**1. Describe the issue under consideration**

The Haringey's Children in Care (CIC) annual health report outlines the work undertaken by the team. The objective of the CIC health service is to ensure that all Haringey children and young people in care are physically, mentally, emotionally and sexually healthy and that they are able to make health choices that enable them to enjoy healthy life styles. The team's focus is working together to enable children and young people to reach their full potential and enjoy the same opportunities in life as their peers.

**2. Recommendations**

Members to note the report.

**3. Background**

The report is written in accordance with Statutory Guidance on Promoting the Health and Wellbeing of Looked after Children (DCSF 2015). Whittington Health are commissioned to carry out all initial and review health assessments for Haringey's children in care.
