 The Council has a public sector equality duty under the Equalities Act (2010) to have due regard to:
- Tackle discrimination and victimisation of persons that share the characteristics protected under S4 of the Act. These include the characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (formerly gender) and sexual orientation;
 - Advance equality of opportunity between people who share those protected characteristics and people who do not;
 - Foster good relations between people who share those characteristics and people who do not.
- 6.7 The Committee should ensure that it addresses these duties by considering them within its work plan and those of its panels, as well as individual pieces of work. This should include considering and clearly stating;
- How policy issues impact on different groups within the community, particularly those that share the nine protected characteristics;
 - Whether the impact on particular groups is fair and proportionate;
 - Whether there is equality of access to services and fair representation of all groups within Haringey;
 - Whether any positive opportunities to advance equality of opportunity and/or good relations between people, are being realised.
- 6.8 The Committee should ensure that equalities comments are based on evidence. Wherever possible this should include demographic and service level data and evidence of residents/service-users views gathered through consultation.
