## Theme 2: Delivering best practice

## All practice will demonstrate the principle of "best interests of the child" by meeting the test of "seeing things through the child's eyes" and listening to the child. All practice will demonstrate the principle that safeguarding requires effective partnership working which respects and values differing professions and organisations and is reflected through integrated arrangements where this will provide the best response and most authoritative service. All practice will comply with WT and LCPPS and agencies' standard operating procedures and guidance with a shared approach to intervention thresholds.

- **4.** Our approach will be underpinned by a commitment to **inter-agency information sharing arrangements** and business processes which enable all partners to fulfil their role and deliver the outcome of best in class services for children and their families.
- **5.** We will **identify best practice and turn it into standard practice** using evidence, research, and evaluation supported by relevant national organisations and the LSCB.
