> Dear Chanel,

>

> Thank you for your email. The applicant carefully reviewed the objection from the neighbour next to his business and wants to reassure him/her that the rear door which is fire door will be closed at all times. It has been kept open during the construction works only. The sign/notice will be fixed to the entrance door saying 'Please leave premises quietly to avoid disturbing local residents'. The applicant is happy to reduce supply of alcohol hours Sunday to Thursday 10:00 to 00:00 hours. The owner is experienced on running such a business and familiar with this area. The restaurant is replacing the supermarket which was opened 24 hours 7 days a week which he considers as an improvement to the local area. Could we kindly ask you to pass this email to the objector and ask him/her to review our response and if she/he wishes to withdraw the objection.
