Non Key Decision:** N/A

1. Describe the issue under consideration

1.1 This report updates the Panel on the progress of its workplan for 2020-21 and requests its views on priorities and issues to be added.

2. Recommendations

2.1 That the Panel considers its work programme, attached at Appendix A, and whether any amendments are required; and

2.2 That the Panel give specific consideration to the items to prioritise for its next regular meeting, which will take place on 8 March 2020/21.

3. Reasons for decision

3.1 The work programme for Overview and Scrutiny was approved by the Overview and Scrutiny Committee at its meeting on 15 October 2020. Arrangements for implementing the work programme have progressed and the latest plans for the Children and Young People’s Scrutiny Panel are outlined in **Appendix A**.

4. Alternative options considered

4.1 The Panel could choose not to review its work programme but this could diminish knowledge of the work of Overview and Scrutiny and would fail to keep the full membership updated on any changes to the work programme.

5. Background information

5.1 A workplan for the remainder of 2020-21 was developed for the Panel and approved by the Overview and Scrutiny Committee at its meeting on 6 October. This is attached as **Appendix A**. The items within it comprise the following:

- Cabinet Member Questions for the two Cabinet Members whose portfolios fall within the terms of reference for the Panel;
- Reports that the Panel had previously requested to come to future meetings;

- Matters that are routinely reported to the Panel, such as exam and test result and updates on the implementation of the recommendations of previous reviews; and
 - Scrutiny of the budget.
- 5.2 The next regular meeting of the Panel will take place on 8 March and there is currently only one item that has been allocated to it. This is Cabinet Member Questions for the Cabinet Member for Children and Families. There is therefore some space to add additional items.
- 5.3 The workplan lists, under “to be arranged”, a number of topics that the Panel have previously requested reports on which could be added to the agenda for 8 March. These are as follows:
- (i) School exclusions data;
 - (ii) No Recourse to Public Funds (NRPF):
 - Progress with implementing improvements identified as required by the practice audit undertaken on the work of the NRPF team in 2017
 - How families with NRPF are assisted in accessing good quality immigration advice so that they are better able to resolve their status quickly.
 - (iii) Transitions – Further Update (to be considered jointly with the Adults and Health Panel);
 - (iv) Haringey Community Gold – Further Update;
 - (v) Nurseries and the Two and Three Year Old Offer;
 - (vi) CAMHS – Evaluation of Trailblazer Project;
 - (vii) Childhood Obesity - School Catering Contracts;
 - (viii) Improved support offer for care leavers and pathways for low level mental health support services for children and young people;
 - (ix) Social workers in schools – update on progress with scheme;
 - (x) Planned major works to maintained schools; and
 - (xi) Effectiveness of new partnership arrangements for safeguarding – interim report.
- 5.4 The Panel began a review on schools earlier in the year and had its first evidence session on 10 February. A further evidence session took place on 10 November. Further evidence sessions are in the process of being arranged for the new year.

- 5.5 The need to continue to hold meetings virtually means there will be some limitations on what is possible. It can be challenging to maintain focus for an extended period of time when meeting virtually and meetings will should therefore be kept short and focussed. In addition, the Panel may wish to receive evidence from people who do not have access to the necessary IT or be able to operate it. Certain evidence gathering activities may also not be possible at the moment, such as visits.
- 5.6 Proposals are being developed for a consultative event with representatives of the local community to inform the development of the work plan for Overview and Scrutiny 2021/22, including children and young people. It is intended that this will take place early in the new year.

Forward Plan

- 5.7 Since the implementation of the Local Government Act and the introduction of the Council's Forward Plan, scrutiny members have found the Plan to be a useful tool in planning the overview and scrutiny work programme. The Forward Plan is updated each month but sets out key decisions for a 3-month period.
- 5.8 To ensure the information provided to the Panel is up to date, a copy of the most recent Forward Plan can be viewed via the link below:
- <http://www.minutes.haringey.gov.uk/mgListPlans.aspx?RP=110&RD=0&J=1>
- 5.9 The Panel may want to consider the Forward Plan and discuss whether any of these items require further investigation or monitoring via scrutiny.

6. Contribution to strategic outcomes

- 6.1 The contribution of scrutiny to the corporate priorities will be considered routinely as part of the Panel's work.

7. Statutory Officers comments

Finance and Procurement

- 7.1 There are no financial implications arising from the recommendations set out in this report. Should any of the work undertaken by Overview and Scrutiny generate recommendations with financial implications these will be highlighted at that time.

Legal

- 7.2 There are no immediate legal implications arising from the report.
- 7.3 In accordance with the Council's Constitution, the approval of the future scrutiny work programme falls within the remit of the OSC.

- 7.4 Under Section 21 (6) of the Local Government Act 2000, an OSC has the power to appoint one or more sub-committees to discharge any of its functions. In accordance with the Constitution, the appointment of Scrutiny Panels (to assist the scrutiny function) falls within the remit of the OSC.
- 7.5 Scrutiny Panels are non-decision making bodies and the work programme and any subsequent reports and recommendations that each scrutiny panel produces must be approved by the Overview and Scrutiny Committee. Such reports can then be referred to Cabinet or Council under agreed protocols.

Equality

- 7.6 The Council has a public sector equality duty under the Equalities Act (2010) to have due regard to:
- Tackle discrimination and victimisation of persons that share the characteristics protected under S4 of the Act. These include the characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (formerly gender) and sexual orientation;
 - Advance equality of opportunity between people who share those protected characteristics and people who do not;
 - Foster good relations between people who share those characteristics and people who do not.
- 7.7 The Panel should ensure that it addresses these duties by considering them within its work plan, as well as individual pieces of work. This should include considering and clearly stating;
- How policy issues impact on different groups within the community, particularly those that share the nine protected characteristics;
 - Whether the impact on particular groups is fair and proportionate;
 - Whether there is equality of access to services and fair representation of all groups within Haringey;
 - Whether any positive opportunities to advance equality of opportunity and/or good relations between people, are being realised.
- 7.8 The Panel should ensure equalities comments are based on evidence. Wherever possible this should include demographic and service level data and evidence of residents/service users views gathered through consultation.
