<p><b>OBHC103</b></p>	<p><b>WELL-BEING STRATEGIC FRAMEWORK UPDATE</b></p> <p>The Board received a report setting out the revised Well-Being Strategic Framework and Implementation Plan incorporating LAA indicators, national indicator set, national policy developments, new local strategies and policies and updated Borough statistics. Approval for the final version of the framework would be sought at the March meeting of the Board.</p> <p>The Framework acted as a mechanism for identifying strategic priorities for improving well-being in Haringey and drew together priorities from existing plans and strategies to integrate a range of initiatives. The Framework centred around seven key outcomes agreed by the Board.</p> <p>The Board was advised that the new Local Area Agreement (LAA) adopted in April 2008, provided an opportunity to focus plans and resources to improve health and well-being. It was noted that many of the targets contained within the LAA, which were under the WBSPPB's responsibility, were shared with other Partnership Boards. In addition to these there were also a number of cross cutting Indicators that each of the Boards contributed towards the achievement of.</p> <p>Concern was expressed regarding the amount of surplus information contained within reports and the resultant size of the meeting agenda. The Board requested that report authors be reminded of the need to keep papers focused and to clearly identify changes or issues requiring discussion and decision by the Board.</p> <p>Confirmation was given that an update would be provided at the next meeting of the Board on changes arising from consideration of the Equalities Impact Assessment by Directorate Equalities Forums as part of the finalisation of the framework.</p> <p><b>RESOLVED:</b></p> <ol style="list-style-type: none"> <li>i. OBHC104	<p><b>DRAFT WELL-BEING STRATEGIC PARTNERSHIP BOARD RISK REGISTER</b></p> <p>The Board considered a report that set out a draft Risk Register to identify the risks attached to the running of the Board and in meeting the targets within the Boards responsibility under the LAA.</p> <p>The Board requested clarification regarding the assignment of a medium impact of inherent risk for the failure to increase the number of visits per resident per annum to parks and open spaces and failure to increase the percentage of residents visiting a park at least once a month. In addition, that the controls listed for the two risks be checked for duplication.</p> <p>The Board requested details of financial risk be added to the register in light of the current financial climate.</p> <p><b>RESOLVED:</b></p> <ol style="list-style-type: none"> <li>i. That the draft Risk Register presented be noted.</li> <li>ii. That a final version of the Risk Register incorporating financial risks be presented to the Board in March 2009.</li> </ol>	<p>John Morris</p> <p>Margaret Allen</p>
OBHC105	<p><b>JOINT STRATEGIC NEEDS ANALYSIS</b></p> <p>The Board received an update report on the second phase of the Joint Strategic Needs Assessment (JSNA) to play a key role in determining local priorities and contributing to the development of the Community Strategy and LAA. It would also provide a core data set that would form an evidence base for the development of strategies and future commissioning plans.</p> <p>It was noted that the JSNA phase 2 prioritised four key areas identified by the JSNA Steering Group:</p> <ul style="list-style-type: none"> <li>• Sexual health</li> <li>• Mental health</li> <li>• Vulnerable children and young people</li> <li>• Population</li> </ul> <p>Pools of data shared by each of the agencies involved were being formed in relation to the areas set out above and each assessment would be driven by a partnership task group comprised of representatives from each lead agency with a target for delivery of 2009/2010. In addition to this a technical group had also been established.</p> <p>The Board was reminded that there was a statutory duty upon Directors of Public Health, Adult Services and Children’s Services to undertake a JSNA with a view to better commissioning of services on population</p>	<p>JSNA</p>

<p><b>OBHC106</b></p>	<p><b>EXPERIENCE COUNTS: REVIEW AND UPDATE</b></p> <p>The Board received a report setting out progress on the review and an update on the Experience Counts Strategy for improving the quality of life for older people.</p> <p>It was noted that the Strategy was launched in 2005 and covered the period 2005-10. Its aim was to improve the quality of life for older people in the Borough by tackling discrimination and promoting positive attitudes towards ageing via 10 key goals. Focus groups have been established for each goal and as a result of the scale of the work involved, the deadline for final approval of the review by the Board would be March 2009.</p> <p>The Board was advised that the Action Plan would be closely aligned to the Well-Being Strategic Framework and take into account relevant targets included within the LAA. Progress would be reported through the Well-Being Chair's Executive and the Older People's Partnership Board.</p> <p><b>RESOLVED:</b></p> <ul style="list-style-type: none"> <li>i. That the Well-Being Chairs Executive Board and Well-Being Strategic Partnership Board should continue to monitor and support the process of renewing and updating the Strategy.</li> <li>ii. That organisations represented by the bodies above support the process by supporting the actions set out in the report.</li> </ul>

<p><b>OBHC110</b></p>	<p><b>HOMELESSNESS STRATEGY 2008-11</b></p>	

**MINUTES OF THE HARINGEY WELL-BEING PARTNERSHIP BOARD (HSP)  
MONDAY, 8 DECEMBER 2008**

	<p>The Board received a report setting out the new Homelessness Strategy for the Borough and how this would be implemented. The Strategy would set out how the Council and its partners would work together to prevent homelessness and provide better outcomes for people who were homeless or at risk of being so.</p> <p>It was noted that the Strategy provided the framework to facilitate effective partnership working and supported the Community Strategy and delivery of the LAA by addressing issues such child poverty, community safety, educational attainment, health inequalities and worklessness. The Strategy also related closely to objectives contained within the Well-Being Strategic Framework and would assist in achieving these.</p> <p>The Board noted that the Strategy would be aligned to the reorganisation of the Housing Service and would incorporate good practice services including a rough sleepers outreach service and a new rent deposit scheme. Nine themed delivery groups would oversee implementation of the Action Plan and achievement of the nine key strategic objectives of the strategy.</p> <p><b>RESOLVED:</b></p> <ul style="list-style-type: none"> <li>i. That the report be noted.</li> <li>ii. That the objectives and implementation of Haringey's Homelessness Strategy 2008-11 be endorsed by the Board.</li> </ul>	
<p><b>OBHC111</b></p>	<p><b>PRIMARY CARE TRUST STRATEGIC PLAN UPDATE</b></p> <p>The Board received a report on the NHS Haringey Strategic Plan required as part of striving to achieve world class commissioning and with the aim of detailing the move from assessing the needs of the population to commissioning services to drive improvements in health outcomes. The strategy would be based on the monitoring of 10 key outcomes, with strong crossover with the LAA:</p> <ul style="list-style-type: none"> <li>Life expectancy</li> <li>Health inequalities</li> <li>Primary care access</li> <li>Childhood immunisation</li> <li>Teenage pregnancy</li> <li>Crisis resolution</li> <li>Smoking quitters</li> <li>CVD mortality</li> <li>Cancer mortality</li> <li>Diabetic retinopathy screening</li> </ul> <p>Concerns were raised regarding issues identified at a recent London Councils meeting related to the identification of trauma centres. The Board were advised of ongoing issues related to the clinical standard of bids from acute trusts for trauma and stroke centres and arising locational issues requiring resolution prior to the commencement of the</p>
