The prevention of crime and disorder/public nuisance

The West Green Road has been a 'sensitive' area for many years and the Council's efforts (more cameras, upgrading shop fronts, communal garden, etc) have had a positive impact on the local community here. However, there are still regular occurrences of violence, abusive behaviour and gatherings on the street, particularly at night and early hours of the morning.

As an example, When the Fountain pub (1.30 - 2.00am on Fridays/Saturdays) closed, a stream of people can be heard shouting, singing and sometimes fighting, cars revving their engines hard, racing, urinating and vomiting. If an additional premises were opened nearby, it would simply act as a focal point for all these people to go to, creating a new centre for determined drinkers from all over the locality.

This part of West Green Road has residential accommodation and also above shops/takeaways. Nearly all the shops operate between normal hours. A restaurant/bar/club operating all day to 2am would generate disturbing and intrusive levels of noise from music, talking/shouting, people traffic (coming and going), noise of cars parking/leaving all night/morning.

The area is improving slowly, the new flats at Lawrence Square (25 metres away) bought 1800 new residents and their families, this is the kind of neighbourhood I want to live in, not one dominated by a club offering loud music and alcohol until 1:30/2am in the morning. It would be a big step backwards and undo the Council's good work here.

The Prevention of Public Nuisance

Public safety

During the day and night, the presence of customers standing on the street, smoking and intoxicated will cause people to avoid the vicinity, especially mothers with children and the elderly. There are a lot of obviously heavy drinkers in the area and encouraging these people is again a complete step backwards and compromises public safety. The increase in traffic will also put safety at risk in an already busy area.

The Protection of Children from Harm

Protection of children from harm

The area is becoming a better place for children to grow up in, the idea of having an all day restaurant/club selling alcohol and resultant anti-social behaviour on their doorstep, next to their homes, where they walk to and from school, does not create a good and safe environment for children.
