1. Describe the issue under consideration

1.1 This report presents an outline work plan for 2020-21 and requests the views of the Panel on priorities and issues to be added.

2. Recommendations

- 2.1 That the Panel approves the draft current work programme for 2020-21, attached at **Appendix A**.
- 2.2 That consideration be given to which one-off items to prioritise and any additional issues to be added to the work plan.
- 2.3 That the Overview and Scrutiny Committee be requested to endorse the work plan for the Panel at its meeting on 6 October.

3. Reasons for decision

- 3.1 The Overview and Scrutiny Committee and its Panels completed their work plans for 2018-20 and were in the process and developing new ones for 2020-22 when the Covid-19 crisis occurred. A scrutiny survey had been undertaken and analysed as part of this process. Another Scrutiny Café event was also planned but this needed to be postponed.
- 3.2 After lockdown, the normal work of the Committee and its Panels was suspended. Regular virtual meetings of the Committee were arranged though, with short, focused agendas. In order not to divert or distract key officers and partners from responding to the crisis, these centred on Cabinet Member questions with officer involvement and the need for written reports reduced. The first round of Panel meetings for the year were cancelled.
- 3.3 With the crisis now past its initial peak and some degree of normality returning, the Committee and its Panels are now in a position to resume their normal work, albeit with the need for virtual meetings for the foreseeable

future. The Panel will therefore need to give further consideration to how it develops its work plan. A key part of this will be plans for how the borough recovers from the Covid-19 pandemic.

- 3.4 The need to continue to hold meetings virtually will mean that agendas for meetings will have to continue to be kept short and focussed. It may also constrain some evidence gathering activities.

4. Alternative options considered

- 4.1 The Panel could choose not to review its work programme but this could diminish knowledge of the work of Overview and Scrutiny and would fail to keep the full membership updated on any changes to the work programme.

5. Background information

- 5.1 A draft work plan for 2020-22 has been developed for the Panel and this is attached as Appendix A. The items within it comprise the following:
- Cabinet Member Questions for the three Cabinet Members whose portfolios fall within the terms of reference for the Panel; and
 - Matters that are reported to the Panel on an annual basis, such as the priorities for the Community Safety Partnership
 - Scrutiny of the budget
- 5.2 In order to assist the Panel in prioritising items, feedback from the Scrutiny Survey that took place in February is attached as Appendix B.

Review on Plastics

- 5.3 The Panel began a review on single use plastics in 2019 but this was delayed in favour of a Scrutiny Review into Disabled Parking Services and Blue Badges, as it was felt that the timing was auspicious and would feed into a developing policy agenda. Following OSC's approval of the Scrutiny Review and its scheduled consideration at an upcoming Cabinet meeting, there is an opportunity for the Panel to consider whether it would like to go back to a Scrutiny Review on single use plastics or whether, in light of the scrutiny survey, there are other issues it wishes to prioritise. It should now be possible for evidence gathering to be resumed, although this will need to be undertaken virtually.

Forward Plan

- 5.4 Since the implementation of the Local Government Act and the introduction of the Council's Forward Plan, scrutiny members have found the Plan to be a useful tool in planning the overview and scrutiny work programme. The Forward Plan is updated each month but sets out key decisions for a 3-month period.

- 5.5 To ensure the information provided to the Panel is up to date, a copy of the most recent Forward Plan can be viewed via the link below:

<http://www.minutes.haringey.gov.uk/mgListPlans.aspx?RP=110&RD=0&J=1>

- 5.6 The Panel may want to consider the Forward Plan and discuss whether any of these items require further investigation or monitoring via scrutiny.

6. Contribution to strategic outcomes

- 6.1 The contribution of scrutiny to the corporate priorities will be considered routinely as part of the Panel's work.

7. Statutory Officers comments

Finance and Procurement

- 7.1 There are no financial implications arising from the recommendations set out in this report. Should any of the work undertaken by Overview and Scrutiny generate recommendations with financial implications these will be highlighted at that time.

Legal

- 7.2 There are no immediate legal implications arising from the report.
- 7.3 In accordance with the Council's Constitution, the approval of the future scrutiny work programme falls within the remit of the OSC.
- 7.4 Under Section 21 (6) of the Local Government Act 2000, an OSC has the power to appoint one or more sub-committees to discharge any of its functions. In accordance with the Constitution, the appointment of Scrutiny Panels (to assist the scrutiny function) falls within the remit of the OSC.
- 7.5 Scrutiny Panels are non-decision making bodies and the work programme and any subsequent reports and recommendations that each scrutiny panel produces must be approved by the Overview and Scrutiny Committee. Such reports can then be referred to Cabinet or Council under agreed protocols.

Equality

- 7.6 The Council has a public sector equality duty under the Equalities Act (2010) to have due regard to:
- Tackle discrimination and victimisation of persons that share the characteristics protected under S4 of the Act. These include the characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (formerly gender) and sexual orientation;

- Advance equality of opportunity between people who share those protected characteristics and people who do not;
- Foster good relations between people who share those characteristics and people who do not.

7.7 The Panel should ensure that it addresses these duties by considering them within its work plan, as well as individual pieces of work. This should include considering and clearly stating;

- How policy issues impact on different groups within the community, particularly those that share the nine protected characteristics;
- Whether the impact on particular groups is fair and proportionate;
- Whether there is equality of access to services and fair representation of all groups within Haringey;
- Whether any positive opportunities to advance equality of opportunity and/or good relations between people, are being realised.

7.8 The Panel should ensure equalities comments are based on evidence. Wherever possible this should include demographic and service level data and evidence of residents/service users views gathered through consultation.
